ORDER GRANTING MOTION TO EXPEDITE

This is an appeal from a district court order granting declaratory and injunctive relief in a pre-election challenge to proposed initiative petition S-01-2024, on the basis the initiative violates NRS 295.009's single subject requirement. Appellants moved for expedited briefing and consideration of this appeal.¹

¹Appellants' request for summary adjudication is denied.

Having reviewed the motion to expedite, and the response and opposition thereto, the motion to expedite is granted. As proposed, appellants shall have until May 1, 2024, to file and serve the opening brief and appendix. Respondents shall have until May 10, 2024, to file and serve answering briefs. Appellants shall file any reply brief by May 15, 2024.² No extensions to the deadlines set forth in this order will be granted absent demonstration of extraordinary and compelling circumstances by written motion. The clerk of this court shall schedule this appeal for oral argument before the full court on the next available calendar in June 2024, and this court will expedite its consideration of this matter to the extent that its docket permits.
