Further, there has been no probable cause shown that Defendant committed murder and no evidence that Defendant had a weapon nor that Defendant was at the residence at the time alleged victim was alive. Additionally, there was no testimony presented to he Grand Jury there was any type of conspiracy to commit any type of crime by any of the parties and State has failed to meet their burden. Ms. Jimenez argued evidence that a murder occurred as victims were shot in the back of their heads execution style and the fact that a murder happened is not a question. Additionally, testimony was presented regarding time frame in which events occurred which were confirmed by witness testimony regarding gun shots, Co-Defendant's red truck speeding away from the residence,

and Defendant seen going into the residence which all goes to conspiracy. Further, burden is slight or marginal evidence which more than ample evidence was presented to Grand Jury to justify Defendant standing charges on both conspiracy and murder. COURT ORDERED, Petition DENIED. CUSTODY

Ms. Stanton stated he provided counsel with all Discovery he is aware of, however, Mr. Weinstock has to come to the District Attorney's office to review the file to determine what more he needs. Additionally, some of the Discovery they are asking for, the State is not required by law to provide. Mr. Weinstock commented that the State has access to information that he doesn't have access to, such as the scopes and histories of the descendants; Metro has not done any other investigation as to other suspects. The Court noted that it will not direct Metro to conduct additional investigation. As to scopes and witnesses, the State has to disclose; the State is not required to conduct investigation for the Defendant. Mr. Stanton advised that since this is capital case, Discovery law is not the same as other cases; Mr. Weinstock's request is overly broad and includes requests for presentence

The Court directed Mr. Stanton to provide scopes of descendants and case filings in Justice Court as well as filings in District Court. Mr. Stanton advised that the evidence review must be scheduled in advance; Mr. Weinstock should contact him and he will facilitate the meeting. He additionally informed Mr. Weinstock that he must contact Metro's Photo Lab for photos of any and all event numbers associated with this case; autopsy photos have to be requested from the Coroner, however he will provide the autopsy reports. Mr. Stanton announced ready for the State. Mr. Patrick stated there is an issue in that the coroner who did the initial report is not available and a different coroner is to testify. He advised that causes a problem for the defense and MOVED for a continuance. Mr. Stanton informed parties that Mr. Teljenon has retired and he phoned and left messages three times with no response; the rules of evidence allow calling another expert. The Court stated that the trial cannot be continued for that reason. The State was diligent in attempting to have the original coroner present. Mr. Patrick's request for a continuance is DENIED.

The Court stated that counsel met in Chambers yesterday and reviewed the juror questionnaires. Some of the potential jurors were released because of hardship and language problems. Counsel

agreed that was what was discussed.

COURT ORDERED, trial is SET on 10/27/14 at 9:00 AM. As to Mr. Patrick's motion, Mr. Stanton advised that no rent or utility bills; there are no Brady issues to disclose. Due to an ongoing duty to disclose, he informed parties that only travel and lodging expenses have been paid. Mr. Patrick asked for an order for a haircut for the defendant. COURT SO ORDERED. Order for Aggravators & Penalty Phase FILED IN OPEN COURT. The Court informed counsel that the motion is contrary to Nevada law for filing for a potential appeal, therefore Mr. Stanton is not obligated to reply.

- OUTSIDE THE PRESENCE OF THE JURY. Mr. Patrick informed the Court that the defense wants to cross examine Carlos Zapata to show there was not enough evidence to acquit defendant Rios at the previous trial. COURT FINDS, the Rios verdict has nothing to do with the Jeremias case. Mr. Patrick mentioned the plastic bag found at the scene. He stated that Detective Long said he didn't see the plastic bag or gun caliber; his opinion was based on speculation and should not come in. The Court informed counsel that he can say he did not know about the bag. Mr. Stanton stated there is expert testimony regarding this issue. Zapata ties this in as he said he saw the bags. COURT ORDERED, this issue will be allowed; defense may object and the matter will be dealt with at that time. Mr. Patrick brought up the coroner issue again. The Court informed counsel that the jury will be brought in now. Mr. Patrick is to file a motion regarding this issue. The motion has already been denied so it should be a motion for reconsideration. IN THE PRESENCE OF THE JURY. Exclusionary rule invoked. Opening statements by Mr. Stanton. Opening statements by Mr. Patrick. Testimony and exhibits per worksheet. CONFERENCE AT BENCH.
