## Representation Statement

due to I.N.S. A13701404, the State will not be prejudiced, see *Duamuted V. I.N.S.* 386 F.3d 172.

the facts of the case as D.A. Rogers had no d.n.A. or with held evidence, see *Id. Daubert V. M.D.P. Inc.* 113 Sct 2798, "hear say" *Thomas V. Show* 497 F.2d 123, to Mr. Allen's, *Shields V. State* 634 P.2d 468 (rev. 1981).

The court use false evidence to

convict, as the case was out of state

jurisdiction and remote in time when

filed by, Colo, Arvada P.D. transferred

to Metro P.D. in L.V., Mr. Allen had all-

read been seperated from his wife

for 7 years, before charges where

filed back in (2001), remote in time,

When Mr Allen was transported

and booked into, C.C.D.C. he had told

the staff he took med's, Zoloff for miled

1 treatment for depressive disorders  
2 was established on the record that  
3 the requested treatment (denied)  
4 (S.S.R.I.) See N.R.S. 41A.009, while detained  
5 pre-trial, and sentencing, see Davis v.  
6 Allen 540 F.3d 1298.

7 Error by J.D.C.

8 Was the presentation of false  
9 evidence, cited as, 2009 D.J.D.A.R.  
10 6782, (9th Cir), defd urges the court  
11 to set aside his sentence because  
12 he was not arraigned on any inhan-  
13 cement, see Cited as 2009 D.J.D.A.R. 8372  
14 (9th Cir).

15 Applicable Legal Principles

16 A constitutional right to all discovery  
Wolf v. McDonnell 94 S.Ct. 2963,  
17 and procedural due process and a

1 common law right to fair proceedings as a  
2 role, a parent after a divorce, he is acc-  
3 used and aggrieved by a juvenile's  
4 court proceeding, has a legally cogni-  
5 zable immediate and substantial in-  
6 terest in disclosure of all proceedings.

7 This court found that the teen had  
8 more than several psychological eval-  
9 uation, cited as 2009 D.J.D.A.R. 5131 (9th  
10 Cir) to determine her proper placement  
11 as she ran away from foster homes in  
12 Colo, where arguing (P.d) defence counsel  
13 did not disclose or request, Brody" 373 U.S.  
14 83, we where looking at her emotional  
15 behavior, R.W. a Minor, Ca. Court of Appeals  
16 4th Dist. No. G040791, Date 4-8-09. The  
17 (P.d.) for Mr. Allen's defence should

1 have subpoenaed out of State exculpatory  
2 information applicable to Mr. Allen's case  
3 C-177427, See cited as, 2009 D.J.D. A.R. 9465,  
4 (9th Cir.), because Mr. Allen is actually inn-  
5 ocent, Schulp v. Deb 513 U.S. 298 (1995), and  
6 may still qualify for relief e2244(b)(2)  
7 (B)(ii), and.

### 8 Court Reporting Act

9 28 U.S.C. AGE 753 (b)(1)(F), 1519 where  
10 a conviction should be reversed for  
11 lack of a complete transcript, See  
12 U.S. v. Upshaw 448 F.2d 1224.

### 13 Dangerousness

14 Can not be legally determined, See  
15 Barefoot v. Estell 103 S.Ct 3383, even  
16 if he takes mild to moderate meds, See  
17 Rome v. Levine 692 F Supp 1046.

## Preliminary Hearing

01F00359X Judge Osterly, Mr Allen's accuser a teen was a ward of the State of Colo, due to her Juvenile anticts, but what is most alarming is she was being groomed and coached by her psychologist, how sat behind use making hand signs, come on you can do it, Mr Allen's comment to the court, your honor she's being coached, Judge, Mr Allen, Im allowing it because of her age sir, I object she is fifteen and can speak for her self. See Papa V. U.S. 281 F. 3d 1004-1009 (9th Cir, 2002). was clear abuse of discretion, N.R.S. 1.235, C.C. to N.R.S. 1.230, Aug 10-01, and second,

Judge Osterly at next proceedings (d.A.) Rogers had read 19, amended count in open court, Mr Allen I object your honor I cant have my attorney present, Osterly that's ok he will be here after proceeding Sir, (P.d.) never did show up, the Judge should have waived the reading, the court should have postponed proceedings until (P.d.) counsel was present. See Douglas V. Calif 859ct. 1074

## Loches

Is not an alternative defence to the denial of a constitutional right, See Fox V. Kelso 911 F. 2d 563.

1 We All have A right to Conflict Free  
2 Counsel, and adequate representation  
3 U.S.C.A. Amend. Const. 6<sup>th</sup>. See Frazer  
4 18 F.3d 778, motion to dismiss trial counsel  
(denied), USV. Levy 25 F.3d 1406, Counsel  
5 filed motion to withdraw (denied) See  
6 Ciak V. U.S. 29 F.3d 290.

7 The competent assistance of coun-  
8 sel and direct appeal, U.S.C.A. Const  
9 Amend. 6<sup>th</sup>, 14<sup>th</sup>. See Pense V. Ohio 109 Sct  
10 346 as counsel had withdraw from his  
11 direct appeal, Citing, Coe V. Thurman  
12 922 F.2d 529. See, Rev, 41274 end.

13 The conviction is unconstitutional in  
14 violation of the confrontation clause  
15 U.S.C.A. Const. Amend. 14<sup>th</sup>. See Ryan V Miller  
16 303 F.3d 231 Mr Allen c.c. no testimony or  
17 did she, there was no cross examina-  
18 tion and there for the sentence clearly  
19 violates the holding in, Jackson V. Va 442  
20 U.S. 307.

21 There is a problem here because  
22 P.S.I. and P.S.B. was not disclosed be-  
23 fore trial, plea, sentencing and prison.  
24 See U.S.V. Julin 108 Sct. 1606, D. Shields  
25 V. State 634 P.2d 168. and for this for-  
26 gone conclusion there is not even a  
27 remote possibility that Mr Allen knew  
28 what he was pleading guilty to at  
29 his trial. See Boyken V. Alb 89 Sct 1710  
30 D.R.S. 213.1075,

### Defense Expert

It appears Mr Allen is a victim of Clark County vindictive, selective prosecution, U.S. V. Armstrong, 116 S.ct. 1480, and the fifth amendment right against self incrimination, (Sic Panial) to be eligible for Parole, Id. McKune V. Lie (compulsion), 122 S.ct. 2017, as you have a right to representation legal, See Akey Ok 105 S.ct. 1087-1090-1092, (U.S Okla. 1985).

### Obstruction of Justice

In all criminal proceeding the accused shall have a complete transcript for review so he can support his argument on direct appeal, there is Bounds requirements 97 S.ct. 1491, Citing Lewis 116 S.ct. 2174, pending, See Griffin V. Ill 76 S.ct. 585 (1956), as all motions for sentencing transcripts are all (denied).

### Psychological Evaluation of the Vic

N.B.S. 174-235, The defence team filed a Motion for an independent psychological assessment evaluation of the teen on the eve of trial was denied, See Nobott V. State 138 P.3d 462 (Nev. 2006), as she had a motive to fabricate, Gibbins V State 97 Nev. 299.

### Evidentiary Hearing

In Chapt 34, and 177, for P.C.R. and H/C, the facts are in dispute if resolved he would have been granted relief, See Gebers V. State 118 Nev. 500 (Nev. 2002).

1 Registration No. 200 50006, as Mr.  
2 Allen was and is a professional and  
3 made his living on the phone Nev.  
4 Consumer Affairs Div, as Telemarketing  
5 Org's, he was extradited from Colo and  
6 even then he was a Collection agent  
7 No. 721, in Ca. he filed Bk, Chapt 7 after  
8 being a C.E.O. he started and ran a  
9 credit clinic after working for the  
10 L.A. firm of Teltrans Credit, regardless  
11 (d.A.) Weckerly and Hendrix open state-  
12 ment to the Jury had a clear racial bias  
13 (1996) See U.S. v. Nash 76 F. 3d 285 (C.A. 9 (Cal.))

14 (Danger to Society)

15 There is not even a remote possi-  
16 bility with an I.N.S. hold See  
17 Dumatef 386 F2d 172. (2004).

18 Good Character

19 The court relied on belittling and  
20 racial overtones to present there  
21 case, defence counsel did not pre-  
22 sent a theory of innocens or good moral  
23 character. See Daly v. State 665 P. 2d 798-  
24 800, (Nev. 1983). Cited as, 2009 D. J.D. A.R.  
25 8279, (9th Cir), See Knorr v. State 748 P.  
26 2d. 1, (1987).

During Voir Dire side bar discussion. Court thanked and excused the prospective jury panel for the evening.

OUTSIDE THE PRESENCE OF THE PROSPECTIVE JURORS: Discussion regarding side bar discussion. Mr. Hendricks DA advised the State thanked and excused prospective juror number seven, then there was side bar discussion regarding Defendant's objection to excusing the only African American on the panel. The clerk then asked the Judge if prospective juror number 7 is excused in front of him and where the Judge orders him to remain on the panel. Now the prospective juror thinks the State did not want him as a juror and therefore the State will not get a fair judgment from this juror. Mr. Immerman stated if this prospective juror was excused and left, he could have been brought back. Secondly the State does not articulate the Batchin case correctly. The State has been asking any race neutral questions. The reason this prospective juror was excused by the State is because he is the only minority we have on this jury. Mr. Hendricks stated prospective juror is not the only minority if you include the Hispanics on the panel. COURT ORDERED, there is no pattern in the Courts mind and no charge to the Batchin case therefore DENIED.

	0001 D1 Allen, Gene A	Y
	003447 Immerman, Stephen M.	Y
	005863 Banks, Jeffrey M.	Y

OUTSIDE THE PRESENCE OF THE PROSPECTIVE JURORS: Mr. Immerman advised Defense understands Courts ruling yesterday regarding the Batchin ruling. As to the appeal in this case, Defense would like to put a comma on the ruling. There was not a requirement to prove a systematic discrimination by the Defense and the Court denied that request. Batchin statute cited by Mr. Immerman. The State has not offered any racial ratio. Mr. Hendricks DA advised the State will not get a fair trial now after yesterday. This individual (prospective juror #7) is not married and obviously not educated and that is why the State kicked him off the panel. Also he was confused as to the question by both counsel. Mr. Immerman misstated the statute of minorities. The Defense has created a pattern of excluding white males however the State has not raised that issued. Mr. Banks stated as to Defense excluding white males, the point is the defendant is a minority and the State steals the only person in the panel who is the same race and our client is the member of that protective class. Mr. Immerman advised the State has brought this up three times they will not get a fair trial, however this black gentleman (prospective juror #7) was going to leave until I went to the bench and tried to convince the Court. COURT ORDERED, it finds the State was positive and racially neutral therefore prospective juror #7 will be excused from jury duty.

Clerk read the information to the jury and stated the defendant's plea thereto. Testimony and exhibits presented. (See worksheets.) OUTSIDE THE PRESENCE OF THE PROSPECTIVE JURORS. Arguments as to State's objection to defendant's cross examination. Mr. Immerman stated the best evidence is the video tape. Mr. Hendricks stated this is not an official transcript, and the State has not had the benefit to look at defendant's transcript that they refered to on cross examination. Mr. Hendricks requested sanctions and thinks this transcript is not proper and taints the jurors. Mr. Immerman stated the police department taped a video conversation between detective Stephen, counselor Fly and the victim. The video tape was given to the defense by the State where it was sent to Bonanza Court Reporting. Defense has proof from the court reporter that the transcript was taken from the video and was signed, attested to and notarized. State and Court's inquiry if defense provided a copy of the transcript to the State. Mr. Immerman

stated this is prosecutions evidence. Because the State did not get this tape typed is not defendant's burden. Mr. Hendricks stated the transcript would be reciprocal discovery. Mr. Immerman stated it is a work product. Court noted it does not see the transcript as work product. Mr. Immerman stated the term of reciprocal discovery where both parties have the evidence and one party in this case typed the tape and now prosecution is saying defense is unethical. According to the transcript this child told the detective that the victim was raped by her mothers friends and the defense can show the State and the jurors where it is on the tape. Mr. Hendricks advised the State was not going to play the tape because it showed prior bad acts. Objections by Mr. Immerman. Ms. Weckerly DA advised the State does not know if the transcript matches the tape, we do not have a copy of the transcript and the State is entitled to a copy of the transcript and now we will have to match it to the tape which could take three hours. Mr. Immerman stated he would provide counsel with a copy of the transcript to review however the defense would request the State billed for half the transcript, \$250.00. COURT ORDERED, that is a post trial issue. FURTHER ORDERED, counsel will terminate any questions based upon that line and based upon the transcript. Ms. Weckerly advised the she does not want to put on a witness until she has looks at the transcript. Mr. Immerman stated he would provide a copy of the transcript to correlate with the tape. Ms. Weckerly requested a copy of the transcript and the State would be ready to proceed tomorrow. COURT ORDERED, Mr. Immerman to surrender the transcript to the bailiff to make copies for counsel.

Jennifer Lott, Court Clerk present at 2:40 P.M. OUTSIDE THE PRESENCE OF THE JURY: Counsel met with Court IN CHAMBERS to discuss transcript provided by Bonanza Reporting regarding a portion of transcript read into the record. Court indicated doctor's videotape deposition will be taken this afternoon at 4:30 p.m. JURY PRESENT: Court READ ADMONISHMENT to the jury to DISREGARD alleged statements made by Janna Taylor thus far. Juror #12 has a problem with late nights, however, she will look into it for next week. Court ADMONISHED the jury and ORDERED evening recess.

Court noted this is the 12th Writ this deft has filed in Proper Person. Deft has appealed almost every one of them. The last time he was chastised by the Supreme Court for the repeated writs, and the Supreme Court suggested the next time deft files a Writ he should be sanctioned by taking away earned credit. COURT ORDERED, motion to proceed in forma pauperis is GRANTED; the Court will set this matter down for evidentiary hearing, State prepare Order to Transport, and the Court will explain to deft what will happen to him. The Court will allow the deft an opportunity to withdraw the Writ and suffer no consequences. Deft has not stated any new grounds for a hearing in the last ten of his petitions.

LATER: Deft. present. Statement by deft. Court inquired if there are any new issues, not covered in any of the other nine petitions deft. has filed. Deft present in custody, NDC making a special appearance at Court's direction. Court noted, deft has filed approximately 18 Petitions for Writ of Habeas Corpus. Court stated deft has gone through the process, and the first time everything was considered. The next 18 times deft made variations of things which either were considered or cannot be considered. Court informed deft his Writs are extremely untimely, and they fail to contain anything that can provide him with any relief. Statement by deft. Court advised deft all of his motions for appointment of counsel have been denied. Deft stated there is no prison library, and further, he is not trying to frustrate the Court or aggravate the system, but is trying to get into court. Deft stated he never received his sentencing transcript. Court inquired of deft if he read the Supreme Court Order, and read same into the record. Court advised deft if he loses his good time it will double the time he serves in prison. COURT ORDERED, Deft's Petition for Appointment of Counsel, and his Petition for Writ of Habeas Corpus are hereby DENIED. Court advised deft he cannot have counsel until he passes the threshold that counsel is warranted. Court will send this to the Nevada Dept of Corrections. The Court will ask the Warden to deduct good time credits. Further argument by deft. FURTHER ORDERED, deft will need to file any further petitions for relief with the Federal Court. Court read the Remittitur from the Supreme Court to Deft denying his 15th Petition for Writ of Habeas Corpus. The Supreme Court has thoroughly addressed everything deft has requested.
