RE: Palmieri v. Clark County, et al.
Supreme Court Case No. 65143

Dear Nevada Supreme Court Clerk:

On January 19, 2016 the Petition for Rehearing was electronically submitted in the above-referenced matter. However, this document was rejected on January 20, 2016 (rejection notice attached). Upon instruction from a representative in the clerk's office, it was determined that the document should have been titled "Petition for Review" as Appellant is seeking review of the Court of Appeals' Order by the Nevada Supreme Court.

As such, I have electronically re-submitted the same brief, with a new title. Given the inadvertent and accidental error regarding filing but showing that the Petition was filed by the NRAP 40 and 40B, 18 day deadline (*i.e.* January 19, 2016), this Petition for Review is timely.

Should there be any questions or concerns regarding this filing, please do not hesitate to contact me.

Thank You,
