**IN THE SECOND JUDICIAL DISTRICT COURT OF
THE STATE OF NEVADA IN AND FOR THE
COUNTY OF WASHOE**

STEVEN FLOYD VOSS,

Petitioner,

Case No. CR96-1581

vs.

Dept. No. 1

THE STATE OF NEVADA,

Respondent.

ORDER GRANTING MOTION FOR LEAVE TO PROCEED IN FORMA PAUPERIS

Presently before the Court is a *Motion for Leave to Proceed in Forma Pauperis* (“Motion”) filed by Steven Floyd Voss (“Petitioner”) on May 22, 2019 and submitted to the Court for consideration on August 7, 2019. No opposition was filed.¹

The Petitioner is currently serving a sentence in a correctional institution. Pursuant to Nevada Supreme Court’s Order ADKT No. 411, a person who is unable, without substantial hardship to himself or his dependents, to obtain competent qualified legal counsel on his own will be deemed indigent. Under this standard, a presumption of substantial hardship attaches to those persons currently serving a sentence in a correctional institution or housed in a mental health facility.

¹ This Court’s review of the file indicates that the Motion pertains to Mr. Voss’ Petition for Writ of Habeas Corpus also filed May 22, 2019. This clarification is needed since on August 13, 2019 this Court issued an order granting Mr. Voss’ Motion to Withdraw Court Appointed Trial Counsel (related to this Court’s Order for Resentencing issued August 29, 2018).

IT IS HEREBY FURTHER ORDERED that the Court allow Steven Floyd Voss to bring such action without costs and file or issue any necessary writ, process pleading or paper without charge, with the exception of jury fees.

IT IS HEREBY FURTHER ORDERED that the Sheriff or any other appropriate officer within the state make personal service of any necessary writ, process, pleading or paper without charge for Steven Floyd Voss.

19

I. Background

20

21

22

23

24

The Nevada Court of Appeals issued its *Order Granting Petition* on August 15, 2019. The Nevada Court of Appeals “instruct[ed] the district court to resentence Voss and enter an amended judgment of conviction in CR96-1581 . . . Voss shall be credited with all time he has served pursuant to the invalid judgment of conviction entered in CR96-1581.” *Order Granting Pet.* at 2–3. The court also noted:

25

26

27

[A]lthough there is no valid judgment in CR96-1581, Voss has not been subject to illegal restraint because since 1998 he has also been held and been serving a concurrent prison term of life without the possibility of parole pursuant to a judgment of conviction entered in district court case number CR97-2077.

28

Id. at 2.

1 On November 19, 2019, Defendant Stephen Floyd Voss (Mr. Voss) filed a *Petition for Writ*
2 *of Prohibition* in which he argued this Court lacked jurisdiction to resentence him. On December 13,
3 2019, this Court entered its Order Staying All Proceedings Sua Sponte in which this Court reasoned
4 it could not resentence Mr. Voss while his appeal was pending. The Nevada Court of Appeals rejected
5 Mr. Voss's argument in its *Order Denying Prohibition* on December 27, 2019 and held he was not
6 entitled to relief.

7 Concurrently, Mr. Voss appealed this Court's *Order Denying (First Amended) Presentencing*
8 *Petition for Writ of Habeas Corpus* filed October 30, 2019 in which this Court determined a ruling
9 would be premature because Mr. Voss had not yet been resented. The Nevada Supreme Court
10 rejected Mr. Voss's argument that this Court lacked jurisdiction to resentence Mr. Voss and held as
11 follows:

12 This court's review of this appeal reveals a jurisdictional defect. On August 15,
13 2018, the Court of Appeals entered an order concluding that there "is currently
14 no valid judgment of conviction entered in CR96-1581," the underlying district
15 court case, and directing the district court to resentence appellant and enter an
16 amended judgment of conviction. *See Voss v. District Court*, Docket No. 74227-
17 COA (Order Granting Petition, August 15, 2018). To date, appellant has not
18 been resented and no amended judgment of conviction has been entered.
Because there is no valid judgment of conviction in this case, appellant's petition
was filed prematurely. Accordingly, this court lacks jurisdiction and
ORDERS this appeal DISMISSED.

19 Order Dismissing Appeal (Jan. 16, 2020) at 1–2.

20 **II. Analysis**

21 Currently before the Court are the following motions filed by Mr. Voss.

22 1. Mr. Voss filed a *Motion to Rescind Order Staying Proceedings* on May 6, 2020 and
23 submitted it to the Court for consideration on May 13, 2020 and again on June 10, 2020. Having
24 considered the facts and arguments set forth therein, this Court grants the *Motion to Rescind Order*
25 *Staying Proceedings*.

26 2. Mr. Voss filed a *Motion for New Trial* November 19, 2019 and submitted it to the
27 Court for consideration on May 12, 2020. On May 8, 2020, Mr. Voss filed an *Amended Motion for*
28 *New Trial Based Upon Fraud Upon the Court*. On June 17, 2020, the State of Nevada filed an

1 *Opposition to Defendant’s Motion for New Trial Based Upon Fraud Upon the Court.* On June 24,
2 2020, Mr. Voss filed a *Reply to States Opposition to Defendant’s Motion for New Trial.* NRS 176.515
3 provides as follows:

- 4 1. The court may grant a new trial to a defendant if required as a matter of
5 law or on the ground of newly discovered evidence.
- 6 2. If trial was by the court without a jury, the court may vacate the
7 judgment if entered, take additional testimony and direct the entry of a new
8 judgment.
- 9 3. Except as otherwise provided in NRS 176.09187, a motion for a new
10 trial based on the ground of newly discovered evidence may be made only
11 within 2 years after the verdict or finding of guilt.
- 12 4. A motion for a new trial based on any other grounds must be made
13 within 7 days after the verdict or finding of guilt or within such further time
14 as the court may fix during the 7-day period.

15 Neither the *Motion for a New Trial* nor the *Motion for New Trial Based Upon Fraud Upon*
16 *the Court* (“Motions”) allege newly discovered evidence. If they did, NRS 176.515(3) requires such
17 a motion to be made within two (2) years after the verdict or finding of guilt. The verdicts in this case
18 were rendered in 1996, over twenty (20) years ago. NRS 176.515(4) provides that a motion for a new
19 trial based on any other grounds must be made within seven (7) days after the verdict or finding of
20 guilt. The Motions allege that the State perpetrated a fraud upon the Court in seeking and executing
21 search warrants in this case and that a new trial must be granted as a matter of law.¹ NRS 176.515(4)
22 requires that any motion other than a motion based on newly discovered evidence must be made
23 “within 7 days after the verdict or finding of guilt or within such time as the court may fix during the
24 7-day period.” *See generally* Motions. Accordingly, both Motions are barred by NRS 176.515(4).

25 3. Mr. Voss filed *Defendant’s Presentencing Motions in Limine* (“Presentencing
26 Motion”) on May 6, 2020 and submitted it to the Court for consideration on May 13, 2020 and June
27 10, 2020. On June 17, 2020, the State of Nevada filed an *Opposition to Defendant’s Presentencing*
28 *Motions in Limine.* On June 24, 2020, Mr. Voss filed a *Reply to State’s Opposition to Defendant’s*
Presentencing Motions in Limine. The Presentencing Motion asserts that each of the guilty verdicts
in this case should be set aside because the Information fails to state a criminal offense upon which

¹ Notably, Mr. Voss previously pursued relief on this basis in his *Pre-Sentencing Motion to Set Aside Jury Verdict* filed October 25, 2017. Pre-Sentencing Motion to Set Aside Jury Verdict at 26:14-30:6.

1 judgment can be imposed because the facts constituting the alleged crime are insufficient to state an
2 offense upon which a judgment can be imposed. *See generally* Presentencing Motion. The State
3 contends that this claim has no merit as each of the charges that a jury found Mr. Voss guilty of is a
4 statutorily enumerated. This Court agrees.

5 NRS 173.075 provides as follows:

6 1. The indictment or the information must be a plain, concise and definite
7 written statement of the essential facts constituting the offense charged. It must be
8 signed by the Attorney General acting pursuant to a specific statute or the district
9 attorney. It need not contain a formal commencement, a formal conclusion or any
10 other matter not necessary to the statement.

11 2. Allegations made in one count may be incorporated by reference in another
12 count. It may be alleged in a single count that the means by which the defendant
13 committed the offense are unknown or that the defendant committed it by one or
14 more specified means.

15 3. The indictment or information must state for each count the official or
16 customary citation of the statute, rule, regulation or other provision of law which
17 the defendant is alleged therein to have violated. Error in the citation or its
18 omission is not a ground for dismissal of the indictment or information or for
19 reversal of a conviction if the error or omission did not mislead the defendant to
20 the defendant's prejudice.

21 "[A] judgment will not be set aside or a new trial granted, in a criminal case, unless the accused
22 is able to affirmatively demonstrate that the information is so insufficient that it results in a
23 miscarriage of justice or actually prejudices him in respect to a substantial right." *Laney v. State*, 86
24 Nev. 173, 177, 466 P.2d 666, 669 (1970). A review of the Information filed July 16, 1996 reveals
25 that each of the six counts charged was supported by a statutory reference, the elements of the offense
26 and a recitation of facts that supported the charge and provided Mr. Voss notice of what he was being
27 charged with. Accordingly, each of the charges set forth in the Information complies with NRS
28 173.075.

29 The Presentencing Motion further contends that the Presentence Investigation Report ("PSI")
30 contains numerous factual misrepresentations and fabrications regarding Mr. Voss's "prior criminal
31 history, prior bad acts, wrongs, character or trait of his character." *Presnt. Mot.* at 14:7-11. Mr. Voss
32 "unequivocally (sic) denies all allegations of fact asserted by the State" within the PSI. *Id.* at 14:15-
33 18. In response, the State argues that Mr. Voss's unequivocal denial of the contents of the PSI is a

1 blanket assertion that provides no reference to any specific errors. Opp. at 2:7-9. Further, the State
2 contends that Nevada law gives “the parties the opportunity to object to any of the PSI’s factual
3 allegations.” *Stockmeier v. State, Bd. Of Parole Com’rs*, 127 Nev. 243, 248, 255 P.3d 209, 213
4 (2011). *Id.* at 2:9-11.

5 Having reviewed the pleadings on file, this Court finds that the issue raised by Mr. Voss
6 related to the PSI is unsupported. NRS 176.135(1) mandates that the Division of Parole and Probation
7 “prepare a PSI to be used at sentencing for any defendant who pleads guilty or who is found guilty of
8 a felony.” *Stockmeier*, 127 Nev. at 248, 255 P.3d at 212. Because a court cannot base its sentencing
9 decision on information or accusations that were founded on “impalpable or highly suspect evidence,”
10 the PSI must not include information based on impalpable or highly suspect evidence. *Id.*, 255 P.3d
11 at 213. Mr. Voss has issued a blanket assertion related to the PSI regarding factual misrepresentations
12 and fabrications but provides no specifics and no information as to what is allegedly false in the PSI.
13 The PSI was issued on November 20, 1996. This Court has been attempting in earnest to resentence
14 Mr. Voss since the issuance of the *Order Granting Petition* by the Court of Appeals of the State of
15 Nevada on August 15, 2018. Since that time, this Court has set this matter for sentencing on several
16 occasions. However, Mr. Voss has filed no less than sixteen motions and four appeals to the Nevada
17 Supreme Court in an effort to prevent this Court from proceeding with the resentencing. As to the
18 current resentencing, the State filed an *Application for Setting* on June 4, 2020, requesting a
19 resentencing date of July 7, 2020 at 8:30 a.m. and served Mr. Voss. On June 6, 2020, this Court
20 issued an *Order to Produce Prisoner* and on June 24, 2020, this Court issued a *Notice of Audio/Visual*
21 *Hearing* both for the resentencing on July 7, 2020 at 8:30 a.m. and served Mr. Voss. Despite the
22 passage of time since 1996 and more recently the notice of thirty-plus days provided by this Court
23 related to the resentencing, Mr. Voss has provided no specificity as to what is allegedly false or
24 fabricated with respect to the PSI. Accordingly, his claims regarding the PSI are unsupported.²

25 ² Importantly as to the PSI, at the sentencing on November 27, 1996, Mr. Voss’s counsel stated that he had
26 reviewed the PSI “with Mr. Voss last night” and had only one correction; that the 1990 felony conviction was
27 actually a misdemeanor. Sentencing Transcript at 5:13-17. Thereafter, when Mr. Voss was asked if he had
28 anything to tell the Court he stated, “I believe Mr. Conway has pretty much addressed our side.” *Id.* at 18:14-
17. This Court is not suggesting Mr. Voss waived any objection, correction or modification to the PSI.
However, the vague factual misrepresentations and fabrications that he asserts presently were not asserted in
1996.

1 4. Mr. Voss filed an *Emergency Motion to Suspend Resentencing Proceedings for Good*
2 *Cause Shown* (“Emergency Motion”) on May 28, 2020 and submitted it June 4, 2020. On June 17,
3 2020, the State of Nevada filed an *Opposition to Defendant’s Motion to Suspend Resentencing*. On
4 June 24, 2020, Mr. Voss filed a *Reply to State’s Opposition to Defendant’s Motion to Suspend*
5 *Resentencing* (“Reply”). The Emergency Motion contends that the sentencing of Mr. Voss must be
6 suspended because the case has been stayed, motions remain undecided, the State is required to
7 provide a defendant with all documents supporting the PSI and because Mr. Voss rejects being
8 sentenced by audio visual means. *See generally* Emergency Motion.

9 Mr. Voss’s long endured strategy has been to file motion after motion and appeal after appeal
10 in an effort to prevent his resentencing. Mr. Voss has successfully found a loophole in which he is
11 attempting to park his case and hold it in a perpetual procedural limbo. Mr. Voss’s strategy is to make
12 procedurally invalid motions, wait for the Court to rule on them, appeal the decision, have the
13 appellate courts deny the appeals as premature and issue a remittitur, and then Mr. Voss starts the
14 process over again. With this Order, this Court resolves all of the pending motions filed by Mr. Voss
15 in this case, including his motion to rescind the stay, thereby rendering his Emergency Motion on
16 those grounds moot.

17 Mr. Voss contends that the resentencing cannot proceed since the State must provide all
18 documents that support the “State’s” PSI for his review prior to resentencing. Reply at 2:28-3:22.
19 Contrary to Mr. Voss’s assertions, NRS 176.135(1) mandates that the Division of Parole and
20 Probation prepare the PSI. The statute contains no mandate that the State or the Division of Parole
21 and Probation provide the defendant supporting documentation related to the PSI prior to sentencing
22 and Mr. Voss provides no authority for such a requirement.

23 As to Mr. Voss’s objection to being sentenced by audio visual means, due to COVID-19, on
24 March 12, 2020 Nevada Governor Steve Sisolak declared a State of Emergency which has prompted
25 the District Courts throughout the State to implement procedures that ensure the safety of the Court’s
26 participants and personnel. Second Judicial District Court Administrative Order (“AO”) 2020-05
27 issued March 18, 2020, closed the courthouse at 75 Court Street in Reno to in-person public access.
28 AO 2020-05 at 2:18-22. AO 2020-02(A) provides that due to the pandemic health crisis all

1 appearances in criminal cases will be conducted by audio/visual means in accordance with the Nevada
2 Supreme Court Rules Governing Appearances by Simultaneous Audiovisual Transmission
3 Equipment, Part IX (“Rules”). AO 2020-02(A) at 3:11-12. In the Emergency Motion, Mr. Voss
4 further argues that he does not consent to this Court conducting his resentencing by telephonic means.
5 This Court does not intend to conduct the resentencing telephonically. Instead, pursuant to the SCR
6 Part IX-A (B) the Rules Governing Appearance by Simultaneous Audiovisual Transmission
7 Equipment for Criminal Proceedings, this Court will conduct the resentencing by simultaneous
8 audiovisual means. Rule 4(5)–(8) sets forth the procedure as follows:

9 (a) The court must ensure that the statements of participants are audible and
10 visible to all other participants and the court staff and that the statements made by
11 a participant are identified as being made by that participant. The court may require
12 a party to coordinate with a court-appointed person or persons within a certain
13 time *before* the proceeding to ensure the equipment is compatible and operational.

14 (b) Upon convening a simultaneous audiovisual transmission proceeding, the
15 court shall:

16 (1) Recite the date, time, case name, case number, names and locations of
17 the parties and counsel, and the type of proceeding;

18 (2) Ascertain that all statements of all parties are audible and visible to all
19 participants;

20 (3) Give instructions on how the proceeding is to be conducted, including
21 notice if necessary, that in order to preserve the record, speakers must identify
22 themselves each time they speak; and

23 (4) Place the witness under oath and ensure that the witness is subject to
24 cross-examination.

25 6. Reporting. All proceedings involving simultaneous audiovisual
26 transmission equipment appearances must be reported to the same extent and in the
27 same manner as if the participants had appeared in person.

28 7. Information on simultaneous audiovisual transmission equipment. The
court must publish a notice providing parties with the particular information
necessary for them to appear or have a non-party witness testify by simultaneous
audiovisual transmission equipment at proceedings in that court under this rule.

8. Public access. The right of public access to court proceedings must be
preserved in accordance with law.

This Court will ensure that each of these procedures is carried out at the re-sentencing of Mr.
Voss.

5. Mr. Voss filed a *Motion for Return of Personal Property Pursuant to NRS 179.085*
(*Evidentiary Hearing Requested*) on June 1, 2020 and submitted it to the Court on June 10, 2020. On

1 June 17, 2020, the State of Nevada filed an *Opposition to Defendant's Motion for Return of Property*.
2 On June 24, 2020, Mr. Voss filed a *Reply; to State's Opposition to Defendant's Motion for Return of*
3 *Property*. On August 22, 1997, the State filed a *Motion to Release Evidence* requesting that the Court
4 release all items of evidence utilized in the jury trial in the instant case to the custody of an agent for
5 the Sheriff of Washoe County to be used in the further prosecution of the Mr. Voss in a separate case.
6 Mot. to Release at 1:14-20. On August 22, 1997, the Court issued an Order providing that the
7 "evidence currently maintained by the Clerk of the Court in the above-entitled action be released" to
8 the Washoe County Sheriff's Department.

9 The items of evidence that Mr. Voss seeks to be returned to him are no longer lodged in this
10 case and therefore, this Court cannot order them returned to him. Accordingly, Mr. Voss's *Motion*
11 *for Return of Personal Property Pursuant to NRS 179.085 (Evidentiary Hearing Requested)* is denied
12 and this Court does not reach the merits of the arguments offered by Mr. Voss pursuant to NRS
13 179.085.

14 Based upon the foregoing and good cause appearing,

15 IT IS HEREBY ORDERED as follows:

16 Defendant Steven Floyd Voss's *Motion to Rescind Order Staying Proceedings* is GRANTED.

17 Defendant Steven Floyd Voss's *Motion for New Trial and Amended Motion for New Trial*
18 *Based Upon Fraud Upon the Court* are DENIED.

19 Defendant Steven Floyd Voss's *Presentencing Motions in Limine* are DENIED.

20 Defendant Steven Floyd Voss's *Emergency Motion to Suspend Resentencing Proceedings for*
21 *Good Cause Shown* is DENIED.

22 Defendant Steven Floyd Voss's *Motion for Return of Personal Property Pursuant to NRS*
23 *179.085 (Evidentiary Hearing Requested)* is DENIED.

MOTION TO SET ASIDE JURY VERDICT

Deputy District Attorney Egan Walker represented the State. Defendant was present with counsel, Deputy Public Defender Cotter C. Conway and Deputy Public Defender Maizie Pusich. Erin Gallagher was present on behalf of the Division of Parole and Probation. Deputy Public Defender Conway addressed the Court regarding the testimony of Edward Vilardi stating it was material to the defense because the evidence against Defendant Voss was circumstantial and the credibility of the detectives who testified at the trial was impeachable to the extent that the defense could have used the undisclosed information to challenge the methods of the police investigation and argued in support; response and argument by Deputy District Attorney Walker.
COURT ORDERED: State's failure to produce information violates the discovery rules and took the matter under advisement. The State will not be permitted to refer to prior convictions.
Defendant is to be maintained in custody at the Washoe County Jail until and through his trial on May 26, 1998.

Court does not find that the witness's statement would have impacted the issue of guilt; however, the Court does find that by the State not properly disclosing Edward Villardi's testimony, the State may have impassioned the sentencing court to impose a more severe sentence than which may have been rendered if that court had knowledge of said information.

COURT ORDERED: The Petition is hereby granted as to this claim insofar as it relates to sentencing. The Petitioner shall receive a new sentencing hearing.

The Court directed counsel for State to prepare appropriate findings of fact, conclusions of law and order in accordance with the Court's rulings herein.

Counsel for State expressed concerns with the Court's ruling and how said ruling was reached; further discussion between the Court and counsel for State. Counsel for State discussed the reliance by the sentencing court on the Pre-Sentence Investigation Report as well as the Petitioner's criminal history. The Court confirmed said ruling.

Petitioner remanded to the custody of the Sheriff.

SENTENCING ON REMAND BY NEVADA S.C. - CONTD.

Deputy D.A. Amos Stege represented the State.
Defendant present with John Petty, Esq.
Parole and Probation Specialist, Jenny Lopez, also present.
Court referenced the Order by the Nevada Supreme Court to
resentence the Defendant, but prior to the hearing date, the
Defendant filed some appeals with the Nevada Supreme Court, so
that would leave the jurisdiction of the case with the Nevada
Supreme Court.
Counsel Petty agreed with the Court's assessment that she did not
have jurisdiction in the case, although he believed she did have
jurisdiction on deciding Defendant's Motion for Withdrawal of Court
Appointed Attorney.
Counsel Stege spoke as to his concerns regarding the fugitive
documents filed by the Defendant. He believed the only issue that
may be addressed by the Court was the issue as to Defendant's
counsel.
Court referenced a past District Court Order and indicated she
would not go forward with the resentencing, however was inclined
to hear argument on Defendant's Motion for Withdrawal of Court
Appointed Attorney.
Counsel Stege deferred to the Court and to Counsel Petty
regarding any future litigation on the issue.
Counsel Petty did not oppose the removal of the Public Defender's
Office, however he did not agree with some of the Defendant's
allegations within the motion. He requested the Court remove his
office and appoint the Alternate Public Defender's Office.
Court questioned the Defendant directly regarding the situation;
Defendant expressed his concerns with the conflict as to the Public
Defender's Office.
Counsel Stege joined in the assessment of the claims with the
Defendant's motion, he noted there was no finding as to ineffective
assistance of counsel.
Court believed the Defendant's Motion for Withdrawal of Court
Appointed Attorney was collateral to the case and accepted the
representations of counsel regarding the conflict. She would not
rule on the merits as to the performance of counsel, but solely base

her decision on the conflict issue.

COURT granted Defendant's Motion for Withdrawal of Court Appointed Attorney, removed the Public Defender's Office and appointed the Alternate Public Defender's Office.

Court noted the Alternate Public Defender's Office would have significant time to meet with the Defendant, since the Defendant's appeals were pending with the Nevada Supreme Court.

Counsel Stege addressed the issue of a new presentence investigation report (PSI), he believed it was collateral to the case.

Court addressed the Nevada Supreme Court Order, her interpretation of said order was that the Court was to step into shoes of the sentencing Judge with the original PSI. Court indicated a supplemental PSI would not be ordered and the case would be treated as if it were 1996.

Defendant remanded to the custody of the Nevada Department of Corrections.

HEARING RE: MOTION TO WITHDRAW COURT APPOINTED COUNSEL

Deputy District Attorney Amos Stege was present in Court on behalf of the State.

Deputy Alternate Public Defender Marc Picker was present in Court on behalf of Defendant Steven Floyd Voss, who was present, in custody of the Nevada Department of Corrections.

Parole and Probation Specialist Michelle Wing was present in Court on behalf of the Department of Public Safety, Parole and Probation.

COURT reviewed the Motion to Dismiss the Alternate Public Defender's Office.

Counsel Picker addressed and advised the Court there is no conflict with the Alternate Public Defender's office representing the Defendant but that Defendant Voss wants to represent himself. Counsel Picker further advised that there is one remaining case at the Supreme Court, Case No. 77697, Appellant's Petition for Rehearing.

Defendant Voss addressed and advised the Court that he wants to represent himself at re-sentencing.

Counsel Picker argued that the Defendant meets the standard to represent himself and that he (Counsel Picker) supports the Defendant's request.

Counsel Stege addressed the Court and argued the Court should make this finding.

COURT FINDS that Defendant Voss's request to represent himself is not pursuant to *Young v. State*.

COURT, pursuant to Nevada Supreme Court Rule 253, canvassed the Defendant regarding his desire to represent himself, his understanding of the consequences of proceeding without counsel and of the dangers, disadvantages and consequences of self-representation.

Defendant Voss responded and stated that he feels he can best represent himself and that he has no issues with Counsel Picker and/or the Alternate Public Defender's Office.

COURT FINDS that Defendant Voss is competent to waive his constitutional right to be represented by an attorney.

COURT ORDERED Motion to Withdraw Court Appointed Counsel GRANTED.

COURT ORDERED Defendant Voss is permitted to proceed as a self-represented litigant and the Alternate Public Defenders Office is relieved from representing Steven Voss.

COURT FURTHER ORDERED Defendant Voss has until close of business on August 30, 2019 to file a supplement to Counsel Picker's Response to the Motion for Updated PSI filed by the State of Nevada on May 21, 2019.

COURT FURTHER ORDERED State of Nevada has until close of business on September 13, 2019 to file a response to Defendant Voss' supplement and shall file a request for submission on the Motion for Updated PSI.

Defendant Voss requested a copy of the November 29, 2018 Transcript and indicated that he will have someone pick them up from the Court.

Court Reporter D. Cecere advised the Court that it typically takes between 7-15 days, once the request is received, to file the transcript.

COURT ORDERED Transcript of the November 29, 2018 to be filed and provided to Defendant Voss.

Defendant remanded to the custody of the Nevada Department of Corrections.

SENTENCING - CASE STAYED

Deputy D.A. Amos Stege represented the State.
Defendant present and in pro per.
Parole and Probation Specialist, Sara Currence, also present.
Matter convened at 1:30 p.m.
Court noted Defendant was in pro per and the hearing was set for a resentencing upon order of the Nevada Court of Appeals. She also noted she had responded to everything necessary within the file. She addressed the Appeal filed on November 6, 2019. She received notice on November 19, 2019. She indicated review of Mitchell vs. State. She stated jurisdiction was at the Nevada Supreme Court.
Counsel Stege wanted to disagree with the Court regarding the situation. He addressed the Defendant's attempt to relitigate the case. He proposed the Court review 135 Nevada Advance Opinion 55, he presented his interpretation of said opinion. He noted the case had been remanded for the sole purpose of resentencing. He believed the Defendant was a vexatious litigant.
Court took a recess to review said opinion.
Defendant was provided a copy of the opinion for his review.
Matter recessed.
Matter returned on the record.
Court indicated the opinion was not enough to overcome Mitchell vs. State. She had wanted finality for the Defendant, the State and the Court, she would be unable to do so that day. She questioned if Counsel Stege was aware the Defendant had filed another Writ of Prohibition; Counsel Stege indicated he was aware. He addressed the repeated filings by the Defendant and requested direction from the Court when he should respond.
Court stated a formal order staying the case would issue. She questioned if Defendant had anything to add; Defendant indicated he was not a vexatious litigant. He stated there was no clear remedy in Nevada law to challenge the Court's jurisdiction. He addressed his most recent appeal.
Court questioned if the Defendant was serving a sentence of Life without parole in a different case; Defendant stated that was correct.
COURT ORDERED: Case stayed to await a decision from the Nevada Supreme Court.
Defendant remanded to the custody of the Nevada Department of Corrections.
