

IN THE SUPREME COURT OF NEVADA

Respondents.

UNOPPOSED MOTION FOR EXTENSION TO FILE REPLY BRIEF

These are unusual circumstances. Over the last few days, the law firm of undersigned counsel has been switching out its computer system across all offices in all states, including the network, individual PCs and software. This is causing various technical issues and glitches that are affecting counsel's ability to complete and file the reply brief. Counsel, therefore, respectfully requests this short, additional extension of time in which to file the reply brief to ensure that the brief

is sufficiently polished, contains accurate citations and reflects the most recent work done.

DATED this 21st day of June, 2013.
