DEPUTY CLERK

ORDER RE: RECORD ON APPEAL

Having reviewed the documents on file in this proper person appeal, this court has concluded that its review of the complete record is warranted. See NRAP 10(a)(1). A copy of the record on appeal in district court case number C202793 was transmitted to this court in Docket No. 48673 on April 5, 2007. This court will use the record on appeal filed in Docket No. 48673 when reviewing this appeal. However, it appears that documents necessary for the review of the appeal in Docket No. 49329 were filed in the district court after April 5, 2007. Additionally, the record before this court does not contain transcripts of the district court hearings held on July 13, 2004, October 8, 2004, and October 25, 2004. Transcripts of these hearings are necessary for this court's review of this appeal. If the transcripts have not been prepared and filed below,¹ court reporters

¹We note that a partial transcript for the proceeding conducted on October 25, 2004, is included in the record on appeal filed in Docket No. 48673. However, the complete transcript for the proceeding conducted on that date is necessary for this court's review of this appeal.

Dick Kangas and Lisa Makowski shall have 30 days from the date of this order to prepare and file the transcripts in the district court.²

The clerk of the district court shall have 45 days from the date of this order to transmit to the clerk of this court a record on appeal containing certified copies of any documents filed in this matter since April 5, 2007, and certified copies of the transcripts for the proceedings conducted on July 13, 2004, October 8, 2004, and October 25, 2004.

It is so ORDERED.

²The court reporters are not required to provide the proper person litigant a copy of any transcripts. Appellant must seek copies of any transcripts through a properly filed document filed in the district court. See Peterson v. Warden, 87 Nev. 134, 483 P.2d 204 (1971).
