ARRAIGNMENT

Deputy District Attorney, Zelalem Bogale, represented the State.

Defendant present with counsel, Christopher Frey, Esq.

Probation Officer, Thomas Wilson, also present.

Defendant handed a copy of the Information; indicated to the Court that name as set forth on same was his true name; waived reading and entered plea of guilty to Promotion of a Sexual Performance of Minor, Age 14 or Older as set forth therein.

TRUE NAME: RODERICK STEPHEN SKINNER

Counsel Frey recited negotiations to the Court. He indicated the Defendant would enter a plea guilty in this matter and upon sentencing the State would dismiss CR13-1601, the matter would be free to argue and no additional charges would be filed as a result of the incident. He further noted the Defendant understood the victims in the matter would be allowed to present a victim impact statement and also understood the matter carried a possible life sentence and a minimum of five (5) years needed to be served before a possible parole consideration. He further noted the Defendant understood this would require lifetime supervision and also that probation was possible. Counsel Bogale agreed with the representations of Counsel Frey, but noted a psychosexual risk assessment would need to be completed and possible probation would depend on the results of the assessment.

Defendant sworn and fully canvassed by the Court as to his rights. State's counsel set forth the elements of the offense charged. Possible penalty for offense charged stated to Defendant. Court accepted plea after finding that the Defendant was freely, voluntarily and competently entering such plea and had been fully advised by counsel.

COURT FURTHER ORDERED: Matter continued for entry of judgment, consideration of probation report and imposition of sentence. Defendant remanded to the custody of the Sheriff.
