When we think of Debbie we smile, and then we cry at our loss. The tragedy of her death remains with us even after 11 years. When we visit the cemetery to place flowers on her grave and see her grave marker the stark reality of her death comes rushing back. The loss of a loved one is never easy no matter what the age, but when it's under such senseless circumstances makes it even more difficult. When we remember Debbie, we remember a loving and caring person. She was someone who embraced life with such enthusiasm. She had an adventuresome spirit. We will always remember her love of family. Family get together's were one of her favorite things, weather it was Christmas or Birthdays or just a summer cook out. We had a large family (5 Children) Debbie was like the 6th. She would go to church with us, on family camping trips, ect. It just seemed like she was always there. Although many things have changed in our family in the #4202 days since Debbie's been gone, one thing that has not is that we love and miss her very much.

Mr. Chappell currently has outstanding warrants from the City of Las Vegas for Battery Domestic Violence, Non Resident Privilege Suspended, Operate Unregistered Vehicle and No Proof of Insurance. The total bail on the warrants is \$4,420. The defendant has been convicted of the following misdemeanor offenses which were satisfied with small fines or short jail sentences: Domestic Violence/Assault (Reported by defendant), Narcotic Paraphernalia and Assault or Assault and Battery.

The defendant has also been arrested on the following charges for which no

prosecution was pursued or no disposition is noted: Possession of Narcotic Drug (2), Possession of Marijuana, Criminal Trespass (FTA), Possession of Narcotics For Sale, Under the Influence of Controlled Substance (FTA-1-9-95) and Failure to Use Seatbelt.

OFFENSE REPORT: Records of the Las Vegas Metropolitan Police Department and the Clark County District Attorney's Office reflect that the instant offense occurred substantially as follows:

On February 18, 1995 an officer of the Las Vegas Metropolitan Police Department responded to the K-Mart Store at 5050 Charleston regarding a suspect in custody for Petty Larceny. The officers spoke to the store security officers who reported that the defendant had been observed removing security packaging from items with pliers then putting cassette tapes and clothes under his own clothing. He then attempted to leave the store, walking past open cash registers without paying for the items. The security officers apprehended the defendant and placed him in custody while awaiting police officers. A search of the defendant recovered the cassettes, clothes, two pair of pliers, three screw drivers and a broken glass pipe commonly used for smoking cocaine. The store clerk reported that the pliers discovered in the defendant's possession were the same ones he had been observed using to remove packaging from the cassette tapes.

The officer asked the defendant if he entered the store with the intent of stealing the items and he responded "ya, something like that". While interviewing the defendant the officer observed that he was sweating profusely, clenching his teeth, blurring his speech, that his eyes were bloodshot and his eyelids were droopy. Based on these observations the officer asked the defendant when he had smoked cocaine last. The defendant responded "yesterday".

The defendant was placed under arrest, transported to the Clark County Detention Center and booked for Burglary, Under the Influence of Controlled Substance and Possession of Burglary Tools. While at the Clark County Detention Center the defendant consented to have blood drawn by the nurse on duty.

DEFENDANT STATEMENT: James Chappell was interviewed by the Division of Parole and Probation at the Clark County Detention Center and provided the attached written statement for the court's consideration. He said that he was "high" on cocaine and did not have any money to obtain more cocaine. An associate suggested he commit the instant offense in return for the drug. He said he went into the store and was placing the merchandise under his clothes when he was observed and then caught on the way out of the store. He said he only wants to get things resolved so he can get back to his girlfriend and their children. He said he now understands that his family is the most important thing to him and he cannot commit crime and be with his family.

VICTIM INFORMATION: All merchandise taken from the victim's store was returned to them at the time of the incident so no loss was suffered.

The following social history is as related by the defendant and is unverified

care of his family.

EVALUATION: Before the Court for rendition of sentence is the defendant, JAMES CHAPPELL, who has entered a plea of guilty to the gross misdemeanor offense of Possession of Burglary Tools.

Mr. Chappell has been arrested 11 times in the past, sustaining at least 5 misdemeanor convictions. The instant offense is the defendant's most serious involvement with law enforcement to date. His criminal history is primarily made up of theft, battery, and drug related offenses with the conviction in the instant offense resulting from his attempting to steal merchandise to procure cocaine. He admits that he was under the influence of cocaine at the time of the instant offense but claims he does not have a substance abuse problem.

Mr. Chappell was raised in Michigan by his maternal grandmother when his father abandoned the family after the death of the defendant's mother. He failed to complete high school and has not received any educational or vocational training since that time. His work history is sporadic; he has only held three jobs in the last 2 years with the longest term of employment lasting 6 months. Mr. Chappell is unmarried but has been living in a common-law relationship with the same woman for 9 years. He has fathered 3 children from that union.

The defendant appears to be a borderline candidate for successful completion of a period of community supervision, however the added structure imposed upon his life by the conditions of probation could permit the defendant to become a productive member of the community. Therefore, the following recommendation is respectfully submitted for the Court's consideration.

RECOMMENDATION: In addition to the \$25 administrative assessment, it is recommended by the Division of Parole and Probation that the defendant, JAMES CHAPPELL, be sentenced to a term of NINE (9) months in the Clark County Detention Center, such sentence be suspended and the defendant placed on an indeterminate period of probation not to exceed TWO (2) years, under the following special conditions:

1. That the defendant submit to a search of person, residence, vehicle or any property under the defendant's control, at any time deemed necessary by any probation officer for the detection of controlled substances and stolen property.
2. That the defendant enter and complete a substance abuse counseling program, as deemed necessary by the Division of Parole and Probation.
3. That the defendant participate in an adult education program, for a GED, as deemed necessary by the Division of Parole and Probation.
4. That the defendant complete 40 hours of community service work within the first 12 months of probation.
5. That the defendant participate in vocational programming, as deemed necessary by the Division of Parole and Probation.

I am pleading guilty to burglary tools (am)

I was charged with Burglary, under the influence, & burglary tools, the

Burglary is false, the U.C.S. is false and the burglary tools is false too. But I took the plea, because the other two charges were felonies. I have "never" been convicted of a felony and never will be. I'm not a bad person, and never was. I'm a brand new resident of Las Vegas and I feel real bad about myself. I haven't been in jail this long in about 6 years, the longest I've been in jail is 6 months and I won't ever commit another crime in my life. I can't deal with this type of life. I stole 4 cassette tapes and a \$10 shirt + \$10 pants, it only added up to no more than \$60 dollars. I committed petty larceny. But I ran into the wrong metro officer. She treated me very bad. I'm in the best city in the world and look at me now! I know now that Las Vegas is not putting up with any broken laws. And I can honestly assure you I won't do nothing wrong again. I've only been here 4 months. I'm gonna get a job and stay "out" of "any" troubles. I promise...

PROBATION ADJUSTMENT: On April 27, 1996, James Chappell was convicted of the gross misdemeanor offense of Possession of Burglary Tools and sentenced to one year in the Clark County Detention Center. That sentence was suspended and he was placed on probation for an indeterminate period not to exceed three years with special conditions including substance abuse counseling, obtain a G.E.D., complete a vocational program and maintain steady employment. Mr. Chappell was then released from custody on May 10, 1995, to begin his probation. On May 29, 1995, he was cited by the Las Vegas Metropolitan Police Department for Possession of Narcotics Paraphernalia and Petty Larceny. On June 1, 1995, he was arrested for Battery Domestic Violence and placed in custody at the Clark County Detention Center. A Probation Violation Report was submitted and Mr. Chappell was returned to Court for a revocation hearing. On August 1, 1995, he was reinstated to probation and ordered to complete an in-patient substance abuse counseling program. On August 31, 1995, he was released from custody and ordered to report to the EOB for an eligibility interview and admission into their program. He failed to report to the EOB and on September 1, 1995, he was arrested for the instant offense.

OFFENSE REPORT: Records of the Las Vegas Metropolitan Police Department and the Clark County District Attorney's Office reflect that the instant offense occurred substantially as follows:

On August 31, 1995, a friend of the victim contacted the Las Vegas Metropolitan Police Department and advised them that she believed something might be wrong with the victim. She stated that she arrived at the victim's house and observed the defendant, James Chappell, driving from the area in the victim's car. She stated that she was concerned because the victim had a Protective Order stopping the defendant from coming to her house. She also stated that she knew the victim had forbidden the defendant from driving her car.

Efforts to contact the victim were unsuccessful either by telephone or by knocking on the door, so an officer of the Las Vegas Metropolitan Police Department entered the victim's house through a window to conduct a welfare check. He found the victim on the floor in the living room, apparently deceased. The officer then called the Fire Rescue Unit and Homicide Detectives.

Detectives observed that the point of entry into the mobile home appeared to be the master bedroom window as all other doors were locked and all windows were closed. The officers found the body of the victim laying on her back on the floor of the living room. There was a large amount of blood around her upper chest and face and numerous abrasions and contusions on her chin and around her eyes and cheekbones. She had multiple stab wounds to the neck, upper chest and pelvis area. Near the body, the officer found a steak knife believed to have been used to stab the victim. An autopsy later revealed that the victim had received 13 stab wounds, two to the pelvis and abdomen, and 11 to the chest and neck. The cause of death was listed as multiple stab wounds and was considered a homicide.

On September 1, 1995, an officer of the Las Vegas Metropolitan Police Department was dispatched to the Lucky's supermarket at Lamb and Bonanza regarding a shoplifting incident. When the officer arrived, he observed the defendant who had been detained after attempting to shoplift several items. The defendant identified himself as Ivri Marrell, but the officer doubted that this was his true name and contacted a supervisor. It was then learned that the suspect matched the description of James Chappell who was wanted regarding the above murder. When the detectives arrived, they were able to identify the suspect as the defendant from his mug shots. The detectives then interviewed Mr. Chappell and observed two puncture wounds on his hand which were consistent with the wounds inflicted in the murder. Store security officers advised that the defendant had a set of keys, one of which belonged to a Toyota. When the detectives asked where the car was, Mr. Chappell said, "I parked it in back of the apartments across the street." The detectives subsequently found the victim's vehicle parked on the grass behind an apartment complex at 507 North Lamb. Witnesses stated that they had observed the defendant park the vehicle at that location on August 31, 1995. The defendant was placed under arrest and transported to the Clark County Detention Center where he was booked accordingly.

DEFENDANT STATEMENT: James Chappell was interviewed by the Division of Parole and Probation at the Clark County Detention Center on December 4, 1996, and provided the attached written statement for the court's consideration. He declined to discuss the instant offense.

VICTIM INFORMATION: The victim was a 26 year old female, leaving behind three children. Her mother was interviewed as the next of kin. She stated that there is no way to express the grief, it is a "grief you live with every day". She lost her only child and is now raising her three grandchildren. She said, "I can't forgive the Court's for letting him out." When the victim "finally got up the nerve after years and years" of abuse, he was let out and "goes and does this. The SOB does not deserve to live". Living with the loss is a "very, very hard thing, her voice is in your mind" all the time. It is difficult hearing her three children, especially the four year old, talk about their "Mommy being in heaven". The defendant didn't have to do this, he could have gone back to his stealing and using drugs, he didn't have to kill her. He was arrested many times, even in Tucson, for violence to her. The Court's just slapped his hand and told him to get counseling. He just laughed and kept on doing what he wanted to do. When asked about financial costs, the victim's mother stated that the cost was \$11,434.90 due to the need to transport the body to Michigan for the funeral.

The victim's mother stated that she will be in Court at the defendant's sentencing but will probably not speak as this is still too hard for her.

RESTITUTION: \$11,434.90 to the victim's mother

The following social history is as related by the defendant and is unverified unless otherwise noted.

Marital Status: The defendant lived in a common-law relationship with the victim of the instant offense before his arrest.

Child Support: (No) Amount: 0 Current: N/A

Significant Mental Health Information: (Yes) Mr. Chappell reported that he attended domestic violence counseling on a weekly basis for about five months in Tucson, Arizona, in 1992.

Controlled Substance Use: (Yes) Mr. Chappell began using marijuana when he was 12 or 13 years old. He started using cocaine at about age 18 and became very heavily involved in the use of that drug in subsequent years. He has been arrested several times for drug related offenses and had a drug problem at the time of the instant offense. He said he was not high at the time he committed the instant offense but smoked cocaine later that day. He has never been involved in any substance abuse counseling.

Income: 0 Additional Sources: None listed

Financial Assets: None listed. Debts: None listed.

Community Supervision Plan: Mr. Chappell advised that he is aware that he will not receive probation for the instant offense and has, therefore, made no plans for community supervision.

EVALUATION: Before the Court for rendition of sentence is the defendant, JAMES MONTELL CHAPPELL, who was found guilty to the felony offense of Count I-Burglary, Count II-Robbery with Use of a Deadly Weapon, and Count III-First Degree Murder with Use of a Deadly Weapon.

Mr. Chappell has been arrested at least 17 times in the past, sustaining at least 6 misdemeanor convictions, including a gross misdemeanor conviction for Possession of Burglary Tools for which he was on probation at time of the instant offense. His previous criminal history consists of domestic batteries, theft, and drug related offenses. He admitted that he was addicted to cocaine at the time of the instant offense which occurred when he violently killed his common-law wife by stabbing her 13 times during a domestic dispute less than one day after he was released from custody after being arrested for a previous domestic battery.

Mr. Chappell was raised in Michigan by his maternal grandmother when his father abandoned the family after the death of the defendant's mother. He failed to complete high school and has not received any educational or vocational training since that time. His work history is sporadic; he has only held three jobs in the two years prior to his arrest on the instant offense. Mr. Chappell was unmarried but in a common-law relationship with the victim of this offense for nine years. He has fathered 3 children from that union.

Mr. Chappell would not be appropriate for community supervision even if that was a possibility, which it is not. He violently murdered his common-law wife in a domestic dispute. He battered this woman repeatedly for several years and when she finally attempted to make him stop by complaining to the police and obtaining a Protective Order, he went to her house, entered through a bedroom window, and killed her with a steak knife.

DEFENDANT'S STATEMENT

Write in your own words the circumstances of your offense. Why you committed the offense, your present feelings about your situation and why you may be suitable for probation. A copy of this statement will be sent to the judge. Write or print clearly. If using a pencil, please write as dark as possible.

I have no comment on my case but to say that I got convicted of the wrong charges. I'm the only one who knows what I did. And to have these people convict me on false charges hurts really bad. But what can I do, No one ever has listened to me and never will, I guess I'm gonna have to write my own book some day. I went threw so much shit that I'm surprised I lost control in '95. I'm extremely sorry for what I've done but there's nothing I can do. The victim in my case meant everything to me & meant the whole world to me. And she knew that, But she still made a bad choice and got caught. I guess she thought I would have let her get away with it since I let her get away with so much in the past. She was wrong then I was wrong. I know 2 wrongs don't make it right. But I snapped. I'm sorry for my children. And all I have to say now is I will "never" ever seek another relationship. I quit. And I will never hurt another human as long as I live. I hope one day I'll make it to the streets. But I need to learn a little bit so that's what I'm gonna do for now is learn as much as possible. And if I ever get free, I'm gonna go to Michigan visit the victims grave each day I live, and try to get custody of my 3 children and live happily ever after. There are people out there far worse than me, I am not a cold blooded person. I made a mistake and I'm only gonna ask Jesus Christ & my kids for forgive.

STATE'S SUPPLEMENTAL MOTION TO ADMIT EVIDENCE OF OTHER CRIMES, WRONGS OR BAD ACTS...STATE'S MOTION TO ADMIT EVIDENCE OF OTHER CRIMES, WRONGS OR BAD ACTS...DEFT'S MOTION IN LIMINE REGARDING EVENTS RELATED TO DEFT'S ARREST FOR SHOPLIFTING ON SEPTEMBER 1, 1995...DEFT'S MOTION IN LIMINE REGARDING DETAILS OF DEFT'S RELEASE FROM JAIL AND FACT THAT HE WAS ON PROBATION

Offer of proof made by Ms. Silver. Court's exhibits A-D offered and admitted per worksheet. Court inquired if the hearing is going to proceed with live testimony. Mr. Harmon advised they are making an offer of proof in lieu of testimony. Mr. Brooks advised his position is that the State has to present clear and convincing evidence by actual testimony and not by offer of proof. Argument by Mr. Brooks and advised deft. Chappell has offered a stipulation that he did kill the woman. Court advised the State has not accepted that stipulation at this time. Mr. Harmon advised this is all evidence of deft's motive and intent and it is their position that he intended to kill the victim when he was released from the County jail. Mr. Harmon advised they would accept deft's stipulation, but ask the Court to allow them to continue to offer the evidence as they have to convince the jury. Mr. Brooks objected and advised the pattern of domestic violence is highly inflammatory because it is character evidence. Further arguments by counsel. Court stated his findings and ORDERED, State's Motion and Supplemental Motion to Admit Evidence of Other Crimes, Wrongs or Bad Acts are GRANTED.

As to deft's motions, Mr. Harmon argued he believes the shoplifting is admissible as proof of motive and intent and as to deft's release from jail and that he was on probation, the Jury does not need to know that, however, they do need to know he was in custody as the State has letters that were written while deft. was in a custodial status; deft. was in jail for domestic violence. Court FINDS the fact that deft. was in custody and released is probative, however, why deft. was in custody does not need to be known and ORDERED, Deft's Motion in Limine Regarding Details of Deft's Release From Jail and Fact That He Was on Probation is GRANTED IN PART. Mr. Harmon advised the State will stipulate deft. was in custody for domestic

violence and that he was released in the morning of August 31, 1995, and was to report to law enforcement at 1:30 p.m. that date and did not report. Mr. Brooks advised he would like to think about that stipulation. Court advised he will allow that evidence in absence of a stipulation. Further argument by Mr. Brooks as to the motion in limine re the shoplifting charge. COURT ORDERED, RULING DEFERRED as to this motion. As to the stipulation currently on file, COURT ORDERED, the State may read that in their opening statement if they wish. Court advised we will start jury selection at 1:30 p.m. today and go to about 6:00 p.m. Court advised he has cleared his civil calendar tomorrow except for one matter. Colloquy between Court and counsel as to a starting time tomorrow. COURT ORDERED, this matter will proceed at 9:15 a.m. tomorrow morning. Court stated he has advised counsel there will be no proceedings for the next two Wednesdays. Counsel acknowledged.

OUTSIDE THE PRESENCE OF THE JURY, Court stated immediately following the voir dire of Mr. Fittro, the Court inquired of defense counsel why they did not voir dire this juror as to the victim and deft. being of different ethnicity as he had indicated in his questionnaire that it may be a problem and Mr. Brooks advised that issue cuts both ways and he had made a tactical decision not to go into that further. OUTSIDE THE PRESENCE OF THE JURY, Mr. Brooks objected to two of the State's peremptory challenges as they have kicked off the only two African-Americans on the panel. Mr. Harmon advised both prospective jurors were equivocal on the death penalty. Following arguments by counsel, Court stated he FINDS the reason for the challenges is race neutral. Whether minorities are being excused because of their stand on capital punishment and whether capital punishment is being given more often to minorities has not been reached by the Supreme Court and is a matter for future courts. 9:37 A.M.--PATSY SMITH, COURT REPORTER. Deft's Motion to Dismiss All Charges Based on the State's Violation of the Equal Protection Clause of the Fourteenth Amendment FILED IN OPEN COURT. Mr. Brooks argued the State's charging practices are biased and they are seeking the death penalty in this case where a black killed a white, however, in two other cases he has, one where a white man killed a white man and another where a Thai killed a Thai, no death penalty was sought and the fact patterns are almost identical. Ms. Silver advised she recently prosecuted a case where a black man killed a black woman and the death penalty was sought and obtained. The District Attorney's office has a panel that decides which are death cases; the decision is not made unilaterally by one person. Arguments by counsel as to African/Americans that were excused or challenged off the Jury. Court stated he feels the current practice of selecting jurors is about as race neutral as it can be, it is based on persons who have driver's licenses. Court advised there is no question in this case that the victim is Caucasian and the deft. is African/American, however, at this point there is insufficient foundation and ORDERED, motion DENIED. 10:05 a.m.--Counsel stipulated to the presence of the Jury. Further testimony and exhibits presented per worksheets. 10:43 a.m.--OUTSIDE THE PRESENCE OF THE JURY, Mr. Harmon advised his next three witnesses will relate to the detention of the deft. at a Lucky's Food Store on September 1, 1995, in the early afternoon and made an offer of proof. Argument in opposition by Mr. Brooks. Court stated his findings and ORDERED, this testimony will be ALLOWED. Mr. Brooks requested a continuing objection as to anything reference the shoplifting. COURT SO ORDERED and advised Mr. Brooks need not object in front of the Jury. 11:02 a.m.--Counsel stipulated to the presence of the Jury. Further testimony and exhibits presented. Jury admonished and excused for the lunch recess at 11:55 a.m. OUTSIDE THE PRESENCE OF THE JURY, Court advised, as to the evidence of shoplifting, one of the defense theories is this was a crime committed in the heat of passion and the shoplifting evidence is evidence that deft. felt no remorse and went on with the everyday activities of his life. Court adjourned at 11:57 a.m.

Further testimony and exhibits presented. 3:08 p.m.--OUTSIDE THE PRESENCE OF THE JURY, COURT ORDERED, the record will reflect deft. does have shoes and socks on, though when one of the witnesses was describing him he had his shoes off. Further, Court stated his findings as to the state-of-mind exception to hearsay and requested the State prepare the appropriate limiting instruction. Mr. Brooks stated his position is the state of mind of the victim is not relevant. COURT ORDERED, Mr. Brooks will be allowed a continuing objection. 3:42 p.m.--Counsel stipulated to the presence of the Jury. Further testimony and exhibits presented. Mr. Harmon stated, as the Court is well aware, counsel have entered into certain stipulations and would like to make the Jury aware of those at this time. Mr. Harmon advised the Jury as to deft's times in jail for domestic violence and that, as to exhibits 69-73, counsel have stipulated that the handwriting on those papers is NOT that of deft., but that the ones signed "James" or "James Chappell" are in deft's handwriting. Mr. Harmon read a written stipulation into the record. COURT ORDERED, Court officially accepts all stipulations recited and the Jury is advised they are evidence in this case. like a continuing objection. Court advised the hearsay testimony is admissible in the penalty hearing, however, counsel may have their continuing objection. 11:13 a.m.--Counsel stipulated to the presence of the Jury. Opening statements by counsel. Testimony and exhibits presented. (See worksheets.)

2:33 P.M.--CONNIE MCCARTHY, COURT REPORTER. Further testimony and exhibits presented. Court admonished the Jury and excused them for the evening at 5:11 p.m. to return at 10:00 a.m. tomorrow morning. OUTSIDE THE PRESENCE OF THE JURY, Juror #3-Gritis present and admonished to make every effort to be here on time. Juror Gritis excused for the evening. Mr. Brooks moved to strike the testimony of Lisa Duran and Mike Pollard and moved for a mistrial of the guilt phase based on the State's willful failure to present conflicting evidence. Mr. Brooks advised his position is that Pollard's testimony was essential at the Petrocelli hearing as it brings Duran's credibility into question and the State had a duty to have Pollard testify during the guilt phase. Mr. Harmon stated he believes they are at liberty to engage in certain trial tactics; Mike Pollard was not a mystery to anyone at the preliminary hearing as Lisa Duran referred to him. Further, Pollard was listed as a potential witness on the Information and the defense had the same opportunity to interview him as anyone else. Mr. Harmon advised Pollard was originally on their list of witnesses to be served and was not contacted for some reason prior to the guilt phase. Mr. Harmon advised they did not formally interview Mike Pollard until after the guilt phase. Mr. Harmon argued, just because one witness contradicts another, their testimony is not vulnerable to a motion to strike. Court stated he believes that Brady does not compel the State to put on consistent testimony and, in this case, the time frames described by witnesses are inexact and the Jury has been allowed to decide this case based on the evidence before it. This witness was mentioned at the preliminary hearing and his name was endorsed on the Information and defense counsel could have interviewed him. Based on the totality of the evidence, this does not create an ineffective assistance of counsel. COURT ORDERED, motion DENIED.

Mr. Ewing moved for a mistrial based on the State's misuse of the penalty hearing process as the State did not discuss aggravators and presented character evidence. Further arguments by counsel. Court stated, in his view, the State managed to put on their case and convince the Jury of First Degree Murder without evidence that does not enjoin the protection of the hearsay rule during trial. Mr. Schieck noted that the argument today centers on whether the trial outcome would have been different if witnesses would have been used during guilt phase and penalty phase. He stated that Mr. Brooks, feels it would have made a difference.

Mr. Peterson argued that in reference to the written opposition and the State's brief; there is overwhelming evidence of guilt. Deft. conceded he killed her and knifed her and then committed sexual assault. He further argued that the killing was established and that the other witnesses went toward domestic violence. He reiterated that the Deft. admitted the killing. There is no prejudice by presumed failure by Deft's counsel and the Petition should be denied.

Mr. Schieck reiterated that Michigan witnesses would have relevance to the jury re the first degree murder and affected the death sentence.

The Court noted that when the Supreme Court denied a rehearing and rendered their opinion on 3/17/99, they cited the fact that jurors returned a verdict of death after finding that the two mitigating circumstances (the murder was committed while under the influence of extreme mental or emotional disturbance and any other mitigating circumstances) did not outweigh four aggravating factors (the murder was committed during the commission of a robbery, burglary, and sexual assault, and the murder involved torture or depravity of mind). As to the penalty phase, Deft and Deft's counsel have an obligation to present evidence.

Pursuant to the Supreme Court's opinion, COURT ORDERED, a new Penalty Hearing is to be held in this matter.

Mr. Schieck was directed to draft the Order.

CLERK'S NOTE 4/13/04sc: S. Chun, Clerk, phoned Mr. Schieck to verify that counsel were going to request a hearing date in the Order. Mr. Schieck responded that he had spoken to Mr. Peterson and that the State was going to

NARRATIVE:

REPORTER CALLED TO ADVISE THAT THERE WAS AN ARGUMENT GOING ON IN THE APARTMENT UPSTAIRS. UPON ARRIVAL, I SPOKE WITH BRAD AND JENNIFER ALLES. THEY INFORMED ME THAT FOR THE PAST HOUR THEY HAD HEARD THE MALE UPSTAIRS YELLING AND BRINGING THINGS AROUND. ANOTHER NEIGHBOR, GREGG MARTI #11202, HAD ALSO ASKED THEM TO CALL POLICE. SGT LUPIN #7377 AND I WENT UPSTAIRS AND SPOKE WITH THE COUPLE IN #11201. THE MALE, JAMES CHAPPELL, TOLD ME HE HAD HAD A LONG DISCUSSION WITH HIS GIRLFRIEND DEBORAH PANOS. PANOS CLAIMS THAT SHE GOT HOME FROM WORK THIS MORNING AND CHAPPELL HAS BEEN PICKING ON HER AND YELLING AT HER EVER SINCE SHE GOT HOME. CIRCUMSTANCES OF ARREST

On 2/18/95 at 1745 hours, I was dispatched to K-Mart at 5050 E. Charleston, in reference to a Petty Larceny with a suspect in custody.

When I arrived, Security Officer Herrera, SSN 449-59-8719, advised me that he and the cashier, Thomas, 530-31-7227, and Security Person Holtz, witnessed the suspect, Doe, putting cassette tapes and clothes under his own clothes, and removing security packaging from the items with pliers and walk past all open cash registers attempting to leave the store. The security officers also advised me that they apprehended Doe and placed him in custody and found him to have cassettes and clothes stuffed inside his own clothes.

The security officers found Doe to be in possession of two pairs of pliers and three screwdrivers, along with a broken glass pipe used for smoking cocaine.

I Mirandized Doe and found him to have no money, or ID, in his possession. I asked Doe if he entered the K-Mart with the sole intention of stealing the above items. He responded, "Yeah, something like that".

The cashier stated the pliers Doe was using to cut packaging were also the same pliers security found on his person.

Doe appeared to be under the influence of a controlled substance as he was sweating profusely, breathing rapidly, clenching his teeth

and slurring his speech. His eyelids were drooping and eyes were bloodshot.

I asked him when the last time he smoked crack was and he responded, "Yesterday".

He also seemed to go through different stages of coherence while I was interrogating him and he also had cotton mouth.

I arrested, transported and booked Doe into CCDC. He consented to have his blood drawn by the Jail Nurse, RN Granzella.

CIRCUMSTANCES OF ARREST

On 01-09-95 at approximately 0009 hours, I, Officer D. Giersdorf, P# 4521, responded to 839 N. Lamb, #125, in reference to a call from the Fire Department concerning a family disturbance.

Upon arrival, I contacted a WFA, who was identified as Panos, Deborah, DOB/05-04-69, who was in Mercy Ambulance #918, being prepared to be taken to UMC Trauma.

I contacted Mercy Paramedic Pete Carlo, #1456, who stated that Panos had a possible broken nose, and a large laceration above the right eye.

Panos stated that her live in boyfriend of 9 years, with who she has three children in common; James, 6YOA, Anthony, 4YOA, and Chantell, 2YOA, had hit her in the face with something, however, she didn't know what it was.

I then contacted the father of the children, who was still in the residence, and who was identified as a BMA, Chappell, James, DOB/12-27-69. I asked James what had happened. He stated that he had hit Panos in the face with a plastic cup that had been laying on the floor.

CIRCUMSTANCES OF ARREST

On 11-14-94 at approximately 0127 hours, I, Officer M. Szeles, P#3526, was dispatched to the AM/PM located at the corner of Lamb and Bonanza in reference to a white vehicle which had pulled into the parking lot, stopped and then exited the parking lot.

The clerk at the AM/PM stated that the car had pulled in and then left approximately three times. Each time neither the driver nor the passenger exited the vehicle to use the phone, the restroom, to enter the store, or to conduct any type of business on the premises. The clerk stated that a white 4-door vehicle, which had no license plates, traveled southbound on Lamb the last time it exited the parking lot.

I left the AM/PM and traveled southbound on Lamb, at which time I observed a white 4-door vehicle exit the Vera Johnson Apartments. I noticed that this white vehicle matched the description given to me by the clerk and that it had no plates.

I then conducted a traffic stop of the vehicle, which stopped in the parking lot of the AM/PM. I contacted the driver who verbally identified himself as James Chappell, DOB 01-27-69, SS#373-80-2907. At this time I asked Chappell and his passenger to exit the vehicle and to step in front of my vehicle.

As Chappell was standing at the front of my vehicle, I heard a very light "tink" sound, at which time I knew it was a small aluminum piece of metal, burned on both ends. I then noticed Chappell try to kick it underneath my vehicle. I asked Chappell if it was his, to which he stated it was a friend's. While talking with Chappell, I noticed that his eyes were watery and bloodshot. His lips were

white. He had "cotton mouth" and was emotional, going from anger to indifference. I then asked Chappell to stick out his tongue, which I observed was coated and had a greenish-yellow tint to it. Due to this, I asked Chappell if he had smoked marijuana and he stated that he had smoked a joint. I then asked Chappell if he had smoked anything else during the day, to which he stated that he had smoked crack cocaine approximately three hours to stopping him.

Due to Chappell's having admitted to me that he had smoked both marijuana and crack within the day, I placed him under arrest for Under the Influence of a Controlled Substance. Chappell was then transported to CCDC, where he was booked accordingly.

While at CCDC, Chappell gave an evidentiary blood sample which will be used to test the drug content of his blood. I then placed the blood samples into a box, sealed them evidence tape and placed them in the locked refrigerator at CCDC.

I am pleading guilty to burglary tools.

I was charged with Burglary, under the influence, & burglary tools, the

Burglary is false, the O.J.C.S. is false and the burglary tools is false.

But I took the plea, because the other two charges were felonies. I have "never" been convicted of a felony and never will be.

I'm not a bad person, and never was. I'm a brand new Resident of Las Vegas and I feel real bad about myself. I haven't been in jail this long in about 6 years, the longest I've been in jail is 6 months and I won't ever commit another crime in my life. I can't deal with this type of life. I stole 4 cassette tapes and a \$10 shirt + \$10 pants, it only added up to no more than \$60 dollars.

I committed petty larceny. But I ran into the wrong metro office. She treated me very bad. I'm in the best city in the world and look at me now! I know now that Las Vegas is not putting up with any broken laws. And I can now assure you I won't do nothing wrong again! I've only been here 4 months. I'm gonna get a job and stay "out" of "any" troubles.

I promise!!!

Theres hardly a day that goes by that I dont think about Deb. Its been just over a year now, but it seems like yesterday.

My name is Christina (Wichtoski) Rees and I am Debbies cousin. We lived only 2 blocks from each other most of our lives. We were more like sisters than cousins. We did so many things together. We went shopping together, movies, I even remember teaching Deb how to drive. Debbie was my maid of honor at my wedding, and even after my marriage Deb still did things with me and my children. We went on a lot of trips together like Cedar Point, Deb just always like to do things. She was wonderful with my older girls and they loved her very much. Debbie enjoyed big family get togethers, and having lots of people around. She was very much a people person. I dont think I have ever met anyone that did not like her. She still has good friends from school and many of the places that she worked. She made friends easily and kept them. Theres so much to say about Deb, that just cant sum it up in a letter. I hope that this helps in some way to let you know how much Deb was loved, and will be missed. Its a shame that her children will never know the wonderful person I did.

Enclosed are some photos of Deb with our family, on the back are descriptions and dates. If at all possible please return these to me when your finished, as these are my memories of Debbie.

Thank you,

Christina Rees

TO WHOM IT MAY CONCERN:

My name is Doris Wichtoski, Debbie's Aunt from Lansing, Michigan. I have five children of my own and Debbie was especially close to my daughter Tina. Debbie touched everyone's heart when you were with her. I start to cry when I see a young woman with her children on a street or in the mall because I think of Debbie being with her children. There is so much to tell about her but it's hard to write it down on paper. She was only 26 years young when her life was taken from her. She had such a beautiful smile.

Deb was an active girl, always doing something or wanting to go somewhere. She would do anything you ask her to do. She had many, many friends, at school and at work. She loved to talk, which was what she did so well in her 911 job. She talked many young girls out of committing suicide. She would come home and tell you Mom all about it and her Mom would be so proud of her. Debbie loved helping others. It came natural to her.

Here in Michigan we lived around the corner from each other. Deb and I were very close. She was a very good student in school. She loved to bake cookies and she could clean a house better than I. Debbie loved birthday parties, dinners, anything that would bring the family together.

Debbie had three beautiful children. She loved them so much. One time I remember her holding down three jobs at one time just to make ends meet. I heard about Debbie's troubles through her Mom. I tried to talk to Deb about James, but deep down in my heart, I know she was just too scared. She is at peace now, no more beatings from him.

I miss Debbie very much and treasure my memories of her.

NARRATIVE:

AN ANONYMOUS CITIZEN ADVISED OF A BLACK MALE IN A WHITE CHEVROLET CORISICA SMOKING CRACK COCAINE BEHIND THE CIRCLE K AT 26TH ST / CRAWCROFT.

AT THE TIME OF REPORT OFC. HAGGERTY #25490 AND MYSELF OBSERVED THE WHITE CHEVROLET PULL OUT FROM BEHIND THE CIRCLE K AND STOP AT THE STOP SIGN AT 26TH / CRAWCROFT.

THE VEHICLE WAS OCCUPIED BY THREE BLACK MALES, AND AS IT CROSSED CRAWCROFT ON 26TH ST. WE OBSERVED THE VEHICLE TO HAVE EXPIRED REGISTRATION 04/94.

OFC. HAGGERTY WHO WAS DRIVING ATTEMPTED TO MAKE A TRAFFIC STOP ON THE VEHICLE AT 26TH / JEFFERSON BUT THE VEHICLE WOULD NOT STOP. WE FOLLOWED THE VEHICLE WITH THE EMERGENCY EQUIPMENT OPERATING TO 28TH / JEFFERSON WHERE OFC. HAGGERTY GOT OFF THE VEHICLE FORCING IT TO STOP.

ALL THE OCCUPANTS OF THE CAR WERE TAKEN OUT AND SEARCHED FOR WEAPONS. I INITIALLY REMOVED THE FRONT PASSENGER WHO WAS LATER IDENTIFIED AS SENAI JACOB. I CHECKED HIM FOR WEAPONS AND FOUND NONE, JACOB WAS THEN DETAINED IN THE BACK OF OUR PATROL UNIT.

CONTINUATION OF NARRATIVE	

I THEN REMOVED ANOTHER BLACK MALE FROM THE REAR SEAT OF THE CAR WHO I KNEW FROM PREVIOUS ARRESTS TO BE JAMES CHAPPELL. WHILE CHECKING CHAPPELL FOR WEAPONS I FELT A OBJECT IN THE RIGHT FRONT POCKET OF HIS PANTS. I COULD NOT IDENTIFY WHAT WAS IN HIS POCKET, BUT IT FELT LIKE A KNIFE OR SYRINGE. I ASKED CHAPPELL WHAT WAS IN HIS POCKET AND HE STATED "I DON'T KNOW."

I LOOKED INTO CHAPPELL'S POCKET AND SAW A GLASS PIPE, I EMPTIED THE POCKET AND FOUND OTHER NARCOTIC PARAPHERNALIA. I THEN ARRESTED CHAPPELL. NO WEAPONS WERE FOUND ON CHAPPELL.

OFC HAGGERTY CHECKED THE DRIVER FOR WEAPONS AND NONE WERE FOUND, OFC HAGGERTY BEGAN TO INTERVIEW BOTH THE DRIVER WHO WAS IDENTIFIED ERNEST VASQUEZ, AND JACOB. WHILE OFC HAGGERTY DETERMINED THAT NO CHARGES NEEDED TO BE FILED AGAINST VASQUEZ AND RELEASED HIM, I WAS COMPLETING PAPERWORK ON CHAPPELL.

I TURNED CHAPPELL OVER TO ANOTHER OFFICER AND WALKED OVER TO OFC HAGGERTY TO SEE IF HE NEEDED ANY ASSISTANCE. OFC HAGGERTY HAD RELEASED MR. VASQUEZ AND WAS SPEAKING WITH JACOB. AT THAT POINT I OBSERVED A MEDIUM SIZE PLASTIC BAG WHICH APPEARED TO CONTAIN CRACK COCAINE ROCKS STICKING OUT OF THE RIGHT PANT LEG OF JACOB'S PANTS. I GRABBED THE BAG, AND NOTICED ANOTHER SMALLER PLASTIC BAG ALSO CONTAINING ROCK CRACK COCAINE LAYING ON THE GROUND NEAR THE SUSPECTS FEET. OFC HAGGERTY SAW THIS AND ARRESTED JACOB FOR THE POSSESSION CHARGES.
