- State's Opposition to Defendant's Motion for Bail FILED IN OPEN COURT. Discussion between Court and counsel regarding the current bail setting as to the charges. Argument by Ms. Diefenbach requesting a standard bail setting on each of the counts and noted that Defendant is homeless and would most likely be unable to make that bail. Argument by Ms. Pandukht advising Defendant was very bold in his actions against the victims in this case, has past felonies, and that he is a substantial danger to the victims if released. Ms. Pandukht further stated Count V qualifies Defendant as a violent criminal and requested a One Million dollar bail setting on Count V alone. Further arguments by counsel. COURT ORDERED, Bail set in the amount of \$75,000 PER COUNT. Calendar call and trial dates STAND.

COUNSEL AND APPOINTMENT OF NEW COUNSEL

Ms. Pandukht present before court convened. Ms. Kollins present when the matter was called. Mr. Avants advised this is Ms. Diefenbach's case and that she had requested a one-day continuance.
COURT SO ORDERED.

Matter RECALLED at Defendant's request. Defendant advised the Court that he had letters he had written to the Court and a letter Ms. Diefenbach had written to him stating she had intercepted said letters and allegedly instructed Defendant not to communicate with the Court directly. Court advised Defendant it would be improper for this Court to obtain communication which would possibly

violate Defendant's confidentiality rights between himself and his attorney. Defendant argued these were letters advising the Court of why he was requesting new counsel. Court requested Defendant remove the letter from Ms. Diefenbach and the Court accepted Defendant's letters to the Court. Defendant attempted to make a statement regarding being diagnosed as bi-polar. Mr. Avants stopped Defendant and advised him to make no further statements. COURT ORDERED, matter CONTINUED for the presence of Ms. Diefenbach.

- DEFT'S MOTION TO SUPPRESS CONFESSION...DEFT'S MOTION TO STRIKE DUPLICITOUS COUNTS

Upon Court's inquiry, Ms. Pandukht and Ms. Diefenbach announced ready for trial.

DEFT'S MOTION TO SUPPRESS CONFESSION: Ms. Diefenbach argued that the Miranda warning was given to Defendant prior to the tape player being turned on and she feels an Evidentiary Hearing is needed. Ms. Pandukht argued there was a full and complete Preliminary Hearing; that the officer was questioned regarding Miranda, but she did not have him recite the whole thing and neither did Ms. Diefenbach. Court noted it feels there is insufficient reasons to warrant a suppression, the fact that Defendant was tired by the end of the interview does not mean he is incompetent and the

confession should be suppressed, therefore COURT ORDERED, Motion DENIED.

DEFT'S MOTION TO STRIKE DUPLICITOUS COUNTS: Court noted this involved Counts V and VI and X and XI. Ms. Pandukht concurred stating she did charge the lesser includeds and will put on the Jury form that they can only find one or the other. Ms. Diefenbach stated she feels it looks better to the Jury if the Defendant is facing 9 counts instead of 11. COURT ORDERED, Motion DENIED.

DEFT'S PRO PER MOTION TO DISMISS COUNSEL AND APPOINTMENT OF NEW COUNSEL:

Court noted this motion was set after trial and inquired if Defendant was desirous of going forward at this time. Defendant stated he would like new counsel. Court pointed out that if Defendant wanted to hire new counsel, the trial would be set in January, 2003. Mr. Avants advised that Defendant gave them 5 names, however, they will not be calling any of these as witnesses. Ms. Diefenbach stated they contacted most of the people he listed, however, have chosen not to use them; and she has copies of the records he wanted. COURT ORDERED, Motion DENIED.

Upon Court's inquiry, Ms. Pandukht advised the trial should last 5 days with 17 witnesses and 2 being out-of-State. COURT ORDERED, Jury selection would begin at 1:30 PM on Monday, March 4, 2002.

- 1:36 PM OUTSIDE PRESENCE OF JURY: Defendant advised of his right not to testify. IN PRESENCE OF JURY: Testimony and exhibits presented (see worksheets). 3:03 PM STATE RESETS. DEFENSE RESTS. OUTSIDE PRESENCE OF JURY: Jury excused for the day. Ms. Diefenbach objected to pictures of the victim in the hospital being shown to the jury. Ms. Kollins argued that they had 10 pictures and only used 4 to show her injuries. Court concurred that the State paired the pictures down and that the 4 that were chosen would be received into evidence. Ms. Diefenbach objected to prospective Juror Ms. Hymes being excused with no real reason and she was a minority. Ms. Pandukht stated this juror was late, she missed opening remarks and the witness list. Court

stated she was a minority, not sure if she was African American, but substantial questions had already been put to the jurors; this Court felt rather than to start over, she was excused. Ms. Diefenbach put forth a Batson challenge as to juror Washington being preempted by the State. Ms. Kollins argued that the 1st reason was because she was a paralegal. The 2nd reason, she voiced what terrible treatment her brother received and the State did not feel she could be fair. Court stated the reasons for her dismissal were apparent and there is no Batson challenge. Mr. Avants stated the Defense had prepared voir dire questions that the Court decided not to use. Ms. Kollins stated that actually there were some questions that were incorporated into the Court's voir dire. Court read the proposed questions and explained why they were not used. Ms. Kollins advised she received a call from the Defense re the transcript. They have prepared a redacted one and it will be used as opposed to the other one. The other one will be put in a sealed envelope. Additionally, there was a Justice Referral slip in Defendant's wallet that will be taken out and put in the envelope and that will not go to the Jury. Ms. Kollins stated the original micro tape has been marked as a Court's exhibit. Court so noted and advised it would be admitted. Jury instructions settled on the record. EVENING RECESS.
