vs.

No. 57621

TRACIE K. LINDEMAN  
CLERK OF SUPREME COURT  
BY *S. Young*  
DEPUTY CLERK

ORDER DENYING MOTION FOR  
TRANSCRIPTS AND TO SHOW CAUSE

Petitioner, in proper person, has filed a motion for transcripts at public expense, as she is proceeding in forma pauperis. She does not specify the transcripts or state why they are necessary. Under NRS 12.015(3), transcripts at public expense are appropriate only when required by law or when the court determines that a transcript would be helpful to the court's review. Here, petitioner has not provided sufficient information for this court to determine whether transcripts are appropriately ordered in this matter. Accordingly, we deny petitioner's March 4, 2011, motion, without prejudice to its renewal if properly supported.

This matter was docketed by petitioner's emergency motion for a stay, in which she asserted that an original writ petition was forthcoming. Almost two months later, petitioner has yet to file the petition, and an appeal from the underlying district court case has been docketed as Docket No. 57825. Accordingly, it appears that petitioner may have abandoned her intent to file a writ petition and instead plans to seek relief in the appeal. Petitioner therefore shall have 15 days from the date

of this order to file an original writ petition in compliance with NRAP 21 and NRS Chapter 34. Failure to comply with this order will result in the dismissal of this matter as abandoned.

It is so ORDERED.
