STATEMENT OF FACTS:

On July 14, 2021, MATTHEW TRAVIS HOUSTON (hereinafter "Petitioner-Appellant") was abducted from his hotel room at the Best Western located at or near 3041 St. Rose Parkway in Henderson, Nevada, as he was not served with any sort of summons or WARRANT nor was told or read that he had any kind of rights. This false arrest prevented Petitioner-Appellant from attending his appointment the very next day at Nevada Retina Specialists, with Dr. Tyson Ward on July 15, 2021, while his continued imprisonment of his person also prevented him from attending his medical disability rating in Reno, Nevada, on August 15, 2021, with Dr. Dwagleri. Both appointments of which had been scheduled by the abductors, SEDAWICK's Dianne Ferrante, and her alleged supervisor, Rosemarie McMorris-Alexander, as was the booking of his room.

The Petitioner-Appellant's attempt at release from CDC was intended so that he could search for, and hopefully, retrieve his service animals. However, the now-dismissed counsel, Benard Little, provided misinformation regarding the lack of a directly related "City Jail Detainer Hold". Counsel had told Petitioner-Appellant, all the while coercing his client into a potential release from custody, that he "did not see a detainer hold" - when, in fact, there was. This coercion of the client by his previous representation created a second double-jeopardy in LAS VEGAS MUNICIPAL COURT #1248374A + #C1237802A; with the first being EIGHTH JUDICIAL DISTRICT COURT 21-CR-019840 + 21-CR-033713.

These traumatic events are a cruel and unusual punishment being inflicted upon an innocent man, who was forced into an involuntary relocation, with unnecessary hardships causing the eviction of his law office located at 435 South Linn Street #927, in Iowa City, Iowa (52240), \$36.5 million of property damage and the destruction of his K-9(s).

Due to crimes both civil and criminal, not to mention the willful omissions of Rosemarie McMorris-Alexander and Dianne Ferrante, SEDAWICK and the prosecutions' most unlawful use of overreaching tactics ~~in~~ their exploitation of the innocent man has put the Petitioner-Appellant into an unmanageable state of duress, homelessness, and extensive incarceration.

YOU WILL NOW TAKE NOTICE that this is not to be a "MIXED PETITION" as this counterclaim is result of interpleadings and his person in fact being the true VICTIM OF CRIME. By "his" we are referring to the Appellant whom is a survivor of the terrible ONE OCTOBER. He is also indigent and completely unable to serve any sort of "copies" of his pleadings due not only to the fact that they can look up all of this online, but by the fact that Radenta Blacic and Rosemary McMornis-Alexander are involved in an insurance scam to have the Appellant continuously wrongfully convicted, falsely imprisoned, illegally incarcerated and possibly murdered by prison gangs or worse.

Yes No

NOTE: If the court determines that your case may be appropriate for having pro bono counsel assigned, an appropriate order will be entered. Assignment of pro bono counsel is not automatic.

Statement of Facts. Explain the facts of your case. (Your answer must be provided in the space allowed.)

Originalist jurisprudence should not be sterile or purely mechanical. It's understanding would be more rich, and its rules more durable, if it was informed by any sort of experience. In the case of A-17-758861-C both the EIGHTH JUDICIAL DISTRICT COURT and the SUPREME COURT OF NEVADA have contributed to damaging the Appellant by repeatedly violating NRS 11.207 by ignoring many other laws not limited to the quite significant

~~the~~ valid tolling of the statute of limitations.
Keep in mind that an^{#1} action against an attorney to recover damages for malpractice, whether based on a breach of contract or duty, must be commenced within 4 years after the plaintiff sustains damage or within 2 years after the plaintiff discovers or through the use of reasonable diligence should have discovered the material facts which constitute the cause of action, whichever occurs earlier.^{#2} The time limitation is tolled for any period during which the attorney conceals any act, error or omission upon which the action is founded and which is known or the use of reasonable diligence should have been known to the attorney. In this case, to which the attorneys for the respondents and the interpleaded defendants have ruined the life of the Appellant again, by acting in coercion with Sedgwick, Dianne Ferrante, Jonathan Shockley, Rosemary McMorris - Alexander and no less than 40 other accomplices to wrongfully convict the Appellant ^{causing} ~~have~~ a 2nd false imprisonment. The initial intentional gross negligence and deliberate indifference of interpleaded defendants / respondents resulted in case C-17-323614-1 against the Appellant, and now this C-21-357927-1.

Pursuant to NAAP, in C-21-357927-1, the Appellant filed his DIRECT APPEAL from fish tank with little to no resources just after Dec. 20th, 2021 as both

Bernard ^{#12025} Little and Anthony M. Goldstein were to have been withdrawn as attorney of record. The Appellant also filed a pro se "EMERGENCY MOTION REQUESTING HEARING, DE NOVO, AND RELEASE TO INTENSIVE SUPERVISION" which was stamped "RECEIVED DEC 27, 2021 CLERK OF COURT" but mistakenly forwarded to the office of Anthony M. Goldstein when it should have sufficed as a "NOTICE OF APPEAL". The Appellant did not ~~not~~ intend to have appointed counsel from the onset of this case, to which there was no valid warrant as it was unsigned, there was no probable cause for the false arrest of the Appellant, and this case in its entirety is based on the false police reports and lies of Rosemary McMorris - Alexander and Radenta Blacic.

Statement of District Court Error. Explain why you believe the district court was wrong. Also state what action you want the Nevada Supreme Court to take. (Your answer must be provided in the space allowed.)

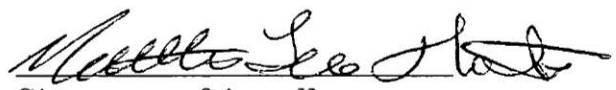

The question presented is one of first impression and of general statewide significance because pursuant to the law of the land, wrongful convictions and false imprisonment are in fact illegal. As is the malicious prosecution of Rosemary McMorris - Alexander, et al. The question presented to the Eighth Judicial District Court ("is Houston guilty?") which is in fact NO? was not even allowed to be presented to the courts because of the coercion between way too many bad actors not limited to Brian P. Clark, Scott Poisson, Tierra Danielle Jones, David M. Jones, Laura A Goodman #013390, Jack Bernstein, Scott Poisson #10188, Radenta Blacic, Christopher Burk, Jessica Flores,

Dianne Ferrante, Jonathon Shackley, L.V.M.P.D, Las Vegas City Jail, HDSP, TLVCC, SDCC, Erica Tosch, Jason Barrus, the Attorney General Aaron Ford, Sheriff Joe Lombardo, MGM, Mandalay Bay Resort and Casino Convention Center, UMC, Encore Event Services, PSAV, FREEMAN, IATSE #720, the Nevada Gaming Commission, Division of Industrial Relations, Clark County District Attorneys Steven Wolfson, et al. #001565
GGRM's Lisa Anderson, Ellie Rookhani, Michael P. Villani, Mary K. Holthus, Melissa De La Garza, Andrew Flahive, Alex Bassett, Gene Porter, Kristina A. Rhoades #12480, Anthony M. Goldstein, Dan Schwartz, Karen Schwartz (GENEX), Cassandra Diez, Jeremy Wood, Lina Sakalauskas, Roddy Scott, Lukas McCowit, Nicole Garcia, Tyler Ure, David Kelly #7413, F. Edge #8645, Montero #C6056
Again, this first impression was made by the clerk of court of the Regional Injustice Center when they certified the Appellant's request for de novo on December 27th, 2021, which was well before the 30 day time limit from December 8th, 2021 for the Appellant to file a pro se "notice of appeal". It is in no way the fault of the Appellant that the courts are backed up, it was in no way the fault of the Appellant that riots in the prison system and at CCDC caused the Appellant's mental state to make him suffer into incompetency and it was no way the fault of the Appellant that his "request for a de novo hearing" was not interpreted properly to the court as a "notice of appeal". Furthermore, it is in no way the fault of the appellant that Rosemary McMorris-Alexander is a liar.

The decision made by the Nevada Court of Appeals on April 5th, 2022 conflicted with the United States Supreme Court because pursuant to the Constitution of the United States, citizens are to be free and clear from any sort of cruel and unusual punishment. For going off 6 years now, all the courts of Nevada have been doing to the Appellant is punishing him for being a pro se litigant. This discrimination is in fact illegal and in a few more jurisdictions than the Kangaroo court of Clark County. It is hereby again demanded by the Appellant that each and every judge on the bench now take notice of the motion filed for a 2nd time electronically by the Clerk of Court of the Regional Injustice Center on April 6th, 2022 and is to be heard by District Court again on April 27th, 2022. Again, this notice of appeal was originally filed December 27, 2021. A notice of appeal is the same thing as asking the courts for a de novo hearing, and a technicality should not be the cause of extensive incarceration, false imprisonment, wrongful conviction or otherwise. This court is NOT to overlook any miscarriage of justice and it is NOT to overlook the initiative of the injured worker, or, in this case - the permanently totally disabled worker. In this case, unfortunately to the People of the State of Nevada, and all the other cases of Matthew Travis Houston, these courts and their bad actors have intentionally, deliberately and indifferently been overlooking justice and what it means, constituting an abuse of process and creating more unnecessary hardships within decision making.

This case involves fundamental issues of statewide public importance because nobody, permanently totally disabled or not, should be arrested without a valid warrant as the result of surviving a catastrophic work accident. This is absolutely a fundamental issue of statewide public importance because how many citizens of Nevada work in the convention and entertainment industry? How many of those citizens thrive in a safe and secure work environment? How many of those citizens think it's okay for an insurance company to lie to the courts and illegally withhold the injured worker's rightfully entitled benefits? How many people in the State of Nevada think that it's okay for the courts and the State Bar of Nevada to discriminate against pro se litigants and steal their service animals?
