ALICE MAY STARR, being first duly sworn, deposes and states that:

1. Affiant is a witness in a criminal case involving Michael Rippo;

2. Affiant has personal knowledge of the contents of this Affidavit and is competent to testify thereto;

3. On September 30, 1993, Affiant was residing at 3117 Whispering Willow, Las Vegas, Nevada, 89108 with Affiant's children; Cindy Fries, Affiant's sister; Cindy's children; and Duane Ivy;

4. In the two weeks prior to September 30, 1993, Affiant was visited at her residence by Deputy District Attorneys John P. Lukens and Teresa M. Lowry. DA John Lukens told Affiant that he knew Michael Rippo committed the murders and he was curious how affiant felt about the case. He told affiant about the incident Michael Rippo was involved in a few years ago and that DA Lukens was basing his belief in this incident on the facts of the one a few years ago;

5. On September 30, 1993, at about 1:30 pm, DA John Lukens, DA Teresa Lowry, Las Vegas Metro Police Detective Chandler and Detective Thowsen arrived at 3117 Whispering Willow. A knock was heard at the door and Affiant's sister answered the door. Affiant saw someone in a suit and Affiant thought it was Jehovah's Witness members there to solicit money. Affiant told her sister that if it was for her, she was not there. Affiant heard someone speaking and

1 asking for her. It was obvious the persons had entered the house
2 from the loud voices. Affiant heard someone tell her sister they
3 were there because of Affiant's friend Diana;

4 6. Affiant came from around the corner and told the people
5 that she was Alice Starr. The two detectives drew their guns and

10 8. Affiant was ordered to stay in the family room with her

12 while DA Lukens and DA Lowery searched certain areas of the house.
13 It was obvious to your affiant, DA Lukens and DA Lowery already
14 knew where they wanted to search;

15 9. During the search, DA Lukens was in the living room
16 searching through Affiant's desk and filing cabinet while DA Lowry
17 was searching Affiant's bedroom. While searching the bedroom, DA

18 Lowry allegedly found a small amount of methamphetamine. Detective
19 Thowsen was instructed to watch your affiant and Detective Chandler
20 read Affiant her Miranda Rights. At the time DA Lowery was
21 searching the bedroom she was alone;

22 10. Affiant was sitting on the couch in the family room and
23 DA Lukens came out from the bedroom. DA Lukens told your Affiant
24 that he was not into prosecuting drug offenders. He said drugs did
25 not bother him and that he could help your Affiant out of this
26 situation. DA Lukens asked your Affiant if she knew why they were
27 going through all of this. He said your Affiant's life is going to

1 shit because of Michael Rippo. He said "If you dangle on his star,
 2 your going down just like he is". He said your Affiant had lied
 3 to him but he would not say what she had lied about. Affiant said
 4 she was not going to lie for DA Lukens or change her testimony for
 5 him or anyone else. DA Lukens began to try to stare your affiant
 6 down, shaking his head and not saying anything else. Detective
 7 Thowsen told your Affiant she was not taking good care of her
 8 daughter because during the search of the home, Affiant's daughter
 9 picked up a cigarette butt and put it into her mouth. The
 10 detectives threatened your Affiant with her children being taken to
 11 Child Haven. Affiant sister was sitting in the room when DA Lukens
 12 was trying to threaten and intimidate your Affiant.

13 11. Affiant was restricted from supervising her child and
 14 placed under arrest. Affiant asked where her daughter was and no
 15 one knew. One of the detectives found Affiant's daughter in the
 16 Garage with a screw in her mouth.

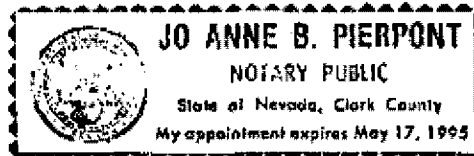

17 12. At no time was your affiant advised either verbally or in
 18 writing of the crime the search warrant was based.

Re: STATE OF NEVADA vs. MICHAEL DAMON RIPPO

District Court Case No. C-106784

I am writing to you now in reference to a recent search, authorized by warrant (by way of a sealed affidavit for reasons I'm not allowed to know), of my residence at 3117 Whispering Willow, Las Vegas, Nevada 89108, by Deputy District Attorney's John P. Lukens and Teresa M. Lowry, and some Detectives. The search warrant specified two (2) sets of items that were to be searched for:

1. Documents and other handwriting exemplars of the Defendant Michael Rippo;

and,

2. Limited items of personal property which would show the identity of persons in control of said premises, which items of property would consist in part of, but not be limited to, rent receipts, addressed envelopes and mail, photographs, leases, and utility bills.

Why I am bringing this to your attention is because Michael Rippo has an upcoming trial in February of 1994, I am a witness in that case, and apparently this search warrant was issued in direct regards to Michael Rippo's case.

At the conclusion of the search John P. Lukens, Teresa M. Lowry, and the Detectives, seized property the search warrant didn't authorize. Illegally taken from me were the following items:

1. A letter I was writing to Michael Rippo;
2. A card I was going to send to Michael Rippo;
3. A picture of Michael Rippo;
4. Three (3) of my address books;

5. A typed letter that was not addressed to my residence nor can be considered mail, that had no handwriting on it;
6. Typed legal work in my name with no handwriting on it;
7. A financial document with my name on it that was not related to my residence nor was the name Michael Rippo on it;
8. A business card with the names Alice Starr and Mikee Rippo on it with no handwriting on it or any reference to my residence;
9. Credit cards in my name;
10. Business cards of officials and attorney's involved in Michael Rippo's case;
11. My Christian Bible;
12. My copy of the first police statement that I gave in Michael Rippo's case;

And last but not all,

13. A backpack of mine.

The above mentioned items did not meet the criteria of the items covered in the search warrant. As I interpret the search warrant the only items to be seized are those with Michael Rippo's handwriting on them and items that would show who was in control of my residence and so, if an item did not have Michael Rippo's handwriting on it or did not in some way indicate it was clearly related to my residence in some way other than the fact of its mere presence in my residence, then such an item would not be authorized for seizure by the warrant.

How does a letter or a card that I was writing to Michael Rippo warrant seizure? It doesn't plain and simple. And Michael Rippo's photo was not included in the warrant yet it was taken. ~~Michael Rippo is in custody and under the control of the State of Nevada~~ so wouldn't it be more appropriate to get a picture of him from a state file rather than from a private Citizen's home?

My address books, my credit cards and, my Christian Bible are what got me upset the most. In no way do these items relate to Michael Rippo's case and the taking of these things makes no sense whatsoever. And the seizing of my backpack served only to facilitate the illegal seizure of everything else that was seized from me. How is that Constitutional? It's not. My personal property is not free to be used by law enforcement personnel as they see fit and I want my property back.

Typed documents with no handwriting on them or anything indicating 3117 Whispering Willow, Las Vegas, Nevada 89108, certainly don't meet the criteria for seizure as clearly does not one single item that was illegally stolen from me in this search. The warrant did not authorize the taking of the above mentioned property of mine and it should by law be returned to me immediately.

This seizure is Unconstitutional and damage done by Constitutional deprivations for any length of time is

irreparable. My 1st and my 4th Amendment Rights have been terribly violated by the seizure of these items and to make matters worse I still don't even know exactly all that was taken from me because the inventory on the return of the warrant is utterly vague. How can these people be allowed to just take these things from me as if they were God? I don't understand. My life has been forever marred by the horror of this invasion into my privacy.

This kind of treatment makes me feel as if I have done something wrong. I have done no wrong nor did my premises need be searched when Michael Rippo's cell could have been searched for documents with his handwriting on them, or his Clark County Detention Center files could have been searched without need of a search warrant. Such perverse and clear harassment tactics by the district attorney's office are comparable to KGB tactics in Eastern Block countries. Is it because Michael Rippo has attorney's of record and I do not that I was chosen for harassment instead of him? For clearly in his possession there no doubt exists documents in his own handwriting.

Through much of the search John P. Lukens spoke degradingly toward me and maliciously told me that it was all Michael Rippo's fault that my house was being searched. He indicated to me that he could get my new charges dismissed if I changed my testimony in Michael Rippo's case. That's asking me to commit perjury because the testimony I've given in Michael Rippo's case is the truth and I will not perjure myself for any reason or anyone. When I take an oath it means something to me because I pride myself on integrity and a staunch commitment to ethical values. It is therefore against the very grain of my nature to lie and the thought of such a suggestion coming from someone as esteemed as John Patrick Lukens, Chief Deputy District Attorney is appalling and I pray that this incident isn't indicative of our local system of governments' outlook on the U.S. Constitution. I realize that Michael Rippo is going to trial for some very serious charges, but that's his problem, not mine, and I am but one witness of many in his case who believes he is innocent and because that belief isn't in concurrence with Lukens' machinations why should I be punished and have my rights violated?

And in a recent home-interview when I freely allowed John P. Lukens into my home in reference to Michael Rippo's case he attempted to expound upon some of the facts of Michael Rippo's prior conviction, and also that he, John P. Lukens, believes that Michael Rippo is guilty of his present charges and used that belief to try and sway my view of Michael Rippo's innocence. He told me Michael Rippo is going down and so is whoever is with him. Is this sort of conduct consistent with the very foundation of our judicial systems' 'innocent until proven guilty doctrine'? And does this type of conduct conform to the "prosecutor's function" as laid out in the A.B.A. Standards? I think not. What John P. Lukens is doing is tampering with a witness in a most base manner - under color of law. His actions are deplorable and I am disgusted to think that because Michael Rippo is exercising his Constitutional Right to a trial his friends or

anyone for that matter should have to suffer for it.

Being a law abiding Citizen of the United States of America for 30 years and a mother of three beautiful daughters I do not believe that I should have been treated in this fashion. With all due haste I want my property that was illegally taken from me on September 30, 1993 returned, and further, that an itemized list be given to me describing each and every individual piece of my personal property that was seized in this obscene display of power by the Clark County District Attorney's Office. And if my personal property is to be further detained from me regardless of my complaint and the Unconstitutionality of my personal property's seizure, then along with an individually itemized list of each and every single item taken from me I want a copy of each piece of paper or document or envelope or whatsoever else exists now in the illegal possession of whosoever is controlling my personal property, so that my life, though forever scarred it may now be, may in semblance only be that which it was prior to September 30, 1993. This Unconstitutional seizure has deprived me of my Constitutional Rights and being a Citizen of the United States of America I do have such Rights don't I?

Regrettably I do not know enough about the law to initiate any sort of litigation on my behalf in this matter but this letter surely isn't the end of my protest as I intend on retaining counsel to pursue legal avenues of complaint. I'm sure that had I had an attorney to begin with then this search would not have occurred as it did. With that knowledge I am sickened by the fact that a private Citizen can only be treated justly through the expenditure of money. It is sad indeed that law enforcement personnel are allowed to act freely without regard for the United States Constitution and before this incident took place I was an adamant supporter of law enforcement and a proud Citizen of the United States of America but now I'm certainly not so proud, rather, I am thoroughly disgusted and still in shock!

I doubt that my complaint will carry any weight but nonetheless I lodge it as such - VEREMENTLY!

Sincerely,

A United States Citizen,

Alice May Starr

The State of Nevada, to any Peace Officer in the County of Clark.

Proof by Affidavit having been made before me by R. Chandler, said Affidavit attached hereto and incorporated herein by reference, that there is probable cause to believe certain property, namely:

1. Documents and other handwriting exemplars of the Defendant Michael Rippe;

and as I am satisfied that there is probable cause to believe that said property is located as set forth above and that based upon the Affidavit attached hereto there are sufficient grounds for the

issuance of the search warrant.

APPLICATION AND AFFIDAVIT FOR A SEARCH WARRANT

STATE OF NEVADA)
) ss.
COUNTY OF CLARK)

R. Chandler, being first duly sworn deposes and states that he is the Affiant herein and is a Homicide Detective with the Las Vegas Metropolitan Police Department presently assigned to the Homicide Division. That I have been employed with the Las Vegas Metropolitan Police Department for the past 22 years and have been assigned to the Homicide Division for the past 1 years.

There is probable cause to believe that certain property described hereinafter will be found at the following described location, to wit:

3117 Whispering Willow
Las Vegas, Nevada

A single story off-white stucco residence with brown trim. As you look at the residence from the street, there is garage on the right side of the house.

The property referred to and sought to be seized consists of the following:

1. Documents and other handwriting exemplars of the Defendant Michael Rippo;
2. Limited items of personal property which would show the identity of persons in control of said premises, which items of property would consist in part of, but not be limited to, rent receipts, addressed envelopes and mail, photographs, leases, and

utility bills.

The property hereinbefore described constitutes evidence which tends to demonstrate that the criminal offenses of Murder, Robbery w/ Use of a Deadly Weapon, and Unauthorized Signing of a Credit Transaction Document have been committed by the Michael Rippo. That said offenses are a violation of the laws of the State of Nevada.

In support of your Affiant's assertion to constitute the existence of probable cause to believe the above, the following facts are offered:

1) On February 18, 1992, Denise Lizzi and Lauri Jacobsen were murdered by an individual named Michael Rippo.

2) Present in the apartment shortly before the murder was a woman by the name of Diana Hunt. She has stated and given a statement to the effect that Michael Rippo killed the two women.

3) Taken from Denise Lizzi at the time she was murdered was a credit card in the name of Denny Mason. This credit card was used for purchasing goods and services by both Diana Hunt and Michael Rippo. A signature purported to be Michael Rippo's appears on at least one credit card transaction record.

4) When requested and ordered to give a handwriting exemplar for comparison of his handwriting with that on the credit card transaction by Judge Bongiovanni, Michael Rippo refused and has never complied.

5) According to an inmate by the name of David Levine, who is currently incarcerated with Michael Rippo, Michael Rippo corresponds with a person by the name of Alice Starr. He sends her

letters in an envelope with the return address of "David Levine."
Alice Starr resides at the above described address.

6) Levine's statement about the correspondence was confirmed by a security guard at the prison. There were at least 3 letters from David Levine to Alice Starr at the above described address.

7) That based upon the above, it is reasonable to believe that letters or other documents with Michael Rippo's handwriting will be found inside the above described residence.

8) That since some of the information contained in this affidavit is supplied by a person presently incarcerated in the Nevada State Prison system, the same system that houses Michael Rippo, it is requested that this affidavit be sealed. To release the information would place his life in danger.

RE: State vs. Rippo, Case No. C196781

Mr. Bell,

In reading your response of October 26, 1993, to my letter of October 12, 1993, I am left to believe that truth and justice are antiquated concepts no longer in use by those we appoint to govern us.

I saw no reason to mention any of the allegedly illegal items that were taken in the search of my residence as by law I understand the propriety of such a seizure. Furthermore, your mention of "owe" sheets and a "recipe for manufacturing drugs" was the first I ever heard of those items. As for the scales, they are legally available to anyone for purchase, 'over the counter,' at numerous businesses in Las Vegas. Your assumption of the use they served in my home is just that: an assumption.

As is typical of lawyers and politicians, you made a very simple issue complex and misconstrued the crux of my complaints. ~~It appears to me that you only absorbed what you wanted from my letter and ignored the rest.~~

The warrant authorizing the search of my house by way of a sealed affidavit, which, by the way, I now know the contents of, was utterly explicit as to what items were to be looked for. Anything else that wasn't covered by the warrant or not illegal should not have been taken. Clear and simple.

Even after all these weeks since the invasion of my home I still do not know all that was taken; illegally or legally for that matter.

NR1PPO-87057-SM000315

JA005804

Item number 12: my first police statement. What, did you guys lose your copy?

And finally item number 13: my backpack. Its seizure, as I mentioned in my first letter, could only be to facilitate the transportation of my personal property. The authority the officers received from the warrant obviously clouded their sense of Constitutionally proper execution of their duties.

It is my understanding that when a Citizen's home is being searched for documents, such as my home was searched with regards to the second part of the warrant, only a bare minimum of such documents need be taken. The lease agreement for my home and perhaps a phone bill was all that would be needed to establish a prima facie case as to who was in control of the premises. So why then the vast assortment of seized items? I have been told that there is an over abundance of "case law" clearly relative to to this issue. Why then would you, the Clark County District Attorney, say that "all items were legally seized?" Is it because they will be considered "legally seized" until a court of law says otherwise? Probably.

Please don't misunderstand any feelings of mine concerning the law that may be inferred from my prose herein. I am a firm believer in justice and the upholding of the law. If someone commits a crime of course they should have to answer for it. And even in Rippo's case I feel the same without reserve. If in fact he is guilty then he should be punished. I do not believe in his innocence because he is my friend. I believe in his innocence because I know him. I am not naive Mr. Bell and have been solely supporting myself since I was 15. At thirty years old now I am wise to the ways of society, albeit these criminal proceedings I have become a part of are totally new to me. That does not mean that I lack the requisite comprehensive abilities needed to know what's going on. With that said I pray that have a better understanding of me now.

About your prosecutors' belief and position in Rippo's case I am in touch with their duties. On the other hand though, isn't it the public prosecutor's duty, their primary duty, to seek justice, not merely to convict? And also to steel themselves against inappropriate conduct stemming from the heat of battle or any other stimuli they may receive from a case?

I've been told that from the United States Supreme Court came once the opinion that society wins not only when the guilty are convicted but when criminal trials are fair and that our system of administering justice suffers only when an accused is treated unfairly. A very powerful opinion, I'm sure you'll agree. I've also heard that an inscription on the walls of the Department of Justice states "The United States wins its point whenever justice is done its citizens in the courts." You, no doubt, are aware of that inscription, but in just recently learning of it myself I am hard pressed to equate the manner in which the prosecutors in Rippo's case are handling it to anything even remotely resembling what that inscription, or what a

prosecutor's primary role, entails.

A most puzzling aspect of Rippo's case is that the prosecutors adamantly profess their belief that he is guilty. How can they say that? Where is their proof? In a crime that happened 12 years ago when Rippo was 16 years old? That's absurd! And yes, I am aware of the particulars of Rippo's present conviction. That crime was not pleasing to learn of but in a comparison of the boy who committed it and man he is now, I see no similarity at all. The prosecutors in this case do not know Rippo and for that matter they don't know Hunt either and from what little I do know about this case I firmly believe that Michael Rippo is unequivocally innocent of the charges of murder. What gives Hunt such credibility? An unheard of plea bargain? What a reasonable person will see in that plea bargain is that the prosecutor's primary function is being circumvented so that a conviction may be obtained and a gruesome double homicide case is cleared from the files: both metro's and the DA's.

Now as to your wanting to speak with me about my case I can say the same thing. I would very much like to speak with you in person but I see now that is not possible. The possibility of criminal charges being filed against me exists as you stated but in the horror I went through in being arrested and going to the CCDC I doubt that I'll have any problem at all completing the alternative to prosecution program I've been enrolled in. It is because of that program that further convinced me mentioning what items were legally taken from me wasn't necessary. With no charges filed and their eminent dismissal upon my completion of that program their existence is irrelevant. All that is important is that items were taken from me that should not have been taken. The pending charges are a tangent matter, an important one in their own sense, but I am not an ex-felon, nor have I ever been arrested, and nor do I ever intend to be arrested again therefore I should not have had my property taken from me like it was.

AS In the last paragraph of your October 26, 1993, letter, you refer to some statements that I made outside of my letter concerning potential negotiations and future testimony. I take it the negotiations you referred to is the one where Mr. John Patrick Lukens, Chief Deputy District Attorney, indicated he could get my charges dismissed if I changed my testimony. As a matter of fact I'm positive that is the negotiation you were referring to because I have not initiated or sought to initiate or would even consider initiating any such blatantly unethical, illegal, and sickening negotiations whatsoever! I am still appalled by DDA Lukens' gall and flagrant disregard for the seeking of justice ~~in~~ indicating such a negotiation. Certainly, nothing of the sort in that matter would be appropriate for anyone in your office to comment on in a letter.

Again I ask that an individually itemized list be given to me of each and every piece of my property that was seized and along with that a xerox copy of each and every document, letter, envelope, or whatsoever else there is of mine in your evidence

vault or wherever you keep it. At least address that issue with a response. There is nothing inappropriate in that is there?

Sincerely,

Alice May Starr
