9 **MOTION FOR EXTENSION OF TIME FOR DOCKETING STATEMENT**

10 Appellant hereby moves for a one-week extension of time for filing the docketing
11 statement. This is appellant's first request for such an extension. The docketing statement was
12 due on Monday, August 18, 2014, and appellant is requesting an extension until Monday,
13 August 25, 2014.

14 This is a companion case with the appeal in docket No. 66072. Appellants attorneys
15 were working on the docketing statement in No. 66072, in which the docketing statement was
16 unusually complicated due to motions that impacted jurisdiction. The undersigned counsel for
17 appellant finished the docketing statement in that appeal, and we attempted to file it
18 electronically on August 18, 2014; but we were unable to do so because the court's e-filing
19 system was down. In the meantime, and in the flurry of activity going into the process of
20 working on the docketing statement in No. 66072, the undersigned counsel for appellant
21 inadvertently failed to realize that the docketing statement in the present docket was also due
22 on August 18, 2014. Counsel recognized this on August 19, 2014, which was the date that
23 counsel had calendared for the docketing statement.

24 There were multiple judgments and motions in the district court, creating complexity on
25 jurisdictional issues. Appellant's attorneys are now in the process of preparing the docketing
26 statement, but due to its complexity and unusual content, counsel needs another few more days
27 to complete it and to have it reviewed by trial counsel and the client.

1 Accordingly, appellant requests an extension until Monday, August 25, 2014, for filing
2 the docketing statement.
