Mr. Pike advised the Special Public Defender's Office is willing to take on this case. Ms. Luzaich stated Mr. Whipple had appeared, however, he has not been appointed and there is no need to do so. Defendant's family would need to pay for Mr. Whipple if they want him to represent Defendant. Ms. Luzaich advised they are trying to consolidate this case with the one in Dept. 6 wherein Mr. Pike and Mr. Patrick represent Defendant. Further, this is a 250 case and Mr. Pike and Mr. Patrick are 250 qualified. Mr. Whipple should not be appointed because Defendant can not get along with his attorneys. Following colloquy, Court directed Defendant to get along with his attorneys and that Mr. Pike and Mr. Patrick from the Special Public Defender's Office are APPOINTED. As they can not be ready for trial in two weeks, COURT ORDERED, trial date VACATED and RESET with a status check date 60 days prior to calendar call for discovery. Mr. Pike advised they have not received the Grand Jury Transcript yet either. At request of counsel, COURT ORDERED, matter set for status check next week as to the transcript.

Court inquired whether it should be suppressed if there was successful prior bad acts and questioned why this case was not consolidated for trial. Ms. Luzaich advised they were under the impression that Judge Bonaventure was going to consolidate them and when the Motion to Consolidate was filed, it was denied. Mr. Pike advised the Motion to suppress was filed due to the death penalty and Deft. had invoked his right to speedy trial and requested these cases be tried separately as they are not related. Mr. Pike further advised if these cases were consolidated there would be prejudice and it would not benefit the State to have them consolidated. Ms. Luzaich noted DNA had been found and was excluded. State further noted a Clark County Detention Center informant testified that Deft. stated he had participated in the crimes. Mr. Patrick argued these cases are not similar and that is reason they were not consolidated. Argument by State. Parties advised Judge Bonaventure has the lower case number however, Judge Villani will be taking his case load. Court advised Judge Villani will have to make the determination of consolidation and ORDERED, motion MOOT and parties to place on calendar in front of appropriate Court. Trial date STANDS.

State's Opposition to Deft's Motion in Limine to Admit Evidence of Contents of Crime Stoppers Report FILED IN OPEN COURT. Kristina Paulette sworn and testified. Mr. Pike advised they have no witnesses and advised the Court has been provided the transcripts and has read the testimony; he would just like to make an offer of proof and argue. Mr. Pike argued they went and interviewed the jail snitches that testified and their statements changed at that time.

PETROCELLI HEARING...Court stated Department 11 apparently granted the bad acts and said they could come in. Ms. Luzaich advised Judge Gonzalez said the bad acts were relevant and were admitted. Court stated the State is asking to admit evidence from the Coote and Gonzales cases. Ms. Luzaich concurred and argued it goes to intent and absence of mistake or accident. This crime was a violent sexual assault and there was semen present which would not normally be present as the victim was actively involved in a lesbian relationship. Mr. Patrick argued there is zero probative value and argued there is no evidence Coote was drowned in the tub that was full of water. Coote was manually strangled and Gonzales was a ligature strangulation; Quarles was drowned. Mr. Patrick argued it is a de facto joinder and the joinder was previously denied. Ms. Luzaich argued, if the defense brings in consent in any way, she believes that allows the State to bring in Gonzales. Mr. Patrick argued George Dunlap is a career snitch that makes a living getting out of trouble by snitching and got ahold of Deft. Flowers' discovery while at CCDC. Further arguments by counsel. Court FINDS the Coote case is sufficiently similar in nexus and time and the DNA is 100 per cent. As to the rape and killing of Ms. Coote, there is clear and convincing evidence a crime occurred and Deft. Flowers did it. It is relevant to both intent and identity in the killing in this case and the probative value outweighs the prejudice. The similarities between Coote and Quarles WILL BE ALLOWED. However, as to the killing of Ms. Gonzales, the evidence this Deft. did it is barely clear and convincing, it has marginal relevance as to intent or identity and the prejudice outweighs the probative value. The Gonzales case will NOT be allowed.

DEFT'S MOTION IN LIMINE TO ADMIT EVIDENCE OF CRIME STOPPERS REPORT...Mr. Pike argued it is an anonymous third party that they cannot find. Court advised the information given to police by an anonymous call has zero inherent credibility. Colloquy. After seeing the report, COURT ORDERED, motion DENIED.

DEFT'S MOTION TO DISMISS / MOTION IN LIMINE RE DNA EVIDENCE...Ms. Luzaich advised she was never served this motion, she pulled it off the computer. Mr. Pike advised, after filing the motion, he received notice of a ruling in California that addresses the cold hit issue. Colloquy regarding procedure. COURT ORDERED, motion DENIED.

Mr. Pike advised, on August 12, the State obtained the name of another witness which they provided to the defense, however, it affects the defense's ability to be ready for trial. Further, counsel, Deft. Flowers and Judge Gonzalez met and have reached a stipulation regarding the conjoining of Deft's two cases for trial and being heard before this Court. Mr. Pike requested a continuance to Monday as all counsel have not yet signed the stipulation. Colloquy. COURT ORDERED, trial date VACATED AND RESET; matter CONTINUED to Monday for further proceedings regarding the stipulation. Court advised counsel this trial will go forward in October. Mr. Whipple advised Deft. cannot see and they have set aside monies for Deft. to have an eye exam and obtain glasses, however, CCDC has not transported him yet. Court suggested counsel speak with the Lieutenant at the jail or with the provider and arrange a time.

COUNT 1 - GUILTY of BURGLARY (F);
COUNT 2 - GUILTY of FIRST DEGREE MURDER (F);
COUNT 3 - GUILTY of SEXUAL ASSAULT (F);

Jury polled at request of Mr. Pike; 12 affirmed. Court thanked the Jury. Court admonished the Jury and excused them for the day, to return at 10:00 a.m. tomorrow morning to commence the penalty phase of trial. Mr. Pike made his record. Court advised counsel timely approached the bench and made a timely objection and the record is preserved.

the narrowing parameters of Witherspoon. In reference to the other arrests and Misdemeanors, Mr. Pike argued it is not appropriate to bring in anything other than violent Felonies. Court advised, under the law, the State can put in any of these.

OUTSIDE THE PRESENCE OF THE JURY, colloquy regarding remaining witnesses. Ms. Weckerly provided the Court with a copy of the Redeker case. Colloquy regarding whether the Arson is a violent crime and therefore an aggravator. As to his motion regarding hearsay, Mr. Pike stated he understands hearsay is admissible but moved for a mistrial regarding hearsay that is continuing to come in. COURT ORDERED, DENIED. Court stated he would be surprised if the Supreme Court extends that to this case. Deft. Flowers has a number of violent crimes that are years old and, if Crawford is applied, it would tie the State's hands and not present an accurate picture of Deft's past. Court advised the State was able to articulate that Deft. confessed in the other cases and that would be admissible. Further colloquy. 12:11 p.m.--Court adjourned for lunch.

1:05 P.M.--OUTSIDE THE PRESENCE OF THE JURY, Ms. Weckerly advised she has not found a case on point regarding allowing victim impact testimony

Court advised how they will proceed from here. 3:45 p.m.--Court admonished the Jury and excused them for the evening, to return at 9:10 a.m. tomorrow morning. OUTSIDE THE PRESENCE OF THE JURY, colloquy regarding the Redeker case and whether Arson is a violent Felony. Mr. Pike argued this case involved two semen donors. Mr. Brass did not reveal his relationship with the victim until two years later, after he had been given immunity. It was then that Mr. Brass admitted to having sex with the victim the day she was killed. During the course of the trial, it would have changed the trial had they been able to impeach the Deft. This new evidence would have been significant to a jury. Further arguments regarding the robbery charge and motive.

Ms. Weckerly argued the Defense tried to blame Mr. Brass and another individual. Defense went to trial knowing trial of Mr. Brass was pending. Further, Mr. Brass had an alibi; he was at work during the time of the killing. Their argument would have been improper.

Further arguments by Mr. Pike regarding the ability of Mr. Brass, to alter the records. Court stated, it did not believe this constitutes new evidence that would warrant a new trial. COURT ORDERED, motion DENIED.
