ORDER GRANTING MOTION TO ASSOCIATE COUNSEL

Appellant has filed a motion to associate California attorney Charles Read of the law firm Jones Day in this matter pursuant to SCR 42. It appears from the district court docket sheet and documents before this court that Mr. Read was admitted to practice pro hac vice in the district court. Accordingly, it is unnecessary to file another motion in this court. See SCR 42(7) (Once a motion to associate under rule 42 has been granted, the attorney is deemed admitted in the event the action is appealed). Nevertheless, in an abundance of caution, we grant the motion.

Mr. Read shall be permitted to appear on behalf of appellant in this appeal. Nevada attorney Norman Azevedo shall be responsible for all matters presented by Mr. Read in this matter. See SCR 42(14) (the active member of the State Bar of Nevada who is attorney of record shall be present at all matters in open court); and NRAP 25(a)(5) (all documents submitted to the supreme court for filing by a represented party shall include the original signature of at least one attorney of record who is an active member of the State Bar of Nevada).

It is so ORDERED.
