RAYMOND RIAD KHOURY,
Appellant,
vs.
MARGARET SEASTRAND,
Respondent.

No. 65172

ORDER GRANTING MOTION FOR EXTENSION OF TIME

On September 24, 2014, this court entered an order granting appellant's motion for a fourth extension of time to file the opening brief. Our order noted that no further extensions of time would be granted. Appellant has now filed a motion for a fifth extension of time, of ten additional judicial days, to file the opening brief. In support of the current motion, counsel states that the circumstances warranting the previous extension, along with the departure of associates from his firm, caused a backlog necessitating additional time to complete the opening brief. In light of the cause demonstrated and the relatively short period of time requested, we grant the motion. Appellant shall file and serve the opening

brief and appendix by October 20, 2014. No further extensions of time will be granted.

It is so ORDERED.
