A F F I D A V I T

STATE OF NEVADA)
)ss:
COUNTY OF CLARK)

MARTIN HART being first duly sworn, and upon information and belief, deposes and says:

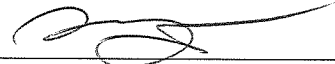

1. That I am an attorney duly licensed to practice law in the State of Nevada and represent DAIMON MONROE A/K/A DAIMON DEVI HOYT on appeal currently pending before this Court.

2. That Counsel has filed a previous request for extension of time while attempting to obtain the transcripts and for full briefing needed to further research and properly prepare the Appeal until today, June 12, 2009.

3. That in preparing the appendix, counsel is attempting to use an electronic bates stamping program and that due to limits on the number of megabytes that can be transmitted for e-filing, the batches had to be assembled in fifty page clusters. While doing this, one cluster was stamped out of order and another cluster was evidently omitted. Unfortunately, the bates numbers were electronically attached to the files. Due to the timing, we gathered all the transcripts and scanned them anew as 5 larger files so that we could produce hard copies to file. This means producing approximately 4500 pages of copies and as of 2:30 p.m. the copier has jammed during the first copy.

1
2 4. I am requesting this extension so that I can either, sort
3 out the fifty page clusters to e-file or take the data to a
4 commercial copy company to have it processed for filing of hard
5 copies.
6

7 5. That this request for extension of time is made
8 in good faith and not for the purposes of delay.
