ORDER

The parties previously filed a motion requesting a "stay" of
this court's decision in this matter pending approval by the district court

15-26778

of a settlement agreement between the parties. On July 29, 2015, the parties filed a document indicating that a status hearing was set in the district court for the following day, at which time a hearing date would likely be set for approval of the settlement. The parties stated they would inform this court of the hearing date once set. Although it appears from the district court docket entries that a hearing date has been set for September 8, 2015, the parties have not informed this court of any hearing date or otherwise communicated with this court. Accordingly, the parties shall have until September 11, 2015, to inform this court, in writing, of the date and/or results of any status hearing regarding the settlement agreement.

It is so ORDERED.
