ORDER DENYING EN BANC RECONSIDERATION

Appellant has filed a petition for en banc reconsideration and recall of the remittitur. Appellant seeks en banc reconsideration of a panel decision that dismissed her appeal for lack of jurisdiction. The panel denied rehearing on April 13, 2012, and the remittitur issued on May 10, 2012. More than one month later, appellant filed this petition for en banc reconsideration, in which she claims to have never received the order denying rehearing and she requests that the remittitur be recalled. Having considered the petition, we conclude that the relief requested therein is not warranted. NRAP 40A. Accordingly, we

ORDER the petition DENIED.
