Re: ADKT 501

Dear Ms. Brown:

I apologize for the lateness of my comment on ADKT 501, but due to what I believe would be the adverse effect the adoption of ADKT 501 would have on appeals to the Supreme Court, and to the rights of litigants in the State of Nevada I felt compelled to submit this letter in the hope it would be considered.

As a litigation practitioner in the State of Nevada for almost 40 years, and having briefed and argued many cases before the Supreme Court I believe ADKT 501 would significantly curtail the due process rights of appellants. I believe it would also create inconsistencies in the rules of procedure in some circumstances that are not addressed in the proposed amendment to Rule 3A. In short, I would ask that the Supreme Court not adopt this rule change.

Sincerely,

J. Randall Jones, Esq.
