ORDER

The Final Settlement Program Status Report was due to be filed by August 20, 2012. Since that time the settlement judge has filed two interim status reports indicating that the parties were involved in productive negotiations and have requested to have this case remain assigned to the settlement program.

Cause appearing, we approve an extension to the amount of time this matter may be assigned to the settlement program. Accordingly, the settlement judge shall file a Final Settlement Program Status Report within 30 days. If the settlement judge reports that the parties have not yet agreed to a settlement in that report, this matter shall proceed to briefing.

It is so ORDERED.
