Re: Matthews vs. State, no. 62241

Dear Mr. Matthews:

This is in response to your letter dated September 6, 2013, in which you state that you have had no contact with your attorney, William Gamage.

Our records show that your attorney has submitted all the required documents on your behalf, including the docketing statement, transcript request and opening brief. Certain documents filed in Nevada Supreme Court cases are now available for viewing and printing at no charge from the court's website, www.nevadajudiciary.us. Click on the **Supreme Court** link and under **Court Cases** click on **Case Search**. This will take you to the public portal where you can enter the case number or party name and access most documents filed in the case. If you do not have access to this website, you can provide this information to a friend or relative who can copy the documents for you.

Sincerely,

A handwritten signature in cursive script that reads "Linda Castillo".
