**IN-CHAMBERS TELECONFERENCE – DECISION ON MOTION TO COMPEL  
AND MOTION FOR DISCOVERY**

Chief Deputy District Attorney Karl Hall, Esq., and Deputy District Attorney

Amos Stege, Esq., represented the State. Counsel David Chesnoff, Esq.,

and Richard Schonfeld, Esq., represented Defendant Cesar Villagrana.

Chief Deputy Public Defender Maizie Pusich, Esq., represented Defendant

Ernesto Gonzalez.

The Court finds that pursuant to NRS 174.275, the State has presented a sufficient showing to grant the Motion for Protective Order in that there is evidence that some witnesses are fearful of their and/or their family's safety in becoming involved in this case and is not without merit based on the violence of this incident and what occurred in the days following, that there is evidence that on the night of the incident, a witness was approached by members of the Vagos Motorcycle Club and a photograph was taken of his identification against his will, and there is evidence that Defendant Villagrana was previously in possession of the Jury Names from the Laughlin case. Therefore, with those findings being made, **COURT ENTERED ORDER** granting the Motion for Protective Order in part. The state shall provide defense counsel with a list of all potential witnesses which shall include their names and contact information. Defense counsel must keep the information confidential, except to their staff as deemed necessary in the course of investigations in this case, unless that staff/investigator is affiliated with either defendant outside of this case. The list of potential witnesses **may not** be provided to either defendant. Any Notices of Witness(es) filed by the State shall be filed under seal but must be served on defense counsel and maintained confidential by defense counsel. **COURT FURTHER ENTERED ORDER** denying the State's request to have the Court contact the witness(es) prior to allowing defense counsel to contact them for interviews. Court advised defense counsel Pusich that any issues with the Marcum Notice needed to be plead in a separate pleading, not within an Opposition to another Motion. Should defense counsel Pusich wish to raise any issues with the Marcum Notice, as done so on behalf of defendant Villagrana, a joinder to that motion or a separate Motion on behalf of defendant Gonzalez needs to be filed. Oral arguments on such Motion, if filed, will be heard at the June 14, 2012, hearing.

**COURT ENTERED ORDER** granting Defendant Gonzalez' Motion for Discovery.

State's counsel advised the Court that discovery is currently being provided to defense counsel and will continue as received.

Court recessed.

**EX-PARTE HEARING ON NOTICE OF CHANGE IN ELIGIBILITY FOR  
PUBLIC DEFENDER REPRESENTATION AT COUNTY EXPENSE**

Defendant present with counsel, Chief Deputy Public Defender Maizie Pusich, Esq., and Deputies Public Defender Christopher Frey, Esq., and Biray Dogan, Esq. David Houston, Esq., also present.

Court advised counsel that the NRS stated in the Order Setting Hearing filed on December 13, 2012, was cited erroneously and should have been NRS 178.3975.

Defense counsel Frey advised the Court that he relies on his Notice filed on December 10, 2012 for his arguments.

Defendant Gonzalez advised the Court that he believes it to be in his best interest to continue being represented by the Washoe County Public Defender's Office for the hearings set regarding the Gang Enhancement Evidence. Further, Defendant Gonzalez advised the Court that he is unsure of his ability to retain Mr. Houston to represent him.

Mr. Houston advised the Court that although most of the funds have been raised to represent the Defendant, not all funds have been raised.

Based on representations made by Defendant Gonzalez and Mr. Houston, this Court does not find there to be a basis to relieve the Washoe County Public Defender's Office at this time, nor is there sufficient evidence to establish the Defendant's ability to reimburse the County for legal expenses. Should a substitution of counsel occur, the Court may consider some reimbursement at a later time.

Discussion ensued regarding a deadline being set for the substitution to occur.

**COURT ENTERED ORDER** that a substitution of counsel may not occur without approval by this Court.

Court recessed.

Defendant remanded to the custody of the Sheriff.
