ORDER AMENDING CAPTION

Having reviewed the documents submitted to this court pursuant to NRAP 3(g), it appears that the caption to this appeal should be amended to include the minor child, the child's guardian ad litem, and a presumptive father, Anthony Fredianelli. Accordingly, we direct the clerk of this court to amend the caption to conform to this order.

The parties shall have ten days from the date of this order to file and serve an objection, if any, to this court's amended caption.
