TRACIE K. LINDEMAN
CLERK OF SUPREME COURT
BY *Malaga*
DEPUTY CLERK

Dear Sirs and Ms. Abrams:

Please be advised that I have never represented any of the parties to the above referenced action. I have never filed any type of pleading in this matter nor have I ever entered into any agreement or tentative agreement to represent any of the parties.

It recently came to my attention that attorney James Studer of Simi Valley, California, took it upon himself, without any notice to me, to serve a pleading on behalf of Chiu Entities using my name and address. Apparently, Mr. Studer then supplied this pleading to Dr. Chiu who caused it to be filed in the District Court.

While Dr. Chiu did call me, I very definitely advised him that I did not wish to represent him or his entities in this matter. There could have been no misunderstanding on his part.

I am enclosing a copy of the Fee Disclosure which I believe in and of itself makes it clear that I did not file it.

How the actual filing took place, I do not know, but it was certainly not through my office.

I have never been placed in this situation before and I am not sure what steps to take. I do not see filing a motion to be removed as I have never appeared in this matter. I would appreciate any advice that might be offered.

As for Dr. Chiu, it would appear to me that the answer he filed is fraudulent and a form of identity theft.

Thank you for your consideration of this matter.

Sincerely,

Jacqueline McQuigg
