ORDER

We previously informed the parties that this appeal may be assigned to the Court of Appeals of Nevada for disposition. *See Nev. Const. art. 6, § 4.* Because the appeal had been docketed before the effective date of amendments to the Nevada Rules of Appellate Procedure that allow the parties to address assignment of an appeal in their briefs, we provided the parties an opportunity to file a written statement explaining why this court should not assign this appeal to the court of appeals. Appellant has filed a statement suggesting that this court should retain this appeal. Having considered appellant's statement, this court will retain this appeal for disposition.

It is so ORDERED.
