20 **~~PROPOSED~~ FINDINGS OF FACT AND CONCLUSIONS OF LAW AND ORDER**

21 This matter came on for a non-jury trial on July 1, 2013 before the Court, Honorable  
22 Patrick Flanagan, District Judge, presiding. The Court heard evidence for 9 days and the  
23 arguments of counsel on the 10<sup>th</sup> day of trial. The Court, having carefully considered all of the  
24 exhibits in evidence, the testimony of the witnesses, trial statements of the parties, and the  
25 arguments of counsel, hereby issues the following Findings of Fact and Conclusions of Law:

28 ///

### Findings of Fact

1  
2 1. On or about April 15, 2008, ISLAM became an employee of the Golden Road  
3 Motor Inn, Inc., dba Atlantis Casino Resort Spa ("ATLANTIS").

4 2. On April 15, 2008, ISLAM executed the ATLANTIS Online System User  
5 Agreement ("Online System User Agreement"). Among other terms, the Online System User  
6 Agreement prohibits unauthorized downloading or uploading of software and information.

7 3. On April 15, 2008, in conjunction with her employment with ATLANTIS,  
8 ISLAM also executed an agreement with ATLANTIS concerning its Business Ethics Policy  
9 and Code of Conduct Acknowledgement and Conflicts of Interest Statement. This agreement  
10 ("Business Ethics Policy"), was again signed by ISLAM on January 23, 2009, February 26,  
11 2010 and January 19, 2011. This policy in section 3.1 identifies confidential information as all  
12 nonpublic information regarding the company's operation and business activities and those of  
13 its customers and suppliers. Nonpublic means any information that is not officially disclosed  
14 through means such a press releases or other forms of publication, where it is not common  
15 knowledge. Section 4.4 prohibits the disclosure of inside information to persons outside the  
16 company or other persons within the company who are not authorized to receive such  
17 information. Pursuant to the terms of the Business Ethics Policy, ISLAM agreed not to disclose  
18 confidential information including customer lists or customer information (such as player  
19 tracking or club information) to any unauthorized persons, either during or after her  
20 termination, and not to take any documents or records belonging to ATLANTIS after her  
21 departure. She also agreed not to profit from confidential information of ATLANTIS.  
22 ISLAM's agreement to the terms of this contract was a condition of her employment with  
23 ATLANTIS.

24 4. On April 15, 2008, in conjunction with commencing her employment with  
25 ATLANTIS, ISLAM executed the ATLANTIS Company Policy regarding Company Property,  
26 Proprietary Information, and Trade Secrets (hereinafter referred to as "Trade Secret  
27 Agreement"). This agreement, including any updates, was again signed by ISLAM on January  
28 23, 2009, February 26, 2010 and January 19, 2011. This agreement provides that any improper

1 use or dissemination of ATLANTIS intellectual property is a breach of the policy and may be a  
2 violation of state and federal trade secrets laws and also warns that such violation is punishable  
3 both civilly and criminally.

4 5. ISLAM was hired to be an Executive Casino Host at ATLANTIS. When she  
5 was hired, she was under a contractual obligation to her former employer, Harrah's, which  
6 prohibited her from working in a same or similar position within six months after separation  
7 from employment at Harrah's. In order to honor this obligation, ATLANTIS placed her in the  
8 position of concierge manager. She worked in the hotel side of the operation of the  
9 ATLANTIS and not in the gaming side of the operation until the expiration of the six month  
10 restriction imposed by her agreement with Harrah's. Thereafter, she was transferred to the  
11 gaming operation and began her employment as a host.

12 6. When ISLAM began to work as a host at ATLANTIS, she brought with her  
13 what she claimed to be her personal book of trade. ISLAM has identified Exhibits 75 and 80  
14 as her book of trade.

15 7. Steve Ringkob, indeed almost every witness, testified that there were certain  
16 items that hosts were entitled to take with them from property to property and that a host's  
17 book of trade is the host's property and "nothing is wrong with her taking this information  
18 wherever she goes." However, he also testified that the player's gaming history and tracking at  
19 the ATLANTIS would become proprietary information.

20 8. Although the term "casino host book of trade" has been defined variously, it has  
21 generally been defined as those names and contact information of guests with whom the host  
22 has developed relationships through their own efforts. Ringkob defined it as those guests with  
23 whom the host has developed a relationship and it was not information coming from the casino.

24 9. The evidence is clear that ISLAM intentionally downloaded, by hand copying  
25 from the ATLANTIS computer screen, players' names, contact information, level of play,  
26 game preferences and other proprietary information from the ATLANTIS Casino's, casino  
27 management system, Patron Management Program.

1           10.    On February 26, 2010, ISLAM signed a Non-Compete/Non-Solicitation  
2 Agreement with ATLANTIS ("Non-Compete Agreement"). Pursuant to the terms of the Non-  
3 Compete Agreement, ISLAM agreed that she would not, without the prior written consent of  
4 ATLANTIS, be employed by, in any way affiliated with, or provide services to any gaming  
5 operation located within 150 miles of ATLANTIS for a cooling off period of one year after the  
6 date that the employment relationship between she and the ATLANTIS ended.

7           11.    During ISLAM'S employment at ATLANTIS, she had access to and worked  
8 with highly sensitive trade secrets and proprietary and confidential information of the  
9 ATLANTIS. This information included customer and guest lists, customer information and  
10 data including player contact information, tracking and club information, guest preferences and  
11 gaming tendencies of the guests. This information included not just the information for guests  
12 assigned to her, but also information for guests assigned to other hosts.

13           12.    Before and during ISLAM'S employment, ATLANTIS undertook significant  
14 precautions to maintain the secrecy of its confidential information. These efforts included  
15 disabling USB ports in the computers at ATLANTIS, not providing or allowing printers, and  
16 monitoring all emails that are sent to recipients off property.

17           13.    Despite the precautions taken to protect ATLANTIS' confidential trade secret  
18 information, during her employment at ATLANTIS ISLAM copied guest information by hand  
19 from the screen of the ATLANTIS computer onto spiral note pads. Ms. ISLAM, in her  
20 handwritten notes in spiral notebooks, which she identified as hers, copied players' names,  
21 contact information and also the designation of whether or not they played table games or slots.  
22 The information copied had the notation of the guests' marker information, for purposes of  
23 knowing what their credit limit was. Some notations included information regarding previous  
24 gaming results and losses incurred by that player. This is information Ms. ISLAM testified that  
25 she wrote down from the ATLANTIS computer. A copy of some of those spirals is found in  
26 Exhibit 80.

27           14.    Ms. ISLAM testified that in the fall of 2011, she was becoming dissatisfied with  
28 her employment at the ATLANTIS. She testified that she had not been given a raise, that she

1 had only been given one bonus and not the quarterly bonuses that she states were promised to  
2 her, she felt isolated in her interpersonal relationships with other employees at the ATLANTIS  
3 and she had come to a point in her career where she believed that if she was ever going to make  
4 more money, she would have to seek employment elsewhere.

5 15. The evidence is that on or around October, Ms. ISLAM learned from Ms.  
6 Antonetti that the Grand Sierra Resort ("GSR") was hiring new employees. Through an online  
7 application, ISLAM applied for and interviewed with the GSR to obtain a position as a host.

8 16. At about that time, Ms. ISLAM asked Mr. DeCarlo for a copy of her Non-  
9 Compete Agreement with the ATLANTIS.

10 17. Sometime in December and January, two interviews took place. The first was  
11 with Ms. Hadley, at the GSR. Ms. Hadley testified that she was impressed with Ms. ISLAM.  
12 She testified she did not ask for ISLAM's book of business at that time.

13 18. A second interview was arranged between ISLAM and Hadley and Flaherty of  
14 the GSR. At that time, a more in-depth discussion took place relative to Ms. ISLAM's book of  
15 business. Mr. Flaherty testified and it's confirmed by the transcript of a subsequent interview  
16 that he told Ms. ISLAM not to bring anything from the ATLANTIS to the GSR, to bring  
17 nothing, but herself and her relationships.

18 19. During the course of the interview process, ISLAM and representatives of GSR  
19 discussed the fact that ISLAM was subject to an agreement restricting her employment with a  
20 competitor of ATLANTIS and ISLAM provided GSR with a copy of the Non-Compete  
21 Agreement. This conduct is consistent with ISLAM's testimony of her behavior when applying  
22 for the position with the ATLANTIS. She testified that she provided a copy of the Harrah's  
23 Non-Compete to the ATLANTIS prior to their offering of employment to her.

24 20. The testimony is that GSR then passed the ATLANTIS Non-Compete  
25 Agreement to its legal counsel. Legal counsel apparently reviewed that and gave the green  
26 light to hire Ms. ISLAM.

1           21.     Ms. ISLAM was concerned that ATLANTIS would initiate litigation against her  
2 and sought assurances that GSR would provide legal representation to her should there be  
3 litigation over the Non-Compete. GSR agreed.

4           22.     ISLAM terminated her employment as an Executive Casino Host with the  
5 ATLANTIS on January 19, 2012 and accepted an offer with GSR as an Executive Casino Host  
6 on the same day.

7           23.     ISLAM began work at GSR at the end of January, 2012.

8           24.     The ATLANTIS alleges that soon after ISLAM terminated her employment,  
9 ATLANTIS employees discovered that ISLAM had falsely modified, destroyed, falsely  
10 changed and/or sabotaged confidential, proprietary, trade secret information of ATLANTIS,  
11 including customer data belonging to the ATLANTIS on its online system to her benefit and  
12 the benefit of GSR and to the detriment of ATLANTIS.

13          25.     The evidence adduced in this matter by Ms. ISLAM herself and other witnesses  
14 of the Plaintiff is that Ms. ISLAM did change the addresses, telephone number and/or the email  
15 addresses of guests that had been coded to her in the ATLANTIS' casino customer or guest  
16 database.

17          26.     The evidence shows that shortly after Ms. ISLAM left the employ of the  
18 ATLANTIS, the guests who had been assigned to her at the ATLANTIS were distributed  
19 amongst the remaining ATLANTIS hosts who attempted to contact those guests to maintain  
20 and establish a continued relationship with the ATLANTIS. Shortly thereafter, those hosts  
21 reported difficulty, indeed inability to contact the guests. It quickly became apparent that the  
22 contact information had been sabotaged. ATLANTIS staff testified that they restored old  
23 copies of the Patron Management data to a location in the computer system where the auditors  
24 could access the information and the information was restored to the Patron Management  
25 Program, the guest marketing database, in a relatively short period of time.

26          27.     Additionally, the evidence showed that none of the information was changed in  
27 the LMS database, which is the database known as the Lodging Management System that  
28 controls the hotel operations.

1           28. ISLAM testified that she did not show either Ms. Hadley or Mr. Flaherty the  
2 spiral notebooks which contained the information she had wrongfully taken from the  
3 ATLANTIS' database. Nevertheless, after her employment by the GSR began, Ms. ISLAM  
4 began to input that information, the information taken from the ATLANTIS and contained on  
5 the spiral notebooks, into the GSR database.

6           29. The testimony from the GSR representatives is that the database fields accessed  
7 and completed by ISLAM are limited. They restrict the information that a host could input to  
8 name, address, telephone number and contact information. There are no fields for a host to  
9 themselves input information regarding a player's gaming history, level of play or preference of  
10 game.

11           30. Both Ms. Hadley and Mr. Flaherty testified they never saw the spiral notebooks  
12 containing the information ISLAM had wrongfully taken from the ATLANTIS' database.

13           31. After the database sabotage was discovered by the ATLANTIS, ATLANTIS'  
14 general counsel, Debra Robinson, wrote a letter to GSR advising them that Ms. ISLAM was  
15 subject to a Non-Compete, Non-Disclosure Agreement and that she may have confidential  
16 information and ATLANTIS demanded the GSR cease and desist from the use of that  
17 information and return it forthwith.

18           32. In response to the cease and desist letter from ATLANTIS to the GSR and Ms.  
19 ISLAM relating to the ATLANTIS' concerns about ISLAM's employment, the counsel for the  
20 GSR sent a letter rejecting the assertions of the ATLANTIS and essentially maintaining that  
21 there was nothing confidential or proprietary that had been acquired by GSR and that all  
22 information provided by Ms. ISLAM came from her own personal relationships and her book  
23 of business.

24           33. The ATLANTIS reasonably initiated litigation.

25           34. On April 27, 2012, ATLANTIS filed its Complaint for relief with seven causes  
26 of action.

27           35. On May 9, 2012, this Court, through its sister Department, entered a Temporary  
28 Restraining Order barring Ms. ISLAM from any employment with GSR. That Order was

1 extended by Order of this Court dated July 5, 2012 which also applied to GSR. Thereafter, the  
2 parties stipulated to a Preliminary Injunction ending this case pending the case's resolution.

3 36. To the extent appropriate and to give intent to this order, any finding of fact  
4 should be found to be a conclusion of law. Similarly, to the extent appropriate any conclusion  
5 of law shall be deemed a finding of fact.

### 6 CONCLUSIONS OF LAW

#### 7 Breach of Contract – Online Systems User Agreement, Business Ethics Policy, Trade 8 Secrets Agreement as to ISLAM

9  
10 1. The elements for establishing a breach of contract claim are: (1) A valid and  
11 existing contract was entered into between Plaintiff and Defendant; (2) Plaintiff performed or  
12 was excused from performance of the contract; (3) Defendant breached; and (4) Plaintiff  
13 sustained damages as a result of the breach. *Reichert vs. General Insurance Co. of Amer.*, 68  
14 Cal. 2d 822, 69 Cal. Rptr. 321, 442 P.2d 377 (1968); *Marwan Ahmed Harara vs. Conoco*  
15 *Phillips Co.*, 375 F. Supp. 2d 905, 906 (9th Cir. 2005).

16 2. In order to succeed on a breach of contract claim in Nevada, a plaintiff must  
17 show "(1) the existence of a valid contract, (2) a breach by the defendant, and (3) damage as a  
18 result of the breach." *Saini v. Int'l Game Tech.*, 434 F. Supp. 2d 913, 919-920 (D. Nev. 2006),  
19 citing *Richardson v. Jones*, 1 Nev. 405, 405 (1865).

20 3. In its first cause of action the Plaintiff alleges the violation of three contracts.  
21 These are the Online User Agreement, the Business Ethics Policy, and the Trade Secrets  
22 Agreement. These agreements were signed by Defendant ISLAM and a representative of  
23 Plaintiff, ATLANTIS. This Court finds that these are valid contracts. The Court further finds  
24 that the Defendant ISLAM breached these contracts.

25 4. Based upon the fact that ISLAM downloaded players' names, contact  
26 information, level of play, game preferences and other proprietary information from the  
27 ATLANTIS Casino's, casino management system, Patron Management Program, the Court  
28 finds that she has breached these contracts and that the ATLANTIS has suffered damages as a

1 result of the breach. Consequently, the Court finds in favor of the Plaintiff and against  
2 Defendant Sumona ISLAM on the first cause of action.

3 5. The Court finds that damages should be awarded in favor of ATLANTIS and  
4 against ISLAM on this claim. These are made up of compensatory damages of \$10,941 plus an  
5 additional \$2,119 to repair the database, totaling \$13,060.

6 **Breach of Contract—Non-Compete Agreement as to ISLAM**

7 6. The Non-compete/Non-solicitation Agreement was signed by ISLAM and a  
8 representative of ATLANTIS in 2010. The law presumes that all parties have the freedom to  
9 contract and establish the terms of employment between themselves. However, restrictive  
10 covenants are not favored in the law. The determination of the validity of such a contract as  
11 written is governed by whether or not it imposes upon the employee any greater restraint than  
12 is reasonably necessary to protect the business and the goodwill of the employer.

13 7. A restraint of trade is unreasonable if it is greater than that required to protect  
14 the person for whose benefit the restraint is imposed or imposes an undue hardship on the  
15 person restricted. *Hansen v. Edwards*, 83 Nev. 189, 426 P.2d 792 (1967). *See also, Jones v.*  
16 *Deeter*, 112 Nev. 291, 294, 913 P.2d 1272, 1274 (1996).

17 8. The public has an interest in seeing that competition is not unreasonably limited  
18 or restricted.

19 9. In the instant matter, this Court finds that the term restricting employment for a  
20 period of one year is reasonable and necessary to protect the interests of the ATLANTIS.

21 10. This Court finds that the term restricting employment within 150 miles from  
22 ATLANTIS is reasonable. It encompasses the markets of Sacramento and the evidence  
23 supports the threat that Thunder Valley and indeed other Northern California casinos pose to  
24 the casinos of Northern Nevada.

25 11. The Court finds, however, that the total exclusion from employment with a  
26 competitor is unreasonable. This Court finds that excluding the employment of an individual  
27 such as Ms. ISLAM, who has attempted to create a career in this industry from any role in any  
28 casino in any capacity is an unreasonable restraint on her and it imposes an undue hardship on

1 Ms. ISLAM and it is a restraint that is greater than that required for the protection of the person  
2 for whose benefit the restraint is imposed, the ATLANTIS. Therefore, the Court finds the  
3 Non-Competition contract unenforceable and dismisses the second cause of action related to  
4 breach of that contract.

5 **Conversion of Property as to ISLAM**

6 12. The elements of conversion are that a defendant exercises an act of dominion  
7 wrongfully exerted over the personal property of another in denial of or inconsistent with title  
8 rights therein, or in derogation, exclusion or defiance of such rights. *M.C. Multi Family*  
9 *Development, L.L.C. v. Crestdale Associates Ltd.*, 124 Nev. 901, 910, 196 P.3d 536 (2008)  
10 *citing Evans v. Dean Witter Reynolds, Inc.*, 116 Nev. 598, 606, 5 P.3d 1043, 1048 (2000).

12 13. The caselaw here states that conversion generally is limited to those severe,  
13 major and important interferences with the right to control personal property that justified  
14 requiring the actor to pay the property's full value. Courts have noted that this remedy in  
15 general is harsh and is reserved for the most severe interferences with personal property.

17 14. The Court finds that the evidence adduced shows that the interference with the  
18 property of the ATLANTIS was not severe, that the information, although altered, was not lost  
19 and was easily restored. One measure of that is the fact that the damages sought for the  
20 restoration expense is de minimus in light of the value of not only Ms. ISLAM's book of trade,  
21 which she estimated at \$3.5 to \$4 million, but the operation of the ATLANTIS itself.  
22 Therefore, this Court finds that the Plaintiff has failed to establish the elements of conversion  
23 and the third cause of action is therefore dismissed.

25 **Tortious Interference with Contractual Relations and Prospective Economic Advantage as**  
26 **to ISLAM**

27 15. To establish intentional interference with contractual relations, ATLANTIS  
28 must show: (1) a valid and existing contract; (2) the defendant's knowledge of the contract; (3)  
intentional acts intended or designed to disrupt the contractual relationship; (4) actual

1 disruption of the contract; and (5) resulting damage. *Sutherland v. Gross*, 105 Nev. 192, 772  
2 P.2d 1287, 1290 (1989).

3 16. The elements of the tort of wrongful interference with a prospective economic  
4 advantage are: (1) a prospective contractual relationship between the plaintiff and a third  
5 party; (2) the defendant's knowledge of this prospective relationship; (3) the intent to harm the  
6 plaintiff by preventing the relationship; (4) the absence of a privilege or justification by the  
7 defendant; and, (5) actual harm to the plaintiff as a result of the defendant's conduct. *Leavitt v.*  
8 *Leisure Sports, Inc.*, 103 Nev. 81, 88, 734 P.2d 1221, 1225 (1987); *Las Vegas-Tonopah-Reno*  
9 *Stage v. Gray Line*, 106 Nev. 283, 792 P.2d 386, 388 (1990).

10 17. Based upon the Nevada Supreme Court's decision in *Frantz v. Johnson*, 116  
11 Nev. 455, 999 P.2d 351(2000), this Court is directed to look to the specific evidence adduced at  
12 trial to determine whether or not the acts of a defendant are more appropriately adjudicated  
13 under the Uniform Trade Secrets Act than under a claim for tortious interference with contract  
14 or prospective economic advantage. In an examination of the facts here, this Court has  
15 determined that the facts adduced in this trial make it more appropriate that the claim against  
16 Sumona ISLAM be adjudicated under the Uniform Trade Secrets Act.

17 **Violation of Uniform Trade Secret Act, NRS 600A.010 et. seq. as to ISLAM and GSR**

18 18. To establish a misappropriation claim under NRS § 600A.010 et. seq., the  
19 plaintiff must show: (1) a valuable trade secret; (2) misappropriation<sup>1</sup> of the trade secret  
20

21 <sup>1</sup> "Misappropriation" per NRS 600A.030(2) means:

- 22 (a) Acquisition of the trade secret of another by a person by improper means;  
23 (b) Acquisition of a trade secret of another by a person who knows or has reason to know that the trade secret was  
acquired by improper means; or  
24 (c) Disclosure or use of a trade secret of another without express or implied consent by a person who:  
25 (1) Used improper means to acquire knowledge of the trade secret;  
26 (2) At the time of disclosure or use, knew or had reason to know that his or her knowledge of the trade  
secret was:  
(I) Derived from or through a person who had used improper means to acquire it;  
(II) Acquired under circumstances giving rise to a duty to maintain its secrecy or limits its  
27 use; or  
(III) Derived from or through a person who owed a duty to the person seeking relief to  
maintain its secrecy or limit its use; or  
28 (3) Before a material change of his or her position, knew or had reason to know that it was a trade secret  
and that knowledge of it had been acquired by accident or mistake.

1 through use, disclosure, or nondisclosure of the use of the trade secret; and (3) the requirement  
2 that the misappropriation be wrongful because it was made in breach of an express or implied  
3 contract or by a party with a duty not to disclose. *Frantz v. Johnson*, 116 Nev. 455, 466, 999  
4 P.2d 351, 358 (2000).

5 19. A trade secret is information that derives independent economic value, actual or  
6 potential, from not being generally known to and not being readily ascertainable by proper  
7 means by the public, as well as information that is subject to efforts that are reasonable under  
8 the circumstances to maintain its secrecy. NRS 600A.040.

9 20. The determination of what is a trade secret is a question of fact for the trier of  
10 fact. *Frantz*, 116 Nev. at 466, 999 P.2d at 358. The caselaw indicates that contractual  
11 restrictions alone or designations alone do not control whether or not a particular design,  
12 compilation, or mechanism is a trade secret. To determine whether or not an item is a trade  
13 secret, the Court considers these factors. First, the extent to which the information is known  
14 outside the business and the ease or difficulty with which the information could be properly  
15 acquired by others. Second, whether the information was confidential or secret. Third, the  
16 extent and manner in which the employer guarded the secrecy of the information. Fourth, the  
17 former employee's knowledge of the customer's buying habits and other customer data and  
18 whether this information is known by the employer's competitors.

19 21. There was a consensus amongst all the witnesses that in the case of a customer  
20 with whom a host has established a relationship, that customer's name, address, contact  
21 information is not a trade secret. All of the witnesses here have identified certain items that  
22 they consider trade secrets in the gaming industry and these are well-qualified witnesses who  
23 have spent decades in this industry. Those items have been identified as, (1) player tracking  
24 records; (2) other hosts' customers; (3) initial buy-ins; (4) level of play; (5) whether the player  
25 plays table games or slots; (6) time of play; (7) customers' personal information that is personal  
26 to them, such as a Social Security number; (8) customers' casino credit; (9) customer's location,  
27 whether they are an international, regional or local player; (10) marketing strategy; (11)  
28 customers' birth date, which one witness testified was critical for credit accounts; (12) tier

1 levels, which is different than player ratings, they are more specific in terms of measurement;  
2 (13) comp information for the player; (14) players' history of play; (15) players' demographics;  
3 (16) players' financial information; (17) the company's financial information; (18) the  
4 company's marketing strategy; (19) other employees' information and customer information.  
5 The Court does not by this list deem this list to be exclusive. There may be other instances and  
6 other items that are properly designated as trade secrets, however, this was the evidence  
7 adduced in this trial.

8         22. This Court finds that this information is not known outside of the business of the  
9 ATLANTIS. Indeed, the previous 19 items are not easy to learn, in fact, it is difficult to  
10 acquire this information properly.

11         23. This Court further finds that there is no question that this information was  
12 confidential within the ATLANTIS and that has been demonstrated amply by the extent and  
13 manner in which the ATLANTIS took steps to guard the secrecy of this information.  
14 Specifically, Mr. Woods testified that there were no printers and that the USB ports on the  
15 computers were restricted, that the hosts had no ability to print or download guest lists. He  
16 further explained that security access was determined by the job designation. There was  
17 testimony that the passwords for this access were changed frequently and therefore it has been  
18 established beyond any reasonable doubt that the ATLANTIS considered all of this  
19 information a trade secret and this Court does so find.

20         24. This Court finds that the information written down in the spiral notebooks  
21 which Ms. ISLAM identified as hers was taken from the ATLANTIS' computer and is not  
22 information open to the public.

23         25. This Court finds that Ms. ISLAM has violated not only the terms and conditions  
24 of her contract, but also has committed a violation of the Uniform Trade Secrets Act.

25         26. This Court finds that Damages are appropriately awarded against ISLAM for  
26 violation of the Uniform Trade Secrets Act and awards damages totaling \$10,814.

27 ///

28 ///

1 **Declaratory Relief**

2 27. The sixth cause of action filed by the Plaintiff is a request for declaratory relief.  
3 The Courts grants and denies this claim as follows.

4 28. This Court finds that the Online System User Agreement is a valid contract.  
5 This Court finds that the Business Ethics Policy and Code of Conduct Agreement is a valid  
6 contract. This Court finds that the Trade Secrets Agreement is a valid contract. This Court  
7 finds that the Non-compete Agreement is overbroad and unenforceable. This Court also finds  
8 that those contracts have been breached.

9 29. This Court finds that the Defendant has violated the Uniform Trade Secrets Act  
10 and that the Plaintiff has suffered damages.

11 **Proof of Damages**

12 30. There are two distinct damage models proffered in this case. One is based on  
13 theoretical win based upon a customer lifetime value analysis proffered by the Plaintiff. The  
14 other is a damage analysis based on actual win - loss proffered by the Defendants in this case.

15 31. This Court has examined all of the exhibits in support of both models. This  
16 Court has listened to the testimony of Brandon McNeely, who testified on behalf of the  
17 Plaintiff in support of a valuation based upon theoretical wins. This Court finds that the  
18 customer lifetime value analysis is a solid one and is supported by scholarly research and  
19 empirical data.

20 32. This Court has also considered Mr. Aguero's testimony and reviewed his expert  
21 report, which is Exhibit 32. The Court has also reviewed Brandon McNeely's reports and the  
22 Exhibits included within Exhibit 59, A, B, C, D and E.

23 33. The Court has also considered the testimony of Mr. Frank DeCarlo when he  
24 testified about the mitigation marketing costs, and Lilia Santos, who testified to the loss of  
25 guests of the ATLANTIS to the GSR.

26 34. Having considered both models, this Court feels the more appropriate model in  
27 this particular case is the actual win-loss model. That model is based upon the data provided by  
28

1 both parties, the hard data and an analysis that is well reasoned and supported not only by the  
2 evidence, but scholarly review.

3 35. Therefore, the compensatory damages as to Defendant ISLAM, as previously  
4 described will be on the first count for breach of contract, \$10,941 plus an additional \$2,119.  
5 As to the violation of the Uniform Trade Secret Act, judgment will be in favor of Plaintiff,  
6 against Defendant ISLAM in the amount of \$10,814.

7 **Punitive Damages**

8 36. The Plaintiff has requested punitive damages be awarded in this case and this  
9 Court finds that punitive damages are warranted here.

10 37. Ms. ISLAM testified that her actions were malicious, as they were intended to  
11 hurt the ATLANTIS. Despite whatever reason she may have felt justified her actions, her  
12 actions were unjustified, they were willful, they were malicious, and they were intentional.

13 38. Punitive damages have a two-pronged effect. One is to punish the transgressor  
14 and the other is to serve as an example to deter others similarly situated from engaging in the  
15 same conduct. Therefore, there are several factors to be taken into consideration, including the  
16 willfulness of the conduct, the public interest that is at stake, and not the least of which is the  
17 Defendant's financial condition. Ms. ISLAM testified that she makes \$80,000 per year. This  
18 Court is assessing significant compensatory damages against her. However, the Court feels  
19 that a significant punitive damage is necessary in order to deter others from violating those  
20 contracts between the ATLANTIS and its employees. This Court therefore has determined that  
21 a punitive damage award of \$20,000, representing one quarter of her annual salary, is an  
22 appropriate punishment to Ms. ISLAM.

23 **Attorney Fee Award**

24 39. The Uniform Trade Secrets Act also provides for the award of Attorney's fees in  
25 the case of willful and malicious misappropriation.

26 40. Having found in favor of the Plaintiff as the prevailing party against the  
27 Defendant ISLAM, under the circumstances of this case, this Court will award attorney's fees  
28

1 and litigation costs. Those fees will be awarded after appropriate affidavit of fees and the  
2 memorandum of costs are timely submitted.

3 **Injunctive Relief**

4 41. This Court further finds that this is an appropriate matter in which to impose a  
5 Permanent Injunction, pursuant to NRS 600A.040, prohibiting ISLAM from any further use of  
6 the trade secret information at issue until such time as the information becomes ascertainable  
7 by proper means by the public or is otherwise no longer a Trade Secret as defined by NRS  
8 600A.030(5). In this regard, ISLAM is Ordered to destroy any and all customer lists obtained  
9 from or originating from ATLANTIS, including specifically the spiral notebooks, copies of  
10 which have been marked at trial as Exhibits 6, 80 and 81. Further, ISLAM is Ordered to purge  
11 from any electronic record or physical records, any and all information (including any  
12 information not previously produced by her in the litigation which is subsequently located)  
13 which has been identified in this decision as a trade secret, originating from the ATLANTIS.

14 **CONCLUSION**

15 42. Judgment in favor of ATLANTIS against Defendant ISLAM.

20 **~~PROPOSED~~ FINDINGS OF FACT AND CONCLUSIONS OF LAW AND ORDER**

21 This matter came on for a non-jury trial on July 1, 2013 before the Court, Honorable  
22 Patrick Flanagan, District Judge, presiding. The Court heard evidence for 9 days and the  
23 arguments of counsel on the 10<sup>th</sup> day of trial. The Court, having carefully considered all of the  
24 exhibits in evidence, the testimony of the witnesses, trial statements of the parties, and the  
25 arguments of counsel, hereby issues the following Findings of Fact and Conclusions of Law:

26 ///

27 ///

28 ///

### Findings of Fact

1. On or about April 15, 2008, ISLAM became an employee of the Golden Road Motor Inn, Inc., dba Atlantis Casino Resort Spa ("ATLANTIS").

2. On April 15, 2008, ISLAM executed the ATLANTIS Online System User Agreement ("Online System User Agreement"). Among other terms, the Online System User Agreement prohibits unauthorized downloading or uploading of software and information.

3. On April 15, 2008, in conjunction with her employment with ATLANTIS, ISLAM also executed an agreement with ATLANTIS concerning its Business Ethics Policy and Code of Conduct Acknowledgement and Conflicts of Interest Statement. This agreement ("Business Ethics Policy"), was again signed by ISLAM on January 23, 2009, February 26, 2010 and January 19, 2011. This policy in section 3.1 identifies confidential information as all nonpublic information regarding the company's operation and business activities and those of its customers and suppliers. Nonpublic means any information that is not officially disclosed through means such a press releases or other forms of publication, where it is not common knowledge. Section 4.4 prohibits the disclosure of inside information to persons outside the company or other persons within the company who are not authorized to receive such information. Pursuant to the terms of the Business Ethics Policy, ISLAM agreed not to disclose confidential information including customer lists or customer information (such as player tracking or club information) to any unauthorized persons, either during or after her termination, and not to take any documents or records belonging to ATLANTIS after her departure. She also agreed not to profit from confidential information of ATLANTIS. ISLAM's agreement to the terms of this contract was a condition of her employment with ATLANTIS.

4. On April 15, 2008, in conjunction with commencing her employment with ATLANTIS, ISLAM executed the ATLANTIS Company Policy regarding Company Property, Proprietary Information, and Trade Secrets (hereinafter referred to as "Trade Secret Agreement"). This agreement, including any updates, was again signed by ISLAM on January 23, 2009, February 26, 2010 and January 19, 2011. This agreement provides that any improper

1 use or dissemination of ATLANTIS intellectual property is a breach of the policy and may be a  
2 violation of state and federal trade secrets laws and also warns that such violation is punishable  
3 both civilly and criminally.

4 5. ISLAM was hired to be an Executive Casino Host at ATLANTIS. When she  
5 was hired, she was under a contractual obligation to her former employer, Harrah's, which  
6 prohibited her from working in a same or similar position within six months after separation  
7 from employment at Harrah's. In order to honor this obligation, ATLANTIS placed her in the  
8 position of concierge manager. She worked in the hotel side of the operation of the  
9 ATLANTIS and not in the gaming side of the operation until the expiration of the six month  
10 restriction imposed by her agreement with Harrah's. Thereafter, she was transferred to the  
11 gaming operation and began her employment as a host.

12 6. When ISLAM began to work as a host at ATLANTIS, she brought with her  
13 what she claimed to be her personal book of trade. ISLAM has identified Exhibits 75 and 80  
14 as her book of trade.

15 7. Steve Ringkob, indeed almost every witness, testified that there were certain  
16 items that hosts were entitled to take with them from property to property and that a host's  
17 book of trade is the host's property and "nothing is wrong with her taking this information  
18 wherever she goes." However, he also testified that the player's gaming history and tracking at  
19 the ATLANTIS would become proprietary information.

20 8. Although the term "casino host book of trade" has been defined variously, it has  
21 generally been defined as those names and contact information of guests with whom the host  
22 has developed relationships through their own efforts. Ringkob defined it as those guests with  
23 whom the host has developed a relationship and it was not information coming from the casino.

24 9. The evidence is clear that ISLAM intentionally downloaded, by hand copying  
25 from the ATLANTIS computer screen, players' names, contact information, level of play,  
26 game preferences and other proprietary information from the ATLANTIS Casino's, casino  
27 management system, Patron Management Program.

1           10. On February 26, 2010, ISLAM signed a Non-Compete/Non-Solicitation  
2 Agreement with ATLANTIS ("Non-Compete Agreement"). Pursuant to the terms of the Non-  
3 Compete Agreement, ISLAM agreed that she would not, without the prior written consent of  
4 ATLANTIS, be employed by, in any way affiliated with, or provide services to any gaming  
5 operation located within 150 miles of ATLANTIS for a cooling off period of one year after the  
6 date that the employment relationship between she and the ATLANTIS ended.

7           11. During ISLAM'S employment at ATLANTIS, she had access to and worked  
8 with highly sensitive trade secrets and proprietary and confidential information of the  
9 ATLANTIS. This information included customer and guest lists, customer information and  
10 data including player contact information, tracking and club information, guest preferences and  
11 gaming tendencies of the guests. This information included not just the information for guests  
12 assigned to her, but also information for guests assigned to other hosts.

13           12. Before and during ISLAM'S employment, ATLANTIS undertook significant  
14 precautions to maintain the secrecy of its confidential information. These efforts included  
15 disabling USB ports in the computers at ATLANTIS, not providing or allowing printers, and  
16 monitoring all emails that are sent to recipients off property.

17           13. Despite the precautions taken to protect ATLANTIS' confidential trade secret  
18 information, during her employment at ATLANTIS ISLAM copied guest information by hand  
19 from the screen of the ATLANTIS computer onto spiral note pads. Ms. ISLAM, in her  
20 handwritten notes in spiral notebooks, which she identified as hers, copied players' names,  
21 contact information and also the designation of whether or not they played table games or slots.  
22 The information copied had the notation of the guests' marker information, for purposes of  
23 knowing what their credit limit was. Some notations included information regarding previous  
24 gaming results and losses incurred by that player. This is information Ms. ISLAM testified that  
25 she wrote down from the ATLANTIS computer. A copy of some of those spirals is found in  
26 Exhibit 80.

27           14. Ms. ISLAM testified that in the fall of 2011, she was becoming dissatisfied with  
28 her employment at the ATLANTIS. She testified that she had not been given a raise, that she

1 had only been given one bonus and not the quarterly bonuses that she states were promised to  
2 her, she felt isolated in her interpersonal relationships with other employees at the ATLANTIS  
3 and she had come to a point in her career where she believed that if she was ever going to make  
4 more money, she would have to seek employment elsewhere.

5 15. The evidence is that on or around October, Ms. ISLAM learned from Ms.  
6 Antonetti that the Grand Sierra Resort ("GSR") was hiring new employees. Through an online  
7 application, ISLAM applied for and interviewed with the GSR to obtain a position as a host.

8 16. At about that time, Ms. ISLAM asked Mr. DeCarlo for a copy of her Non-  
9 Compete Agreement with the ATLANTIS.

10 17. Sometime in December and January, two interviews took place. The first was  
11 with Ms. Hadley, at the GSR. Ms. Hadley testified that she was impressed with Ms. ISLAM.  
12 She testified she did not ask for ISLAM's book of business at that time.

13 18. A second interview was arranged between ISLAM and Hadley and Flaherty of  
14 the GSR. At that time, a more in-depth discussion took place relative to Ms. ISLAM's book of  
15 business. Mr. Flaherty testified and it's confirmed by the transcript of a subsequent interview  
16 that he told Ms. ISLAM not to bring anything from the ATLANTIS to the GSR, to bring  
17 nothing, but herself and her relationships.

18 19. During the course of the interview process, ISLAM and representatives of GSR  
19 discussed the fact that ISLAM was subject to an agreement restricting her employment with a  
20 competitor of ATLANTIS and ISLAM provided GSR with a copy of the Non-Compete  
21 Agreement. This conduct is consistent with ISLAM's testimony of her behavior when applying  
22 for the position with the ATLANTIS. She testified that she provided a copy of the Harrah's  
23 Non-Compete to the ATLANTIS prior to their offering of employment to her.

24 20. The testimony is that GSR then passed the ATLANTIS Non-Compete  
25 Agreement to its legal counsel. Legal counsel apparently reviewed that and gave the green  
26 light to hire Ms. ISLAM.

1           21.     Ms. ISLAM was concerned that ATLANTIS would initiate litigation against her  
2 and sought assurances that GSR would provide legal representation to her should there be  
3 litigation over the Non-Compete. GSR agreed.

4           22.     ISLAM terminated her employment as an Executive Casino Host with the  
5 ATLANTIS on January 19, 2012 and accepted an offer with GSR as an Executive Casino Host  
6 on the same day.

7           23.     ISLAM began work at GSR at the end of January, 2012.

8           24.     The ATLANTIS alleges that soon after ISLAM terminated her employment,  
9 ATLANTIS employees discovered that ISLAM had falsely modified, destroyed, falsely  
10 changed and/or sabotaged confidential, proprietary, trade secret information of ATLANTIS,  
11 including customer data belonging to the ATLANTIS on its online system to her benefit and  
12 the benefit of GSR and to the detriment of ATLANTIS.

13          25.     The evidence adduced in this matter by Ms. ISLAM herself and other witnesses  
14 of the Plaintiff is that Ms. ISLAM did change the addresses, telephone number and/or the email  
15 addresses of guests that had been coded to her in the ATLANTIS' casino customer or guest  
16 database.

17          26.     The evidence shows that shortly after Ms. ISLAM left the employ of the  
18 ATLANTIS, the guests who had been assigned to her at the ATLANTIS were distributed  
19 amongst the remaining ATLANTIS hosts who attempted to contact those guests to maintain  
20 and establish a continued relationship with the ATLANTIS. Shortly thereafter, those hosts  
21 reported difficulty, indeed inability to contact the guests. It quickly became apparent that the  
22 contact information had been sabotaged. ATLANTIS staff testified that they restored old  
23 copies of the Patron Management data to a location in the computer system where the auditors  
24 could access the information and the information was restored to the Patron Management  
25 Program, the guest marketing database, in a relatively short period of time.

26          27.     Additionally, the evidence showed that none of the information was changed in  
27 the LMS database, which is the database known as the Lodging Management System that  
28 controls the hotel operations.

1           28. ISLAM testified that she did not show either Ms. Hadley or Mr. Flaherty the  
2 spiral notebooks which contained the information she had wrongfully taken from the  
3 ATLANTIS' database. Nevertheless, after her employment by the GSR began, Ms. ISLAM  
4 began to input that information, the information taken from the ATLANTIS and contained on  
5 the spiral notebooks, into the GSR database.

6           29. The testimony from the GSR representatives is that the database fields accessed  
7 and completed by ISLAM are limited. They restrict the information that a host could input to  
8 name, address, telephone number and contact information. There are no fields for a host to  
9 themselves input information regarding a player's gaming history, level of play or preference of  
10 game.

11           30. Both Ms. Hadley and Mr. Flaherty testified they never saw the spiral notebooks  
12 containing the information ISLAM had wrongfully taken from the ATLANTIS' database.

13           31. After the database sabotage was discovered by the ATLANTIS, ATLANTIS'  
14 general counsel, Debra Robinson, wrote a letter to GSR advising them that Ms. ISLAM was  
15 subject to a Non-Compete, Non-Disclosure Agreement and that she may have confidential  
16 information and ATLANTIS demanded the GSR cease and desist from the use of that  
17 information and return it forthwith.

18           32. In response to the cease and desist letter from ATLANTIS to the GSR and Ms.  
19 ISLAM relating to the ATLANTIS' concerns about ISLAM's employment, the counsel for the  
20 GSR sent a letter rejecting the assertions of the ATLANTIS and essentially maintaining that  
21 there was nothing confidential or proprietary that had been acquired by GSR and that all  
22 information provided by Ms. ISLAM came from her own personal relationships and her book  
23 of business.

24           33. The ATLANTIS reasonably initiated litigation.

25           34. On April 27, 2012, ATLANTIS filed its Complaint for relief with seven causes  
26 of action.

27           35. On May 9, 2012, this Court, through its sister Department, entered a Temporary  
28 Restraining Order barring Ms. ISLAM from any employment with GSR. That Order was

1 extended by Order of this Court dated July 5, 2012 which also applied to GSR. Thereafter, the  
2 parties stipulated to a Preliminary Injunction ending this case pending the case's resolution.

3 36. To the extent appropriate and to give intent to this order, any finding of fact  
4 should be found to be a conclusion of law. Similarly, to the extent appropriate any conclusion  
5 of law shall be deemed a finding of fact.

### 6 CONCLUSIONS OF LAW

#### 7 Breach of Contract – Online Systems User Agreement, Business Ethics Policy, Trade 8 Secrets Agreement as to ISLAM

9 1. The elements for establishing a breach of contract claim are: (1) A valid and  
10 existing contract was entered into between Plaintiff and Defendant; (2) Plaintiff performed or  
11 was excused from performance of the contract; (3) Defendant breached; and (4) Plaintiff  
12 sustained damages as a result of the breach. *Reichert vs. General Insurance Co. of Amer.*, 68  
13 Cal. 2d 822, 69 Cal. Rptr. 321, 442 P.2d 377 (1968); *Marwan Ahmed Harara vs. Conoco*  
14 *Phillips Co.*, 375 F. Supp. 2d 905, 906 (9th Cir. 2005).

15 2. In order to succeed on a breach of contract claim in Nevada, a plaintiff must  
16 show "(1) the existence of a valid contract, (2) a breach by the defendant, and (3) damage as a  
17 result of the breach." *Saini v. Int'l Game Tech.*, 434 F. Supp. 2d 913, 919-920 (D. Nev. 2006),  
18 citing *Richardson v. Jones*, 1 Nev. 405, 405 (1865).

19 3. In its first cause of action the Plaintiff alleges the violation of three contracts.  
20 These are the Online User Agreement, the Business Ethics Policy, and the Trade Secrets  
21 Agreement. These agreements were signed by Defendant ISLAM and a representative of  
22 Plaintiff, ATLANTIS. This Court finds that these are valid contracts. The Court further finds  
23 that the Defendant ISLAM breached these contracts.

24 4. Based upon the fact that ISLAM downloaded players' names, contact  
25 information, level of play, game preferences and other proprietary information from the  
26 ATLANTIS Casino's, casino management system, Patron Management Program, the Court  
27 finds that she has breached these contracts and that the ATLANTIS has suffered damages as a  
28

1 result of the breach. Consequently, the Court finds in favor of the Plaintiff and against  
2 Defendant Sumona ISLAM on the first cause of action.

3 5. The Court finds that damages should be awarded in favor of ATLANTIS and  
4 against ISLAM on this claim. These are made up of compensatory damages of \$10,941 plus an  
5 additional \$2,119 to repair the database, totaling \$13,060.

6 **Breach of Contract—Non-Compete Agreement as to ISLAM**

7 6. The Non-compete/Non-solicitation Agreement was signed by ISLAM and a  
8 representative of ATLANTIS in 2010. The law presumes that all parties have the freedom to  
9 contract and establish the terms of employment between themselves. However, restrictive  
10 covenants are not favored in the law. The determination of the validity of such a contract as  
11 written is governed by whether or not it imposes upon the employee any greater restraint than  
12 is reasonably necessary to protect the business and the goodwill of the employer.

13 7. A restraint of trade is unreasonable if it is greater than that required to protect  
14 the person for whose benefit the restraint is imposed or imposes an undue hardship on the  
15 person restricted. *Hansen v. Edwards*, 83 Nev. 189, 426 P.2d 792 (1967). *See also, Jones v.*  
16 *Deeter*, 112 Nev. 291, 294, 913 P.2d 1272, 1274 (1996).

17 8. The public has an interest in seeing that competition is not unreasonably limited  
18 or restricted.

19 9. In the instant matter, this Court finds that the term restricting employment for a  
20 period of one year is reasonable and necessary to protect the interests of the ATLANTIS.

21 10. This Court finds that the term restricting employment within 150 miles from  
22 ATLANTIS is reasonable. It encompasses the markets of Sacramento and the evidence  
23 supports the threat that Thunder Valley and indeed other Northern California casinos pose to  
24 the casinos of Northern Nevada.

25 11. The Court finds, however, that the total exclusion from employment with a  
26 competitor is unreasonable. This Court finds that excluding the employment of an individual  
27 such as Ms. ISLAM, who has attempted to create a career in this industry from any role in any  
28 casino in any capacity is an unreasonable restraint on her and it imposes an undue hardship on

1 Ms. ISLAM and it is a restraint that is greater than that required for the protection of the person  
2 for whose benefit the restraint is imposed, the ATLANTIS. Therefore, the Court finds the  
3 Non-Competition contract unenforceable and dismisses the second cause of action related to  
4 breach of that contract.

5 **Conversion of Property as to ISLAM**

6 12. The elements of conversion are that a defendant exercises an act of dominion  
7 wrongfully exerted over the personal property of another in denial of or inconsistent with title  
8 rights therein, or in derogation, exclusion or defiance of such rights. *M.C. Multi Family*  
9 *Development, L.L.C. v. Crestdale Associates Ltd.*, 124 Nev. 901, 910, 196 P.3d 536 (2008)  
10 *citing Evans v. Dean Witter Reynolds, Inc.*, 116 Nev. 598, 606, 5 P.3d 1043, 1048 (2000).

12 13. The caselaw here states that conversion generally is limited to those severe,  
13 major and important interferences with the right to control personal property that justified  
14 requiring the actor to pay the property's full value. Courts have noted that this remedy in  
15 general is harsh and is reserved for the most severe interferences with personal property.

17 14. The Court finds that the evidence adduced shows that the interference with the  
18 property of the ATLANTIS was not severe, that the information, although altered, was not lost  
19 and was easily restored. One measure of that is the fact that the damages sought for the  
20 restoration expense is de minimus in light of the value of not only Ms. ISLAM's book of trade,  
21 which she estimated at \$3.5 to \$4 million, but the operation of the ATLANTIS itself.  
22 Therefore, this Court finds that the Plaintiff has failed to establish the elements of conversion  
23 and the third cause of action is therefore dismissed.

25 **Tortious Interference with Contractual Relations and Prospective Economic Advantage as**  
26 **to ISLAM**

27 15. To establish intentional interference with contractual relations, ATLANTIS  
28 must show: (1) a valid and existing contract; (2) the defendant's knowledge of the contract; (3)  
intentional acts intended or designed to disrupt the contractual relationship; (4) actual

1 disruption of the contract; and (5) resulting damage. *Sutherland v. Gross*, 105 Nev. 192, 772  
2 P.2d 1287, 1290 (1989).

3 16. The elements of the tort of wrongful interference with a prospective economic  
4 advantage are: (1) a prospective contractual relationship between the plaintiff and a third  
5 party; (2) the defendant's knowledge of this prospective relationship; (3) the intent to harm the  
6 plaintiff by preventing the relationship; (4) the absence of a privilege or justification by the  
7 defendant; and, (5) actual harm to the plaintiff as a result of the defendant's conduct. *Leavitt v.*  
8 *Leisure Sports, Inc.*, 103 Nev. 81, 88, 734 P.2d 1221, 1225 (1987); *Las Vegas-Tonopah-Reno*  
9 *Stage v. Gray Line*, 106 Nev. 283, 792 P.2d 386, 388 (1990).

10 17. Based upon the Nevada Supreme Court's decision in *Frantz v. Johnson*, 116  
11 Nev. 455, 999 P.2d 351(2000), this Court is directed to look to the specific evidence adduced at  
12 trial to determine whether or not the acts of a defendant are more appropriately adjudicated  
13 under the Uniform Trade Secrets Act than under a claim for tortious interference with contract  
14 or prospective economic advantage. In an examination of the facts here, this Court has  
15 determined that the facts adduced in this trial make it more appropriate that the claim against  
16 Sumona ISLAM be adjudicated under the Uniform Trade Secrets Act.

17 **Violation of Uniform Trade Secret Act, NRS 600A.010 et. seq. as to ISLAM and GSR**

18 18. To establish a misappropriation claim under NRS § 600A.010 et. seq., the  
19 plaintiff must show: (1) a valuable trade secret; (2) misappropriation<sup>1</sup> of the trade secret  
20

21 <sup>1</sup> "Misappropriation" per NRS 600A.030(2) means:

- 22 (a) Acquisition of the trade secret of another by a person by improper means;  
23 (b) Acquisition of a trade secret of another by a person who knows or has reason to know that the trade secret was  
acquired by improper means; or  
24 (c) Disclosure or use of a trade secret of another without express or implied consent by a person who:  
25 (1) Used improper means to acquire knowledge of the trade secret;  
26 (2) At the time of disclosure or use, knew or had reason to know that his or her knowledge of the trade  
secret was:  
(I) Derived from or through a person who had used improper means to acquire it;  
(II) Acquired under circumstances giving rise to a duty to maintain its secrecy or limits its  
27 use; or  
(III) Derived from or through a person who owed a duty to the person seeking relief to  
maintain its secrecy or limit its use; or  
28 (3) Before a material change of his or her position, knew or had reason to know that it was a trade secret  
and that knowledge of it had been acquired by accident or mistake.

1 through use, disclosure, or nondisclosure of the use of the trade secret; and (3) the requirement  
2 that the misappropriation be wrongful because it was made in breach of an express or implied  
3 contract or by a party with a duty not to disclose. *Frantz v. Johnson*, 116 Nev. 455, 466, 999  
4 P.2d 351, 358 (2000).

5 19. A trade secret is information that derives independent economic value, actual or  
6 potential, from not being generally known to and not being readily ascertainable by proper  
7 means by the public, as well as information that is subject to efforts that are reasonable under  
8 the circumstances to maintain its secrecy. NRS 600A.040.

9 20. The determination of what is a trade secret is a question of fact for the trier of  
10 fact. *Frantz*, 116 Nev. at 466, 999 P.2d at 358. The caselaw indicates that contractual  
11 restrictions alone or designations alone do not control whether or not a particular design,  
12 compilation, or mechanism is a trade secret. To determine whether or not an item is a trade  
13 secret, the Court considers these factors. First, the extent to which the information is known  
14 outside the business and the ease or difficulty with which the information could be properly  
15 acquired by others. Second, whether the information was confidential or secret. Third, the  
16 extent and manner in which the employer guarded the secrecy of the information. Fourth, the  
17 former employee's knowledge of the customer's buying habits and other customer data and  
18 whether this information is known by the employer's competitors.

19 21. There was a consensus amongst all the witnesses that in the case of a customer  
20 with whom a host has established a relationship, that customer's name, address, contact  
21 information is not a trade secret. All of the witnesses here have identified certain items that  
22 they consider trade secrets in the gaming industry and these are well-qualified witnesses who  
23 have spent decades in this industry. Those items have been identified as, (1) player tracking  
24 records; (2) other hosts' customers; (3) initial buy-ins; (4) level of play; (5) whether the player  
25 plays table games or slots; (6) time of play; (7) customers' personal information that is personal  
26 to them, such as a Social Security number; (8) customers' casino credit; (9) customer's location,  
27 whether they are an international, regional or local player; (10) marketing strategy; (11)  
28 customers' birth date, which one witness testified was critical for credit accounts; (12) tier

1 levels, which is different than player ratings, they are more specific in terms of measurement;  
2 (13) comp information for the player; (14) players' history of play; (15) players' demographics;  
3 (16) players' financial information; (17) the company's financial information; (18) the  
4 company's marketing strategy; (19) other employees' information and customer information.  
5 The Court does not by this list deem this list to be exclusive. There may be other instances and  
6 other items that are properly designated as trade secrets, however, this was the evidence  
7 adduced in this trial.

8         22. This Court finds that this information is not known outside of the business of the  
9 ATLANTIS. Indeed, the previous 19 items are not easy to learn, in fact, it is difficult to  
10 acquire this information properly.

11         23. This Court further finds that there is no question that this information was  
12 confidential within the ATLANTIS and that has been demonstrated amply by the extent and  
13 manner in which the ATLANTIS took steps to guard the secrecy of this information.  
14 Specifically, Mr. Woods testified that there were no printers and that the USB ports on the  
15 computers were restricted, that the hosts had no ability to print or download guest lists. He  
16 further explained that security access was determined by the job designation. There was  
17 testimony that the passwords for this access were changed frequently and therefore it has been  
18 established beyond any reasonable doubt that the ATLANTIS considered all of this  
19 information a trade secret and this Court does so find.

20         24. This Court finds that the information written down in the spiral notebooks  
21 which Ms. ISLAM identified as hers was taken from the ATLANTIS' computer and is not  
22 information open to the public.

23         25. This Court finds that Ms. ISLAM has violated not only the terms and conditions  
24 of her contract, but also has committed a violation of the Uniform Trade Secrets Act.

25         26. This Court finds that Damages are appropriately awarded against ISLAM for  
26 violation of the Uniform Trade Secrets Act and awards damages totaling \$10,814.

27 ///

28 ///

1 **Declaratory Relief**

2 27. The sixth cause of action filed by the Plaintiff is a request for declaratory relief.  
3 The Courts grants and denies this claim as follows.

4 28. This Court finds that the Online System User Agreement is a valid contract.  
5 This Court finds that the Business Ethics Policy and Code of Conduct Agreement is a valid  
6 contract. This Court finds that the Trade Secrets Agreement is a valid contract. This Court  
7 finds that the Non-compete Agreement is overbroad and unenforceable. This Court also finds  
8 that those contracts have been breached.

9 29. This Court finds that the Defendant has violated the Uniform Trade Secrets Act  
10 and that the Plaintiff has suffered damages.

11 **Proof of Damages**

12 30. There are two distinct damage models proffered in this case. One is based on  
13 theoretical win based upon a customer lifetime value analysis proffered by the Plaintiff. The  
14 other is a damage analysis based on actual win - loss proffered by the Defendants in this case.

15 31. This Court has examined all of the exhibits in support of both models. This  
16 Court has listened to the testimony of Brandon McNeely, who testified on behalf of the  
17 Plaintiff in support of a valuation based upon theoretical wins. This Court finds that the  
18 customer lifetime value analysis is a solid one and is supported by scholarly research and  
19 empirical data.

20 32. This Court has also considered Mr. Aguero's testimony and reviewed his expert  
21 report, which is Exhibit 32. The Court has also reviewed Brandon McNeely's reports and the  
22 Exhibits included within Exhibit 59, A, B, C, D and E.

23 33. The Court has also considered the testimony of Mr. Frank DeCarlo when he  
24 testified about the mitigation marketing costs, and Lilia Santos, who testified to the loss of  
25 guests of the ATLANTIS to the GSR.

26 34. Having considered both models, this Court feels the more appropriate model in  
27 this particular case is the actual win-loss model. That model is based upon the data provided by  
28

1 both parties, the hard data and an analysis that is well reasoned and supported not only by the  
2 evidence, but scholarly review.

3 35. Therefore, the compensatory damages as to Defendant ISLAM, as previously  
4 described will be on the first count for breach of contract, \$10,941 plus an additional \$2,119.  
5 As to the violation of the Uniform Trade Secret Act, judgment will be in favor of Plaintiff,  
6 against Defendant ISLAM in the amount of \$10,814.

7 **Punitive Damages**

8 36. The Plaintiff has requested punitive damages be awarded in this case and this  
9 Court finds that punitive damages are warranted here.

10 37. Ms. ISLAM testified that her actions were malicious, as they were intended to  
11 hurt the ATLANTIS. Despite whatever reason she may have felt justified her actions, her  
12 actions were unjustified, they were willful, they were malicious, and they were intentional.

13 38. Punitive damages have a two-pronged effect. One is to punish the transgressor  
14 and the other is to serve as an example to deter others similarly situated from engaging in the  
15 same conduct. Therefore, there are several factors to be taken into consideration, including the  
16 willfulness of the conduct, the public interest that is at stake, and not the least of which is the  
17 Defendant's financial condition. Ms. ISLAM testified that she makes \$80,000 per year. This  
18 Court is assessing significant compensatory damages against her. However, the Court feels  
19 that a significant punitive damage is necessary in order to deter others from violating those  
20 contracts between the ATLANTIS and its employees. This Court therefore has determined that  
21 a punitive damage award of \$20,000, representing one quarter of her annual salary, is an  
22 appropriate punishment to Ms. ISLAM.

23 **Attorney Fee Award**

24 39. The Uniform Trade Secrets Act also provides for the award of Attorney's fees in  
25 the case of willful and malicious misappropriation.

26 40. Having found in favor of the Plaintiff as the prevailing party against the  
27 Defendant ISLAM, under the circumstances of this case, this Court will award attorney's fees  
28

1 and litigation costs. Those fees will be awarded after appropriate affidavit of fees and the  
2 memorandum of costs are timely submitted.

3 **Injunctive Relief**

4 41. This Court further finds that this is an appropriate matter in which to impose a  
5 Permanent Injunction, pursuant to NRS 600A.040, prohibiting ISLAM from any further use of  
6 the trade secret information at issue until such time as the information becomes ascertainable  
7 by proper means by the public or is otherwise no longer a Trade Secret as defined by NRS  
8 600A.030(5). In this regard, ISLAM is Ordered to destroy any and all customer lists obtained  
9 from or originating from ATLANTIS, including specifically the spiral notebooks, copies of  
10 which have been marked at trial as Exhibits 6, 80 and 81. Further, ISLAM is Ordered to purge  
11 from any electronic record or physical records, any and all information (including any  
12 information not previously produced by her in the litigation which is subsequently located)  
13 which has been identified in this decision as a trade secret, originating from the ATLANTIS.

**APPLICATION FOR TRO**

Attorney Robert Dotson, Esq. was present on behalf of plaintiff Golden Road Motor dba Atlantis Casino Resort. Plaintiff's in-house counsel, Debra Robinson, Esq. was present also. Attorneys Steven Cohen Esq. and Stanley Johnson, Esq. were present on behalf of defendant Nav-Reno dba Grand Sierra Resort via telephone. Defendant Sumona Islam was not present.

COURT advised that the Court is in receipt of all motions and memorandums and attachments.

Counsel Dotson addressed the Court and advised that an Amended Verified Complaint has been filed but does not know if defense counsel has received it.

Counsel Cohen advised that they had just received the Amended Verified Complaint.

Counsel Dotson further addressed the Court and advised that Ms. Islam was served with the original Complaint but not the Amended Complaint or the Temporary Restraining Order, but will be. Counsel further advised that the only difference in the Amended Complaint and the original Complaint is substituting Nav-Reno GS in for GSR Enterprises as a party. Counsel advised that he believes that Ms. Islam has been suspended with likely termination pending and her data and comp privileges have been revoked.

Counsel Dotson argued that Ms. Islam had corrupted the intellectual property of the Atlantis of at least 90 customers; that she changed addresses, email addresses and/or phone numbers to the Atlantis data; that customers were getting solicitation calls from GSR regarding offers of play; that this was in violation of Ms. Islam's contract; that she violated the non-compete clause.

Counsel Dotson presented argument to have a TRO implemented today; asking that GSR stop using information obtained from Ms. Islam and incurring damages.

COURT asked if the names of customers from Atlantis are available.

Discussion ensued regarding Ms. Islam unable to print out customer information but could modify information in the database.

Counsel Dotson presented further argument regarding modified data by Ms. Islam; that customers weren't receiving play offers or incentives to play from Atlantis but from GSR; that some customers complained regarding confidential information taken from Atlantis.

Discussion ensued regarding how the casinos can sort out what information of customers that were solicited.

Counsel Johnson addressed the Court and advised that Ms. Islam has been suspended until further notice; that she has no access to any GSR computers and she is not allowed to contact any customers; that she has surrendered her cell phone also to GSR. Counsel Johnson further advised that the issue will be players in both databases that were already in the database before Ms. Islam was hired at GSR.

Discussion ensued regarding casino host (ess) has a defined group of customers.

Counsel Johnson further addressed the Court and advises that the casinos maintain a specific list of customers for each host (ess).

Counsel Dotson addressed the Court and concurred; that host (ess) have specific list of their customers.

Discussion ensued regard third party or Special Master look at customer lists of Atlantis and GSR and compare.

Counsel Dotson requested that the Court ask GSR to collect customer information that has been entered into GSR's database by Ms. Islam that may have come from Atlantis.

Further discussion ensued regarding data list; that parties don't want to let the other party know what they have. Court further advised that a third party could look at the list to see which customers were at Atlantis and them improperly given to GSR.

**APPLICATION FOR TRO**

Counsel Dotson gave example of customer that was taken from Atlantis' book of list and solicited by Ms. Islam at GSR; that the customer was not one of Ms. Islam's but of another hostess (Moreno).

Further discussion ensued.

Counsel Cohen addressed the Court and advised that on a practical basis the issue of Ms. Islam is moot; that she has been suspended; that the issue of 'list of people' in the database is how far back in the database should the parties look. Counsel Cohen requested that the parties submit in camera list from parties to see which customers are on both lists.

Counsel Dotson further addressed the Court and advised that Ms. Islam stated to Atlantis that she was leaving town as her reason for leaving Atlantis; not going to work at GSR.

COURT advised that under the circumstances a TRO should be GRANTED as to Ms. Islam.

COURT suggested that under the circumstances some of the issues are moot because of the termination of Ms. Islam; that the Court is inclined to enter an order as to the corporations recommending any information inquired by Ms. Islam or any use of such information, or product of information that Ms. Islam brought to GSR, parties are prohibited from using; that the corporations work out the list of players that Ms. Islam had at Atlantis who have heard from GSR; that a third party or Special Master be selected so that Atlantis can submit to the third party a list and GSR can submit a list to compare contacts made by Ms. Islam while employed by GSR; that the Special Master is not employed by a competitor.

COURT advised that money damages may be hard to prove; that the corporation is working in tandem with Ms. Islam.

STATUS HEARING

Rob Dotson, Esq., was present in Court on behalf of the Plaintiff, with Debra Robinson, Esq., General Counsel for the Plaintiff, being present.

Mark Wray, Esq., was present in Court on behalf of Defendant Sumona Islam, who was not present.

Stan Johnson, Esq., and Steve Cohen, Esq., were present in Court via Court Call, on behalf of Defendant GSR Enterprises, LLC, who was not present.

3:02 p.m. – Court convened with Court and counsel present.

The Court addressed and confirmed with the parties that a Temporary Restraining Order (“TRO”) had previously been entered by Department Six against Defendant Sumona Islam, and that the Temporary Restraining Order as to Defendant GSR Enterprises, LLC (“GSR”) remains outstanding.

Counsel Dotson addressed the Court and responded that the TRO as to Defendant Islam is “stale”, as the law provides that a TRO cannot exceed thirty days. Further, counsel advised that the parties can stipulate to extend the TRO or the Court can extend the TRO fifteen days. Further, counsel advised that the parties cannot come to terms as to the TRO against Defendant GSR. Counsel further advised that an investigation is being conducted by the Gaming Control Board as to Defendant Islam, however, the parties would like to proceed with the Preliminary Injunction. Further, counsel advised that the NRCP 16.1 Case Conference was conducted yesterday, and the parties are exchanging documentation.

Counsel Johnson addressed the Court and responded that he had provided counsel Dotson with a revised Stipulation and Order with respect to the GSR TRO, however, counsel Dotson disagreed with the proposed language. Further, counsel moved to have the parties submit the stipulations and orders to the Court for review and consideration. Further, counsel advised that no TRO currently exists against GSR, counsel prefers not to have a TRO entered against GSR, and proceed as Judge Adams previously instructed. Further, counsel argued that no bond was ever posted in this matter, and therefore a TRO would not be valid without the posting of a bond. Counsel further moved to extend the TRO with respect to Defendant Islam until the Preliminary Injunction.

Counsel Wray addressed the Court and responded that even though the TRO has expired with respect to Ms. Islam, she has still “honored” the TRO, even without the

posting of a bond or technical issues that may exist. Counsel Wray further argued that Ms. Islam does not want a TRO against GSR, and counsel further argued that Ms. Islam was never noticed of the TRO, and lost the opportunity to address relevant issues. Counsel further moved to file a Motion to Modify or Dissolve the TRO, combine the Preliminary Injunction and Trial on the merits, and further argued that this case is suitable for ADR. Counsel further advised that Ms. Islam is presently not working at GSR, having previously been suspended, has not been contacted by the Gaming Control Board to be interviewed, however, he, counsel Wray, contacted the Gaming Control Board on her behalf. Counsel further argued in support of the civil case proceeding, prior to any criminal matter, if applicable, and further, counsel advised that Defendant GSR reported Ms. Islam to the Gaming Control Board, and she would like to maintain status quo until the Preliminary Injunction is conducted.

Counsel Dotson responded and confirmed that Department Six did not order a bond with respect to Ms. Islam, and he would expect a bond to be posted with respect to GSR. Further, counsel expressed concerns about everyone participating "meaningfully" in ADR, had no objection to the Preliminary Injunction and Trial on the merits being combined, and further addressed the use of a Special Master with respect to the client lists. Counsel further advised that he had located a Special Master, but could not recall his name. Further, counsel stated his concerns as to the Preliminary Injunction going forward in thirty days, as it will take longer than thirty days to provide clients lists and obtain a report from the Special Master.

Counsel Johnson responded and stated his concern as to the discovery that would need to be conducted in this matter.

COURT ORDERED: The parties are ordered to submit changes to the TRO to the Court for review and consideration. As to the requirement of a bond, if there is going to be a stipulation, the Court does not see the necessity of a bond in light of the fact that Defendant Islam continues to abide by the TRO. Further, the Court will let the parties determine if ADR is appropriate, and further, it is the Court's opinion that the use of a Special Master is appropriate as to the client lists. Further, as to the Gaming Control Board investigation involving Defendant Islam, the Court is not going to restrict the conditions of Ms. Islam's participation in the civil matter or a waiver of her Fifth

Amendment privileges, however, the Court does not want large sums of money expended preparing for trial, only to have this matter continued.

Counsel Johnson responded and advised that he will provide the Court with his proposed stipulation and order.

COURT ORDERED: The parties are ordered to provide the Court with their proposed Stipulations and Orders no later than Monday, July 2, 2012. Further, the TRO as to Defendant Islam will remain in place until the Preliminary Injunction and Trial, presently set for August 27, 2012 at 9:30 a.m. for Four days.

Counsel Wray and Johnson responded and had no objection. Further, counsel Wray stated his preference to setting a trial on the merits, and further, counsel advised that the Gaming Control Board is investigating Defendant Islam for theft, and unlawful use of a computer. Further, counsel Wray advised that he has a trial in Department Eight on August 27<sup>th</sup>.

The Court advised counsel that D7 will assist coordinating trials with Department Eight. Counsel Dotson and Johnson responded in the affirmative as to the August 27, 2012 Trial date.

Counsel Cohen addressed the Court and moved to set Status Hearing as to the availability of the Report from the Special Master.

COURT ORDERED: The Court has no objection to setting a Status Hearing, but will not require the Report from the Special Master prior to the Preliminary Injunction/Trial on the merits. Further, a Status Hearing will be set for August 2, 2012 at 1:30 p.m. Counsel Johnson, Cohen and Dotson can appear via Court Call. It is further ordered that the Preliminary Injunction/Trial on the merits will proceed on August 27, 2012 at 9:30 a.m. for Four days.

STATUS HEARING

Rob Dotson, Esq., was present in Court on behalf of the Plaintiff, with in-house counsel Debra Robinson, Esq., being present.

Mark Wray, Esq., was present in Court on behalf of Defendant Sumona Islam, who was not present.

Stan Johnson, Esq., and Steve Cohen, Esq., were present via Court Call on behalf of Defendant GSR Enterprises, LLC, who was not present.

1:27 p.m. – Court convened with Court and counsel present.

Counsel for the Plaintiff addressed the Court and argued that he has submitted Plaintiff's Findings of Fact and Conclusions of Law which were signed and filed by the Court, but the Notice has not yet been filed by counsel. Further, counsel advised that Defendant GSR Enterprises, LLC filed their Findings of Fact and Conclusions of Law yesterday, to which Plaintiff's counsel filed their opposition. Further, counsel advised that no Memorandum of Costs or Motion for Attorney's fees has been filed by Defendant GSR Enterprises, LLC.

Further, counsel expressed his concern as to the timing of the appeal, wanting one final judgment only entered, thereby allowing all potential appeals to run from the same date. Further, counsel discussed the serious nature and potential ramifications of the Court's decision, and argued in support of moving this case forward. Counsel Johnson addressed and acknowledged to the Court that he was remiss in submitting their Findings, and further advised that he submitted them last week to Plaintiff's counsel for his review.

Further, counsel advised that he and Plaintiff's counsel cannot agree on any modifications and the Findings have been submitted to the Court for review and written decision.

Counsel Wray addressed the Court and advised that he has spoken to counsel Dotson and responded to and briefed anything relevant to Ms. Islam.

COURT ORDERED: The Court orders counsel Johnson, on behalf of Defendant GSR Enterprises, LLC, to e-mail his proposed Findings to Department Seven. Further, the Court will issue a written decision no later than Friday, October 4, 2013.

1:35 p.m. – Court stood in recess.
