TRACIE K. LINDEMAN
CLERK OF SUPREME COURT
BY S. Young
DEPUTY CLERK

ORDER

Appellant has filed two notices of supplemental authorities. Under NRAP 31(e), such notices cannot include argument. However, because of the number of issues raised on appeal and the length of the briefs submitted, we have determined that additional argument as to the supplemental authorities and their relationship to the issues raised on appeal would be of assistance. Accordingly, appellant shall have 11 days from the date of this order to file and serve a supplemental opening brief addressing the authorities identified in the notices filed on February 21, 2014, and March 25, 2014. Respondent shall have 11 days from service of appellant's supplemental opening brief to file a supplemental answering brief. Appellant shall have 11 days from service of respondent's supplemental answering brief to file and serve a supplemental reply brief. The supplemental opening brief and supplemental answering brief shall not exceed 10 pages; the supplemental reply brief shall not exceed 5 pages. All briefs shall otherwise comply with the formatting requirements set forth in NRAP 32(a)(4)-(6).

It is so ORDERED.
