Clerk of Supreme Court

IN THE SUPREME COURT OF THE STATE OF NEVADA

WESLEY ALLEN LEWIS,

Appellant,

vs.

MARIA DANIELA LEWIS, aka
MARIA DANIELA PERDOMO,

Respondent,

Case No. 66497

*District Court Case No: D-10-427054-D
Dept.: T*

**MOTION FOR LEAVE TO FILE
REQUEST FOR TRANSCRIPT
OF PROCEEDINGS OUTSIDE THE
DEADLINE**

Appellant, Wesley Allen Lewis, respectfully requests leave to file his request for transcript of proceedings outside the deadline, which was April 22, 2015. The delay in filing the request was caused by Counsel's unfamiliarity with the process of obtaining transcripts for an *in forma pauperis* client from the family court. Efforts to obtain clarification on the appropriate procedures are demonstrated in the series of emails attached in Exhibit A to this Motion. However, that difficulty has since been resolved, and a transcript request was filed in the District Court on April 28, 2015.

Counsel has no reason to anticipate that the one week delay in the request will require any extension of the briefing schedule. Counsel apologizes for the late filing.

Wherefore, Counsel respectfully requests the Court grant leave for the

request for transcripts to be filed outside the deadline.

DATED this 29th day of April, 2014.

Dear Ms. Hoban,

I received the email below from Janet Jirak with Verbatim Reporting and Transcriptions, LLC, explaining they have received another direct request from your firm for hearing transcripts.

I wanted to explain that Verbatim is the outsourcing company the Transcriber's Office for the Court uses to assist in completing our transcripts. They do not have access to our court hearings and are unable to assist you directly with your request for court hearing transcripts.

Attached is the form used to order any Family Court hearing transcripts. Please be sure to attach your request for fee waiver based on the Supreme Court Order so processing will not be delayed. If you have any questions I can answer or if I can assist further, please be sure to contact me.

Sincerely,

Annette Duncan

Hi Sara –

We are still in the process of obtaining transcripts. We have filed notice of our representation of pro bono client in Supreme Court, do we need to file the SOLA in District Court in order to obtain the transcripts at the county's expense? Is there an example we can follow of a case that is in Supreme Court and requesting transcripts from District Court? The rule is not really clear.

Hi Renee,

Here are some directions I wrote up for another pro bono attorney. If this does not work, please let me know and we'll figure out where to go from there. Thanks, Sara

After you file the NOA and SOLA in the SC case, you will be able to review the record already filed in the appeal through your eFlex account. If you feel additional transcripts are necessary, you should at that time contact the department in the lower court where the case originated in order to request and complete the appropriate transcript request form. You should include a copy of the SC file-stamped SOLA (that we provided with your client file and you will file in the SC case when you file your NOA) with your transcript request and let the transcript company know that the transcripts are to be prepared at the county's expense per NRS 12.015 because your client is indigent.

We have found that the transcript companies are sometimes hesitant to prepare and provide the transcripts at the county's expense and will ask you for a deposit or payment in full. **But per NRS 12.015, they should be preparing the transcripts at the county's expense.** The county has a fund set aside for just this purpose. If the transcript company refuses to prepare the transcripts without payment from you, I would suggest providing them a copy of the "Order Directing Compliance with NRAP 9". That order was or will be issued by the Supreme Court in your pro bono appeal case once you file your Notice of Appearance. The second paragraph of that Order

reiterates that because the client was granted leave to proceed in forma pauperis, the attorney should obtain transcripts, etc. at the county's expense per NRS 12.015(3).

If the transcript company still refuses to provide the transcripts at no cost (this has happened a couple of times in Washoe County), I would suggest you contact the Court Administrator of the lower court to see if he/she can assist in clarifying with the transcript company that the costs should be covered by the county. If that doesn't work, you may need to file a "**Motion to Compel the Preparation of Trial Transcript**" in the lower court case. The pro bono attorneys who encountered this issue in Washoe County, did have to file a motion before they were finally able to obtain the transcripts at the county's expense. Thankfully, this has not been necessary in most cases.

I received an email from Sara Feest at the Legal Aid Center re our questions about filing the Request for Transcripts. We need to file the SOLA – which I have and will do today. Then, we can attach a copy of the Statement of Legal Aid Representation and NOA to the Request for Transcript and that should work.

I will file the SOLA now and get the Request for Transcript complete and ready to file.

Thanks,
