WHY?
CONSCIOUSNESS OF GUILT
"It's all bad."

- 
- She knows something is wrong
 - "Before I could get home, I was so worried, like wondering what the hell's going on, 'cause this never happens."
 - "He looked worried"
 - "I can tell he was upset"
 - "He shut the door and he's like 'I might have to go to CA.'"
 - "He kept telling me 'It's all bad. It's all bad. Something happened bad.'"
 - "He was like, 'I can't tell you. The less you know the better.'"
- 

- 
- "He said 'I need to go run out to Cheyenne.'"
 - "There was a car parked there and we moved it."
 - "He went inside the house and he talked to whoever was at the house, and then he got back in my car and we left."
 - "Remember telling me he 'hid' a black car?" "Well, he . . . Yeah."
 - "I seen him in that black car before."
- 

- 
- "Then he went to his friend's house . . . Inside the same apartments, back there."
 - "The reason why I know it's back there because shortly after he called me on the phone and that's when he asked me to go see if, what kind of car was outside."

Uses John Davis' Phone

- John Davis' phone is used to call Travon Miles during that time period
- Defendant still had a working phone - Detectives find it on him a few hours later and call it

WHY?

- "He just keeps leaving back and forth, and I kept saying 'why aren't you staying home?'"
- "He called me on the phone... he told me to go & see if there was a burgundy SUV out there."
- "I was on the phone talking to him as I was walking."
- "Then I was like 'fuck this, I'm going in the house - I look suspicious.'"

- He calls her to pick him up
- Detectives see her drive to Rum Runner on E. Tropicana

"That's why he wouldn't probably tell me. Because of what he's done today."
