ORDER GRANTING MOTION

This appeal is subject to the provisions of Nevada Rule of Appellate Procedure 3C. On October 31, 2006, counsel for appellant filed a motion for an extension of time in which to file the fast track statement in this appeal. In the motion, counsel for appellant informs this court that an extension is necessary because he had to request additional transcripts.

Counsel has not filed a copy of a rough draft transcript request form in this court as required by NRAP 3C(d)(3). If counsel for appellant filed a rough draft transcript request form in the district court, counsel for appellant is directed to file 2 copies of that rough draft transcript request form and proof of service as required by NRAP 3C(d)(3) in this court within 5 days of this order. If counsel for appellant did not file a rough draft transcript request form in the district court, counsel is ordered to file such a request form within 5 days of this order, and file 2 copies of the transcript request form and proof of service in this court within 10 days of this order.

Cause appearing, appellant's motion for an extension of time is granted. Appellant shall have 20 days from the filing of the transcripts in this appeal in which to file the fast track statement and appendix.

It is so ORDERED.
