**MOTION FOR LEAVE TO FILE AMICUS BRIEF**

Pursuant to N.R.A.P. 29, Nevadans for the Common Good (NCG) moves for leave to file the accompanying amicus brief in support of Appellant Stop Predator Lending NV.

Proposed Amicus is a nonprofit corporation from Nevada comprised of faith-based, nonprofit, educational, labor, and civic organizations. NCG is non-partisan and multi-issue organization whose members come together to develop leaders, identify shared issues affecting our communities, and take action around these

issues. NCG's advocacy ranges through all levels of government in Nevada and NCG is active in payday lending and consumer protections reform.

Accordingly, proposed Amicus is familiar with the parties' argument. Amicus believes the attached brief will aid the Court in its consideration of the issues Nevadans face in the case. Specifically, the brief explains the objective of the petition is to address the singular issue of protecting Nevadans from the debt treadmill. Interest rate caps and debt collection protections are interconnected issues for consumers stuck on the debt treadmill. The brief also explains how Nevadans are affected by "set up to fail" lending, and how consumers cannot differentiate the harm from interest rates and debt collections as they both hinder consumers' financial stability.
