With respect to Mr. Farley, there is no information as to what information he was provided with to determine which method of testing was used. Mr. Staudaher stated the methodology is an issue and requested the same information that was provided to the expert that helped him make the determination that the testing shown in the video was the appropriate way to test. There has been no disclosure by the defense as to what was given to the expert to rely on to formulate his analysis

make this objection there and the situations are very similar.

As to Doctor Rothfeder, Mr. Staudaher argued he has the same issues and argued he only has curriculum vitae from Dr. Rothfeder regarding head injuries. Mr. Staudaher stated he plans to talk to him and get an idea of what his area of expertise is.

Mr. Reed argued the State has all the medical records. Court stated Mr. Reed must disclose, in writing, what was given to the doctor. Mr. Reed inquired if the State would do the same with their retained experts, because he does not have reports.
