was appointed to represent

the defd on Appeal, but was

allowed to withdraw April the

8th the year 04 see N.R.S. 177.

015 See Ramos 113 Nev 1081

The petitioner and just  
cause appearing D.C.R. 19  
and 21 as the prisoner did

receive notice of Department reassessment on Jan the 17th the of 07 N.R.S. 34.726 (1)(a) See State Bar 104 Nev 115 at 244 and N.R.S. 1.230 distinguished 97 Nev 218 at 220.

The Notice was received during the pendency of the petitioners appeal no. 47501 for 7 the honorable Stewart Bell See N.R.S. 34.726 (1)(b) See at Martin III 9ct 222. A blind plea have long

been criticized by the legal scholars with error see Santobello 404 U.S. 206. The U.S. Supreme Court has long forwarn against multiple representation by the P.d.s office that may result in a conflict of intrest see Cuyler 100 Sct 1708.

The doctrine of presumption of innocents allocates the burdon of proof in criminal trials and may also serve as an admonishment for

a jury to draw opinion of that guilt or innocents solely on the basis of any evidence adduced at trial that may not rest on a forced guilty plea alone, Mr Allen now argues on this appeal that his petition was not procedurally defaulted and should be excused on the basis of claim of actual innocence exception on which we rely is known as the Schlup actual innocence exception at 115 Sct 851

that alone and the right  
to a speedy trial See  
Mancuso 302 F Supp  
2d 23 if not the right  
to a fair trial in Clark  
County See Shappard  
86 Sct 1507 is more  
than sufficient to  
state a claim for which  
relief can be granted.

The petitioner can not  
perfect the writ further  
see Lewis 116 Sct 2174.

During Voir Dire side bar discussion. Court thanked and excused the prospective jury panel for the evening.

OUTSIDE THE PRESENCE OF THE PROSPECTIVE JURORS: Discussion regarding side bar discussion. Mr. Hendricks DA advised the State thanked and excused prospective juror number seven, then there was side bar discussion regarding Defendant's objection to excusing the only African American on the panel. The clerk then asked the Judge if prospective juror number 7 is excused in front of him and where the Judge orders him to remain on the panel. Now the prospective juror thinks the State did not want him as a juror and therefore the State will not get a fair judgment from this juror. Mr. Immerman stated if this prospective juror was excused and left, he could have been brought back. Secondly the State does not articulate the Batchin case correctly. The State has been asking any race neutral questions. The reason this prospective juror was excused by the State is because he is the only minority we have on this jury. Mr. Hendricks stated prospective juror is not the only minority if you include the Hispanics on the panel. COURT ORDERED, there is no pattern in the Courts mind and no charge to the Batchin case therefore DENIED.

	003447 Immerman, Stephen M.	Y
	005863 Banks, Jeffrey M.	Y

OUTSIDE THE PRESENCE OF THE PROSPECTIVE JURORS: Mr. Immerman advised Defense understands Courts ruling yesterday regarding the Batchin ruling. As to the appeal in this case, Defense would like to put a comma on the ruling. There was not a requirement to prove a systematic discrimination by the Defense and the Court denied that request. Batchin statute cited by Mr. Immerman. The State has not offered any racial ratio. Mr. Hendricks DA advised the State will not get a fair trial now after yesterday. This individual (prospective juror #7) is not married and obviously not educated and that is why the State kicked him off the panel. Also he was confused as to the question by both counsel. Mr. Immerman misstated the statute of minorities. The Defense has created a pattern of excluding white males however the State has not raised that issued. Mr. Banks stated as to Defense excluding white males, the point is the defendant is a minority and the State steals the only person in the panel who is the same race and our client is the member of that protective class. Mr. Immerman advised the State has brought this up three times they will not get a fair trial, however this black gentleman (prospective juror #7) was going to leave until I went to the bench and tried to convince the Court. COURT ORDERED, it finds the State was positive and racially neutral therefore prospective juror #7 will be excused from jury duty.

Clerk read the information to the jury and stated the defendant's plea thereto. Testimony and exhibits presented. (See worksheets.) OUTSIDE THE PRESENCE OF THE PROSPECTIVE JURORS. Arguments as to State's objection to defendant's cross examination. Mr. Immerman stated the best evidence is the video tape. Mr. Hendricks stated this is not an official transcript, and the State has not had the benefit to look at defendant's transcript that they refered to on cross examination. Mr. Hendricks requested sanctions and thinks this transcript is not proper and taints the jurors. Mr. Immerman stated the police department taped a video conversation between detective Stephen, counselor Fly and the victim. The video tape was given to the defense by the State where it was sent to Bonanza Court Reporting. Defense has proof from the court reporter that the transcript was taken from the video and was signed, attested to and notarized. State and Court's inquiry if defense provided a copy of the transcript to the State. Mr. Immerman

stated this is prosecutions evidence. Because the State did not get this tape typed is not defendant's burden. Mr. Hendricks stated the transcript would be reciprocal discovery. Mr. Immerman stated it is a work product. Court noted it does not see the transcript as work product. Mr. Immerman stated the term of reciprocal discovery where both parties have the evidence and one party in this case typed the tape and now prosecution is saying defense is unethical. According to the transcript this child told the detective that the victim was raped by her mothers friends and the defense can show the State and the jurors where it is on the tape. Mr. Hendricks advised the State was not going to play the tape because it showed prior bad acts. Objections by Mr. Immerman. Ms. Weckerly DA advised the State does not know if the transcript matches the tape, we do not have a copy of the transcript and the State is entitled to a copy of the transcript and now we will have to match it to the tape which could take three hours. Mr. Immerman stated he would provide counsel with a copy of the transcript to review however the defense would request the State billed for half the transcript, \$250.00. COURT ORDERED, that is a post trial issue. FURTHER ORDERED, counsel will terminate any questions based upon that line and based upon the transcript. Ms. Weckerly advised the she does not want to put on a witness until she has looks at the transcript. Mr. Immerman stated he would provide a copy of the transcript to correlate with the tape. Ms. Weckerly requested a copy of the transcript and the State would be ready to proceed tomorrow. COURT ORDERED, Mr. Immerman to surrender the transcript to the bailiff to make copies for counsel.

Jennifer Lott, Court Clerk present at 2:40 P.M. OUTSIDE THE PRESENCE OF THE JURY: Counsel met with Court IN CHAMBERS to discuss transcript provided by Bonanza Reporting regarding a portion of transcript read into the record. Court indicated doctor's videotape deposition will be taken this afternoon at 4:30 p.m. JURY PRESENT: Court READ ADMONISHMENT to the jury to DISREGARD alleged statements made by Janna Taylor thus far. Juror #12 has a problem with late nights, however, she will look into it for next week. Court ADMONISHED the jury and ORDERED evening recess.

Court noted this is the 12th Writ this deft has filed in Proper Person. Deft has appealed almost every one of them. The last time he was chastised by the Supreme Court for the repeated writs, and the Supreme Court suggested the next time deft files a Writ he should be sanctioned by taking away earned credit. COURT ORDERED, motion to proceed in forma pauperis is GRANTED; the Court will set this matter down for evidentiary hearing, State prepare Order to Transport, and the Court will explain to deft what will happen to him. The Court will allow the deft an opportunity to withdraw the Writ and suffer no consequences. Deft has not stated any new grounds for a hearing in the last ten of his petitions.
