POINTS AND AUTHORITIES

On August 24, 2005, this Court entered an order allowing the Appellant to submit a supplemental appendix containing relevant portions of the record that are necessary for this Court's review and resolution. Therefore, the undersigned is submitting a supplemental appendix for this Court's review. This Court states in their Order of August 24, 2005, "... to contain certified filed-stamped copies of the relevant transcripts. ..." (This Court's Order of August 24, 2005).

The undersigned attempted to order a complete file from the district court so he could include in his appendix all documents filed-stamped by the Court (see Order for Photostatic Copies, submitted to the District Court Clerk on August 26, 2005). The undersigned's office staff attempted to obtain filed stamped copies. However, when the copy request was received back none of the trial transcripts were included. The undersigned received the copy work back on approximately September 20, 2005. This did not leave enough time to request the transcripts again (as the undersigned was attempting to submit the appendix during the 30 day time period allotted by this Court (the undersigned did however request on additional judicial day ). Therefore, the undersigned has submitted transcripts that do not contain a file stamp date. These transcripts came from David Schieck's office with the ROA and Mr. Rippo's complete file. Therefore, the undersigned submitted these transcript to the Court in the supplemental appendix. The undersigned wishes to bring this to the Court's attention so they may advise him how to proceed.

1 The undersigned wished to comply with this Court's order in a timely fashion and was  
2  
3 unsure on how to proceed. Re-ordering the transcripts would have required the undersigned to  
4 request a lengthy extension of time.
