ADKT 424

Dear Ms. Lindeman:

In regard to the Order of the Supreme Court on July 30, 2009, ADKT 424: Carlin Justice Court and Carlin Municipal Court will be utilizing telephonic equipment that should be in place within a couple of weeks.

We have received the Polycom unit from Court Call and are waiting for the telephone company to install the phone line for the unit. I spoke with the representative from Court Call earlier this week. He advised me that the phone company was in the process of updating their services in order to facilitate the request for the line. He assured me that it would be complete and in place by the first part of September, 2009.

If you need any further information, please don't hesitate to contact me.

Sincerely,

[Signature: Teri Feasel]
