ORDER GRANTING MOTION FOR EXTENSION OF TIME

Appellant has filed a stipulation for a third extension of time for filing the opening brief, after having already been allowed an additional 90 days to file its brief. Because NRAP 31(b)(2) limits briefing-extension stipulations to a total of 30 days, we construe the stipulation as an unopposed motion. The motion is deficient in that it does not comply with NRAP 31(b)(3)(A)(ii)-(iv), requiring a party to include the number of extensions previously granted, whether any previous requests were denied, and the reasons or grounds why an extension is necessary. Nevertheless, we grant the motion, but as the opening brief in this appeal was originally due on October 28, 2013, we caution the parties that no further extensions of time will be granted absent a motion fully complying

with NRAP 31 and providing good cause for any request for more time. Accordingly, appellant shall have until February 26, 2014, to file and serve the opening brief.

It is so ORDERED.
