

IN THE SUPREME COURT OF THE STATE OF NEVADA

CORY DEALVONE HUBBARD,  
Appellant,  
vs.  
THE STATE OF NEVADA,  
Respondent.

No. 66185

**FILED**

OCT 21 2016

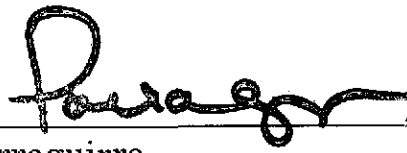

ELIZABETH A. BROWN  
CLERK OF SUPREME COURT  
BY S. Young  
DEPUTY CLERK

*ORDER GRANTING PETITION FOR REVIEW IN PART  
AND DIRECTING SUPPLEMENTAL BRIEFING*

Having considered the petition for review and response to the petition, we have determined that review is warranted on the issue of whether the district court abused its discretion in admitting prior bad act evidence to prove absence of mistake and intent because the defense did not put absence of mistake or intent at issue. We therefore grant the petition as to only that issue. NRAP 40B(g). It further appears that supplemental briefing on this issue would be of assistance. *See id.* The supplemental briefs shall be limited to argument on the issue on which review has been granted. The briefs shall be no longer than 15 pages or 7,000 words and otherwise shall comply with the requirements set forth in NRAP 32(a)(1), (3)–(6), and (9). Appellant shall have 20 days from the date of this order to file and serve his supplemental brief. Respondent

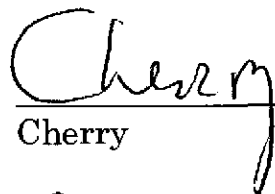

shall file and serve its supplemental brief within 20 days after the appellant's supplemental brief is served.

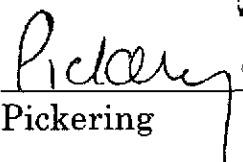

It is so ORDERED.<sup>1</sup>
