Statement of Facts. Explain the facts of your case. (Your answer must be provided in the space allowed.)

First I had a pending appeal in this court and the lower court knew it lacked Jurisdiction because of Case No. 61616 and I specifically told the court this case was pending before you. The court also never addressed the 14,000\$ taken from my person or the money in the Bank account, Also the court lied and said we received

A search warrant, That's a out Right lie, on
The day of the search I ASKED to see the
search warrant and was told (NO) so did
tonya freuarter and was told (NO) in clear
violation of the law, we have a Right to know
the Scope of the search and that there authorized
to be there, NO warrants were produced to anyone
at the many search scenes, and Sandra ^{diciacomo} was called
to the house after I ASKED to see it! The fact is
they never had a search warrant until 10 months
after they illegal searched seized and arrested
persons, I've tried repeatedly to get the pictures of
the scene searched so I can show NO warrants were
left at any scenes, The computer Entries to show
NO warrant was entered at that date, and I
want to see any signed warrants by any
defendant saying it was received, look Intel
officers got proof of this case to see me and I
wrote the F.B.I and directed them to talk to
the officers and my lawyers which they did!
I'm 100% sure of this, the proof of Stewart Bell
back dating the warrants they have but because
of them setting me up it's turned into
a big investigation. Now I can't prove anything
unless I'm given the Right to the evidence,
and I have a Right to prove this. don't you
get it? I'm telling the truth and this is
just a terrible situation but they illegally

TOOK the money And I can prove it was
illegally taken without a warrant thru
discovery and I have a Right to prove this
and Being incarcerated restricts ur ability's to get
evidence to prove ur side which I could do thru
discovery.

Statement of District Court Error. Explain why you believe the district court was wrong. Also state what action you want the Nevada Supreme Court to take. (Your answer must be provided in the space allowed).

First the district court lacked Jurisdiction for a
decision, two money taken from my person and from
the Bank was never addressed, And the court never
addressed that MR Lasso never gave me services for
the money they took, so I was denied my counsel and
due process. Also there is a Real Question of Fact
whether there was a warrant at the time of
the defendant's arrest, which would have Real con-
sequences for the state, And the district court ignoring
this, there is a Question of Fact, That this money
was illegally taken, no one was ever presented a
search warrant as by law and policy must happen so we know
the scope of the search and there authorized to be in the home or
storages. Everyone asked to see the warrant even personnel at
the storages and was told NO I asked to see it and was told
NO and they then called Sandra disicomo to the home. Al lasso
asked for the warrant in court and was denied the right at
that time they froze his bank and threaten to take his
license 10 officers from intel were keeping e-mails and

Official documents on them not ever having a warrant and then asking Stewart Bell to sign and back date them for them. I wrote the F.B.I. directed them to these officers and my lawyers who also got documents and thus began a five year investigation. The documents showing they were had a warrant are attachable, there are documents where Stewart Bell tells Sandra disburse how to manufacture probable cause to manipulate the courts and so they can say they requested a search warrant. There was no warrant until 10 months after the illegal search and seizure and this means was illegally seized and it can be proven beyond a doubt that this covering what I ask is a fair hearing in which I can obtain the proof on the fraudulent warrant and thus covering I can subpoena all the attested documents and then interrogate them I can ask officials under oath when the warrants were signed by them and made and ask why they were at the house, why there are no pictures or a warrant, why everyone was denied the right to see the warrant or was presented, I ask this court to reverse the district court decision and allow discovery so I can prove my side there is a real question of fact that I can prove. Thank you please!

allow a chance to prove it, I can prove it please!
