MEMORANDUM

I, CRAIG W. DRUMMOND, ESQ., am a duly qualified, practicing and licensed attorney in the State of Nevada and State of Missouri and appointed counsel for Defendant DONALD TAYLOR in the above-captioned case. Appellant submits his first request for a forty-five (45) day extension of time in which to file Appellant's Opening Brief and Appendix. Appellant's Counsel needs additional time due to conflicts in scheduling with other trial matters, recent personnel changes in the firm, and Appellant's request to review said Brief before filing.

This is an appeal from a Judgment of Conviction for which Appellant is serving a life sentence. Appellant filed a Notice of Appeal on April 4, 2014 and Case Appeal Statement on April 8, 2014. Appellant's Opening Brief and Appendix are due August 8, 2014.

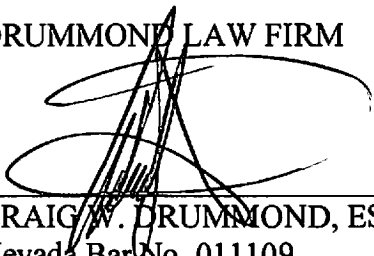

Pursuant to NRAP 26(b), this Court for good cause shown can enlarge the time prescribed by the Nevada Rules of Appellate Procedure for perform any act, or may permit an act to be done after the expiration of such time. This case involves complex issues in which Appellant is serving a life sentence for which a detailed review is required.

Appellant respectfully moves for an enlargement of time of forty-five (45) days, making said brief and appendix due September 22, 2014. This will give Appellant sufficient time to thoroughly review the issues in his appeal. No other extensions have been requested.

DATED this 30 day of July, 2014.
