16 **NOTICE OF APPEAL**

17 NOTICE IS HEREBY GIVEN, That the Petitioner/Defendant,
18 ERICK M. BROWN, in and through his proper person, hereby
19 appeals to the Supreme Court of Nevada from the ORDER denying and/or
20 dismissing the MOTION TO COMPEL COURT TO CORRECT ITS OWN
21 "ERRORS AND OMISSIONS" WITH THEIR "PRESUMPTION" OF THE (NRS)
22 IS NOW CHALLENGED WITH THE KNOWLEDGE OF LAW AND "WHITE PAPER" etc

ADDITIONAL FACTS OF THE CASE:

NATURE OF APPEAL

The Nature of this Appeal is Specifically Engineered to address the District Court denials caused by the constant interference by the Clark County Chief Deputy District Attorney H. Leon Simons malicious misrepresentation of law and facts as well as his effort to cause the District Court to ERROR; in regards to this Petitioner's "Motion to Compel Court to Correct its own ERRORS and Omissions with their Presumption of the (NRS); IS now challenged with the "WHITE PAPER" research with attached PRIMA FACIE evidence as PROOF of the unconstitutional invalid (NRS)"... see EXHIBIT "A"

Therefore, this Appeal is made Specifically to those issues raised as aforementioned for this Court's Arbitration decision; (C.D.D.A) H. Leon Simon is running the 8th Judicial District Court Dept. 25; the ERRORS listed in the Motion to Compel were clear and unambiguous and supported by the PRIMA FACIE documents/exhibits for the Court to make a fair unbiased ruling; furthermore H. Leon Simon sent an Opposition one week after the hearing denying the Petitioner the ability to respond in a timely manner as prescribed by law, and Court procedures...

The Honorable Judge Kathleen E. Delaney refuses to address the behavior of (C.D.D.A) H. Leon Simon and allows him the complete immunity to violate Petitioner's Due Process Rights and to circumvent the Nevada Constitution at his will...

- Court advised it reviewed all the pleadings in this matter and there are two issues raised in Ms. Diefenbach's motion, the challenge of the photo I.D. line up and the in court I.D. at the Preliminary Hearing. Following arguments by counsel, COURT ORDERED, motion DENIED as it does not find the photo line up suggestive or prejudicial in any way and is not inclined to mandate new procedures for in court identifications. Ms. Diefenbach advised matter is set for Calendar Call on Tuesday and the Co-Defendant filed a writ. Court advised counsel it can adjust within reason to accommodate both Defendants for trial since Defendant Blackwell has invoked his speedy trial rights.

- DEFT'S PETITION FOR WRIT OF HABEAS CORPUS - BROWN...TRIAL SETTING

Court advised it sees two basic aspects - 1) asportation of the underlying offense and 2) question of increase danger to pursue alleged kidnapping to person or persons; it has doubts to this restraint not being incidental to robbery and asked Ms. DeLaGarza to work a hypothetical with the Court. Ms. DeLaGarza advised the defts bound the victims. Court asked where is the charge that the beating would justify. Ms. DeLaGarza advised kidnapping included bodily harm, and this binding was not just incidental to robbery. Mr. Fritz stated it deals with kidnapping and robbery, people were not kidnapped to be harmed but to be robbed. Court asked what is the separate offense. Ms. DeLaGarza advised the kidnapping is it's own offense charge and these victims sustained bodily harm. Mr. Fritz advised they say it's a robbery case and he thinks it's right on point with the Wright case. Court

advised it should be left to the jury as to robbery. COURT ORDERED, Deft Brown's Petition for Writ is DENIED. Mr. Fritz advised we needed to set a trial date. Ms. DeLaGarza advised deft. Black invoked and deft. Brown waived. COURT ORDERED, matter set for trial in 60 days. Trial date given due to request of the State. Mr. Fritz inquired about standard bail. Opposition by Ms. DeLaGarza. Court directed counsel to put bail request in a written motion.

Statements by Ms. De La Garza regarding the instant case, noting Defendant is a flight risk and, therefore, she opposes the motion. Mr. Jorgenson advised the Intake Services Report does not recommend an O.R. release but he is requesting standard bail be set. Upon inquiry of the Court, Defendant stated he lives in California. Court noted trial is set for June 30 and doesn't like the ideal of having to find Defendant in California when this case carries a possible life sentence and, ORDERED, motion DENIED.

- Mr. Fattig advised he is ready with 13 witnesses (7 out of State) and lasting 4-5 days. Mr. Cristalli stated he is ready as well. Court noted there is a trial ahead of this, however, if it negotiates, this case will go forward. Mr. Cristalli advised there are 4 subpoenas that were not complied with. Upon review of Court, Mr. Fattig noted Mr. Cristalli keeps issuing subpoenas that have nothing to do with this case. Mr. Cristalli stated he would like a copy of the procedural manual from the Henderson Police. Further, he feels they (the Henderson Police Department) have evidence of another person that is responsible for committing this crime that they have not turned over to the District Attorney. Mr. Fattig stated it is untrue, the person Mr. Cristalli is referring to was not picked out of the lineup and his fingerprints do not match. Mr. Cristalli argued there are errors in the report and the Police ignored evidence of another individual. Following additional colloquy, Court advised the subpoenas

would not be issued and stated its displeasure as he feels Mr. Cristalli is trying to put the Henderson Police Department on trial. Mr. Cristalli stated he needs an exemplar as the signatures do not match; that there are 3 documents and 1 does not match. COURT ORDERED, DENIED. - DEFT'S MOTION FOR DISCOVERY...EVIDENTIARY HEARING: DEFT'S PETITION FOR WRIT OF HABEAS CORPUS (POST-CONVICTION)

Court advised due to time constraints, the Evidentiary Hearing will need to be continued but the discovery issue can be resolved and inquired about fingerprints. Mr. Fattig advised there were 9 prints that were all run through AFIS of which 2 did not come back to anyone. Arguments by Mr. Langford. Court stated absent a showing that prints put into the AFIS system was not a general search, it will not be done again. Arguments by Mr. Langford as to item #2 of his motion. Mr. Fattig advised these prints were entered into the Henderson Police Department's new computer system; that the date on the report was the date the information was entered into the system, not the date of the actual test. Mr. Fattig argued this was testified to during trial and the witness was cross

examined by Mr. Cristalli. Mr. Langford argued that the transcript is not clear as to what was said at trial and it is his recollection there was nothing mentioned as to why the dates came out incorrectly. Mr. Fattig advised Mr. Cristalli and his Investigator were allowed to go to the Henderson Crime Lab to look at the original reports. Following additional arguments, Court advised it is not satisfied that further discovery is needed at this time.

Mr. Langford advised he would like to do DNA testing on the ear ring. Arguments by Mr. Fattig. Following, COURT ORDERED, the ear ring to be sent over for DNA testing.

Mr. Langford advised he believes there were several communications via e-mails between Las Angeles and Nevada indicating that Defendant was not originally a good suspect. Mr. Fattig stated Defendant's credibility is lacking, he is claiming that reports existed that Mr. Cristalli did not ask for previously and that he (Defendant) also gave an interview to an FBI Agent when in fact he did not. Mr. Langford argued that he has over 1,000 pages of Investigation that he needs to review and would request leave to file a reconsideration motion if need be. Court advised a Motion maybe submitted, however at this time, it feels nothing more is warranted. Further, copies of the fingerprint cards are to be released to show they were run in the AFIS system.

Following colloquy, Mr. Langford advised he will prepare the Order as to DNA testing. Court so noted and ORDERED, matter set for status check.

As to the finger print cards, Mr. Fattig advised he needs to get them and have them copied for Mr. Langford. Following additional colloquy and at request of counsel, COURT ORDERED, matter CONTINUED 60 days.

JOURNAL ENTRIES

- Court advised, this matter is on calendar today for there to be an evidentiary hearing conducted. Witness testimony presented (See Worksheet). Following arguments by counsel, Court further advised, trial in this matter occurred almost 6 years ago and appears to have been examined very well. Regarding the rendition of what was heard the issue of not comparing the finger prints on the glass of the jewelry store would pretty much be a speculation. This Court can not fault Attorney Cristalli for not proceeding with that strategy as it does not appear to be negligent. Further, it is a slippery slope that is never ending regarding there being failure to try the police department. The issues raised regarding the police department appear to be fishing attempts by the Defendant to verify the specifics as to the communication conducted by the officers. Upon review of the facts and testimony presented, COURT ORDERED, the petition is DENIED; Defendant's request for an expert is DENIED.
