**STIPULATION FOR EXTENSION OF TIME
TO FILE OPENING BRIEF**

There were two notices of appeal taken from the judgment below, creating two groups of appellants. The opening brief for the first group of appellants, represented by Snell & Wilmer, is due on November 13, 2013. The opening brief for the second group of appellants, represented by Norman Azevedo, is due on November 25, 2013. To avoid a staggered briefing schedule, and within the parameters of NRAP 31(b)(2) which allows an initial extension by stipulation for no more than 30 days, the parties agree and stipulate that both opening briefs shall be due on November 25, 2013. That is an extension of twelve (12) days for the opening brief for the first group of appellants. No previous extensions of time have been sought with respect to the opening briefs.
