SECOND SETTLEMENT PROGRAM EARLY CASE ASSESSMENT REPORT

After conducting a pre-mediation telephonic conference with counsel pursuant to NRAP 16(b), I make the following recommendation to the court regarding this appeal:

- ☐ This case is appropriate for the program and a mediation session will be/has been scheduled for _____.
- ☐ This case is not appropriate for mediation and should be removed from the settlement program.
- ☒ The pre-mediation telephonic conference has not been conducted or is continued because: another matter has been heard by the Probate Commissioner, an objection to the Report and Recommendation has been filed and a hearing is being scheduled before the District Court Judge. The parties anticipate this decision will be appealed as well and would like to have both matters addressed in one settlement conference. A status check has been scheduled for **February 13, 2013, at the hour of 10:00 a.m.**

DATED this 5th day of December, 2013.
