

IN THE SUPREME COURT OF THE STATE OF NEVADA

ERICK M. BROWN,  
Appellant,  
vs.  
THE STATE OF NEVADA,  
Respondent.

No. 47856

**FILED**

MAR 29 2018

ELIZABETH A. BROWN  
CLERK OF SUPREME COURT  
BY  DEPUTY CLERK

*ORDER DENYING MOTION*

Appellant has filed a motion to recall the remittitur. In support of the motion, appellant asserts that the district court lacked subject matter jurisdiction to convict him. The remittitur in this appeal was regularly issued and appellant does not demonstrate grounds to recall the remittitur. *See Wood v. State*, 60 Nev. 139, 104 P.2d 187 (1940) (discussing when a remittitur will be recalled). Accordingly, the motion is denied.

It is so ORDERED.
