GILBERT P. HYATT,
Plaintiffs,

Case No. A382999
Dept. No. X

vs.

FRANCHISE TAX BOARD OF THE
STATE OF CALIFORNIA,

Defendant

ORDER

This matter came before the Court on December 16, 2009 in chambers upon Defendant Franchise Tax Board (hereinafter "FTB") of the State of California's Motion to Re-tax Costs. The Honorable Court, being fully apprised of the Memorandum of Costs, the Motion, the Opposition, the Reply, all supplements thereto, all errata filed thereto, the submission of the Special Master's Final Report and Recommendations, the oral argument heard on the Motion during the original hearing date of January 29, 2009, the Notice of Objections to The Court's Order Dated December 4, 2009 Re: Prohibiting Objections to the Special Master's Report, and for good cause appearing:

HEREBY ORDERS that FTB's Motion to Re-tax costs is GRANTED IN PART.

IT IS FURTHER ORDERED, ADJUDGED, AND DECREED that \$2,539,068.65 in costs sought by Plaintiff Gilbert P. Hyatt are recoverable pursuant to NRS 18.110 and all other statutes and applicable case law. \$788,253.47 in costs sought by Plaintiff Gilbert P. Hyatt is retaxed and not

1 recoverable pursuant to NRS 18.110 and all other statutes and applicable case law.

2 IT IS FURTHER ORDERED, ADJUDGED AND DECREED that the Court adopts the
3 Special Masters Final Report and Recommendation in its entirety as the ruling and findings of this
4 Honorable Court on the Motion to Retax Costs and makes the following additional findings and legal
5 rulings:

- 6 1. The Court notes that the Order Appointing Special Master was filed on or about
7 February 10, 2009 after a hearing on January 29, 2009 with all parties present;
- 8 2. The language in the order gave the Special Master broad discretion "to review all
9 documentation and records relating to all costs, as defined in Chapter 18 of the
10 Nevada Revised Statutes, which are claimed by Plaintiff in the above captioned
11 action. The Special Master is authorized to gather any and all information, facts, and
12 data as deemed necessary by the Special Master in order to make reports and
13 recommendations to the Court as to the various costs incurred by Plaintiff related to
14 the above captioned action and the propriety and allowance of such cost under
15 Chapter 18 of the Nevada Revised Statutes";
- 16 3. The Special Master has been diligently working on this assignment for almost a year,
17 during which time he has met with both sides on numerous occasions as he has
18 carefully sifted through every scrap of paper;
- 19 4. FTB has further argued that Plaintiff Gilbert P. Hyatt should not have been permitted
20 to supplement his documentation. However, FTB was similarly entitled to respond
21 to any supplemental documentation;
- 22 5. During the past 11 months FTB has never challenged the Special Master's
23 procedures by way of a motion before this court. The original order appointing the
24 Special Master states on page 3: "The Special Master and the parties to this case may
25 at any time apply to this Court for further instructions or orders and for further
26 powers necessary to enable the Special Master to perform his duties properly as
27 herein described." Additionally, pursuant to *Village Builders 96, L.P. v. U.S.*
28 *Laboratories, Inc.*, 121 Nev. 261, 276, 112 P.3d 1082, 1092 (2005), the time limit
of submitting a memorandum of costs and supporting documentation under NRS

1 18.11(1) is a non jurisdictional time limit and this Court can and does exercise its
2 discretion in this area in allowing supplementation as requested by this Court and the
3 Special Master, overruling any objection made by FTB to the requested and permitted
4 supplementation of Hyatt's Memorandum of Costs.

5 IT IS FURTHER ORDERED, ADJUDGED AND DECREED that FTB's "Notice of
6 Objections to The Court's Order Dated December 4, 2009 Re: Prohibiting Objections to the Special
7 Master's Report" with its attached Draft Objection to the Special Master's Final Report and
8 Recommendation is NOTED.

9 IT IS FURTHER ORDERED, ADJUDGED AND DECREED that the "Notice of Objections
10 to The Court's Order Dated December 4, 2009 Re: Prohibiting Objections to the Special Master's
11 Report" alleges that the Court's Order of December 4, 2009 precludes the right to object to the
12 Special Master's Final Report and Recommendation. However, the December 4, 2009 Order did not
13 preclude or prohibit the filing of objections but stated in pertinent part that "Parties will note that no
14 further supplementation or briefing is requested or permitted by the Honorable Court on this Motion"
15 referring and referencing to the Motion to Retax only. Thus, the December 4, 2009 Order only
16 precluded the parties from filing any additional supplemental oppositions or replies to the Motion
17 To Re-Tax Costs only. FTB's Objection to the Court's December 4, 2009 Order is OVERRULED.

18 IT IS FURTHER ORDERED, ADJUDGED AND DECREED that Court further notes that
19 FTB cites NRCP 53(e)(2) to support its argument that it is entitled to a ten day period to file its
20 objections. However, NRCP 53(e)(2) is inapplicable as it applies to non-jury actions. This is a post
21 jury trial motion to re-tax costs. The correct subsection is NRCP 53(e)(3) which does not contain
22 any provision for a ten day period in which parties may file objections. Therefore it is the Court's
23 finding and ruling that there is no right to file an objection to the Special Master's Final Report and
24 Recommendation in this instance pursuant to NRCP 53(e)(2) and any properly and timely filed
25 objection to the Special Master's Final Report and Recommendations is OVERRULED.

26 ///

27 ///

28 ///

1 IT IS FURTHER ORDERED, ADJUDGED AND DECREED that FTB's demand for a
2 separate and/or an additional hearing or supplementation on the Motion to Retax and/or the Special
3 Master's Final Report and Recommendation is DENIED.

4 IT IS SO ORDERED

5 DATED this 4 day of Jan, 2010.

FRANCHISE TAX BOARD OF THE
STATE OF CALIFORNIA,
Defendant

ORDER

This matter came before the Court on December 16, 2009 in chambers upon Defendant Franchise Tax Board (hereinafter "FTB") of the State of California's Motion to Re-tax Costs. The Honorable Court, being fully apprised of the Memorandum of Costs, the Motion, the Opposition, the Reply, all supplements thereto, all errata filed thereto, the submission of the Special Master's Final Report and Recommendations, the oral argument heard on the Motion during the original hearing date of January 29, 2009, the Notice of Objections to The Court's Order Dated December 4, 2009 Re: Prohibiting Objections to the Special Master's Report, and for good cause appearing:

HEREBY ORDERS that FTB's Motion to Re-tax costs is GRANTED IN PART.

IT IS FURTHER ORDERED, ADJUDGED, AND DECREED that \$2,539,068.65 in costs sought by Plaintiff Gilbert P. Hyatt are recoverable pursuant to NRS 18.110 and all other statutes and applicable case law. \$788,253.47 in costs sought by Plaintiff Gilbert P. Hyatt is retaxed and not

1 recoverable pursuant to NRS 18.110 and all other statutes and applicable case law.

2 IT IS FURTHER ORDERED, ADJUDGED AND DECREED that the Court adopts the
3 Special Masters Final Report and Recommendation in its entirety as the ruling and findings of this
4 Honorable Court on the Motion to Retax Costs and makes the following additional findings and legal
5 rulings:

- 6 1. The Court notes that the Order Appointing Special Master was filed on or about
7 February 10, 2009 after a hearing on January 29, 2009 with all parties present;
- 8 2. The language in the order gave the Special Master broad discretion "to review all
9 documentation and records relating to all costs, as defined in Chapter 18 of the
10 Nevada Revised Statutes, which are claimed by Plaintiff in the above captioned
11 action. The Special Master is authorized to gather any and all information, facts, and
12 data as deemed necessary by the Special Master in order to make reports and
13 recommendations to the Court as to the various costs incurred by Plaintiff related to
14 the above captioned action and the propriety and allowance of such cost under
15 Chapter 18 of the Nevada Revised Statutes";
- 16 3. The Special Master has been diligently working on this assignment for almost a year,
17 during which time he has met with both sides on numerous occasions as he has
18 carefully sifted through every scrap of paper;
- 19 4. FTB has further argued that Plaintiff Gilbert P. Hyatt should not have been permitted
20 to supplement his documentation. However, FTB was similarly entitled to respond
21 to any supplemental documentation;
- 22 5. During the past 11 months FTB has never challenged the Special Master's
23 procedures by way of a motion before this court. The original order appointing the
24 Special Master states on page 3: "The Special Master and the parties to this case may
25 at any time apply to this Court for further instructions or orders and for further
26 powers necessary to enable the Special Master to perform his duties properly as
27 herein described." Additionally, pursuant to *Village Builders 96, L.P. v. U.S.*
28 *Laboratories, Inc.*, 121 Nev. 261, 276, 112 P.3d 1082, 1092 (2005), the time limit
of submitting a memorandum of costs and supporting documentation under NRS

1 18.11(1) is a non jurisdictional time limit and this Court can and does exercise its
2 discretion in this area in allowing supplementation as requested by this Court and the
3 Special Master, overruling any objection made by FTB to the requested and permitted
4 supplementation of Hyatt's Memorandum of Costs.

5 IT IS FURTHER ORDERED, ADJUDGED AND DECREED that FTB's "Notice of
6 Objections to The Court's Order Dated December 4, 2009 Re: Prohibiting Objections to the Special
7 Master's Report" with its attached Draft Objection to the Special Master's Final Report and
8 Recommendation is NOTED.

9 IT IS FURTHER ORDERED, ADJUDGED AND DECREED that the "Notice of Objections
10 to The Court's Order Dated December 4, 2009 Re: Prohibiting Objections to the Special Master's
11 Report" alleges that the Court's Order of December 4, 2009 precludes the right to object to the
12 Special Master's Final Report and Recommendation. However, the December 4, 2009 Order did not
13 preclude or prohibit the filing of objections but stated in pertinent part that "Parties will note that no
14 further supplementation or briefing is requested or permitted by the Honorable Court on this Motion"
15 referring and referencing to the Motion to Retax only. Thus, the December 4, 2009 Order only
16 precluded the parties from filing any additional supplemental oppositions or replies to the Motion
17 To Re-Tax Costs only. FTB's Objection to the Court's December 4, 2009 Order is OVERRULED.

18 IT IS FURTHER ORDERED, ADJUDGED AND DECREED that Court further notes that
19 FTB cites NRCP 53(e)(2) to support its argument that it is entitled to a ten day period to file its
20 objections. However, NRCP 53(e)(2) is inapplicable as it applies to non-jury actions. This is a post
21 jury trial motion to re-tax costs. The correct subsection is NRCP 53(e)(3) which does not contain
22 any provision for a ten day period in which parties may file objections. Therefore it is the Court's
23 finding and ruling that there is no right to file an objection to the Special Master's Final Report and
24 Recommendation in this instance pursuant to NRCP 53(e)(2) and any properly and timely filed
25 objection to the Special Master's Final Report and Recommendations is OVERRULED.

26 ///

27 ///

28 ///

1 IT IS FURTHER ORDERED, ADJUDGED AND DECREED that FTB's demand for a
2 separate and/or an additional hearing or supplementation on the Motion to Retax and/or the Special
3 Master's Final Report and Recommendation is DENIED.

4 IT IS SO ORDERED

11 confidential relationship. This Court previously dismissed Plaintiff's first cause of action for
12 declaratory relief, and that cause of action was not presented to the jury.
13

14 The jury returned its verdict awarding Plaintiff Gilbert P. Hyatt compensatory damages
15 of EIGHTY-FIVE MILLION DOLLARS AND NO CENTS (\$85,000,000.00) for emotional

24 juror, resulting in a verdict of eight (8) in favor and zero (0) opposed, as to liability and the
25 amount of compensatory damages awarded on each of Plaintiff's seven claims. At the
26 conclusion of the verdict on punitive damages on August 12, 2008, the jury was polled, and
27
28

1 each juror responded that the verdict as read by the Clerk of the Court was the verdict of that

3 of the Defendant warranted punitive damages. At the conclusion of the verdict on punitive

5 read by the Clerk of the Court was the verdict of that juror, with one juror responding in the

CLARK COUNTY, NEVADA

GILBERT P. HYATT,

Plaintiff,

v.

FRANCHISE TAX BOARD OF THE STATE
OF CALIFORNIA,

Defendant.

Case No.: A382999

Dept. No.: X

JUDGMENT

Date of Hearing: N/A
Time of Hearing: N/A

(filed under seal by order of the Discovery
Commissioner dated February 22, 1999)

This matter came on for trial before the Court and a jury, beginning on April 14, 2008, and concluding with the verdicts of the jury on August 6, 2008 (liability for and amount of compensatory damages), on August 12, 2008 (liability for punitive damages), and on August 14, 2008 (amount of punitive damages), the Honorable Jessie Walsh, District Judge, presiding. Plaintiff Gilbert P. Hyatt appeared with his counsel Mark A. Hutchison, Esq. of Hutchison & Steffen, LLC, Peter C. Bernhard, Esq. of Bullivant Houser Bailey, PC, and Donald J. Kula Esq. of Perkins Coie. Defendant Franchise Tax Board of the State of California appeared with its

1 representative and its counsel, Pat Lundvall Esq., and James Bradshaw Esq., of McDonald
2 Carano Wilson, LLP.

3 Testimony was taken under oath, and evidence was offered, introduced and admitted.
4 Counsel argued the merits of their clients' cases, the issues have been duly tried, and the jury
5 duly rendered its verdict. The jury rendered a verdict in favor of Plaintiff Gilbert P. Hyatt and
6 against Franchise Tax Board on all causes of action presented to the jury, including Plaintiff's
7 second cause of action for invasion of privacy intrusion upon seclusion, third cause of action for
8 invasion of privacy publicity of private facts, fourth cause of action for invasion of privacy false
9 light, fifth cause of action for intentional infliction of emotional distress, sixth cause of action
10 for abuse of process, seventh cause of action for fraud and eighth cause of action for breach of
11 confidential relationship. This Court previously dismissed Plaintiff's first cause of action for
12 declaratory relief, and that cause of action was not presented to the jury.

14 The jury returned its verdict awarding Plaintiff Gilbert P. Hyatt compensatory damages
15 of EIGHTY-FIVE MILLION DOLLARS AND NO CENTS (\$85,000,000.00) for emotional
16 distress; compensatory damages of FIFTY-TWO MILLION DOLLARS AND NO CENTS
17 (\$52,000,000.00) for invasion of privacy; attorneys' fees as special damages of ONE MILLION,
18 EIGHTY-FIVE THOUSAND, TWO HUNDRED EIGHTY-ONE DOLLARS AND 56 CENTS
19 (\$1,085,281.56); and punitive damages of TWO HUNDRED FIFTY MILLION DOLLARS
20 AND NO CENTS (\$250,000,000.00).

22 At the conclusion of the verdict reached on August 6, 2008, the jury was polled, and
23 each juror responded that the verdict as read by the Clerk of the Court was the verdict of that
24 juror, resulting in a verdict of eight (8) in favor and zero (0) opposed, as to liability and the
25 amount of compensatory damages awarded on each of Plaintiff's seven claims. At the
26 conclusion of the verdict on punitive damages on August 12, 2008, the jury was polled, and
27
28

1 each juror responded that the verdict as read by the Clerk of the Court was the verdict of that
2 juror, resulting in a verdict of eight (8) in favor and zero (0) opposed, as to whether the conduct
3 of the Defendant warranted punitive damages. At the conclusion of the verdict on punitive
4 damages on August 14, 2008, the jury was polled, and seven jurors responded that the verdict as
5 read by the Clerk of the Court was the verdict of that juror, with one juror responding in the
6 negative, resulting in a verdict of seven (7) in favor and one (1) opposed, as to the amount of
7 punitive damages awarded against Defendant.

Mr. Addison stated the documents arrived Thursday afternoon; copies were delivered overnight mail to Mr. Hutchinson. Documents were available under the Freedom of Information Act. The deadline was December 10; they were seven days overdue. Arguments by Mr. Addison regarding production of documents from Sacramento. There are a number of disputes regarding depositions. Mr. Addison believes he has made reasonable efforts to comply with providing names of deponents. Several witnesses are in a witness protection program as they have had threats made on their lives. Arguments by Mr. Addison regarding difficulty contacting witnesses. Mr. Addison requested December 30 for deadline to provide plaintiff with names and dates of deponents as most of them are located in Sacramento; counsel requested depositions be taken by videotape. Mr. Hutchinson stated this was originally a tort case. Depositions were noticed and served by December 4, but counsel could never get a firm date. The follow up documents produced were not responsive to what he needed. Mr. Hutchinson will stipulate to confidentiality. Plaintiff's motion to Associate Counsel is on calendar 1/4/99. Commissioner Biggar stated counsel needs signed order from the judge to associate counsel. COMMISSIONER RECOMMENDED, Defendants, California State Franchise Tax Board, will provide identities and specific dates on or

Felix Leatherwood, Esq., California Deputy Attorney General, present,
 appearing Pro Hac Vice for Defendant; Grace Jeng and Mike Kern also present.
 Argument by Mr. Leatherwood as to timely receipt of motion and California
 statutory law applicable to case. Mr. Leatherwood argued the law proscribes
 Defendant's employees from discussing confidential nonparty tax records.
 Commissioner stated he has not had the opportunity to look at the cases
 cited by Mr. Leatherwood as objection was just provided this morning. Mr.
 Hutchison argued Section 1040 of the Evidentiary Code, provided copy of Code
 to Commissioner and stated opposition's argument is not being asserted in

 Commissioner stated he finds Mr. Leatherwood did not have the opportunity to

PLTF'S MOTION FOR AN ORDER COMPELLING ANSWERS TO DEPOSITION QUESTIONS RE RELATED TAXPAYERS AND FOR AN ORDER SHORTENING TIME FILED UNDER SEAL BY STIPULATION AND ORDER DATED JANUARY 25, 1999...PLTF'S MOTION FOR AN ORDER COMPELLING FURTHER DEPOSITION TESTIMONY FROM DEFENDANT'S RULE 30(b)(6) WITNESS SHEILA COX AND FOR AN ORDER SHORTENING TIME.

Thomas K. Bourke, Esq. present with Mr. Hutchison and Felix Leatherwood, Deputy California Attorney General present with Mr. Bradshaw. Mr. Hutchison advised the Commissioner Mr. Bourke is present primarily to discuss the Sheila Cox testimony. As to Pltf's Motion for an Order Compelling Further Deposition Testimony from Deft's Rule 30(b)(6) Witness Sheila Cox, Mr. Hutchison advised the Commissioner there are two reasons for necessity of more time: sanitized and redacted documents and a lack of preparation in answering questions. Mr. Leatherwood stated he believes five days is enough time for the deposition. Argument by counsel and colloquy between Commissioner and counsel regarding time needed for deposition and confidentiality of records. COMMISSIONER RECOMMENDED, as to Deft's motion for order compelling answers to deposition questions, HE WILL ALLOW THE DISCOVERY AND FURTHER RESPONSES GIVEN BY THE FRANCHISE TAX BOARD IN REGARD TO DIGITAL NUTRONICS, JENG AND LEETRONICS and these three can be inquired into, they will be allowed to continue to assert confidentiality on any of the other related taxpayer accounts or investigations that may have been mentioned collaterally; AS TO MOTION FOR ORDER COMPELLING FURTHER DEPOSITION TESTIMONY, HE WILL ALLOW FOUR MORE DAYS AND WILL NOT PREVENT PLAINTIFFS FROM RETURNING TO SEEK MORE BUT HE WANTS DEPOSITION TESTIMONY TIGHTENED UP AND QUESTIONS COMPRESSED ON BEHALF OF PLAINTIFF. Mr. Bourke requested Mr. Hyatt's income not be disclosed in any documents filed. COMMISSIONER RECOMMENDED, file SEALED and all future documents to be filed under seal.

Arguments by counsel. Mr. Hutchison moved for a protective order regarding all documents. Mr. Bradshaw stated that issue should be before the Discovery Commissioner and opposed the motion. Court stated that based on there being no opposition to the Discovery Commissioner's recommendation, Pltf's motion to reconsider is GRANTED within the LIMITED GUIDELINES SET FORTH IN THE RECOMMENDATION, i.e., 1) THAT WHICH HAS BEEN ALLOWED WILL BE CONTINUED and, 2) DEPOSITION TO BE SCHEDULED WITHIN A REASONABLE TIME AFTER DECISION ON THE MOTION FOR JUDGMENT ON THE PLEADINGS to avoid any undue burden. FURTHER, RULING IS RESERVED on the motion for protective order and cautioned counsel to that there is an obligation on both sides to preserve documents and to narrow their discovery requests. Colloquy regarding exchange of exhibits and continuance of depositions. Mr. Hutchison to prepare the order and submit to Mr. Bradshaw for review prior to submitting same to the Court.

The Commissioner stated he will provide a confidentiality order after
reviewing suggestions by counsel on both sides that the parties will agree

upon the signing of the protective order. The Plaintiffs must provide a

order. He wants that index completed and served on the other side no later than November 30; the only thing that would delay that is if there is a choice to appeal the recommendation today and then the date would simply be moved up until later. Colloquy among Commissioner and counsel regarding the Vaughn index. Commissioner stated substantial portions of the index he saw are not sufficient as a Vaughn index and he agrees the Franchise Tax Board did not provide an appropriate Vaughn index either. Mr. Kula argued 90 percent of their entries are attorney-client. COMMISSIONER RECOMMENDED, he will allow the Franchise Tax Board to inquire about the entries they are concerned about. Mr. Kula stated if the opposition is going to insist on detailed things, he will go along with it because of the inadequate index of the opposition. Argument by counsel regarding the protective order. The Commissioner referred to the Second Errata filed by Plaintiff. COMMISSIONER RECOMMENDED, he will have Mr. Kula prepare the order as follows: looking at page 1 the part stating "upon stipulation of the parties and" shall be redacted and the rest of the page is ok; on page 2 we will include the language down through line 11 and then we will add a paragraph designated as "E" to read "an abuse of the confidential designation shall result in sanctions to the offending party and lines 12 through 28 are eliminated; on page 3 lines 1 through 4 are eliminated; all of page 4 is in; on page 5 lines 1 through 6 are in and he is eliminating paragraph numbered 5 (lines 8 through 18), the balance of page 5 will remain in and page 6 will remain in; on page 7 lines 1 through 10 will remain in, on line 11 "such safeguards shall include" is in and "the sealing of the courtroom" is out and this will read "such safeguards shall include the the exclusion from. . ."; on page 7 line 25 the sentence beginning "Nothing in this Protective Order" through line 27; the last line of page 7 and all of page 8 will be in. Argument by Mr. Kula. The Commissioner told Mr. Kula he is not going to keep any information confidential in this case and anything Mr. Kula is relying on will have to be produced to the other side. Further, counsel will not be penalized for the use of any documents prior to this time. Further argument by counsel. COMMISSIONER RECOMMENDED, motion for protective order GRANTED conditioned on the protective order he just delineated; Mr. Kula to prepare the protective order to be signed by both sides. The Commissioner stated in regard to the documents submitted in camera, even after going over them, he still does not have some documents, such as the Carol Ford notes and documents numbered 18 through 122 as well as the Sigamitzu reply memo which is referred to in his deposition on page 27. Colloquy between the Commissioner and Mr. Kula regarding June 25, 1998, photos and memo which are numbered 5994 to 5996. Mr. Kula advised this is a memo from Sheila Cox to Mr. Masud directing him to take the photos. The Commissioner stated he needs to see these as he wants to verify a trail from Cox to Masud. COMMISSIONER RECOMMENDED, Defendant to provide items numbered 5994 through 5996 plus a copy of the memo, electronic or otherwise, regarding these same pictures for in camera review plus the most recently printed copies of Carol Ford's handwritten notes to her supervisors WITHIN TWO WEEKS. Further argument and colloquy regarding document production. The Commissioner told defense counsel anytime anything is submitted they need to provide information to Plaintiff's counsel as to what was submitted so defense counsel will need to check back and make sure Plaintiff's counsel got them.

Further colloquy between the Commissioner and counsel regarding the role of Anna Jovanovich. The Commissioner stated that he is completely aghast as to why Jovanovich was not produced immediately and the Franchise Tax Board's assertion they could not get ahold of her is grounds for sanctions particularly with the continuing involvement she had after she left the office. She also was a consultant in this case and now attorney-client privilege is being claimed. The Commissioner told Mr. Leatherwood he made a representation that Jovanovich was not available and questioned how Mr. Leatherwood would get ahold of Jovanovich to act as a consultant. Colloquy. The Commissioner stated he thinks the heart of the case is the process which the Franchise Tax Board used in conducting this audit, including but not limited to, the activities in the state of Nevada. COMMISSIONER RECOMMENDED, he does not find any deliberative privilege in regard to any documents generated by Anna Jovanovitch prior to her generation of the documents designated 104058 through 104080 and 104081 through 104116, as to the two documents submitted to him in camera as of October 27. He will protect these documents at this point in time conditioned upon the fact that Anna Jovanovitch will not be testifying on behalf of the Franchise Tax Board as an expert; documents numbered 5938 through 5965 were news items obtained by Alexis on Mr. Hyatt and he saw no memo in regard to these items which were printed off the internet in 1998, he still needs the Jovanovitch memorandum he just spoke of and still needs produced in camera any supporting documents to these about how they were generated, these news items are specifically work product so he will not order any production of these. Colloquy and argument regarding document numbered 7381, a Gould memo dated May 28, 1997. Upon the Commissioner's inquiry, Mr. Leatherwood advised Jovanovitch left the Franchise Tax Board April 1, 1998 but he is not certain. COMMISSIONER RECOMMENDED, DOCUMENT NUMBERED 7381 SHALL BE PRODUCED and he also finds the testimony of Jovanovitch and her participation throughout this case would waive any other kind of information by her actions, her testimony and her participation throughout this case and that is why he finds the reason to producing number 7381; he will deny production of the evaluations of: S. Cox, C. Ford, Sheila Samana, Johnna Alverado and Mr. Sorriano as irrelevant in this case. He is making the distinction of allowing Plaintiff to get information as to the processing of the audit as compared with discovery into the whole workings of the Franchise Tax Board and only discovery into the actions of the people who handled the Hyatt audit and not all the other ramifications of what these actions may have been, he finds the performance evaluations and appraisals are not going to be relevant into discovery of this case and that is why he is recommending the denial of these documents, he will not let Plaintiff go into the the policies and processes of the Franchise Tax Board that would indicate the basis for raises and advancement within that agency; he will protect document numbered 126 beginning with the sentence about five from the bottom that ends with "tax reporter" the balance of that has nothing to do with Richard Gould and is confidential; in regard to number 139 that has to do with Jovanovitch and he will have that produced; as far as number 209, typed transcript of document number 126, the same portion will be produced in number 209 as it was in number 126; number 288 has already been produced and was used and there is no privilege; as to number 218 there is no legal

advise or communication and there is no privilege; as to number 288 that has to be produced, numbers 908 through 909 produce, numbers 1634 through 1645 and 1646 through 1656 to be produced. Further argument by counsel. COMMISSIONER FURTHER RECOMMENDED, he is reluctant to impose sanctions on political entities and the only thing he really had concern about was the Jovanovich deposition delay and the disclosure of her whereabouts, HE WILL NOT IMPOSE SANCTIONS OR FEES AT THIS POINT IN TIME but he cautions counsel in that he will not hesitate to impose sanctions; ON OR BEFORE NOVEMBER 30, 1999, the remaining in camera documents should be submitted, he will not have further argument and will just supplement the decision; ON OR BEFORE NOVEMBER 30, 1999, documents and in camera index shall be submitted; Plaintiff needs to get information to the Defendants now that we have the protective order in effect; discovery will be tending to broad on both sides; defense counsel to prepare the recommendation regarding the motion to compel and protective order and Mr. Hutchinson to prepare the rest of the recommendation.

Colloquy between Commissioner and Mr. Leatherwood regarding Nevada rules. Mr. Bradshaw moved for a supervised discovery plan. Commissioner told Mr. Leatherwood he is not making a ruling on any particular witness or on any witness and deft. can bring a motion. Court noted time is limited for this hearing and has some preliminary rulings. Other matters will require further support and/or argument. The following costs as listed in the memorandum of costs were addressed:

1. \$546.16 for appeal costs is awarded.
2. Regarding the Clerk's fee, only the filing fee is recoverable.
3. Regarding the reporter fees for the depositions: Court may approve one copy and appearance fees, however, there isn't sufficient breakdown of

the \$85,688.34 requested. Court further noted that whatever amount is ultimately awarded, that amount will be reduced by any and all "expedited" fees.

4. Regarding the witness fees for trial hearings: Court requires further breakdown/argument.

5. Regarding expert fees of \$18,072.21: Court noted it may only award \$1,500 per witness, with a maximum of five experts. Court noted one witness was never disclosed. Further argument is needed.

6. Regarding \$3,690 in accounting fees: Court noted there was no notice of an accountant as an expert, however, noted Scadden was consulted on a patent issue. Further argument is needed.

7. With regard to long distance charges, COURT FINDS \$4,563.68 is reasonable and is awarded.

8. Facsimile copy fees are awarded.

9. With regard to photocopy fees: Court noted it normally awards less than the standard \$.25 per page, in the amount of \$.15 or \$.10 per page based on the going rate in the community for mass copying available at commercial copy centers. Court needs further information/argument.

10. FedEx charges will be stricken and are not awarded.

11. With regard to Lexis charges of \$14,043: Court FINDS \$10,000 is reasonable and awards that amount.

Court stated it needs further information and requested counsel address the following issues next date:

1. \$247,466 in costs for non-attorney salary expenses. Court stated it needs further clarification as this isn't a matter of first impression.

2. \$51,546 in costs for travel and lodging. Court requests clarification as to what costs relate to the actual depositions, and clarification with regard to cash distributions.

3. \$87,742 in costs for document management and the purchase of a computer. Court stated that perhaps some government employees' duties would necessarily include the compilation of some of these documents. Court stated perhaps the computer has value still and could be deducted from the overall costs. Further discussion is needed.

4. With regard to process service: insufficient support has been given and the matter needs to be addressed.

5. With regard to Reporter transcripts at trial: insufficient support has been given and the Court needs further information. Court is not certain fees from the Nevada bar are recoverable.

6. Court noted no bond has been posted; nothing awarded for same.

7. With regard to postage: Court needs further support, specifically why it was necessary to use overnight mail for certain correspondence.

Mr. Kula stated he doesn't believe the facsimile charges add up. Court stated it FINDS based on this case, those charges appear to be reasonable.

Also present: Don Kulla, pro hac vice on behalf of Plaintiff, and Felix Leatherwood, pro hac vice on behalf of Defendant.

Mr. Wilson discussed the history of the case. Mr. Wilson argued that Defendant is merely conducting an investigation of the residency of the Plaintiff. Mr. Wilson argued that the protective order previously granted was stayed by the Nevada Supreme Court twice. Mr. Wilson argued that notwithstanding the doctrine of comity, the doctrine of sovereign immunity also applies in this instance, and suggested that the Court did not want to govern another state's audit process. Mr. Wilson suggested that the protective order goes too far, and it is being used to obstruct California's attempt to obtain the residency information it is seeking.

Court disclosed that Mike Kearns has been and is its accountant. All counsel stated no opposition to this Court proceeding with this matter.

Mr. Kulla argued that the protective order only applies to specifically designated documents, and that Commissioner Biggar was very clear that the protective order was very limited. Mr. Kulla argued the order in no way impedes California's proceedings. Mr. Kulla stated Mr. Hyatt has provided some of the documents requested, and argued that this Court should defer and let the other matter proceed in the ordinary course; requested that the status quo be maintained.

Mr. Bernhard argued that by virtue of the language contained in the protective order, the Supreme Court's order has no affect on it. Further arguments by Mr. Wilson and Mr. Kulla.

COURT FINDS that the Defendant can seek the information in another fashion and that the Nevada Supreme Court didn't intent to have the broad application presently being sought by the Defendant. Court stated it has no desire to supervise nor impede another State's processes. Court stated the

Mr. Hutchinson provided Court with copy of letter from Nevada Supreme Court which says they will make no more rulings in this case; it is clear from the papers the U.S. Supreme Court and Nevada Supreme Court authorize parties to proceed with this case. Mr. Wilson informed Court Defendant filed objection to motion based on technical grounds as to Application for Writ of Certiorari and Mandate from U.S. Supreme Court to Nevada Supreme Court. Mr. Wilson advised Court his office called the U.S. Supreme Court who said there was a backlog in getting papers out and they thought they were going to get Mandate out Friday afternoon in the U.S. Mail to the Nevada Supreme Court. Mr. Wilson said Mandate will turn around and re-vest this Court with jurisdiction. Mr. Wilson said Defendant is just trying to follow the rules and would suggest that parties wait for Mandate to reach the Nevada Supreme Court.

Mr. Hutchinson said printout from U.S. Supreme Court website indicates Mandate was issued on May 23rd. Court informed counsel it hasn't gotten anything from the Supreme Court and is inclined to wait until this Court gets jurisdiction back. Mr. Hutchinson said Judge Saitta, who used to have

this case, got a copy of the letter from the Nevada Supreme Court indicating they were not going to issue anything else in this case. Mr. Hutchinson read aloud from letter and argued parties should just be able to go forward; parties have already stipulated to this. Mr. Hutchinson argued this case should be proceeding, the stay would be lifted once the Supreme Court issued its decision and there is nothing to wait for. Mr. Wilson said there is no stipulation and there is jurisdictional question. Court noted if Nevada Supreme Court gets Mandate from U.S. Supreme Court, they will send no doubt send it to this Court. COURT ORDERED motion CONTINUED two weeks; if Court hasn't received anything by then, the Court will lift the stay. Mr. Hutchinson asked Court to order stay is automatically lifted at the end of the two weeks without counsel appearing for another hearing; COURT DECLINED.

Prior to court convening, Mr. Bernhard FILED Response to Defendant Franchise Tax Board's Supplement and Withdrawal of Opposition to Plaintiff's Motion to Confirm Expiration of Stay or, in the Alternative, to Lift Stay IN OPEN COURT. Mr. Bernhard noted a copy had been faxed to Chambers this morning.

Court informed counsel it had received the Remand from the United States Supreme Court. Mr. Silvestri said Defendant has withdrawn their opposition and are ready to go forward. Mr. Hutchinson responded Defendant withdrawing their opposition at 4 PM Friday afternoon was too little, too late. Mr. Hutchinson noted a letter had already been received from the Nevada Supreme Court indicating they wouldn't be issuing any further rulings in this case. Mr. Hutchinson requested Court consider an award of attorney fees for his client. Court noted it was the Court's decision to wait for the Remand. Mr. Silvestri responded attorney fees are not warranted; California Attorney General's office called the United States Supreme Court to get Mandate issued. Mr. Silvestri argued Defendant was trying to protect the integrity of the process. COURT ORDERED, Plaintiff Hyatt's Motion to Confirm

Also present, Felix E. Leatherwood, Deputy Attorney General, State of California and Joseph M. O'Heron, Esq. Mr. Clark advised Court Mr. O'Heron is the only one being associated on this case and Defendant will be represented by his firm, Mr. Leatherwood and Mr. O'Heron.

Mr. Hutchison said Plaintiff would oppose Mr. O'Heron's application to associate as counsel, would ask Court to exercise its discretion and deny application. Mr. Hutchison said Nevada counsel is supposed to be responsible for the case and referred Court's attention to Exhibit #6, which summarizes twenty-one times the Franchise Tax Board, California Attorney General's office, signed documents and ignored the local rule. Mr. Hutchison said he never knows if his office can talk to Mr. Clark's firm; they will meet with them for hours and there will be representations made and agreements reached. Mr. Hutchison said afterwards he will get correspondence from Mr. Leatherwood that there is no agreement. Mr. Hutchison alleged there are discovery issues in this case because of Mr. Leatherwood and proceeded to review meet and confer issues. Mr. Hutchison

said Mr. Leatherwood indicated any binding discussions have to be with California Attorney General's office. Mr. Hutchison argued California Attorney General's office has not complied with Nevada Supreme Court rule governing Nevada counsel's conduct.

Mr. Leatherwood asked and was granted permission to address the Court and proceeded to present a lengthy review of history of case and various discovery issues.

COURT ORDERED, Defendant's Motion to Associate Counsel (Joseph M. O'Heron, Esq./California), GRANTED; however, in the future counsel are to comply with Rule 42.14, local counsel has to sign the pleadings and local counsel have to be responsible and actually participate or Court will consider revoking Mr. O'Heron's status. Court informed Mr. Clark the Court will hold him directly responsible for assuring that the California State Franchise Board complies with the Nevada Rules of Civil Procedures and local rules.

Mr. Bernhard requested he be allowed to respond to Defendant's reply by Friday afternoon; alleged Defendant lied in their reply, Plaintiff wants to set record straight and Plaintiff has been prejudiced. COURT DENIED Mr. Bernhard's request to file response to Defendant's reply; application has been GRANTED.

Colloquy between Court and Mr. Leatherwood regarding comments Mr. Leatherwood made in the past being taken down on the record. Mr. Hutchison requested he be allowed to review Order prior to Defendant's counsel submitting it for Court's signature; COURT SO ORDERED.

Argument by counsel regarding Hyatt's Motions to Compel Production and Deposition Testimony, to Provide Adequate Privilege Log and to Halt Appropriate Deposition Behavior. Colloquy among Commissioner and counsel regarding status of the case. COMMISSIONER RECOMMENDED, I will look at the remaining documents at issue in camera and counsel will get a ruling on the documents. Mr. Giudici advised he will go through the new universe of documents that are in dispute and will provide the remaining documents at issue. COMMISSIONER RECOMMENDED, as far as the depositions, I will have appropriate parties produce those witnesses whose deposition testimony was shortened because of objections and counsel can go back and re-explore those areas in a tightened setting and I will let counsel on all sides bring motions if they feel the depositions have been prolonged unusually. Commissioner told counsel he wants the discovery and the depositions to be tightened up and he will start narrowing discovery down and tailoring it if counsel cannot do that. Commissioner told counsel he is putting counsel on notice that he will not tolerate any more meandering discovery or any discovery that is meant for any other reason than to have this case tried on the merits and he will be prepared to rule on the appropriate motions. COMMISSIONER RECOMMENDED, I WILL ALLOW COUNSEL TO RE-NOTICE ANY OF THE PRIOR DEPOSITIONS; as far as the scope regarding Pltf., Hyatt, I will allow discovery regarding Hyatt and how the Franchise Tax Board acted in regard to Hyatt then branching off to other questions. Colloquy among Commissioner and counsel regarding appropriate deposition conduct. Commissioner admonished counsel as to any "coaching" during depositions. Argument by counsel. COMMISSIONER RECOMMENDED, as far as the defense argument about the applicability of the CVRs and Mr. Kula's argument, I think that I am not going to allow much more discovery into that issue because I think it is common sense that as the audit went on that defense would not put the time into it unless they felt they were going to get a good result and I do not think we need to have more than what these people will testify to as to their reasons for putting so much time into it; counsel to meet and confer regarding the number of documents to be included in a privilege log, I will let counsel work on that and come back to me, I want to see what counsel have agreed to and how we will handle it on 7/29 and if counsel cannot agree on that I will do it for counsel on 7/29, already agreed upon documents to be submitted to me on 7/29. Commissioner noted the motion to compel the Vaughn index which refers to the sanitized documents has been resolved. Commissioner further told counsel as far as the discovery opinion on the privilege logs he gave that to counsel last time and the Nevada Supreme Court gave a good description of that. Mr. Hutchinson summarized the recommendations for the day. Further argument by counsel as to counter-motion. COMMISSIONER FURTHER RECOMMENDED, COUNTERMOTION DENIED IN REGARD TO THE TWO DEPOSITIONS; Mr. Hutchinson to prepare the recommendation to be approved as to form and content by counsel for defense.

Peter Bernhard, Esq., and Don Kula, Esq., present, California co-counsel representing Pltf.; Felix Leatherwood, Esq., present, California Deputy Attorney General, representing Deft. Argument by counsel regarding California Franchise Tax Board's motion to compel deposition responses and document production regarding Cowan and Kern and the re-opening of depositions of Cowan and Kern. Colloquy among Commissioner and counsel regarding status of the case. COMMISSIONER RECOMMENDED, I WILL GRANT MOTION TO ALLOW RE-OPENING OF DEPOSITIONS; if the Pltfs. have contacted former Franchise Tax Board (FTB) personnel and are going to use them as consultants in this case they can disclose these people and Deft. cannot contact them about what they are doing in this case and that is different from people who have percipient knowledge in this case and I will LIMIT IT TO FTB EMPLOYEES; Pltf. to disclose if they have a "mole" and any information obtained from that consultant would have to be on Court order.

Argument by counsel as to production of documents and previous production of the audit file and the Grace Jeng deed. Mr. Kula advised as to documents not being in the audit file. COMMISSIONER RECOMMENDED, it has to be in the audit file and generated during the audit, otherwise no, if there is a notarized, recorded deed in the file it is proper inquiry, if not, it is not proper.

Colloquy among Commissioner and counsel as to areas of deposition inquiry. Argument by counsel as to the deposition of Ms. Jeng. COMMISSIONER RECOMMENDED, I think it is not burdensome for Kern to testify as to what he knew of the relationship between Hyatt and Ms. Jeng from January 1, 1991 up through the second audit, August 1997, as this is general, background information, Ms. Jeng is a person with knowledge and defense is entitled to this information as to her veracity as a witness and any knowledge she may have.

Commissioner noted the proposed stipulation attached as #2 to motion where it states "...to the extent that and waiver" I will shorten that by striking out the last three lines and just because there was testimony as to the

conduit facts that is not, per se, a waiver but Commissioner warned Mr. Hutchinson if he uses that a sword and shield he will be in trouble.

Further argument by counsel as to attorney fees. COMMISSIONER RECOMMENDED, if there is a specific claim for damages, then Pltf's counsel needs to supply bills for the work in the case. Mr. Hutchinson advised there are general damage claims. COMMISSIONER RECOMMENDED, there would be entitlement to information on compensation paid to any experts or witnesses, as to the damage claim, Pltf. has claimed distress, among other things, because of this audit, if either Cowan or Kern is a percipient witness to any of this damage in the physical or emotional area on behalf of Pltf., that is not protected information; I am allowing questions by the FTB in regard to the cooperation in the audit, based upon the issue raised particularly by Cowan in the motion for summary judgment, I will allow it as it could lead to the discovery of admissible evidence and whether or not it is admissible at the time of trial is a decision for the trial Judge.

COMMISSIONER RECOMMENDED, I want both sides to clean up their witness lists, counsel are under obligation to designate people with relevant knowledge at this time and under the guidelines I spoke about and counsel need to do that immediately.

Colloquy as to correct case citation for the Skrauss case. COMMISSIONER DIRECTED counsel to provide the correct citation. COMMISSIONER RECOMMENDED, counsel can refer to the transcript to prepare the recommendation and counsel are to go for brevity and completeness in recommendation; Mr. Bradshaw to prepare the recommendation to be approved as to form and content by counsel for Pltf. and counsel to get the recommendation in place before they go forward to the depositions, if counsel cannot agree on some point let us have that point highlighted and then I will take it from there, I WILL ALLOW TIME BEYOND THE TEN-DAY RULE for submission of recommendation.

Felix Leatherwood, Esq., present, Calif. Deputy Attorney General, representing Deft. Mr. Hutchison advised they have many of the issues worked out. Commissioner told counsel now that they are into the discovery once again his plan was to send counsel out and have counsel agree on deposition dates or agree to disagree and come back in two weeks or 30 days whereupon he was going to set down a case management order (CMO) so once depositions are started they can be completed. Further, he wants to have a system of status checks, hopefully, on a 60-day basis and at about this time next year status check would be down to a 30-day basis for problems to be addressed. Colloquy among Commissioner and counsel as to status of the case, next status check and the possibility of sanctions for failure to cooperate in discovery. COMMISSIONER RECOMMENDED, CONTINUED TO 8/19/04 AT 10:00 AM, AT LEAST THREE DAYS PRIOR TO THAT TIME I WANT INFORMATION IN WRITING FROM COUNSEL AS TO THE DEPOSITIONS THAT NEED TO BE TAKEN AND THE DATES THAT HAVE BEEN AGREED UPON AND ANY OTHER PROBLEMS and on 8/19 we will get everything straightened out, I will need submissions from each side as to what counsel will do if things go awry and I will also address any issues as to outstanding written discovery and from that point there will be a status check approximately EVERY 60 DAYS at a time convenient for all counsel; on August 19 we will have a tentative CMO that should hopefully take us through next year and as far as motion practice is concerned, anything else counsel want to address that can be done and put in the amended CMO which will succeed this one, I want all counsels' issues in writing at least three days prior to 8/19 and we will take that up on 8/19, I want counsel to proceed on the items or there will be contributions to the Pro Bono Project starting at \$500.00 for each attorney who is not cooperating and going up from there.

Counsel requested thirty days to discuss case management. COMMISSIONER RECOMMENDED; status check SET 9/15/04. Colloquy between Commissioner and counsel regarding adjusting trial order dates to some degree for pretrial motions and to supplement witness lists. If counsel encounter problems, Commissioner told counsel to file a motion. Colloquy between Commissioner and counsel as counsel are struggling with depositions. Commissioner told counsel to turn over documents for depositions with two days notice, and exchange information in an economical fashion. Colloquy between Commissioner and counsel regarding 16.1 obligations. Commissioner told counsel to remain professional, follow the rules, and remind their clients as well, or Commissioner will get involved. Colloquy between Commissioner and counsel regarding procedure for depositions and how to protect the record; counsel may not coach witnesses or make suggestive objections, and counsel must follow Rule 32(d)(3). Commissioner indicated counsel have the right to ask for speculation as this is a discovery deposition; however, speculation may be an issue to determine at trial. Colloquy between Commissioner and counsel regarding protocol, appropriate objections during depositions, and scheduling depositions. Mr. Bradshaw requested an updated witness list and a list plaintiff's counsel plan to depose. Mr. Bernhard agreed. Don Kula, Esq., California counsel, present, representing Pltf; Robert Dunn, Esq., and Scott DePeel, Esq., present, representing Deft.

Commissioner noted whereas the trial is a long way off, the trial has to be kept in mind and he is concerned the depositions are not going forward in a smooth manner because apparently there are still outstanding requests for written discovery. Commissioner stated it seems to him what happens is when a new witness is designated a new document is discovered and that is true on both sides. Mr. Bradshaw advised they have produced 99.7 percent of the Hyatt related documents that exist; there was a handful of documents generated in the last few months that are Hyatt specific. Mr. Bradshaw advised as to documents that still need to be produced. Colloquy with Mr. Bradshaw regarding identification of documents. Commissioner noted Mr. Bradshaw has indicated he has done a complete identification of his documents; Commissioner wants to set a hearing on the documents Mr. Bradshaw does not want to produce on a privilege log basis. Argument by Mr. Hutchinson as to problems with production of documents by prior defense attorneys. Commissioner told Mr. Bradshaw what may need to be done is re-check with the people involved even though that is a lot of work and the work needs to be a group effort by all defense counsel. COMMISSIONER RECOMMENDED, I WILL REQUIRE A CERTIFICATION THAT ALL DEFENSE COUNSEL HAVE

LOOKED FOR THE DOCUMENTS AND WHERE THEY ARE. Mr. Bradshaw moved for the same certification from Pltf's side. No objection by Mr. Hutchison. COMMISSIONER FURTHER RECOMMENDED, ON OR BEFORE 12/10 BOTH SIDES TO PROVIDE INFORMATION AS TO WHAT HAS BEEN PRODUCED; I will probably set a date in January for motions to be heard from both sides; counsel are to identify the documents, have their meeting and for any and all documents there is disagreement on I will have argument, have the documents submitted for in camera review and I will make the decision on them by 12/10, I will give counsel time for any meet and confers counsel need and I will give counsel UNTIL 2/11 TO FILE YOUR MOTIONS, I am assuming both sides will want to compel something and I will give counsel UNTIL 3/4 TO RESPOND TO THE MOTIONS and UNTIL 3/18 TO REPLY, I will SET A HEARING ON 3/30 AT 10:00 AM regarding all motions to compel and motions regarding written discovery, I will need ANY DOCUMENTS AT ISSUE NO LATER THAN MARCH 18 FOR IN CAMERA REVIEW with points and authorities directed to specific documents that each side is attempting to obtain.

Colloquy regarding discovery. Commissioner told counsel in regard to their deposition questions, he does not like the process of splitting the depositions and he would rather the depositions be set and taken. Further, on 3/30 counsel will have a determination on any of the documents so the document question will be over at that point. Commissioner told counsel he would rather counsel try to take depositions, if any are available, of witnesses who will not have any documents. Counsel can meet and confer as to any such depositions.

Commissioner noted new rules which will go into effect on 1/1/05 and told counsel he will be enforcing the rules, particularly regarding scheduling. Further, counsel and he will agree on a discovery cutoff date even though counsel have a trial date and the cutoff date is going to be firm. Commissioner told counsel he anticipates a minimum discovery cutoff will be 90 days prior to the trial date and the final discovery deadline would be in May 2006. Colloquy as to what will be addressed in the new Scheduling Order, submission of written points and authorities as to documents and an adequate privilege log. Commissioner told counsel an inadequate privilege log as to any particular documents may lead to a waiver so he cautions counsel. COMMISSIONER RECOMMENDED, STATUS CHECK ON 12/1/04 AT 10:00 AM; Mr. Hutchison to prepare the recommendation to be approved by form and content by Mr. Bradshaw.

Don Kula, Esq., California counsel, present, representing Pltff; Robert Dunn, Esq., and Scott DePeel, Esq., present, representing Deft.

Mr. Hutchison advised they have a few areas of disagreement as to the recommendation from the last hearing to review with Commissioner point by point. Argument and colloquy as to recommendation from previous hearing. COMMISSIONER RECOMMENDED, paragraph #1, the top of page 4, will be fine and I will leave in the word "all" and then in "a" I will take out the language reference and paragraph "a" will remain the same except for "[Transcript, p. 14, lines 12-17; p. 16, 8]".

Mr. Hutchison argued as to the language in paragraph "b" and advised they do not represent Ms. Jeng. Commissioner stated he thinks Pltff., for the purpose of this litigation, has control over Ms. Jeng and under his observation Ms. Jeng has been a key part of these proceedings. Commissioner told counsel he will add Ms. Jeng to the list and if at some time there is a fracture in that relationship then counsel need to bring that to his attention. Mr. Hutchison argued Ms. Jeng is not the custodian of Hyatt's documents and her deposition has not been taken. Mr. Bradshaw argued Mr. Kula purported to represent Jeng. Mr. Kula advised subsequently Mr. Pisanelli took over Jeng's representation. COMMISSIONER RECOMMENDED, AS TO PARAGRAPH "b" line 1, that will read "counsel recheck with thier clients...tax professionals, Mr. Kern, Mr. Cowan and Grace Jeng" and as to NEXT PARAGRAPH, which will be "c" "That counsel have seen...the discovery requests, that they have worked with their clients to search for responsive documents," counsel to DESCRIBE WHAT WAS DONE TO SEARCH FOR THESE DOCUMENTS and that responsive documents have either been produced or listed on a privilege log; SUB-PARAGRAPH 2 WILL BE DELETED AND IN ITS PLACE WILL BE THE FOLLOWING SUB-PARAGRAPH 2, "The Discovery Commissioner further sets February 11, 2005, as the deadline for filing any motions to compel production of documents, with March 4, 2005, being the deadline for any oppositions to any motions to compel and March 18, 2005, being the deadline for any replies in support of any motions to compel. Discovery Commissioner, in camera, on or before March 18, 2005. A hearing before the Discovery Commissioner on any motions to compel has been set for March 30, 2005, at 10:00 a.m." AS TO NEW SUB-PARAGRAPH 3, that will read as follows, "The parties are cautioned that any documents that are "turned up" for the first time after December 10, 2004, will require explanation from producing counsel." The remainder with the new sub-paragraph numbering will contain the Hyatt language as submitted by counsel.

Commissioner noted the new Nevada Rules of Civil Procedure are going into effect on January 1, 2005. COMMISSIONER RECOMMENDED, disputes over document production should be BRIEFED BY COUNSEL before BEING SUBMITTED to Commissioner for decision and inadequate privilege logs may lead to a recommendation that the privilege has been waived for any such inadequate items. COMMISSIONER RECOMMENDED, CONTINUED TO JANUARY 13, 2005, AT 10:00 AM, if there are any problems counsel to provide written material prior to that date.

Mr. Don Kulla Esq., Pro Hac Vice present. COMMISSIONER RECOMMENDED, on 5/18/05 parties are to be prepared to have their calendars adjusted because this case will be on a two week status check to the end of discovery, (Thursday or Friday settings). Parties will address any problems coming up and from here on out any motions on either side will be limited to 15 pages of points and authorities excluding exhibits; 15 page oppositions and 5 page replies. However as far as any scheduling on this matter, any motions filed and served the time of first status check can be heard on the next status check with oppositions turned in 10 days after the motions are filed as long as they are served and the reply is served one day before the hearing. Parties to take a look at failings of the other side as opposed to what is happening, and what needs to be produced and why.

Commissioner stated Hyatt submitted a replacement documents and logs for an in camera review, to replace the earlier ones produced in April.

Mr. Bradshaw stated he does not know entirely what Plaintiff produced, they produced bates stamped numbers and we submitted log numbers. The documents should have been replaced with log line items.

Mr. Burnhard stated when he received the request, he thought they meant log entry items that were bates stamped. Colloquy by Commissioner as to what logs and documents received.

Mr. Burnhard stated he changed log HL to log entry documents, log EC and PBTk will replace what documents that were just withheld so the Commissioner did not have to look at those documents again; 4/25/05 documents were superceded.

Commissioner inquired which documents was Mr. Burnhard not going to produce or willing to produce regardless of the protection order.

Mr. Hutchison stated the HL documents only, are the privileged documents but with heightened level of protection he will produce them.

Commissioner stated its concerns regarding logs EC and PBTk, and inquired if those documents produced are conduct documents. The Commissioner further stated it is having trouble distinguishing documents going between the Hyatt and which one would go to the FTB log or not and which ones are produced in the law suit.

Mr. Kulla stated privileged communication documents were provided excluding the cover letters.

Commissioner inquired if all the licensing documents were held in the HL log.

Mr. Bradshaw stated they were marked as H log previously. As we said in our moving papers, there were documents of Hyatt's damages produced in 2000 and to our understanding the licensing documents regarding damages were produced. Those documents have been identified in the HL log and it is highly confidential and sensitive information. We do not have a problem with counseling looking at them, we just don't want them to get into the hands of competitors.

Commissioner noted what has been produced has not been produced in a forward going fashion.

Mr. Hutchison stated he produced everything the Commissioner requested by the date requested, April of 2000. Then on June 7, 2000 a stay was entered and we did not hear anything regarding these documents, we complied in good faith.

Mr. Bradshaw stated he needs to see the licensing documents and still does not know if they were all produced. We are interested in the damage claim. Colloquy regarding patents and partners of Mr. Hyatt's. In 1999 we requested the Phillips, Pioneer and Jujitzi files and any other patents or licensing correspondences on the privileged laws. We do not think Hyatt should be able to now give those documents in a TPO fashion.

Mr. Hutchison stated he produced all licensing agreements per their request because there was a protective order. Hyatt has on going business with Japanese companies and disclosing this information would have a detrimental affect on Hyatt's business and request the licensing documents kept confidential.

Commissioner stated in that regard the extend of what they paid for does not have to be disclosed. What is relevant is if something cause for a up turn or down turn in income, that information would be discoverable. Commissioner further stated it thinks the case is getting bogged down on this issue and do not see a real good reason for the protection sought.

Colloquy regarding parties designating their experts; Mr. Hutchison stated he will designate his expert by 10/15/05; Mr. Bradshaw stated he would

CIVIL COURT MINUTES

98-A-382999-C Hyatt, Gilbert P

vs California State Franchise Tax

CONTINUED FROM PAGE: 043

designate his experts 60 days after Hyatt discloses theirs.

Mr. Bradshaw stated he has not seen any documents on how to conduct a business, compensation witnesses, financial information.

Commissioner stated it does not see any good faith reason why nothing has happened in Deft's California protest case.

Mr. Burnhard stated Hyatt's 1040 and licensing income was provided to the Defense to show damages.

Mr. Bradshaw stated there are no signatures on those tax returns or sources of income. Mr. Burnhard stated he would provide hat.

COMMISSIONER RECOMMENDED, hearing is continued to May 18, where a decision will be made regarding in camera documents and further discussion. There is no need for further responses to written discovery brought by FTB. We may not get to FTB on the continued date however parties need to be prepared to argue it and designate experts on that day as well.

Colloquy with counsel regarding documents submitted for in camera review. Argument. COMMISSIONER RECOMMENDED, AS TO THE "H" LOG DOCUMENTS, unless I previously stated otherwise, the privilege will be either attorney-client or accountant-client privilege, numbers 1, 4, 5 privileged, #13 part of entry #13 is a bates stamped #17355, produce a clean copy of that, #15 produce, #17 privileged, #21 should be produced, the following are all protected by privilege: #23, #30, #33, #34, #38, #40, #46, #47, #49, #50, #52, #71, #72, #73, #77, #81, #86 protected work product, #88 privileged, #97 I am protecting, bates stamped #18227 produce, number 18228-31 produce, #98 has a discussion of bank statements and the letter is 3 pages and is not going to be produced but as long as the statements have not been produced they should be produced, #100 produce, the following numbers are privileged: 103, 109, 110 and 113, 124, bates 436-437 are privileged, #18438 and #18439 produce, #140, #150 and #155 are privileged, #161 produce, #162 produce, #165 and #167 are privileged.

COMMISSIONER RECOMMENDED, AS TO THE EC DOCUMENTS LOG: #1 and 3 are privileged, #20 privileged, I will have #22 produced but the Pltf. can redact the first paragraph, #25 produce except that on page 5846 I will allow you to redact everything after the date of 1-20-95, after the first sentence that can be redacted on that page only but the balance of that entry is to be produced, #31 irrelevant, #33 produce except that on page 5887, I will allow counsel to redact the last 2 sentences prior to the signature line, #35 privileged, #36 and #37 privileged, #39 privileged, #43 produce, #46, #47, #54 and #59 are privileged, #75 produce, #79, #81, #88, #92, #99 and #104 are all privileged, #104 irrelevant, #107, #110 and #111 are all privileged, #113, #115 are privileged, produce #117, #119, #126, #131 and #132 are privileged, #136 produce, the following are privileged #143, #153, #155, #158, #172, #190, #197, #202, produce #207, however, on

page 75-35 you can redact the last paragraph starting with "i", #213, #216 are privileged, #240 I am protecting that as work product but want to make it clear the FTB not only has that form but also is entitled to the knowledge that Pltf. had that form the "demand to furnish form" dated 3/10/95, but otherwise Pltf. does not have to produce that document, #242 is privileged.

Colloquy regarding the PBTK documents. Argument by counsel. COMMISSIONER RECOMMENDED, I will have #15 produced and produce the names of the various witnesses on #216 and the message part can be redacted, the names and phone numbers will have to be identified, the following are redacted as privileged: numbers 22, 23, 32, 40, 47, 56, 59, 60 and 62, in regard to #63 produce but the following can be redacted: the hand written notations on the side can be redacted, on page 1053 the hand written information, #1051 and #1052 are privileged, it is only #1053 that needs to be produced with the redaction, the following numbers are privileged: 64, 65, 66, 67, 71, 73 and 74, produce the invoices referenced in #75, on #76 I want the referenced information to be produced as I do not find it to be after-acquired information, attachments to be produced, the letter does not need to be produced, the following numbers are privileged: 77, 78, 87, 90, 93, 97 and 106, #108 is privileged except that I will have produced 20 and 21, produce numbers 117 and 122, the first paragraph on page 1845 can be redacted, #131 privileged, #132 is privileged except that you need to produce an unmarked copy of page 2169, the following numbers are all privileged: 138, 140, 149, 163, I will have #176 produced, page 2681 only the one word at the top in handwriting can be redacted, #184 produce pages 3097 and 3098 and on 3097 you can redact all of the wording below where it says FTB IRS, everything below that down through the first paragraph and on the second page you can redact the footnotes at the bottom "comments" and the balance of that page should be produced, numbers 224 and 230 are privileged.

Commissioner told counsel as to his comments, the production of Pltf. was slow and not a good faith effort to respond, the parties have wasted a lot of time bickering over discovery. It should not be difficult in regard to these documents which Pltf. should be producing to support its damage claims.

COMMISSIONER RECOMMENDED, as to the increased production that this ruling be for Nevada attorneys eyes only, I AM DENYING, as to the expert the one mentioned so far, I DO NOT FIND the cases cited by Pltf. would provide a basis in this case to keep the expert, the attorney, from participating as a consultant or testifying expert on behalf of Deft. in regard to earlier protective order, any expert, anyone who comes into contact with information supplied should not be discussing information outside the confines of this case, I do not want there to be leaking of information to any person or entity who could be classified as somewhat of a direct competitor to Pltf. nor to some of the companies that Pltf. has worked with in regard to the procesing of his patent and license claims and so forth, so that needs to be made clear by the FTB to any expert they require and if disclosed that person will be subject to sanctions; I FIND in response to the FTB claims

the HL privilege log was inadequate and Pltf. is entitled to go into the damage claims, whereas the discovery requests may not have been the height of clarity, good faith responses should have been provided. As to the HL LOG, I FIND the strategy information should be produced. I want to make clear at this point, I WILL GIVE PLTF. A SHORT AMOUNT OF TIME TO ALLOW PLTF. TO PRODUCE DOCUMENTS AND I WANT TO MAKE IT CLEAR TO YOU THAT ANY DOCUMENT THAT IS NOT PRODUCED YOU CANNOT RELY ON ANY LONGER IN THIS CASE. I will give this short window on the part of Pltf. to produce. Commissioner gave example. Colloquy. COMMISSIONER RECOMMENDED, I WILL GIVE PLTF. UNTIL JULY 1 TO SUPPLEMENT WITH ANY FURTHER DOCUMENTS IN RESPONSE TO ANY DISCOVERY REQUESTS BY THE FTB OR ANY DOCUMENTS THEY WISH TO PRODUCE IN REGARD TO THEIR DAMAGES WHICH WOULD BE THE SUBJECT OF A REQUEST; I AM DENYING REQUEST TO STRIKE THE DAMAGE CLAIM, I want to remind Pltf. as to the nature of their inappropriate objections. Pltf's production has been slow and evasive, so there will be some significant sanctions for that kind of conduct to be addressed in the future. IN REGARD TO THE RECOMMENDATION FOR TODAY, I AM OVERRULING THE SPECIAL SENSITIVITY ARGUMENT IN REGARD TO THE NEED FOR A HIGH LEVEL OF PRODUCTION FOR THE HL DOCUMENTS, I WILL FURTHER, IN RESPONSE TO COMPLAINT BY THE DEFTS., WHICH I FIND WELL TAKEN, I AM GOING TO GIVE PLT. UNTIL 8/1 TO: 1) FURTHER SUPPLEMENT YOUR RESPONSES TO REQUESTS FOR PRODUCTION IN THESE INSTANCES WHERE YOU PRODUCED DOCUMENTS BY MATCHING YOUR RESPONSES TO THE NUMBER, I FIND THERE ARE A LOT OF DOCUMENTS IN CASE AND DOCUMENTS WHICH ARE SIMILAR AND I WILL GIVE UNTIL 8/1 TO SUPPLEMENT THOSE RESPONSES STATING THESE ARE THE BATES STAMPED NUMBERS THAT RESPOND TO DEFTS. REQUEST, THESE DO NOT HAVE TO DO WITH NEW DOCUMENTS, THAT IS WHY I AM GIVING YOU MORE TIME, DEFT. IS ENTITLED TO THAT INFORMATION AND PLTF. WILL BE ENTITLED TO GET THE SAME INFORMATION.

IN REGARD TO THE LICENSING AGREEMENTS, I DO NOT FIND A HIGHER LEVEL OF PROTECTION IS NEEDED. THE DEFT. HAS RAISED SOME QUESTIONS IN RE EITHER SPECIFIC DOCUMENT REQUESTS OR THE INTERROGATORIES, I THINK UPON THE NARROWING OF SOME OF THE ANSWERS AND MATCHING ANSWERS WITH PARTICULAR DOCUMENTS MUCH OF THIS IS GOING TO BE CURED PLUS THE RULING THAT NO OTHER DOCUMENTS ARE GOING TO BE PRODUCED, WE WILL HAVE A UNIVERSE OF DOCUMENTS AS TO WHAT DEFTS. ARE PRODUCING AND WILL SOON HAVE THAT ON WHAT PLTF. IS PRODUCING, I WILL NOT MAKE A SPECIFIC RULING ON DOCUMENTS REQUESTS. Colloquy with counsel. Commissioner told counsel what he needs are shorter motions in regard to specific requests. Mr. Bradshaw moved for the appointment of a special master in the case. COMMISSIONER RECOMMENDED, ORAL MOTION FOR A SPECIAL MASTER IS DENIED, THE NEXT HEARING WILL BE ON JULY 8, 2005; Mr. Bernhard to prepare the recommendation and Mr. Hutchison to approve as to form and content.

Argument by Mr. Bradshaw in support of his motion, he advised they have jurisdiction over the tort claims, he believed the causes of action are not plead, he addressed rule 15(b) and asked the Court to put an order in as to what Pltfs. admit. Mr. Hutchison stated his motion ask the Defense to cut off claims and they have not plead a California statutory information practices act claim. He advised there has been no discovery completed yet and if they do bring a complaint they would have to amend the complaint. Mr. Bradshaw stated we need to know what claims are before this Court and for trial. Mr. Hutchison addressed what the Nevada Supreme Court looked at and the torts that would go to trial. He believed the Defense has violated acts against his client because they said they would protect his information and addressed relevance. Court advised she would not close discovery issues. PRODUCTION OF DOCUMENTS. . .DEFT'S MOTION FOR PROTECTIVE ORDER. .DISCOVERY
CONFERENCE

James Gindice, Esq., present, representing Pltf. Colloquy among
Commissioner and counsel as to the two draft recommendations prepared by
counsel regarding the last hearing. Commissioner told counsel it probably
would help if a red line is done as it might be more efficient for him to
put that together for counsel instead of having two versions of the report
and recommendation. Commissioner noted he got Pltf's version this morning.
Mr. Bernhard moved for another week to prepare a new recommendation.
Commissioner told counsel he is interested in the recommendations he made
and not interested in the comments counsel included in the report which
counsel claim he made but he did not make. COMMISSIONER RECOMMENDED, I WILL
LET MR. BERNHARD SUBMIT THE PARED DOWN VERSION OF THE REPORT AND
RECOMMENDATIONS as Mr. Bernhard suggested WITHIN A WEEK and if there are
comments I will make a decision on that when the report by Mr. Bernhard is
submitted.

Commissioner told counsel he will give them a recommendation today on each
and every part of the Pltf's motion to compel and if there is time he can
give them the recommendation on a number of the documents submitted for in
camera review. Commissioner told counsel, no matter how long it is between
hearings, he always seems to get things at the last minute. Commissioner
told counsel he began the process by going through the documents as listed
by the Pltfs. and then looking at the comments by the FTB (Franchise Tax
Board) and comments on the logs, both new and old, and got through a portion
of them but could not get through all of them. Colloquy among Commissioner
and counsel regarding the next hearing date. COMMISSIONER RECOMMENDED,
CONTINUED TO 8/5/05 AT 10:00 AM FOR MY COMPLETE RULING.

Commissioner told counsel he is going to go through the requests for
production and noted the order and manner of what his recommendations would

Mr. Hutchison advised in addition to the errata to the privilege log there are 30 other documents they would like to have. Mr. Hutchison argued they want the same specificity that the FTB provided to the Commissioner for all the privilege logs and they want supplementation to the other privilege logs with the same level of specificity. Argument by Mr. Bradshaw. Colloquy with counsel regarding status of the case and production by counsel. COMMISSIONER RECOMMENDED, BY 8/8 the above recommended documents TO BE PRODUCED BY DEFT. Argument by Mr. Bradshaw regarding the amount of time they have been given to produce, which is a lesser amount of time than Pltf. got and Deft. has more documents to produce than Pltf. had to produce. Commissioner NOTED Mr. Bradshaw's objection. COMMISSIONER RECOMMENDED, CONTINUED TO 8/5/05 AT 10:00 AM. Argument by Mr. Hutchison as to production dates. DEFT'S MOTION TO STRIKE/MOTION TO DISMISS. . .PLTF'S MOTION TO COMPEL
PRODUCTION OF DOCUMENTS. . .PLTF'S MOTION TO COMPEL. . .DEFT'S MOTION FOR
PROTECTIVE ORDER. . .DISCOVERY CONFERENCE

Donald Kula, Esq., present, representing Pltf; James Gindice, Esq., present, representing Deft. COMMISSIONER RECOMMENDED, DISCOVERY CONFERENCE CONTINUED TO 8/30/05 AT 10:30 AM. Commissioner told counsel he thought he required counsel to submit different versions of the recommendation. Mr. Kula advised they have an alternative version. Commissioner stated he did not see a version for May but has one for the July 8 hearing. Mr. Gindice advised their version of the draft recommendation on the May hearing should have been an exhibit to their papers. Mr. Kula provided copy of the May draft version to Commissioner. Colloquy with counsel regarding specifics of the draft. Commissioner told counsel he has looked at all the materials on the July 8 hearing and he will work off the problems submitted by Mr. Hutchison. He has also reviewed Deft's papers regarding that and then he will have Pltf's counsel prepare the recommendation on that.

COMMISSIONER RECOMMENDED, on page 4, on tab number 18, lines 9-13, eliminate the bold language only and then eliminate on line 22 which begins "the discovery commissioner would like to keep the..." part and redact the language beginning with "he. . .but the FTB seems determined" and the balance is fine; eliminate the last line on tab 28, the first 2 lines on page 5, on page 5 tab 19, eliminate 1, 2, 3, 4, 5, 6 lines down to tab 25 and eliminate the first word "hand and the comma" and the rest of that page will remain, page 6 is fine, on page 7, we are going to eliminate the bold on tab 12 and 13 and say "take report and recommendation. . .considered in this motion must be produced"; pages 8, 9 and 10 are all fine; I will eliminate the language proposed on page 11 at tab 12, beginning with "FTB requests" through the end of that paragraph (line 16); I am also eliminating

CONTINUED FROM PAGE: 055

the language beginning on line 18 or line 19, the bold FTB requests to the bottom of that paragraph and beginning on line 25 eliminating the balance of that paragraph through line 1, page 12, and then on page 12, line 14, beginning "and further" for the following pages I will be eliminating Hyatt language, for example numbers 251, 252, 253, 254 and 257 (that same language) and at the bottom of page 1, request 266 and that is granted to the extent the FTB must identify a person; on page 14, line 14, eliminate the bold language; on line 20 request 309, it will read "FTB will produce any document application to the request" and beginning at tab 21, the bold language and the next three lines are eliminated and that is the extent of the changes; I WILL HAVE THE HYATT PEOPLE MAKE THOSE CHANGES AND BOTH COUNSEL CAN APPROVE THAT AS TO FORM.

Commissioner stated he will make a ruling on the balance of the MOTION TO COMPEL. COMMISSIONER RECOMMENDED, the 7th request for production, numbers 1 through 5, deal with documents from the protest officer's file, in regard to numbers 1 and 2, the production will be limited to, in general, any documents referring as to why the protests for 1991 and 1992 are not resolved, I FIND that that limited amount of information concerning the protest, which is continuing, which go to the tort claims of the Pltf. in regard to a continuance of bad faith as has been alleged by the Pltf., the FTB has submitted some documents that would indicate the reason for the delay is because of the actions of the Pltfs. who are alleging otherwise and there has been evidence presented by the Pltf. that the FTB is not acting on the protest, for whatever reason, so any documents which would shed light on them should be produced, anything that bears on those items, one way or another, should be produced in regard to numbers 1 and 2, no further document production required for numbers 3, 4 and 5; in addition, the 8th request for production, number 110 and the 9th request for production, numbers 113, 115, those three, there will be no further document production except as to those documents I just described in the 7th request.

Mr. Gindice argued regarding number 110 and the protest officers. Commissioner stated this has to do with documents that relate to the delay in the resolution of the Hyatt protest. COMMISSIONER RECOMMENDED, the 8th request for production, numbers 58, 59 and 112 are DENIED, these are too broad, were not specific to Hyatt and refer to a deposition I did not have and I am denying them at the present time; as the 11th request for production, numbers 104 to 124, produce numbers 104, 105, 106, no further production required as to number 107, as to numbers 108 through 116 produce, number 117 is duplicative and nothing further is required, numbers 118 through 123 produce, no further production required as to number 124 and that does it as to the holdover on that concern.

Commissioner stated he will move on to the in camera documents and will do the recommendation on the privilege log by tab order. COMMISSIONER RECOMMENDED, I will have produced number 1, #18877 and produce number 2, #19022 but will eliminate all the other names, I want the identification information, I want numbers 1 and 3 and then I want the word "audit" and "legal," counsel can eliminate number 2 and all the information on number 2

required, both on the grounds of relevance;

as to tab number 19 - numbers 19 and 20, no further production required, irrelevant; number 21, no further production required, relevance; number 22 no further production required, relevance; number 23 no further production required, relevance; number 24, page 19416 there is a redaction and I want counsel to eliminate the redaction under number 7 but I want counsel to produce the balance of the page so it is just the one line redaction that will remain;

as to number 25, page 418, produce that and eliminate the redaction, number 26 I will have counsel produce that and eliminate the redaction, number 194123 produce that, number 27 no further production is required, as to number 28, I am having counsel produce that and eliminate the redaction, number 29, all the pages 442 to 452 no further production, number 30, no further production, attorney-client privilege and work product; number 31-19621 - 622 produce, I FIND no privilege, number 32, no further production required for either memo on relevance grounds; number 31-19621 - 622 produce; number 33, no further production on relevance grounds. Argument by Mr. Gindice regarding number 34 and what has been produced.

COMMISSIONER RECOMMENDED, no further production needed on number 34 on relevance grounds, nothing further needs to be produced, the redaction on item number 26 will stay, number 35 denied, there is duplicative material on number 34 and this is on relevance grounds, numbers 36 through 39 denied, no relevance, number 40 no further production, relevance and probably attorney-client privilege, number 41 no further production, relevance, number 42 no further production, relevance, number 43 produce I FIND no privilege, I FIND no confidential legal advice, number 44 no further production, relevance.

Colloquy with Mr. Gindice regarding specifics of previous production of documents. Mr. Gindice advised opposition already has the manuals. Upon the Commissioner's inquiry, Mr. Hutchison advised to the extent they have the unredacted pages he is not seeking production. COMMISSIONER RECOMMENDED, I will allow the redactions to remain because of relevance; number 46 no further production required, irrelevant and probably attorney-client privilege, number 47 no further production, that includes numbers 47, 48 and 49, no relevance for all of them; numbers 50, 51, 52, 53, 54 and 55 no further production, relevance; numbers 18809.1 and 18089.2 nothing further on those; as to number 56, produce that page, number 57 no further production is necessary, number 58 we have done that.

which either has been or will be produced, so that is the end of the big binder, in camera production; there are still a couple of small binders to go.

Commissioner told counsel this is what he calls the small binder. Colloquy with Mr. Gindice regarding document production. COMMISSIONER RECOMMENDED, beginning with FTB DO 0362, no further production required for that page, relevance grounds, documents FTB 10-482 to 485, no further production, irrelevant; documents MED 014-06 to 014-10, no further production required, attorney-client and relevance; MED 1298 to 1301 has already been produced, Colloquy with counsel regarding numbers 1336 to 1339. Mr. Hutchison advised he will check on those numbers. Mr. Gindice advised there may be some duplication as to those numbers but counsel will sort it out. Mr. Hutchison concurred.

COMMISSIONER RECOMMENDED, ALL OF THE INADVERTENT PRODUCTION SHALL REMAIN; NUMBERS 1333 AND 1364 are IRRELEVANT to this case and I DIRECT COUNSEL to not disclose that to anyone else; I follow the cases that state counsel cannot "un-ring the bell" about these items; I have reviewed all of the inadvertent production, some of the documents are duplicates, I did FIND documents numbered 120 - 124, the Collins memo, raises some questions in regard to the separation of information by the Hyatt litigation attorneys and the FTB audit-protest file, I thought I made it clear that no information was supposed to be going from the litigation team to the protest-audit team, I have difficulty in separating the audit from the protest, I DO NOT FIND that the audit and the protest are sufficiently different in nature. Colloquy with counsel. Commissioner told counsel Pltf. is still in the audit process and as a part of the continuing audit process (there has been no end to it) are still in the investigative stage as evidenced by FTB's counsels' argument the reason there is no decision is they do not have information from Hyatt, so when counsel is complaining about the discovery, I FIND Deft. is certainly entitled to protect anything they are doing in litigation except I am concerned about information that would be transferred to the protest department by counsel here in violation of the protective order, plus there has been no resolution, so that is why I am having counsel produce the other information, I FIND in some of these documents inadvertently produced comments that Deft. is going to be handling the information going back and forth and I disagree with FTB. COMMISSIONER RECOMMENDED, THE INADVERTENT INFORMATION THAT HAS BEEN SUBMITTED IS DEEMED TO BE PRODUCED AND CAN BE USED FOR ANY PURPOSE IN THIS LITIGATION AND IS NOT TO BE DISCLOSED OUTSIDE OF THIS LITIGATION.

Mr. Gindice argued there has been no violation of the confidentiality order. Colloquy with Mr. Gindice regarding the sameness of hearing and protest officers. Commissioner told Mr. Gindice the audit process continues and that is why he made the above statement. Mr. Hutchison argued it has been nine years and there still is no determination on the protest. COMMISSIONER RECOMMENDED, I AM ALLOWING THIS NARROW DISCOVERY IN THIS PARTICULAR AREA, I THINK PLTF. IS ENTITLED TO FIND OUT WHAT THE REASON IS REGARDING THE DELAY

IN AUDIT AND PROTEST. Further argument. COMMISSIONER RECOMMENDED, COUNSEL WILL NOW GO ON TO THE DEPOSITIONS, WHICH MUST GO FORWARD AND COUNSEL WILL AGREE ON DEPOSITION DATES. Colloquy regarding deposition dates in August and September with counsel. COMMISSIONER RECOMMENDED, I WILL NOT RESTRICT EITHER SIDE FROM CONTINUING DEPOSITIONS THEY HAVE TAKEN OR TAKING THE NEW DEPOSITIONS THEY HAVE NOTICED, I am overruling any objections Deft. has to any depositions Pltf. is going to take; I have not had any post-deposition motions for sanctions complaining about particular information as to relevance of depositions, if counsel are taking depositions of people who have no knowledge and the depositions go on and on when the deponent has no knowledge then counsel have some legitimate complaints and I will listen to them but I will not prevent counsel from taking depositions because they have a prima facie reason, so I am not pre-empting the depositions, I will let them go forward, I WANT THE BULK OF DEPOSITIONS FOR BOTH SIDES TO BE DONE WITHIN THE NEXT TWO TO THREE MONTHS, I am going to let counsel work out the schedule and if counsel cannot work that out I will set the deposition dates, so with that instruction in mind I will give counsel that to do before our next status check, I FIND FACT WITNESSES TO BE DONE IN THE NEXT 2-3 MONTHS AND BEFORE THE NEXT HEARING I WANT COUNSEL TO HAVE DEPOSITION DATES FOR THE FACT WITNESSES, IF COUNSEL DO NOT GET THE DEPOSITIONS DONE, COUNSEL WILL NOT BE ABLE TO TAKE THESE WITNESSES AND THE WITNESSES WILL BE EXCLUDED; I WILL NOT ALLOW ANY SUBPOENA DEUCES TECUM ON CURRENT FTB EMPLOYEE DOCUMENTS, the documents should have been produced and if witnesses turn up for either side with documents that should have been produced there will be a problem; AT THE TIME OF THE NEXT HEARING, COUNSEL WILL HAVE TAKEN SOME DEPOSITIONS AND SHOULD KNOW WHAT THE DATES FOR OTHERS WILL BE AND, IF NOT, I WILL SET THE DEPOSITION DATES AT THAT TIME.

Mr. Hutchison argued there is question about who represents Sheila Cox. Argument by Mr. Hutchison. Commissioner told Mr. Hutchison he did not follow the protocol he should be following in regard to the deposition of Cox. COMMISSIONER RECOMMENDED, I will let counsel do the deposition and if somebody wants to complain about the time used by the other side counsel can bring a motion. COMMISSIONER RECOMMENDED, CONTINUED TO 8/30 AT 10:30 AM.

Argument by Mr. Hutchison regarding depositions. COMMISSIONER RECOMMENDED, as to the e-mail PMK depositions I want those focused on the purging, there will not be any documents brought and there will be someone who knows about the PMK purging, FTB people can be asked about what they did within the same parameters as to what they did as to the Hyatt audit procedure; I will listen to anything as to the particular witnesses at the next hearing.

Commissioner and counsel reviewed Hyatt and ITB documents submitted and language changes as recommended by Commissioner. Present for Deft: Sylvia Harrison, Esq. and Scott DePeel, Esq. Counsel advised as to the status of discovery and specifics of depositions to be taken, including Pltf's. Mr. Hutchison provided an updated version of their discovery schedule. COMMISSIONER RECOMMENDED, I will also have the social security numbers of witnesses provided for the people who cannot be otherwise located; as to the HYATT DEPOSITION, counsel to begin with the two days set for Pltf's deposition, there is a status check set on 10/18, so the status check following the Hyatt deposition should be in November right after the two-day deposition and that issue will be discussed then, Pltf. would be made available for the above two-day deposition on reasonable notice. Ms. Harrison advised as to the depositions that are trailing. Commissioner stated it appears as though there is quite a bit of activity going on in October but he is concerned counsel are starting to drift out too far. Ms. Harrison advised there are four or five depositions they would like to take in December. COMMISSIONER RECOMMENDED, let us not be cutting the depositions off yet with the FTB employees who are key players, counsel are coming back on 9/30 for status check and by that time counsel should have all the remaining dates for the rest of the witnesses and if counsel do not agree I will assign dates, AT THE 9/30 HEARING COUNSEL TO HAVE ALL THE DEPOSITION DATES; I will SET STATUS CHECK FOR 11/4/05 AT 10:00 AM. Donald Kula, Esq., present, representing Pltf; James Gindice, Esq., present, representing Deft. Argument by Mr. Hutchison and Mr. Kula regarding the protest officer's deposition and delay on the part of Deft. Commissioner stated what appears to him to be happening is that Deft. added an additional theory regarding recovering taxes from Hyatt and that is primarily what has occupied Deft. for the past years as opposed to the residency issue and in regard to the claims made in this case, which for the most part hinge on the initial audit and the Nevada residency. Deft. had that determination and now it is before the protest officer, who is now not only investigating and evaluating the residency analysis but has also sought the residency documents to explore the sourcing theory, which is the primary cause of delaying this protest. Mr. Gindice argued as to the protest hearing officer's public duty and specifics of the Hyatt audit.

Mr. Hutchison argued Deft. improperly contacted Pltf's Japanese sub-licensees. Further argument by Mr. Gindice. Commissioner stated the discovery has to go forward and he thinks Deft. is resisting the discovery. Further, it might be better to postpone the event log argument until the

future hearing. Mr. Gindice moved he be permitted to produce to Commissioner a highlighted events log. Commissioner stated that might be a reasonable solution. COMMISSIONER RECOMMENDED, I WOULD LIKE TO SEE WHAT MR. GINDICE THINKS IS REASONABLE TO BE PRODUCED TO PLTF. AT THE NEXT HEARING AND PROVIDE TO ME WHAT HAS BEEN REDACTED, until the Judge or the appellate Judge says the discovery into the delay is not part of the case, I will let that go forward, I would like to see a ruling in that regard but eventually a ruling I would make would be Pltf. could take depositions of the people involved in the delay or why it prevented Deft. from arguing Pltf. would not have a chance to re-examine, I think what is important to do is to get the facts as to what caused the delay; the information Deft. is willing to produce at this point as to the delay in the processing is a good starting point and counsel can make an argument; I WILL STAY DEPOSITIONS OF THE FTB PROTEST OFFICERS, I am giving Deft. an opportunity to explain the delay with facts to support what has been going on, I STILL DO NOT FIND THE NECESSARY FOUNDATION SET TO TAKE THEIR DEPOSITIONS, I think it is not going to lead to the discovery of admissible evidence, I do not see enough connection to allow their depositions and I think we are getting too far away; AS FAR AS THE JAPANESE DEPOSITION, I WILL DENY THAT as well, I am NOT GOING TO COMPEL THE JAPANESE DEPOSITION, all I have from Mr. Hutchison is argument that these two letters caused a rippling effect in the Japanese business world, all I have is speculation and I HAVE TO HAVE SOMETHING MORE BEFORE I WILL LET MR. HUTCHISON GO INTO WHAT THE POLICIES WERE AS TO THE JAPANESE COMPANIES, I WILL DENY MOTION WITHOUT PREJUDICE; THE IN CAMERA DOCUMENTS I WILL DO THE NEXT TIME; I AM DENYING THE PROTEST OFFICERS DEPOSITIONS AT THIS POINT IN TIME, PENDING FURTHER INFORMATION TO BE SUPPLIED CONCERNING FACTS OF THE DELAY AND I WILL LET COUNSEL MAKE ARGUMENT; CONTINUED TO 10/18 AT 10:00 AM, for motion to compel plus the event log, counsel to get any further motions to me in sufficient time prior to the next hearing.

James Gindice, Esq., present, representing Deft. Mr. Dunn and Mr. Miller of the California State Franchise Tax Board also present. Mr. Hutchison advised as to depositions being done and advised he does not think there is anything other than the in camera documents at issue. Argument by counsel regarding production of documents provided for in camera review. Colloquy with counsel as to production of items from the events log. COMMISSIONER TOLD COUNSEL WHICH ITEMS HE IS INTENDING TO HAVE PRODUCED FROM THE LOG, to include, on p. 23 of the log, third paragraph under "Comment" which begins with "However", on page 25 of the 87 pages, the "Comments" there have been produced so I approve of that and I would have had that produced; on page 49 of the 87 pages, these "Comments" were produced and I find that appropriate; on page 65, the very last paragraph of the page, the 5/14/02 entry, I think that would be appropriate; on page 80 of the 87 pages, on the top paragraph, I think that is appropriate and would have that produced. Commissioner told counsel if they want to argue as to the items and the production now is the time. Mr. Guidice advised the production is acceptable and they can argue about the significance and the consequences later. COMMISSIONER RECOMMENDED, THE ABOVE ITEMS ARE TO BE PRODUCED. Colloquy regarding witnesses and depositions to be done. Mr. Frankovich argued he thinks they should wait until the depositions are over then they can argue the issue as to if the protest officer should be deposed. COMMISSIONER RECOMMENDED, THE NEXT STATUS CHECK IS ON 11/4 AND IF COUNSEL WANT TO SUBMIT MOTIONS OR MATERIALS REGARDING THE PROTEST OFFICER I WILL HEAR THAT ISSUE ON 11/4 AT 10:00 AM. Valerie LeClerc representative of California State Franchise Tax Board present.

Mr. Bernhard stated this matter is sealed and asked for the Pltf. to file their opposition on Deft's motion for partial summary judgment as to damages on 11/14th, the Deft. to reply 11/21st and set for hearing on 11/28th. He advised there is an issue of causation, he asked to file affidavits on 11/23rd and allow the hearing for 12/12th. He stated there is a second motion for partial summary judgment as to discovery, if they are denied the damage claim could be reduced and they would be prejudice. Ms. Lundvall stated she will always give an extension of time if it does not prejudice her client but Pltf. needs 9 days and there is nothing to identified why they need 9 days; however, she believed it's financial and does not want to incur extra expenses. Response by Mr. Bernhard as to the 9 days to give complete evidentiary records. Court advised she would rather have more information than less, she did not think it would prejudice the Deft. and would grant the extension. Colloquy between Court and counsel regarding the scheduling dates. Counsel agreed the hearing will be extensive and have no objection to break up the two motions. COURT ORDERED, Briefing schedule as follows: Pltf. to file his opposition as to both motions for partial summary judgment on 11/23rd, Deft. to file reply on 12/2nd as to the first partial summary judgment and 12/8th as to the second partial summary judgment; matter set for hearing on 12/12th at 1:30 p.m.

Mr. Bradshaw and Mr. Hutchison agreed documents were produced or identified. COMMISSIONER RECOMMENDED, matter OFF CALENDAR; fees DENIED. Argument by Mr. Bernhard concerning attempts to complete depositions in December; counsel are scheduling Mr. Hyatt's deposition as he has hearings in Washington, DC. Colloquy regarding timeline to complete depositions, double-tracking depositions, and privileged information with Grace Jeng. Commissioner told counsel there will be no failure to disclose in the critical time period of this case. COMMISSIONER RECOMMENDED, Grace Jeng WILL BE DEPOSED December 5th and 6th; Gilbert Hyatt's deposition is scheduled December 29th and 30th, and Terry Collins and Anne Smith's depositions WILL BE DOUBLE-TRACKED. If a date cannot be worked out, Commissioner will set deposition date for Grace Jeng with or without counsel. Argument by Mr. Bradshaw regarding obtaining medical records of Pltff. for any claims of stress. DEFT'S MOTION FOR SANCTIONS...DEFT'S MOTION TO COMPEL...STATUS CHECK: STATUS OF THE CASE

Don Kulla Esq., Pro Hac Vice present on behalf of the Pltf. Colloquy between the Commissioner and Ms. Lundvall regarding revisions to the alternatives. Commissioner noted the items to be stricken and ORDERED, Mr. Bernhard to prepare the final draft. Colloquy between the Commissioner and counsel regarding scheduling of status checks.

Upon the inquiry of the Commissioner regarding the remaining depositions, Mr. Bernhard advised several conference calls have been made since the last hearing date and parties agreed to have all of the percipient party depositions completed by the end of February. Commissioner advised counsel to confer amongst themselves regarding this matter and final direction will be given at the next scheduled hearing.

As to Deft's Motion for Sanctions: Commissioner addressed the arguments stated in the briefs, noting the Defendants contend that Exhibit A has not been produced, although Pltf's counsel says that it has. Commissioner noted Pltf's are ordered and under obligation to produce all documentation and failure to do so will result in sanctions. Ms. Lundvall argued in support of the motion stating that all documents requested have not been received. Following argument by counsel, COMMISSIONER ORDERED, to the extent that Motion to Compel gets them to produce documents it is GRANTED; Commissioner

agrees there have been delays in the production of documents and it may lead to sanctions; however no sanctions will be issued at this time and counsel may bring this issue up again at a later time. Colloquy between Commissioner and counsel regarding previous rulings.

As to the Deft's Motion to Compel: Commissioner agrees with the motion to the extent that Deft's are entitled to know what compensation if any has been paid; however it appears to be a waste of time to require documents to demonstrate that compensation was paid. In response to the Commissioner's statements and questions of relevancy, Ms. Lundvall advised they have requested fee information and have not received it. This information is relevant because billing statements and time slips are needed to determine what compensation was for. Colloquy between the Commissioner and counsel regarding the facts of the case. Commissioner expressed to counsel the need to give each side the opportunity to present their case; however there may be a limit to placed on the amount of discovery as the trial date nears. COMMISSIONER ORDERED, Motion to Compel GRANTED as to 3, 4, 6, and 7; FTB to produce the individuals to testify as soon as possible. Further, Natasha Page will need to be produced for deposition and if FTB continues to change their mind about who they will produce, they may the risk of sanctions as well. Pltf's to prepare the recommendations for all of today's ruling and supply the Discovery Commissioner and opposing counsel with a copy no later than 10 days from today's date.

Deft's motions to associate counsel Mark Dickson and Thomas Mavrakis are GRANTED. Order signed in open court.

DEFT'S MTN FOR PARTIAL SUM JUD RE ONGOING CALIF ADMIN PROTEST PROCESS: Argument by Ms. Lundvall that Pltf. has no evidence in his theory of economic damages and this should be dismissed on summary judgment. She reviewed Commissioner Bigger's ruling denying the Japanese deposition, FTB's audit on Hyatt, that there is no evidence of chain of causation brought by FTB on Hyatt, all the information brought by the Pltf. is speculation in their opposition and Deft. has no alternative theory. She addressed several cases including Dal Chemical, Jones v IRS, Barrett v US, Woods v Safeway, Wrenn v State, the Bird case, etc and asked to grant the motion. Opposition by Mr. Hutchison, he reviewed the context for which Commissioner Bigger made his ruling, he reviewed what he believed was the chain of causation and Chapin proved causation through circumstantial evidence and expert testimony was appropriate. Reply by Ms. Lundvall. Court stated her findings, and ORDERED, motion GRANTED.

Colloquy between Court and Mr. Hutchison regarding Safeway case. Mr. Hutchison advised he wants to complete discovery, he requested a 56(f), to limit the ruling as to the two Japanese companies and limit the ruling as to the letter sent to the companies. Ms. Lundvall advised a 56(f) requires elements and an affidavit from counsel, none of which have been met and she asked not to delay ruling. Court advised she is not incline to delay ruling. Mr. Hutchison asked for a stay for the opportunity to take it to the Supreme Court. Ms. Lundvall stated counsel wants a 54(b) certification but you can't do it anymore, the Supreme Court took it out. Mr. Hutchison asked to brief it. Court advised it is not appropriate to consider it but you can brief it.

DEFT'S MTN FOR PARTIAL SUM JUD RE: ONGOING CALIF ADMIN PROTEST PROCESS: Argument by Ms. Lundvall in support of her motion, she advised they are trying to determine Mr. Hyatt's residence but it has been decided by the California Courts to reject Pltf's allegation of bad faith delay concerning the California Administrative Protest Process and this Court must follow it as Nevada cannot and should not assert jurisdiction over California. Opposition by Mr. Bernhard, he advised the issue is they have made allegations in the complaint regarding intentional torts, he is not litigating the protest but he is trying to control it and believed this summary judgment is premature. He asked to deny the motion without prejudice, let them do discovery, and uphold Commissioner Bigger's ruling because they are entitled to hold discovery. Reply by Ms. Lundvall, she asked that it not include the California Protest Process. Court stated her findings, and ORDERED, motion DENIED.

Ms. Lundvall advised they should have discovery on Hyatt in California and wanted reciprocal obligations. Mr. Bernhard advised the information they have on the Protest is a matter of record, there is no reason to expand the ruling but they can bring a motion and he would like to brief it. Ms. Lundvall stated she is entitled to seek discovery with Hyatt as to what he is doing in California's Tax Protest Process because she believed he is

acting in bad faith. Court agreed with that assessment and will not expand the ruling at this time.

Mr. Bernhard advised as to the Protest Hearings on the Officer's ruling he will submit. Ms. Lundvall advised she will refer to her co-counsel. Mr. Bradshaw believed based on the ruling, the Objections are moot as Mr. Hyatt is allowed to proceed in the Protest so they have nothing to add. COURT ORDERED, Based on previous ruling the Deft's objections as to 8/05/05, 5/04/05 and 6/09/05 hearings are MOOT.

Ms. Lundvall to prepare the draft and pass to counsel for signature.

Scott DePeel present (California State Franchise Tax Board). Mr. Hutchison stated this case cannot be used to support the tax case. Ms. Lundvall requested to photograph and inspect the trailer and 1977 Toyota Celica's hitch to verify statements made by Gilbert Hyatt. Ms. Lundvall agreed to an inspection at a neutral site. Mr. Hutchison argued efforts could be made to open discovery based on outcome of inspection. As a condition to obtain evidence, Ms. Lundvall STIPULATED the Franchise Tax Board did not have photographs of car regarding the trailer hitch prior to this time or prior to discovering it. Ms. Lundvall stated her intent to obtain information is to clarify Gilbert Hyatt's story. COMMISSIONER RECOMMENDED, trailer and 1977 Celica hitch WILL BE PHOTOGRAPHED and INSPECTED. Colloquy between Commissioner and counsel regarding Mr. Hutchison's request to question witnesses as additional time of one to two hours is needed. COMMISSIONER RECOMMENDED, after the Franchise Tax Board COMPLETES THEIR QUESTIONS, Plaintiff's counsel WILL HAVE TIME to PRESERVE TESTIMONY at depositions. Commissioner told counsel TO COOPERATE and stay within a reasonable time or continue deposition to the next day. Mr. Bernhard stated the Franchise Tax Board notified counsel they may need March 1st, 2nd, and 3rd to finish witnesses. Protest Hearing Officers' depositions. Ms. Lundvall sought guidelines from Commissioner as Mr. Hutchison will not present Gilbert Hyatt for further deposition. Ms. Lundvall presented oral argument in support of her Request to Compel Gilbert Hyatt and Ms. Jane for depositions; counsel anticipates Ms. Jane's deposition can be completed in the two days already scheduled. As Mr. Hutchison started a Motion for Protective Order, counsel requested full briefing with transcripts. COMMISSIONER RECOMMENDED, Plaintiff's Motion for Protective Order to be FILED BY 2/6/06; FTB's opposition to be FILED BY 2/14/06; status check STANDS 2/16/06, and Plaintiff's motion will be heard at that time. Argument by Mr. Giudici regarding the consequences of Court's 1/23/06 ruling, partial transcript hearing from 10/18/05, previous recommendation that Commissioner will not comment on Protest Hearing depositions, and 11/4/05 Discovery matter cancelled pending a ruling from the Court. Mr. Giudici stated scope of discovery has returned to the Discovery Commissioner. COMMISSIONER RECOMMENDED, counsel to RESUBMIT briefs or points and authorities prior to 10/18/05 or 11/4/05 including anything counsel would like to address from 1/23/06 ruling. Commissioner will CLARIFY ISSUES 2/16/06. Mr. Hutchison requested to schedule PMK and Protest Hearing Officers' depositions (Charlene Woodward, Cody Cinamon, George McLaughlin, Anna Jovanovich, Ben Miller, Terry Collins, and Robert Dunn.) Argument by Ms. Lundvall concerning length of time needed to prepare witnesses for deposition testimony. Mr. Hutchison is attempting to avoid delays to discovery deadlines, and privilege can be argued at the depositions. COMMISSIONER RECOMMENDED, Request for FURTHER PROTECTION IS DENIED, and Mr. Hutchison MAY BEGIN SCHEDULING DEPOSITION DATES the week of February 20th. Ms. Lundvall to prepare the recommendation.

Bob Dunn and Scott DePeel also present representing Deft. California State Franchise Tax Board. Argument by Ms. Lundvall regarding California FTB which is a state agency; Pltf. Hyatt's claim for punitive damages against state agency; alleged abuse of authority; being unable to find a single case that states punitive damages can be imposed against a state agency unless there is expressed statutes authorizing those punitive damages; negligence claim and sovereign immunity; and treatment of Nevada's own state agencies regarding enforcement of punitive damages. in this case and against FTB of State of California; and exercise of comity. Argument by Mr. Bernard regarding duty of State to protect its citizens and allowing punitive damages to go forward. Further argument by Ms. Lundvall regarding other damage claims for which Pltf. is able and intends to advance, and that matter regarding Nevada citizens being compensated for any harm has been briefed and analyzed by the United States and Nevada Supreme courts and Nevada citizens are being protected. STATUS CHECK: STATUS OF CASE

Don Kula, Esq., appearing in pro hac vice for Pltf.; Robert Dunn, Esq., tax counsel, appearing for Deft.

Colloquy with counsel regarding status of deposition discovery, witness disclosure and experts. Commissioner noted the experts should have been disclosed already. COMMISSIONER RECOMMENDED, I SEE NO REASON WHY THERE HAVE NOT BEEN EXPERT DISCLOSURES BEFORE NOW, COUNSEL WILL BE HELD TO THE NEW RULE REQUIREMENTS, I WILL MAKE MARCH 17 THE DEADLINE FOR INITIAL EXPERT DISCLOSURES AND IF THEY ARE NOT DISCLOSED THEN, IN FULL COMPLIANCE WITH THE RULE, THEY WILL NOT BE USED, STRICTLY REBUTTAL EXPERTS TO BE DISCLOSED BY APRIL 17. Commissioner told counsel they will be held to the March 17 date for initial experts; the April 17 date is only for strictly rebuttal experts and he will strike any experts that do not comply as strictly rebuttal.

Argument and colloquy regarding discovery deadlines. COMMISSIONER RECOMMENDED, THE TIME FRAME FOR EXPERT DEPOSITIONS WILL BE MARCH 20 TO MAY

20 AND THE CLEANUP DEADLINE FOR ALL KINDS OF DISCOVERY COUNSEL WANT TO DO IS THE END OF MAY AND THAT IS A FIRM DEADLINE.

Commissioner told counsel he looked at the deposition transcripts and asking questions beyond the legitimate bounds of relevance and coaching objections, so he is disappointed in that regard. Further, counsel have not been complaining about that to the extent they have brought a motion. Commissioner told counsel if that issue had come before him he would be recommending sanctions for behavior of counsel in depositions. Hence, the requests by some to have more deposition time and get more information and trying to reach balance and fairness, given what has gone on in the depositions, COMMISSIONER RECOMMENDED, I WILL ALLOW DEFTS. TWO MORE DAYS FOR DEPOSITION FOR HYATT AND ONE MORE DAY FOR CHANG AND THAT WILL CONCLUDE THE DEPOSITION PROCEDURE BASED UPON DEPONENTS PROVIDING ANSWERS OR WITH A PRIVILEGE WITH APPROPRIATE INSTRUCTIONS NOT TO ANSWER.

Commissioner noted problems with appropriate questions in depositions. COMMISSIONER RECOMMENDED, I WILL ALLOW ANOTHER TWO DAYS OF DEPOSITION FOR MR. COWAN, AND AFTER THAT TWO DAYS, IF PLTF. WANTS TO DO DEPOSITION THEY CAN DO THAT AND TAKE AS MUCH TIME AS THEY FEEL THEY NEED TO DO THAT; IN REGARD TO THE FRANCHISE TAX BOARD, I WILL HAVE THE SAME LIMITATIONS ON THE DEPOSITIONS ON THE SCOPE WE HAD FOR THE PRIOR THREE IN ASKING ABOUT THE DELAY OF THE PROTEST BY THE THREE FRANCHISE TAX BOARD PEOPLE WHO WERE INVOLVED AT CRITICAL TIMES, THERE ARE E-MAILS AND OTHER EVIDENCE THAT CAN BE ASKED ABOUT IN REGARD TO THE DELAY AND WHO WOULD HAVE MORE KNOWLEDGE ABOUT THE MOST RECENT DELAY BUT I AM NOT EXTENDING THE PARAMETERS AND I AM NOT OPENING UP DISCOVERY ANY BROADER THAN IT WAS IN REGARD TO THE DELAY QUESTION; STATUS CHECK IS CONTINUED TO MARCH 9, 2006 AT 11:00 AM.

DEFT'S MOTION TO COMPEL PROPER ANSWERS TO EXPERT INTERROGATORY #1 AND

MOTION TO STRIKE

Argument by Mr. Bradshaw in support of Deft's Motion to Compel including disclosing correspondence of 6/13/97, IRS audit, and Exhibit 3 to opposition. Mr. Bernhard argued this issue is not relevant to tort cases. Argument by Ms. Lundvall in support of Deft's Motion for Sanctions; if Plaintiff's counsel contest the challenge conduct, Ms. Lundvall requested an opportunity to reply at there was insufficient time. Mr. Bernhard argued Commissioner did not invite Motion for Sanctions, and sanctions are inappropriate. Argument by Ms. Lundvall regarding the inadvertent disclosure, attorney/client privilege, and Mr. McCaffrey's deposition which was a travesty. Mr. Bernhard stated decision may be overprotective, however, sanctions are unwarranted. Argument by Ms. Lundvall regarding interrogatory number 9. Mr. Hutchison stated plaintiff did not retain any experts as of February 16 other than the five experts; objection by counsel to further disclosure. Ms. Lundvall provided Commissioner with a handout Plaintiff's counsel served for supplemental witnesses and Plaintiff's revised witness list; argument by counsel concerning Commissioner's Recommendation and 16.1(A) subsection 3. Argument by Ms. Lundvall in support of Deft's Motion to Strike three witnesses for Mr. Hyatt. Arguments by Mr. Bernhard and Mr. Hutchison regarding witness disclosure, and the two 16.1 documents received from defendant. Colloquy. Commissioner indicated he will give a date adjusting 16.1(A)(3); however, Commissioner noted trial date is 8/15/06, discovery dates are upcoming, and counsel should be aware of new rules principles. COMMISSIONER RECOMMENDED, DISCOVERY WILL BE OVER regardless if the trial date is continued by the Court. Colloquy regarding upcoming discovery deadlines. COMMISSIONER RECOMMENDED, 16.1(A)(3) disclosures DUE 6/30/06; objections to designated experts FILED BY 7/14/06 for 16.1(A)(3); despositive motions FILED ON OR BEFORE 6/16/06; FURTHER RECOMMENDED, Plaintiff's expert disclosures DUE 3/20/06; rebuttal expert disclosures DUE 4/20/06. anything needed. COMMISSIONER RECOMMENDED, Deft's Motion to Compel Proper Answers to Expert Interrogatory #9 is DENIED as information sought is irrelevant and will not lead to discoverable information in this case; #10 request is UNTIMELY, and Commissioner does not intend to foreclose questions of some of witnesses still outstanding; if a witness HAS KNOWLEDGE, THEY CAN TESTIFY about that. COMMISSIONER FURTHER RECOMMENDED, returns were provided for the IRS Audit, and RESIDENCY AUDIT IS NOT NECESSARY; Deft's Motion to Compel is DENIED; Deft's Motion for Sanctions is DENIED, and Commissioner does not want to go back to sanction conduct previously discussed. Commissioner will look again at conduct of Thomas Mavrakakis before February 16, and sanctions WILL BE LEVIED against parties individually, and then they can deal with counsel. COMMISSIONER FURTHER RECOMMENDED, Roger McCaffrey issue was ruled on in the past; documents effect waiver and, inadvertently disclosed documents believed waived to content of documents, but do not open issues of further discovery; if the Franchise Tax Board (FTB) desires, they MAY DEPOSE Roger McCaffrey for another three (3) hours to cover those areas privilege documents inadvertently disclosed.

COMMISSIONER FURTHER RECOMMENDED, on FTB's Motion to Compel Answer to interrogatory #9, counsel TO RESENT DISCLOSURE ANSWERS MODIFIED; NO FURTHER ACTION.

COMMISSIONER FURTHER RECOMMENDED, Deft's Request to Strike Witnesses and Countermotion to Strike are DENIED as OUR RULES COVER THOSE ISSUES; Commissioner DOES NOT FIND ANY SURPRISE WITNESSES and discovery regarding witnesses could have been noticed as third party witnesses; counsel are still free to talk with witnesses, depositions do not have to be taken; however, depositions can be taken; FURTHER, Commissioner DOES NOT FIND any BAD FAITH DISCLOSURE. Mr. Hutchison to prepare the recommendation. COMMISSIONER RECOMMENDED, status check SET in two weeks.

Argument by Mr. Bernhard that he needs time to complete the expert witness reports and he asked for 9 days to extend the deadline to March 31, 2006. He stated the issue is whether the deadline is prejudicial but neither side was

ready for the February 15th and the delay in completing the report was because they had to respond to Deft's motions before the Discovery Commissioner. Opposition by Ms. Lundvall, she advised the case has been pending for 8 years, there has been 2 extensions granted to the Pltf. already and in this circumstance they have not come forward with any good articulation of good cause. As to prejudice for the Deft. it becomes a difficult position if the Pltf. wants to fine tune their report but any extension should be based on extraordinary circumstance and she asked to defer them to the ruling of the schedule by the Discovery Commissioner. She asked the Pltf. to disclose the identity of those witnesses and make the Pltf. turn in their report so they are not left in a scramble. Response by Mr. Bernhard stated they do not have the reports, the experts need time to do the reports and the only prejudice is we can not get the reports out in a timely fashion. Argument by Mr. Bradshaw on February 15th deadline under the rule and he would like the identity of the other five witnesses. He addressed the discovery time and that Pltf. was not without resources to get this done. Court stated her findings, and ORDERED, motion GRANTED. Mr. Bernhard to prepare the order and pass it to Ms. Lundvall before submitting it to the Court.

Ms. Lundvall requested the identity of the expert witnesses so that they can do their appropriate research. Mr. Bernhard stated simultaneous is the rule. Court advised she is not inclined to set aside what the Discovery Commissioner issued. Mr. Bradshaw asked for only the names. Court advised she is not inclined to rule on it this morning.

Argument by Mr. Bradshaw that relevant information of the Pltf. is being denied to them because they are seeking Pltf's billing records as they seek to discover those records and seek his witnesses as to how much money has been compensated to them. He would like to know how much money did the Pltf. pay in 2006. He is concerned about bad faith delay, issue of residency, they should discover records of compensation and the Pltf. should have cancelled checks. He believes they are entitled to know and discover the complete compensation of these witnesses. Colloquy between Court and

Counsel regarding the monetary meaning of the amount set per year by the Discovery Commissioner. Mr. Bradshaw stated he did not know what he had in mind, he sees no basis and it should be stricken. Ms. Lundvall believed it came out of the blue for a \$100,000 by the Commissioner. Mr. Bernhard advised they were not allowed to submit points & authorities, his position today is he's at a disadvantage if the Discovery Commissioner is wrong then he is entitled to file a brief; if the Court is adopting the recommendation then they will proceed but if not then give leave to file an opposition for one week. He believed to make it fair as to compensation to Pltf's witnesses, the Commissioner picked a number but for purposes of discovery they do not need the details that they are asking for and he believed each side has information to argue their bias. Court advised she would like the benefit of seeing Pltf's written response and have the opportunity to think about the thought process and to view this. COURT ORDERED, matter CONTINUED, Mr. Bernhard to file his opposition 3/24th and Mr. Bradshaw allowed to provide anything.

Commissioner told counsel he is not making any change in the recommendation submitted by Mr. Bernhard from the last hearing; the recommendation that was signed is standing. Ms. Lundvall argued the identity of the expert be immediately disclosed. Commissioner noted Mr. Hutchison wants to have a simultaneous disclosure. Ms. Lundvall advised they will do that; all they are looking for is the identity so they can start their background. Further, they want the experts presented in Las Vegas for deposition; they are willing to bring their experts to Las Vegas. Commissioner noted he looked at the minutes from the Judge's hearing. Mr. Hutchison argued procedurally this should not be back in front of the Commissioner. COMMISSIONER RECOMMENDED, I AM DENYING MOTION TO BRING EXPERTS TO LAS VEGAS; COUNSEL WILL GO TO WHERE THE EXPERTS ARE. Mr. Hutchison advised Deft. filed a brief and they filed an opposition. document. Further argument. COMMISSIONER RECOMMENDED, DEFT. TO DISCLOSE IDENTITIES OF THE EXPERTS AND I DO NOT SEE THAT WOULD BE IN CONFLICT WITH THE JUDGE'S RULING ON THE EXTENSION IN ANY WAY, THOSE TO BE DISCLOSED BY FRIDAY. Further argument by Mr. Hutchison. Commissioner told Mr. Hutchison if he, in good faith, tells Commissioner he has no experts to disclose at this time he will allow Mr. Hutchison to disclose them when he determines them. Commissioner told Mr. Hutchison the problem is, because counsel did not have disclosures by the deadline, both counsel are having problems; therefore, I FIND it to be a reasonable request to disclose the identity of the expert. COMMISSIONER RECOMMENDED, AS TO DISIGNATION OF THE EXPERTS, COUNSEL WILL HAVE SIMULTANEOUS DISCLOSURE OF EXPERT REPORTS. Mr. Hutchison advised he knows some of the experts but not all of them yet. Argument by Ms. Lundvall. Mr. Hutchison moved they disclose experts when expert reports are due. Ms. Lundvall advised as to depositions needed and May 31 cutoff date. Ms. Lundvall advised she is entitled to documents and would like to hear from Mr. Bernhard first to see what is his opposition. Mr. Bernhard believed it's appropriate as to the limitation the Discovery Commissioner entered to be maintained. Ms. Lundvall addressed the issue of non-professionals, she asked for documents if relevant it should be discoverable as they have nothing and she asked to strike the \$100,000 limit. She asked for invoices, proof of payment and fee agreement documents. As to the issue of professionals, she asked that there not be any limitations while witnesses testify, she asked to receive those same items as requested of non-professionals without redactions and she would like to know as to the billing statements that they be produced with identification of services provided. Response by Mr. Bernhard, he advised as to the issue of professionals the Discovery Commissioner will not modify privilege material, he believed they had produced documents and provided amounts so those are non-issues and the issue now is the \$100,000 fee. Court stated her findings, and ORDERED, REVERSED Discovery Commissioner's report and recommendation as to the arbitrary amount to be modified to that extent, if

Scott DePeel, Shelia Cox, and Robert Dunn, Esq. present on behalf of the Deft.

PLTF'S MTN FOR LEAVE TO FILE SECOND AMENDED COMPLAINT: Argument by Mr. Hutchinson in support of his motion to amend the complaint and based on breach of confidentiality claim, seeking attorney's fees as an element of damages, seeking privacy & issue of violations on Court's denial of FTB's motion for partial summary judgment on 4/21/00. Opposition by Ms. Lundvall in support of her brief. Reply by Mr. Hutchison. Court stated her findings, and ORDERED, motion GRANTED.

DEFT'S MTN FOR PARTIAL SUMMARY JUDGMENT: Argument by Ms. Lundvall in support of her motion for partial summary judgment re: false light. She addressed no falsity, publicity and malice. Opposition by Mr. Bernhard, he believed they are entitled to make an argument to the jury and there are genuine issues of facts. Response by Ms. Lundvall. Court stated her findings, and ORDERED, motion DENIED.

Mr. Michael Kern representative for the Pltf. present. Mr. Scott DePeel representative for the Deft. present.

Argument by Ms. Lundvall to exclude the testimony of Dennis Unkovic because his opinions are irrelevant and it goes to economic damages which the Court has removed from the case. She advised it would be unfairly prejudicial, confusing to the jurors, and the attorney's opinions are based on assumptions and speculations. Opposition by Mr. Bernhard, he argued on the tort committed by FTB and their disregard of the Pltf's right. He believed this must be allowed to show these facts and that Dennis Unkovic is required to testify but the Court can limit his testimony or they can deal with this issue at time of trial. Response by Ms. Lundvall, she advised there is no admissible evidence. Mr. Bernhard stated Mr. Unkovic has first hand knowledge of the Japanese business and they need to challenge Ms. Cox's knowledge. Ms. Lundvall advised the only issue is intentional conduct and they did not know at the time of sending the letter that it would intentionally cause the Pltf. harm. Mr. Bernhard suggested a jury instruction. Court stated her findings, and ORDERED, motion GRANTED. 	008495	Higginbotham, Carla B.	Y

Bob Dunn Representative for the Deft. present.

Argument by Ms. Higginbotham to unseal the case because it was not intended to seal the entire case but for ease of filing documents, the 1999 order sealing was inappropriate and there is no comply basis to continue sealing. She advised they want the case to be open, the hearings, the trial and the issues have changed; however, they are not trying to undermine the protective order which should be kept in line but the test required was not met in 1999 to seal. Opposition by Mr. Bernhard, he argued to keep this case sealed and parties can file whatever they want without worrying about what they are filing. He stated there is sensitive information which must be kept sealed. Response by Ms. Higginbotham that they would pay the costs for a special master to determine what or should not be kept confidential and sealed. Mr. Bernhard advised he did not think a special master is appropriate. Court stated her findings, and ORDERED, motion DENIED. Mr. Bernhard to prepare the order and pass it to opposing counsel before submitting it to the Court.

Ms. Higginbotham asked does that include hearings and the trial. Court advised whatever the stipulation is, that is what is controlling. Mr. Bradshaw advised it is this department that is initiating closing the hearings such as to clear the courtroom. Mr. Bernhard advised that can be dealt with at each time and can continue with the practice. Court advised she is incline to agree, these issues should be decided by a case basis and counsel can agree.

Colloquy between Court and counsel regarding the order of reversing the Commissioner Bigger or granting it for relief and counsel agreed to submit an alternative document.

Mr. Hutchison advised he received the Order from the Supreme Court that the Deft. answer on the Writ. Argument by Mr. Hutchison in support of his motion to stay. He advised the prime points deal with economic damages and whether we need two trials and he only wants one trial. He asked for a stay to allow the Supreme Court to weigh on the issues. He advised if the Court grants two trials then he would need to give two stories and that is irreparable harm, having the jury not hearing the first trial; he believed they would be prejudice and he addressed the issue of timing as to the stay. Opposition by Ms. Lundvall, she argued there would be irreparable harm against the Defense because they are losing witnesses, she addressed the 5 year rule and video depositions would hurt their case. She advised the Pltf. has ignored third party witnesses and believed this Court will be harmed because of priority setting. As to the Writ, she argued they are not entitled to a stay. Response by Mr. Hutchison. Court stated her findings, and ORDERED, motion GRANTED. Mr. Hutchison to prepare the Order.

Colloquy between Court and Counsel regarding the length of time on the return from the Supreme Court on the Writ. Court advised she will wait to hear from Mr. Hutchison. inquiry, Mr. Hutchison advised he will work with opposing counsel as to the contents of juror trial notebooks; Ms. Lundvall advised the panel of prospective jurors are between 120-150 and juror questionnaire costs should fall on the parties and not the Court. Court advised counsel, it is not opposed to a jury questionnaire and needs to be provided to Jury Services in an adequate amount of time prior to trial; cross-examination should be counted as trial time; counsel to be mindful of the time of opposing counsel and the jurors. today. Ms. Lundvall noted once the stay was lifted, there should have been six motions calendared for today and stated they are attempting to place on this Court's calendar as soon as possible. Counsel further noted the Motion to Compel was filed over a year and half ago and new documents have been requested. Counsel advised of a new Discovery Commission who does not have familiarity with this case. Statement by counsel. Ms. Lundvall there are no new exhibits within Power Point presentation and proceeded with argument regarding Plaintiff's alleged claim of emotional distress and these types of cases are dismissed on a regular basis. Counsel further argued Discovery Commissioner Biggar ordered Plaintiff to provide medical records regarding any treatment he had received due to Defendant's wrongful conduct which Plaintiff has refused to provide. Discovery Commission gave Plaintiff two choices, Plaintiff could turn over medical documents as to treatment or consequence of not being able to pursue claim of distress, only of the "garden variety." Mr. Lundvall proceeded to note the Discovery Commission verified the Plaintiff had a serious bout with cancer and disclosed any ordinary person would feel distress which was reflect in Plaintiff's interrogatories. Finally, counsel stressed if Court were to speculate, it would be considered non-verifiable and Plaintiff's testimony was insufficient to stand alone. Mr. Bernhard argued these questions of fact are for the jury to determine. Counsel further argued Plaintiff would not be under distress in 1996 when his treatment for cancer was in 1992 and advised Discovery Commission did not stated Plaintiff could not go forward with claim. Lastly, counsel noted Defendant was deeming Plaintiff as a fraud and they are entitled to take this to jury. Argument by counsel stating three Nevada cases noting outrageous behavior. Mr. Lundvall further argued it would be difficult for Defendant to argue this claim to a jury with medical records. Arguments by counsel. Court stated its findings and ORDERED, Motion for Summary Judgment DENIED and jury to make decision.

As to Deft FTB's Motion for Partial Summary Judgment Re: Litigation Privilege/170: Arguments by counsel as to whether the motion is proper; litigation roster and whether motion should be heard as a motion in limine. Ms. Higgenbotham stated she has no objection if the Court chooses to hear it as a Motion in Limine. Further arguments about statements outside the courtroom. Court stated she thinks that the written brief is broader than what counsel argued here today; she agrees with Mr. Bernhard's characterization to that extent. The Court further stated it seems this should be a Motion in Limine rather than a Motion for Partial Summary Judgment and inquired of counsel what should be excluded. Colloquy between Court and counsel regarding conduct of attorneys during the course of Discovery as well as activity going on between parties, clients and attorneys. Court stated, statements made in court, Discovery and depositions are certainly protected by litigation briefs, it seems litigation budget is fair game, and the Court would like to consider it further and inquired counsel would like to follow with a Motion in Limine Ms. Higgenbotham stated she will go back and put together a complete list to

Motion to Retax

HEARD BY: Walsh, Jessie

COURTROOM: RJC Courtroom 14B

COURT CLERK: Teri Braegelmann

RECORDER:

REPORTER:

PARTIES

PRESENT:

JOURNAL ENTRIES

- COURT ORDERED, FTB's Motion to re-tax costs GRANTED IN PART. \$2,539,068.65 in costs sought by Plaintiff Gilbert P. Hyatt are recoverable pursuant to NRS 18.110 and all other statutes and applicable case law. \$788,253.47 in costs sought by Plaintiff Gilbert P. Hyatt is retaxed and not recoverable pursuant to NRS 18.110 and all other statutes and applicable case law.

FTB's Notice of Objections to The Court's Order Dated December 4, 2009 Re: Prohibiting Objections to the Special Master's Report with its attached Draft Objection to the Order objections to the Special Master's report is NOTED.

FTB's demand for a separate and/or an additional hearing on the Motion to Retax and the Special Master's Final Report and Recommendation is DENIED.

The Court adopts the Special Master's Final Report and Recommendation in its entirety as the ruling and findings of this Honorable Court on the Motion to Retax Costs.

The Court notes that the Order Appointing Special Master was filed on or about February 10, 2009 after a hearing on January 29, 2009 with all parties present. The language in the order gave the Special Master broad discretion "to review all documentation and records relating to all costs, as defined in Chapter 18 of the Nevada Revised Statutes, which are claimed by Plaintiff in the above captioned

action. The Special Master is authorized to gather any and all information, facts, and data deemed necessary by the Special Master in order to make reports and recommendations to the Court as to the various costs incurred by Plaintiff related to the above captioned action and the propriety and allowance of such cost under Chapter 18 of the Nevada Revised Statutes."

The Special Master has been diligently working on this assignment for almost a year, during which time he has met with both sides on numerous occasions as he has carefully sifted through every scrap of paper.

The Court notes that the Notice of Objections to The Court's Order Dated December 4, 2009 Re: Prohibiting Objections to the Special Master's Report alleges that the Court's Order December 4, 2009 somehow precludes the alleged right to object to the Special Master's Final Report and Recommendation. The December 4, 2009 Order stated that "Parties will note that no further supplementation or briefing is requested or permitted by the Honorable Court on this Motion" referring to the Motion to Retax only. Therefore this Objection to the Court's December 4, 2009 Order is OVERRULED.

FTB cites NRCP 53(e)(2) to support its argument that it is entitled to a ten day period to file its objections. However, NRCP 53(3)(2) is inapplicable as it applies to non-jury actions. This is a post jury trial motion to retax costs. The correct subsection is NRCP 53(e)(3) which does not contain any provision for a ten day period in which parties may file objections.

FTB further argues that Hyatt should not have been permitted to supplement his documentation. However, FTB was similarly entitled to respond to any supplemental documentation. Finally, during the past 11 months FTB has never challenged the Special Master's procedures by way of a motion before this court. The original order appointing the Special Master on page 3: "The Special Master and the parties to this case may at any time apply to this Court for further instructions or orders and for further powers necessary to enable the Special Master to perform his duties properly and herein described." Additionally pursuant to Village Builders 96, L.P. v. U.S. Laboratories, Inc., 121 Nev. 261, 276, 112 P. 3d 1082, 1092 (2005), the time limit of submitting a memorandum of costs and supporting documentation under NRS 18.11(1) is a non jurisdictional time limit and this Court can and does exercise its discretion in this area allowing supplementation as requested by this Court and the Special Master.

Counsel for the Special Master to prepare the order.

Clerk's Note: On 12/22/09 minutes amended to correct typographical error. tb
