**MOTION FOR EXTENSION
TO FILE RESPONDENTS' ANSWERING BRIEF**

Respondents move to extend the deadline for filing the answering brief through April 20, 2020. NRAP 31(b)(3). This is the first motion for extension. (The parties previously stipulated to extend the deadline pursuant to NRAP 31(b)(2).) The brief was originally due February 18, 2020 and, without an extension, would be due March 19, 2020. No request for additional time has been denied or denied in part.

Although respondents have prepared a draft brief, extraordinary circumstances make the requested extension is necessary. Restrictions

stemming from the Coronavirus pandemic have created urgent changes in other cases and made it difficult for counsel to confer to finalize the brief for filing. Lead appellate counsel was also out of the country and only recently returned.

The requested extension will allow respondents to streamline the issues for this Court's consideration. Respondents appreciate the Court's courtesy in light of these circumstances.

Dated this 19th day of March, 2020.
