- Court stated its understanding of the issue and inquired regarding severing this Deft. from the rest of the case. Dept. XVII would keep this Deft. and Judge Mosley would retain the rest of the case. Colloquy. COURT ORDERED, this Deft. will remain with Dept. XVII and Mr. Wright and Mr. Leavitt's clients will remain before Judge Mosley in Dept. XIV. Mr. Richard Wright objected on the basis there was no case law in either the State nor the Federal Courts that allowed for a case to be split and dispersed based upon a party and presented argument. Mr. John Wright stated this issue arose out of his prior association with a law firm that represented Terry Mosley where he assisted with evidence issues and cross examination preparation and argue the motion was not based on implied bias. FURTHER ORDERED, prior order RESCINDED; this COURT WILL NOT DISQUALIFY JUDGE MOSLEY, MOTION DENIED on the basis there is not sufficient grounds to disqualify him at this time.

Court noted this matter is set for trial. Mr. Pitaro explained he filed this motion because of the United States'(U.S.) Supreme Court's recent ruling that the death penalty is unconstitutional as it relates to juveniles. Court advised striking the State's Notice to Seek the Death Penalty may be the right thing to do, noting the Legislature is working on a law to conform with the U.S. Supreme Court's decision. - Mr. Owens noted concerns Mr. Pitaro may not be ready to proceed to trial as scheduled due to other trial matters with the Mongols. Mr. Pitaro stated the other case is scheduled for proceedings on July 25th and requested a continuance to August 1st to determine what happens; will not be ready for trial should the other matter proceed; the other trial will last 2-3 months. Court stated it does not want a continuance of the trial nor does it wish to prevent Mr. Pitaro from representing his other client. Mr. Leavitt and Wright stated they are not opposed to a continuance. Upon the inquiry of the Court all

parties acknowledged speedy trial has been waived. Mr. Owens argued substitution of counsel by Mr. Pitaro in the other matter is not yet in effect; Judge Mosley is waiting to see what happens here before ruling on the issue of substitution of counsel. Mr. Owens argued in opposition of a continuance of the trial stating proceedings were scheduled over a year ago and there are 3 Co. Deft's awaiting sentencing with pending agreements to testify in this matter. Court stated it is at the discretion of Judge Mosley as to whether or not Mr. Pitaro will be allowed to substitute as counsel in the other case; if Mr. Pitaro is not allowed in the other matter the issue is moot; otherwise, the issue will have to be determined at that time. Mr. Owens noted should the other case continue this would be a de facto continuance. COURT ORDERED, matter CONTINUED for status check Mr. Wright and Leavitt need not appear as the Court has their representations; counsel to coordinate with Mr. Pitaro as to future trial setting. Upon on the inquiry of Mr. Pitaro, Court stated it is not opposed to the substitution of Mr. Pitaro as counsel in the case before Judge Mosley.

- DEFT'S PRO PER MOTION TO DISMISS COUNSEL AND APPOINTMENT OF ALTERNATE COUNSEL STATUS CHECK EVIDENTIARY HEARING

Mr. Amundson advised the Court he has discussed the calendared matters with the Deft. noting, the Deft. must testify at the trial of the co Deft's to obtain the full benefit of his negotiations; the trial continues to be continued; the Clark County Detention Center (CCDC) is not conducive to the mental of the Deft. Court noted negotiations removed the enhancement. Mr. Amundson noted the State's offer of 20 years to life. Mr. Owens stated he believes the trial for the co Deft's will be resolved short of proceeding to trial. Court noted concern it does not want to have the Deft. languishing at CCDC and would like to make sure the co deft's proceed to trial. Court stated it will do its best to resolve matters making sure this trial is the first priority. Deft. stated he has been considering the withdrawal

of his plea; 20 years to life is not a good deal and he never had time to consult with his mother. Deft. further argued, Mr. Amundson made misleading statements to him regarding his co Deft's alleged acceptance of deals and stated he should accept a deal. Mr. Amundson stated he does not have the same recollection of matters nor was he aware others were accepting any deals. Continued argument by Deft. in support of motion, argued, counsel mislead him and had not come to see him for a long time; counsel is now in contact. Court stated findings as to the motion for withdrawal of plea, noted, the only remedy would be for the Deft. to withdraw his plea and set the matter for trial with the co Deft's; Deft's statements would then be allowed to come in; any re negotiations of matters is between the State and the Defense. The Deft. argued the Office of the Public Defender is biased in their opinion of the case and requested the Court appoint outside counsel to obtain their opinion. Mr. Amundson stated the Deft. could work with his co counsel, Curtis Brown. Court stated it sees no reason to dismiss counsel and will attempt to keep the best interest of the Deft. in mind and try to move matters along. COURT ORDERED, motion for dismissal of counsel DENIED; Evidentiary Hearing OFF CALENDAR. CUSTODY

- ARGUMENT/DECISION... DEFT'S MOTION TO SUPPRESS THE DEFENDANT, CODY MEYERS CONFESSION

Arguments in support of motion by Mr. Leavitt; the motion should be granted based upon the failure to allow Deft. access to counsel, the State's glancing over the parental notification and the illegal interviewing techniques used. Arguments in opposition by Mr. Owens, refuting the interviewing techniques used were illegal; the key to this case is looking at the statement it self and when looking at the video tape there is clearly no coercion or intimidation; the Deft. signed a statement

**04C200221-6**

acknowledging he was advised of his rights and his mother was advised he was in custody and allowed to communicate with him; the only reason the premises were frozen was to obtain a search warrant. Court stated findings and ORDERED, motion DENIED.

- Court advised Mr. Sciscento is not present for today's matter.

Court further noted, an order dated September 7, 2007 has been received from the Supreme Court for clarification directed to Mr. Sciscento. On May 1, 2007 the case was on calendar for appointment of appellant counsel with the Public Defender's office being appointed. This matter was then continued to May 8, 2007 when at that time Court was notified of a conflict and Mr. Brown was then appointed. On May 17, 2007 the Court in error ordered a trial date to be set with agreement from the District Attorney's office.

Mr. Brown was not 250 death sentence qualified therefore, Mr. Sciscento who is death sentence qualified was appointed as counsel with Mr. Brown being appointed as second counsel, however, since appellant counsel is required Mr. Sciscento was appointed as appellant counsel. If a new trial is granted to the Deft. both Mr. Sciscento and Mr. Brown will be Deft's trial counsel. There is no trial

- Elana Graham, Deputy District Attorney, present on behalf of the State. Defendant not present in custody with the Nevada Department of Corrections.

Based on the pleadings without argument; Court noted Defendant is seeking to amend the Judgment of Conviction for clarification of restitution. Further, Court stated the Judgment of Conviction was filed in 2006 after a conviction of murder and first degree kidnapping; restitution was ordered joint/severally with co-defendants and defendant is seeking to amend the amount of restitution as Defendant received information that one of the co-defendant's prison accounts reflects a payment of restitution was made; therefore, Defendant is seeking to have his Judgment of Conviction reflect the lower amount of restitution. Court FINDS, subsequent payments are of no moment to the Court the restitution ordered at time of sentencing was correct; therefore, COURT ORDERED, Motion DENIED.
