Upon Court's inquiry, neither counsel requested to pursue this matter.

Time: 11:35 a.m.

As to points #4, #5, and #6, Testimony of Shawn Fletcher, Sheree Norman, and David Horn, Crime Scene Analysts, Mr. Stanton advised State will not proceed on their testimony to prove greater risk of harm to other people but plan to use their testimony as to other things. COURT ORDERED, it will reserve ruling on this until trial.

As to point #7, victim impact statements, arguments of counsel as to how wide a range of people can give these statements. COURT ORDERED, it will allow statements from the two parents per victim; if one of the parents does not give a statement, a sibling may speak.

As to point #8 and #9, argument by Ms. Jackson that if the jury has the entire transcript of the trial and then technicians, etc. come in and also testify, it becomes cumulative. Argument by Mr. Stanton that State should not be handcuffed as to how it presents its case to the Jury. COURT ORDERED, if the evidence become cumulative, objections should be made at the time of trial.

As to point #10, verdict forms, Ms. Jackson advised she has no position on this. Court made no ruling.

As to point #11, Donte Johnson's Juvenile Records, argument by Ms. Jackson that these are sealed and should not be used. Argument by Mr. Stanton that the Supreme Court has approved facts and circumstances of juvenile records. COURT ORDERED, the Juvenile Records shall be excluded; COURT FINDS, they are more prejudicial than probative.

As to point #12, evidence of case #98F02775X, Mr. Stanton advised State will exclude this.

As to point #13, Evidence of Super 8 Motel incident, Ms. Jackson objected to use of this as the case wasn't prosecuted. Argument by Mr. Stanton that there were several eye witnesses at the motel, and, although they may not be able to positively identify the Defendant, he made implicating statements to friends and associates. Further argument that this was three days before the quadruple shooting. COURT ORDERED, this testimony is to be excluded.

As to point #14, the alleged homicide of Darnell Lamont Johnson, following arguments of counsel, COURT ORDERED, it will reserve ruling on this in order to review the materials further. Ms. Jackson requested an evidentiary hearing.

As to point #15, evidence of the Defendant's incarceration records; i.e., conduct of the defendant while at CCDC and NDOC, Mr. Stanton advised he wants to introduce evidence of an incident that occurred wherein the Defendant and another person, threw another inmate over the banister. Argument by Mr. Stanton that the charges were dismissed through a plea bargain but there was no agreement that they couldn't use the incident in future cases.

Mr. Stanton advised at the time of the last hearing the Court and counsel ended at motion #13. Next was motion #14 which is the affidavit of Detective Chandler for offer of proof which the Court has taken under advisement. Next motion is #15 which are the records from the Clark County Detention Center and the prison which Deft's counsel has argued they should be precluded. Ms. Jackson requested direction from the Court as to motion #14. Mr. Stanton argued the affidavit sets forth the State's offer of proof for capital murder. Additionally, the State is offering it for other relevant acts which are permissible. Ms. Jackson argued Dr. Green did autopsy which stated death was undetermined. Further, Ms. Jackson argued information is not clear as to the confidential informant. Also, the Co-Deft. in affidavit gives a competing statement. Detective Chandler then goes back to Coroner who does another examination and the second opinion death was undetermined (possible strangulation) and states probable homicide. Mr. Guymon advised Judge Sobel ruled it was admissible. Further arguments by counsel. COURT ORDERED, affidavit is UNDER ADVISEMENT. Court stated as to the juvenile records, Court and trial counsel generally look at records at time of sentencing and the Supreme Court says they can be used. FURTHER ORDERED, prior ruling on the juvenile records is REVERSED and this Court will ALLOW juvenile records to be used.

Ms. Jackson argued Oscar Irris was attacked by the Deft. and the Deputy District Attorney Bill Kephart argued he became a victim of the Deft. which there seems to be some confusion as to the correct name given by the Court Service Officer who stated "Reginald Johnson". Further, Ms. Jackson argued there is only one incident that the State can say that the Deft. cannot be housed. Mr. Stanton argued there are eye witnesses to the murder of Mr.

Irris. Ms. Jackson stated she wants to have a hearing regarding this matter. Additionally, Gloria Navarro, Esq. was prepared at that time to argue the court officers did not actually see incident. Court stated he wants to hear evidence on this issue and ORDERED, matter set for Evidentiary Hearing.

Ms. Jackson stated the State wants to bring in gang officers from Los Angeles to tell about Deft's gang relationship and argued this was not a gang killing. Mr. Stanton argued that this was not addressed in the prior penalty hearing and Deft's counsel has argued this Deft. had no choice when he was growing up but to join a gang. Additionally, Mr. Stanton argued Deft's counsel is also claiming it was also for his personal safety. As a result of investigation with Los Angeles, Deft. claims affiliation and this is being offered to specifically rebutt all assertions by the defense. Further, Mr. Stanton stated testimony would be giving a lay person the translation of gang language and conduct to the jury. Further arguments by counsel. Exhibits presented. (See worksheets.) Mr. Stanton argued the letters which have been marked as State's exhibits show Deft. directing Co-Deft. Young as to what to do to get off and beat this case. Second page of letter Deft. wrote don't have to worry about those three little white boys, I will take care of them. Mr. Stanton argued letter's are from the Deft's own hand and words. Ms. Jackson stated this is a blatant attempt from the State to mislead this Court and argued the Deft. was referring to the three white boys who were witnesses and testified. Further, Ms. Jackson argued letters contain young men bragging. Court stated letters are not bragging, they are Deft's words and language. Further arguments by counsel. Mr. Stanton stated letters are being offered because Deft. signs these "General Deko" a person who is a known gang member who becomes general for committing criminal acts. Ms. Jackson argued in letter to Co-Deft., Deft. states they are all generals. Mr. Stanton stated Deft. in at least two letters directly asked Co- Deft's to fall on the sword for him and argued this is direct evidence and the jury needs to know what roles all three played. Court FINDS letters are very inflammatory and ORDERED, letters will not be admitted. Mr. Stanton stated gang evidence is being offered to address Deft. had a lot of other options other then joining a gang. Court believes the State can offer and bring in gang officers. Opposition by Ms. Jackson. FURTHER ORDERED, if brought up by Deft's counsel, State can bring in gang officers.

Ms. Jackson stated the State wants to tell the jury Derrick Simpson who was shot by the Deft. and testified prior is deceased. Mr. Stanton argued cause of death was homicide related to prior gun shot by the Deft. Ms. Jackson argued Mr. Simpson had several infections and requested a chance for a expert to look at autopsy report. Further arguments by counsel. COURT ORDERED, this will be ALLOWED in. Ms. Jackson requested two weeks and advised she wants to have testing done on Mr. Simpson body. FURTHER ORDERED, Ms. Jackson has two weeks as requested.

All motions set for May 10, 2004, were addressed by this Court at this hearing.

Mr. Guymon stated the State is not opposing this motion. COURT ORDERED, motion GRANTED.

DEFT'S MOTION FOR JURY QUESTIONNAIRE...DEFT'S AMENDED MOTION FOR JURY QUESTIONNAIRE:

Mr. Guymon stated counsel have met and made corrections as to the questionnaire but there is one objection by the state as to the synopsis referring to the race of the victim's and Deft. Ms. Jackson argued race of Deft. and victims needs to be known by the jury and often. Mr. Guymon argued questions 33 through 36 address race. Court FINDS race does not need to be in the synopsis and ORDERED, STRICKEN. FURTHER ORDERED, Amended Motion GRANTED and Deft's Original Motion WITHDRAWN.

DEFT'S MOTION TO BIFURCATE:

Mr. Guymon stated Deft. requested character evidence not be addressed and argued rule does not require bifurcation. Further, four deaths meet aggravators. Ms. Jackson argued jury not permitted to determine death eligible until aggravators are met. Jury can only consider evidence until Deft. is death eligible. Mr. Guymon argued the jury instructions will tell jury the way they consider character evidence. COURT ORDERED, motion DENIED.

DEFT'S MOTION TO ALLOW THE DEFENSE TO ARGUE LAST:

Ms. Jackson stated this Court has discretion regarding this issue and argued higher standard in death cases. Mr. Guymon stated the Deft's counsel made this argument last time and argued the State must open and conclude per the statute. Colloquy between Court and counsel. Court FINDS Supreme Court states in all cases, the State must be allowed to close last and ORDERED, motion DENIED.

Court convened with all present. Witnesses sworn and testified as to what they saw during the incident in which a Clark County Detention Center inmate was thrown over a second floor railing. Objection by Mr. Stanton to the calling of so many witnesses by the defense. Argument by Ms. Jackson that each witness brings something different. Testimony continued with continuing objection of Mr. Stanton.

Argument by Mr. Stanton to admit evidence of the incident for the jury to hear and let them decide what weight and importance to give it. Argument by Ms. Jackson that if the State wanted to use this incident against the Defendant at trial, they should have proceeded on the charges. Further argument that they didn't bring the victim and that Reginald Johnson has been saying from day one that the Defendant had nothing to do with it. Mr. Jackson argued bringing this in would be more prejudicial than probative.

Court read portions of the testimony of Irias given during examination in which he stated both Reginald Johnson and Donte Johnson attacked him and threw him over the railing. Court noted the question is whether there is clear and convincing evidence that a crime was committed and whether the Defendant committed the crime. COURT FINDS, State has proven a crime was committed and that the Defendant acted in it. COURT ORDERED, this will be admitted.

Arguments as to admitting the death of Derrick Simpson. Parties requested a trial continuance in order to have an evidentiary hearing as to allowing evidence of this matter in at trial. Conference at the Bench. COURT ORDERED, TRIAL DATE RESET and matter set for further evidentiary hearing. COURT FURTHER ORDERED, Defendant to be transported back to Ely State prison pending trial.

Mr. Stanton advised their department has lost Gary Guyman who has worked this case since its inception. Mr. Stanton further advised that the D.A.'s office will be appointing someone familiar with the case, perhaps Mr. Daskas; however, he will be involved in the Binion case, which is set for trial the same date as this case. Furthermore, there is medical evidence regarding the death of someone which State wants to admit at the penalty hearing, and Ms. Jackson wants time for her expert to examine this. DEFT'S MOTION TO STRIKE AGGRAVATOR FOUR OF NOTICE OF INTENT TO SEEK DEATH PENALTY...DEFT'S MOTION TO DISMISS RULE 250, NOTICE OF INTENT TO SEEK DEATH PENALTY...HEARING: MOTION TO EXCLUDE PRIOR BAD ACTS...STATE'S MOTION TO DISQUALIFY THE HONORABLE LEE GATES

State's Motion to Disqualify the Honorable Lee Gates FILED IN OPEN COURT. Argument by Mr. Daskas that the Court's Law Clerk worked on this case when she was in the District Attorney's office and had conversations to do with the file. Objection by Ms. Jackson as to the timeliness of this motion. Argument that she had a doctor scheduled to appear this afternoon and is ready to argue the motions. Further argument that the "Turner v State" case cited by State is without merit.

Court noted that in the Turner case the Defendant objected. Court advised the Law Clerk just came in on the case and has not briefed anything, and she will not be allowed to have anything to do with this case. Court noted there when there is a situation such as this, the Clerk is excluded from the case and precluded from doing anything on it.

Ms. Jackson and Defendant Johnson both advised they waive any conflict on this case, and that they do not mind this Court hearing the case.

Further argument by Mr. Daskas that in the Turner case, the Supreme Court said Court should not have accepted that case. Court noted there is no conflict in this matter because the Law Clerk has not worked on the case.

COURT ORDERED, it will take the matter UNDER ADVISEMENT.

Further argument by Mr. Daskas as to implied bias.

Court of the opinion, the State's Motion to Disqualify is untimely and ORDERED, motion DENIED and affidavit STRICKEN. Moreover, Ms. Bernstein was never employed by the District Attorney's Office, she is not working on the case as a law clerk and motion has no merit. Mr. Daskas advised when he became aware of Ms. Bernstein being this Court's law clerk, counsel was contacted and matter was discussed. Further, Mr. Daskas stated out of abundance of caution and to protect the case, motion was filed. Further statements by counsel. Colloquy.

Mr. Daskas advised there is no issue as to Deft's Motion to Strike Aggravator #4. COURT ORDERED, motion GRANTED. FURTHER ORDERED, Deft's Motion to Dismiss Rule 250 DENIED.

Colloquy between Court and counsel regarding order from previous hearing. Court advised to file order Nunc Pro Tunc.

Ms. Jackson advised there are two issues left, Derrick Simpson and Darnell Johnson. Mr. Simpson has subsequently passed away and counsel has submitted this matter to an expert to see if the gunshot wounds he received contributed to his death. Court will ALLOW this information in. As to Darnell Johnson his homicide was never prosecuted and will dispute every aspect of case. Mr. Stanton stated this Court reserved ruling as autopsy did not prove homicide as to Mr. Johnson.

As a housekeeping matter, Ms. Jackson submitted a Nunc Pro Tunc Order, which was reviewed by Court, signed, and FILED IN OPEN COURT. Defendant's Motion to Reconsider Request to Bifurcate Penalty Phase FILED IN OPEN COURT.

State's Opposition to Defendant's Motion to Reconsider Request to Bifurcate Penalty Phase, State's Amended Supplemental Notice of Intent to Seek Death Penalty and Deft's Second Supplemental Notice of Witnesses FILED IN OPEN COURT.

Mr. Daskas advised Ms. Jackson had filed a motion to withdraw an

vs Johnson, Donte

CONTINUED FROM PAGE: 057

aggravating circumstance and advised he has withdrawn that aggravator and filed an amended notice to seek the death penalty. Ms. Jackson advised, in April of last year, they had extensive argument and this Court ordered, on #16 of the aggravators, that evidence of Deft's gang activity is excluded unless it becomes relevant. Ms. Jackson argued she believes for that order to be effective, the penalty phase needs to be bifurcated. Mr. Daskas advised the Supreme Court mandates that, in capital cases, the Court must give an instruction for what the Jury must do before they determine a Deft. is death eligible. If the penalty hearing is bifurcated, they have to alter these instructions and a Supreme Court mandate. Mr. Daskas stated he believes the remedy is, any time they introduce evidence that mentions gang activity, they can instruct the Jury it is other bad acts and not an aggravator. Further arguments by counsel. COURT ORDERED, issue UNDER ADVISEMENT.

Ms. Jackson advised she also filed a motion to dismiss the notice of intent to seek death and advised, in the Davis case, the Supreme Court declined to rule on the issue of whether or not aggravators are subject to probable cause scrutiny. Ms. Jackson stated she believes the motion is moot. Mr. Daskas advised the Supreme Court lifted the stay and he agrees the motion is moot. Court stated, on April 7, 2005, he granted the motion to strike aggravator #4 and believes he denied the motion to dismiss, though it is not in the minutes. For the record, COURT ORDERED, motion to dismiss the notice is DENIED. Ms. Jackson advised, as to #17-evidence of the death of Derrick Simpson, she wanted an expert to evaluate the evidence. Court stated he believes he denied that motion, however, in case it is not in the record, COURT ORDERED, motion DENIED.

Ms. Jackson requested the State call their expert first. Mr. Daskas argued this evidence was admitted in previous cases against Deft. Johnson and the co-Defts. and advised Deft. Johnson has made admissions to others regarding killing Darnell Johnson, the victim the defense wishes to exclude, and he believes it is the defense's burden. Colloquy. Court directed the State to call their witness. Testimony and exhibits presented. (See worksheets.) Arguments by counsel. COURT ORDERED, UNDER ADVISEMENT.

Ms. Jackson advised this Jury did not hear the first phase of the trial and advised Mr. Daskas has provided a list of witnesses. Ms. Jackson advised she is concerned with the length of time of the victim impact statements and would request they be limited to 15 minutes. Mr. Daskas argued that is an unfair request. COURT ORDERED, time limits will NOT be imposed, however, if counsel go overboard, he will stop it and that applies to both sides.

Mr. Daskas advised the State intends to submit some of the evidence and photographs admitted in the first trial, however, they intend to abide by the Court's rulings. Mr. Schieck requested the defense be allowed to review the evidence from the trial. Ms. Jackson advised she has evidence from the prior penalty phase as the Court released it to her. Court stated he believes counsel want to review the State's evidence. Colloquy. COURT ORDERED, counsel to meet with the Clerk in this courtroom at 1:30 p.m. Monday afternoon.

The aggravating circumstance outweighs any mitigating circumstance or circumstances.

Opening arguments as to sentencing. OUTSIDE THE PRESENCE OF THE JURY, arguments as to Ms. Jackson's objection to use of the incident at Clark County Detention Center involving a phone call to have a contract put out. Argument by Mr. Daskas that the original notice references the introduction of infractions while at Clark County Detention Center. Copy of notice submitted. Following further arguments and a further incident, Mr. Daskas and Mr. Stanton advised that, out of an abundance of caution, they will not introduce evidence as to threats to another individual, Scale. Argument by Ms. Jackson that she had worked extensively with Mr. Guyman and Mr. Daskas and sent a letter stating they need to set guidelines. She was told they would use the information in the Amended Information.

Court notes it has read the notice and thinks that once an Amended Notice is filed, it replaces the original and it speaks to getting records and speaks to the Orias incident. However, in looking at it, Court does not see mention of putting a hit out on someone. COURT FINDS, that needs to be specifically put on the notice and if she couldn't defend against it would jeopardize the proceedings. Court agrees with the agreement the parties have come to that they will not use this evidence.

Conference in Chambers with the attorneys. Court excused all personnel from Chambers and did an in camera review of Juror #4's notes.

Court reconvened at 11:30 with all parties present. Defendants's presence waived.

Testimony and exhibits presented.

Argument by Ms. Jackson that Juror #4 had already made up her mind as to the death sentence. Argument by Mr. Daskas that the defense team passed the juror for cause. Objection by Ms. Jackson that they were not allowed to see the jurors note's. Court advised it examined the notes and the testimony was consistent with the notes. Court further advised the loose leaf papers only recorded what happened regarding breaks; there was nothing to suggest the Juror's mind was made up.

State presented an Affidavit of Juror Twila Morgan which was marked as State's Exhibit 1. Argument by Ms. Jackson as to Declaration #7 of the Affidavit. Ms. Jackson requested Court allow them to get a transcript of today's proceedings and brief the matter of whether the Juror's mind was made up or not. COURT ORDERED, request is DENIED.

Argument by Mr. Daskas that Ms. Jackson has accused the Juror of stating she is writing a book and argued there is nothing improper about that; that Ms. Jackson has accused the Juror of planning to use information from the penalty hearing in the book and argued the accusation is belied by the record. Further that Ms. Jackson has made the accusation that the Juror had her mind made up regarding the penalty to be imposed and argued that this also is belied by the record and the testimony.

As to the question of whether or not the Juror had already stated to the other jurors that the Defendant had been given a death sentence by a three-judge panel, COURT FINDS, all of the jurors were asked about that and some remembered vaguely. This was discussed in depth and it was solicited from the jurors whether they could put aside what they had heard; all of

them gave assurance under oath that they could put it aside. COURT FINDS, it came out from a witness that the Defendant was on death row; that was not a violation by Juror #4. COURT FINDS, the defense team did not challenge her for cause; further, there is nothing in the record or in her notes to indicate she had made up her mind as to the sentence. COURT ORDERED, the notes to be made a part of the record UNDER SEAL and to be opened only by Court's order. COURT FINDS, the fact that she may have said she is writing a book cannot be used to show prejudice. The testimony was that she is not writing a book about the case but only about jury service and the problems faced by people serving as jurors. There is no evidence she was making an outcome happen in order to put it in her book. COURT FINDS, there is nothing from the witnesses or the notes to support this allegation, and, in fact, witness testimony has been contrary to that.

Based on the totality of the circumstances, the facts, the notes, and the testimony, COURT DOES NOT FIND there was prejudice or any misconduct by the Juror. COURT ORDERED, Motion for a New Trial is DENIED.

State to prepare the Order.

CLERK'S NOTE: Juror's notes marked as Court's Exhibit I and SEALED.
