CLERK OF SUPREME COURT

DEPUTY CLERK

ORDER TO SHOW CAUSE

This is an appeal from district court orders granting special motions to dismiss pursuant to NRS 41.660. Our initial review of the documents before this court reveals a potential jurisdictional defect. Specifically, it is not clear whether the district court's November 19, 2014, order granting Pat Songer's special motion to dismiss is a final judgment because it contemplates the dismissal of the case at a later date. *See* NRAP 3A(b)(1); *Lee v. GNLV Corp.*, 116 Nev. 424, 426, 996 P.2d 416, 417 (2000) (a final judgment is one that resolves all of the parties' claims and rights in the action, leaving nothing for the court's future consideration except post-judgment issues).

Accordingly, appellants shall have 30 days from the date of this order to show cause why this appeal should not be dismissed for lack of jurisdiction. In responding to this order, appellants should submit documentation that established this court's jurisdiction including, but not limited to, a copy of any written district court order dismissing the case against Pat Songer. We caution appellants that failure to demonstrate that this court has jurisdiction may result in this court's dismissal of this appeal. The requesting of transcripts and the briefing schedule in this appeal shall be suspended pending further order of this court.

Respondents may file any reply within 10 days from the date that appellants' response is served.

It is so ORDERED.
